66th

ANNUAL TOWN REPORT

OF

MILTON

MASS.

FOR THE YEAR ENDING

DECEMBER 31, 1902.

COMPILED BY

THE AUDITORS.

BOSTON:
MILLS & KNIGHT CO., PRINTERS.
1903.

AUDITORS' STATEMENT.

To the Citizens of Milton:

The undersigned Auditors have examined the books and accounts of all persons intrusted with the expenditure of Town money, and all original bills and vouchers on which moneys have been paid from the treasury for the year ending Dec. 31, 1902, and have found them correct.

Respectfully submitted,

JESSE B. BAXTER,
GEORGE A. FLETCHER,
Auditors.

MILTON, DEC. 31, 1902.

TAX RATE . . $12.75 PER $1,000.

REVISED BY-LAWS.

TOWN OF MILTON, MARCH 3, 1902.

ADOPTED BY THE TOWN AND APPROVED BY THE SUPERIOR COURT, MAY 20, 1902.

CHAPTER 1.

GENERAL PROVISIONS.

SECTION 1. These By-Laws, contained in this and the succeeding chapters, being ten chapters in all, may be designated as the Revised By-Laws, adding the number of the chapter and section when necessary.

SECT. 2. So far as the provisions of these By-Laws are the same in effect as those of previously existing By-Laws, they shall be construed as a continuation of such y-Laws, but, subject to said limitations and the provisions of the next section, all By-Laws of the town heretofore in force are hereby repealed; provided that this repeal shall not apply to or affect any By-Law, order, or article heretofore adopted, accepting or adopting the provisions of any statute of the Commonwealth.

SECT. 3. These By-Laws and the repeal of all By-Laws heretofore in force shall not affect any act done, any right accrued, any penalty or liability incurred, or any suit, prosecution, or proceeding, pending at the time when they take effect; nor shall the repeal of any By-Law thereby have the effect of reviving any By-law theretofore repealed or suspended.

SECT. 4. When in a By-Law anything is prohibited from being done without the license or permission of a certain officer, officers, or board, such officer, officers or board shall have the power to license or permit such thing to be done.

SECT. 5. In all the By-Laws of the town the following words and expressions shall, unless inconsistent with the manifest intent, be severally construed as follows: —

The words *public way* shall include any highway, townway, road, bridge, street, avenue, boulevard, roadway, parkway, lane, sidewalk or square; *the owner or occupant* of a building or land shall include any sole owner or occupant, and any joint tenant and tenant in common of the whole or of any part of a building or lot of land; words purporting to give a joint authority to three or more officers or other persons shall give such authority to a majority of such officers or persons; the word *person* may include corporations; words importing the singular number may apply to the plural number, and words importing the masculine gender may apply to the feminine gender.

SECT. 6. All fines and penalties for the violation of any By-Law shall, when received, inure to the use of the town, and be paid into the town treasury, unless it be otherwise directed by the laws of the Commonwealth or the By-Laws of the town.

SECT. 7. Whoever violates any of the provisions of the By-Laws of the town, whether included in these By-Laws or any hereafter enacted, whereby any act or thing is enjoined or prohibited, shall, unless other provision is expressly made, forfeit and pay a fine not exceeding twenty dollars for each offence.

SECT. 8. Whoever shall refuse or neglect to obey any order of any town officer or board of town officers, issued under any of the By-Laws of the town, directed to him and properly served upon him, shall, in cases not otherwise provided for, forfeit and pay for such offence a fine not exceeding twenty dollars.

SECT. 9. Prosecutions for the breach of any of the provisions of the By-Laws of the town shall be commenced within six months from such breach.

SECT. 10. Any or all of the By-Laws of the town may be repealed or amended, or other By-Laws may be adopted, at any town meeting, annual or special, an article containing the subject-matter of the proposed change having been inserted in the warrant for such meeting

CHAPTER 2.

TOWN MEETINGS.

SECTION 1. The warrants for all town meetings shall be directed to the constables of the town, and the meetings shall be notified by posting attested copies of the warrant in each of the post-offices of the town at least fourteen days, and by leaving printed copies thereof at the dwelling-houses in the town at least four days, before the day of such meeting.

SECT. 2. The annual meeting for the election of town officers shall be held upon the first Monday of March, the polls to be open at seven o'clock in the forenoon, and after the election of a Moderator, they shall remain open until two o'clock in the afternoon for the election of such other town officers as are required by law to be elected by ballot, all said officers to be voted for on one ballot. At any time after 2 P. M. a vote may be passed to close the polls in not less than ten minutes.

SECT. 3. After the closing of the polls and the election of other town officers, the remaining articles in the warrant shall be considered.

SECT. 4. All motions shall, if required by the Moderator, be reduced to writing before being submitted to the meeting.

SECT. 5. Upon taking the question, if the decision of the Moderator is doubted, or a division of the house called for, the Moderator shall request the voters to be seated, and shall appoint tellers; the question shall then be distinctly stated, and those in the affirmative and negative, respectively, shall be requested to rise and stand in their places until they are counted by the tellers, who shall carefully count each side and make a report thereof to the Moderator.

SECT. 6. No vote shall be reconsidered at the same meeting, except upon a motion made within one hour of the adoption of such vote, unless ordered by two thirds of the voters present and voting thereon.

SECT. 7. When a question is before the meeting, the following motions, viz.: —

to adjourn,
to lay on the table,
for the previous question,
to postpone to a time certain,
to commit (or recommit) or refer,
to amend or substitute,
to indefinitely postpone,

shall have precedence in the order in which they are placed in this section.

In proposed amendments involving amounts or dates, the smallest amount and the shortest time shall be put first.

SECT. 8. After the declaration of the vote for town officers, thirteen legal voters shall be appointed by the Moderator, who, together with the chairman of the Selectmen and the chairman of the school committee, shall constitute a committee to be known as the Warrant Committee. The persons so appointed shall continue as members of said committee until the town meeting of the ensuing year.

CHAPTER 3.

THE WARRANT COMMITTEE.

SECTION 1. The Warrant Committee shall, within two weeks after their appointment, meet, at the call of the member thereof first named, for organization by the choice of a chairman and secretary. And they shall meet thereafter from time to time as they may deem advisable.

SECT. 2. It shall be the duty of the Warrant Committee to inform themselves concerning those affairs and interests of the town, the subject-matter of which is generally included in the warrants for its town meetings; and the officers of the town shall, upon their request, furnish them with facts, figures, and any other information pertaining their several departments; provided, however, that any such information may be withheld when, in the opinion of the officer or board of officers so requested, the communication thereof might injuriously affect the interests of the town or its citizens.

SECT. 3. The Warrant Committee shall consider the various articles in the warrants for all the town meetings held during the period for which they were appointed, including the various articles in the warrant for the annual town meeting next after their appointment; and they shall report in print before all such town meetings their estimates and recommendations for the action of the town.

CHAPTER 4.

THE TOWN'S FINANCES AND PROPERTY.

SECTION 1. The financial year shall begin with the first day of March.

SECT. 2. The Selectmen shall annually, not less than seven days before the annual meeting, cause to be printed and distributed among the tax-payers of the town a detailed report of all moneys received into and paid out of the town treasury during the preceding calendar year, with such information and recommendations as they may deem proper, and with detailed estimates of the amounts of money that will be required for the ensuing financial year. With this report shall be printed the records of all meetings of the town held since the last annual report was printed, the reports of the Auditors, of the Surveyors of Highways and of the Engineers of the Fire Department, the Collector's account of receipts, payments, and abatements, a list of all taxes assessed, an abstract of the births, marriages, and deaths to be furnished by the Town Clerk, a statement concerning the condition and funds of the public library and the cemetery, to be furnished by the trustees respectively, and a statement of all other funds belonging to the town or held for the benefits of its inhabitants; also statements of the liabilities of the town on bonds, notes, certificates of indebtedness, or otherwise, and of the total money paid the town, the income of which is to be applied to the care of lots in the cemetery. The annual report shall also contain such other matters as may be required of the By-Laws of the town.

SECT. 3. The assessment of taxes shall be completed and the tax list and warrant shall be delivered to the collector on or before the first day of August in each year.

SECT. 4. Poll taxes shall be payable on demand, and all other taxes assessed in each year shall be payable on or before the first day of December in the same year; and on all such taxes as are not paid on or before the said first day of December, interest shall be charged at a rate to be fixed annually by the town, pursuant to Section 72 of Chapter 12 of the Revised Laws; and the Collector shall use all the means and processes provided by law for the collection of all taxes remaining unpaid after the first day of December in the same year.

SECT. 5. No person being an officer of the town shall in his official capacity make or pass upon, or participate in making or passing upon, any sale, contract or agreement, or the terms or amount of any payment, in which the town is interested and in which such officer has any personal interest at variance with that of the town.

SECT. 6. The Selectmen, being duly authorized by vote of the town under the limitations imposed by statute, may authorize the Treasurer to borrow money temporarily in anticipation of the collection of taxes, or upon loans authorized by vote of the town, and to give promissory notes therefor in behalf of the town, the same to be signed by the Treasurer, and countersigned by a majority of the Selectmen.

SECT. 7. No money granted for special purposes shall be applied to any other use unless by a vote of the town, and all unexpected balances of such grants shall be stated in the annual report.

SECT. 8. No order shall be drawn by any officer or committee on the Town Treasurer for any purpose not authorized by a vote of the town. or by the laws of the Commonwealth, nor shall any such draft be made for any amount which overdraws the appropriation against which it is made, whether general or special; and the Town Treasurer shall keep full accounts in respect to the several separate appropriations and the drafts made against each, and shall not honor any draft which does not state specifically the appropriation against which it is drawn, or which overdraws such appropriation, whether general or special.

SECT. 9. To provide for extraordinary expenditures of departments, should any become necessary in excess of appropriations made, the town shall annually appropriate a certain sum of money to be known as the Contingent Fund. No direct drafts against this fund shall be made, but transfers from the fund may be made by vote of the Warrant Committee to the account of any other appropriation. A certified copy of such vote shall be sent to the Town Treasurer, and the Treasurer shall transfer accordingly, and honor drafts against the funds so transferred as if originally appropriated.

SECT. 10. No board, committee, or officer of the town shall commit the town to any expenditure or liability which would, in the ordinary course of business, be chargeable to the appropriation of which such board, committee or officer, is or has been in charge, after such appropriation has been exhausted, or after the satisfaction of all liabilities against it would exhaust it, until either the Warrant Committee shall have transferred additional sums to such appropriation, or until the town, at a meeting of the voters, shall have acted in the matter.

SECT. 11. No grant of a sum of money exceeding five hundred dollars shall be made until the subject-matter thereof has been considered and the estimates reported to the town, either by the Selectmen or other town officers, or by the Warrant Committee or some committee chosen for that purpose in pursuance of a vote of the town.

SECT. 12. The Selectmen shall have full authority as agents of the town to institute and prosecute suits in the name of the town, and to appear and defend suits brought against it, unless it is otherwise specially ordered by a vote of the town.

SECT. 13. Whenever it shall be necessary to execute any deed conveying land or other instrument required to carry into effect any vote of the town, the same shall be executed by the Selectmen, or a majority thereof, in behalf of the town, unless the town shall otherwise vote in any special case.

SECT. 14. Two auditors shall be chosen by ballot at the annual meeting, who shall have the power and perform the duties prescribed by statute.

CHAPTER 5.

THE CEMETERY.

SECTION 1. The sole care, superintendence, management, and control of the Cemetery shall be intrusted to a board of five trustees to serve for the period of five years; one of said Board shall retire and a new member be elected at each annual meeting of the town.

In case of vacancies in the Board of Trustees the remaining members may fill the same, but any member so chosen shall hold office only until the next annual town meeting, when a Trustee shall be elected for the unexpired term.

SECT. 2. Citizens of Milton who are heads of families and have been residents of the town not less than five years shall be entitled to lots in the Cemetery allowing one lot to a family, subject to the regulations adopted by the town, upon payment of the charges for putting the lot in order; but by unanimous consent of the Trustees the five years' residence requirement may be waived.

SECT. 3. The Trustees, when in their judgment it shall be deemed advisable, may sell lots at the rate of fifty cents a square foot, but only to those who are in some way connected with Milton people.

SECT. 4. The proprietor of each lot shall cause to be erected at his own expense, corner-stones, and a step with his name and the number of the lot inscribed on the same, and shall cause his lot to be kept in proper order; and if the proprietor shall omit for thirty days after notice to erect such landmarks and to keep the lot in order, the Trustees shall have authority to have the same done at the expense of said proprietor.

SECT. 5. No lot shall be used for any other purpose than as a place of burial for the dead, and no proprieter shall suffer the remains of any person to be deposited within the bounds of his lot for hire; nor shall any proprietor sell or transfer the whole or any part of his lot without the consent of the Trustees.

SECT. 6. If in the judgment of the Trustees any trees or shrubs in any lot shall become detrimental to the adjacent lots or avenues, or dangerous or inconvenient, it shall be the duty of the Trustees to enter upon said lot and to remove said trees and shrubs, or such parts thereof as are thus detrimental, dangerous or inconvenient.

SECT. 7. There shall be no structure or inscription placed in, upon or around any lot which the Trustees shall deem offensive or improper; and it shall be the duty of the Trustees to remove all offensive or improper objects.

Sect. 8. The Trustees shall have authority to purchase any tomb in the Cemetery offered for sale, paying for the same such sums as, in their judgment, may be fair and reasonable. They shall also have authority to give for any tomb a lot to be constructed on the land occupied by the tomb, or to be selected at some other point in the Cemetery grounds, as they may agree with the proprietor of the tomb. Should there be no living proprietors, or legal representatives of deceased proprietors, the Trustees may take possession of such tomb, carefully remove its contents to a lot prepared for the purpose, and erect over the remains a suitable memorial stone.

Sect. 9. The following regulations shall be posted within the Cemetery: —

1. All persons are prohibited from driving on the borders.

2. No horse shall be left upon the grounds without a keeper unless fastened to posts provided for the purpose.

3. All persons are prohibited from discharging firearms within the grounds of the Cemetery, except in connection with military memorial services.

4. All persons are prohibited from writing upon or otherwise defacing any sign, monument, fence, or other structure.

5. All persons are prohibited from gathering flowers, or breaking any tree, plant or shrub.

6. Dogs are not allowed within the Cemetery grounds.

CHAPTER 6.

Police Regulations.

Section 1. No person shall move or assist in moving any building, over any way which the town is obliged to keep in repair, without the written permit of the Selectmen being first obtained; nor, having obtained such permit, without complying with the restrictions and provisions thereof.

Sect. 2. Whoever, without a written license from the Selectmen, shall cause or suffer any cart or wagon to remain within the limits of any public way so as in any manner to obstruct travel thereon, or for more than twenty-four hours, shall forfeit and pay a sum not less than one dollar and not more than ten dollars for each offence; and he shall be subject to a like penalty if he neglects to remove the same within the time ordered by such officers, who may revoke such license at any time.

Sect. 3. No person shall place or cause to be placed, upon any public way or sidewalk, any lumber, iron, wood, coal, trunk, bale, box, crate, cask, barrel, package or other thing, and allow the same to remain for more than one hour, or more than ten minutes after being notified by a constable, police officer or the Selectmen.

Sect. 4. Any person who intends to erect, repair or take down any building on land abutting on any way which this town is obliged to keep in repair, and desires to make use of any portion of said way for the purpose of placing thereon building materials or rubbish, shall give notice thereof to the Selectmen. And thereupon the Selectmen may grant a permit in writing to occupy such a portion of said way to be used for such purpose as in their judgment the necessity of the case demands and the security of the public allows; such permit in no case to be in force longer than ninety days, and to be on such conditions as the Selectmen may require; and especially in every case, upon condition that during the whole of every night, from twilight in the evening until sunrise in the morning, lighted lanterns shall be so placed as effectually to secure all travellers from liability to come in contact with such building materials or rubbish.

SECT. 5. No person shall throw or place, or cause to be thrown or placed, any ice or snow into or upon any public way, unless the same be broken into small pieces and spread evenly.

SECT. 6. Whoever, without the written permission of the Selectmen, shall place or cause to be placed in or upon any public way, or sidewalk, any ashes, dirt, rubbish or filth of any kind, or any animal or vegetable substance, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 7. Whoever shall suffer any horse or grazing beast, or swine, to run at large in the town, or to feed in any public way either with or without a keeper, and whoever shall drive any such animal upon any sidewalk, or suffer any horse to remain hitched across any sidewalk, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 8. Three or more persons shall not continue to stand or remain in a group, or near to each other, on any sidewalk or in any public place in such a manner as to obstruct a free passage for foot passengers, after having been requested by a constable or police officer to move on. Any person who shall violate the provisions of this section shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 9. No person shall dig up or obstruct any portion of any way which the town is obliged to keep in repair without the permit, in writing, of the Selectmen, nor, having obtained such permit, shall fail to comply with the conditions thereof; and in addition to any penalty to which he may be subjected under these By-Laws for such failure, he shall reimburse the town for all expenses and damages which, or for which, the town may be compelled to pay by reason of such unauthorized use, or any failure to comply with said conditions.

SECT. 10. No person shall ride or drive any beast of burden, carriage or draught, or shall propel or cause to be propelled any bicycle, tricycle, automobile or any vehicle whatsoever, at a rate of speed exceeding ten miles an hour in or over any public way.

SECT. 11. No person shall permit any team under his care or control to stand across any public way in such a manner as to obstruct the travel over the same for an unnecessary length of time ; no person shall stop with any team in any public way so near to another team as to obstruct public travel; and no person shall stop with any team or carriage upon or across any crossing in any public way.

SECT. 12. No person shall drive or take charge of at the same time in any public way two or more vehicles drawn by horses or other beasts; or shall allow any vehicle belonging to him to be driven in any public way without some competent person in charge thereof.

SECT. 13. Whoever shall coast upon ice or snow on Adams Street, between Churchill's Lane and the line of the City of Boston, or upon any public way on which the Selectmen or Superintendent of Police shall by public notice have forbidden such coasting, and whoever shall drive, wheel or draw any coach, cart, wheelbarrow, handcart, velocipede, bicycle or any carriage of burden or pleasure, except children's carriages, or coast upon any sidewalk in the town, shall forfeit and pay a sum not less then one dollar nor more than ten dollars for each offence.

SECT. 14. Whoever shall behave in a indecent or disorderly manner, or use profane, indecent, or insulting language in or upon any sidewalk, public way or other public place, to the annoyance or disturbance of any other person there being or passing in a peaceable manner, shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

SECT. 15. Any person or persons who shall play or perform on any musical instruments, or sing, parade, march, or congregate in any public way or public place, except in connection with a funeral, without the written permit of the Selectmen, shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

SECT. 16. Whoever shall be or remain on any doorstep, portico, or other projection from any house or building, or upon any wall or fence on or near any public way or public place, after being requested by the occupant of the premises or by any constable or police officer to remove therefrom, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 17. No person shall throw stones, snowballs, sticks, or other missiles, or kick a football or play at any game in which a ball is used, or fly any kites or balloons, in any public way.

SECT. 18. Whoever shall affix, by paste or otherwise, any handbill, placard, notice, or advertisement, or paint, draw, or stamp the same, or any marks or figures, to or upon any signboard of the town, or to or upon any building, fence, wall, tree or structure, without the permission of the owner of such building, fence, wall, tree or structure, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence ; and if such handbill, placard, notice, advertisement, mark, or figure be obscene or indecent, the penalty shall be not less than twenty dollars for each offence.

SECT. 19. Whoever shall undertake to enter a particular drain into a common sewer without a permit in writing from the Sewer Commissioners or without complying with the conditions and directions of such permit shall forfeit and pay a sum not exceeding ten dollars.

SECT. 20. Whoever shall lead or cause to be led into any public way, or running stream, any drain or pipe from any house or other building whereby filthy water or other unclean matter may be emptied into or upon any such public way or running stream; and whoever shall throw, lead or discharge, or cause to be thrown, led or discharged, into any public way, or running stream, any noxious or poisonous matter or substance, or any matter or substance which shall cause an offensive smell or odor, or which shall be destructive of, or injurious to, animal life, shall forfeit and pay a sum not less than five dollars nor more than twenty dollars.

SECT. 21. The Selectmen may grant licenses to use a certain portion of any public way as a carriage-stand, under such terms and conditions as they may prescribe; and no person shall use any portion of any public way as a carriage-stand for the solicitation of passengers for hire without a license from the Selectmen. But licenses shall not be confined to one person to the exclusion of other applicants, and shall be granted so as to allow competition and promote public convenience.

SECT. 22. No person shall distribute papers, circulars, or advertisements through the town or any portion thereof in such a manner as to make a litter or otherwise cause public annoyance.

SECT. 23. No person shall fire, discharge, explode or set off any gun, fire-arm, torpedo, fire-cracker or fire-works in such manner as to frighten any horse, or to disturb the peace or quiet of any neighborhood.

SECT. 24. No person shall wilfully deface or injure any public playground, planting space, flower bed, tree, shrub or grass border.

SECT. 25. No person shall own or keep a dog which by barking, biting, howling or in any other manner is disturbing the peace or quiet of any neighborhood.

SECT. 26. No hawker or peddler shall within the limits of the town sell any of the goods, wares or merchandise specified in Section 15 of Chapter 65 of the Revised Laws, without obtaining a license so to do from the Selectmen. Such license shall remain in force not later than the thirty-first day of May following its date, and every applicant shall pay therefor a sum not exceeding one dollar, to be fixed by the Selectmen.

SECT. 27. No itinerant vendor, hawker or peddler, as defined in Chapter 65 of the Revised Laws, shall go through the town peddling, selling, or exposing for sale any goods, wares, merchandise, articles, or things whatsoever, unless he has due license so to do either from the proper authority of the State or from the proper authority of the town under the provisions of law or of the By-Laws of the town.

CHAPTER 7.

THE CONSTRUCTION AND INSPECTION OF BUILDINGS.

SECTION 1. There shall be in the town a Department for the Inspection of Buildings, which shall be furnished with office room and such supplies for the transaction of business as the Selectmen may provide.

SECT. 2. The officer of said department shall be called the Inspector of Buildings. He shall be appointed by the Selectmen, and shall hold office until his successor is appointed. His compensation shall be regulated by the Selectmen.

SECT. 3. Wherever the word Inspector without further addition occurs in this chapter, it means the Inspector of Buildings.

SECT. 4. The Inspector shall keep a record of all business of the department, and shall submit to the Selectmen such reports of the same as they may require.

SECT. 5. The Inspector may, so far as is necessary for the performance of his duties, enter any building or premises within said town at any reasonable hour.

SECT. 6. The Selectmen may, after a hearing, of which public notice shall be given at least seven days prior thereto, by posting a written notice thereof in each post-office in the town and on the public bulletin boards in the town, and by publishing the same in a newspaper published in the town, or, if there be no such newspaper, in one published in the city of Boston, pass a vote designating building limits within the town; and upon the acceptance of said vote by the town at a meeting called as provided by law, said building limits shall be established. Said building limits may comprise the whole or any specified part or parts of the territory of the town.

SECT. 7. Until building limits are established as provided in Section 6, the provisions of this Chapter shall apply to the erection, alteration and removal of buildings and other structures throughout the town. After the establishment of such building limits said provisions, save as otherwise specified therein, shall apply to the erection, alteration and removal of buildings and other structures within such building limits only.

SECT. 8. No work shall be done upon any wall, building or other structure except such repairs as may be necessary for the preservation of the same, nor shall any wall, building, or other structure be erected, raised, moved, enlarged, altered, or torn down, without a permit from the Inspector.

SECT. 9. Applications for such permits shall be in writing upon blanks furnished by the town, and shall be directed to the Inspector who shall keep a record of the same.

SECT. 10. In the case of application for a permit to erect, raise, move, or alter a building or other structure where the Inspector is of opinion, because of all the circumstances, that the reasons for the provisions of this chapter do not apply, the Inspector may, with the consent in writing of the Selectmen, issue a special permit waiving all or any of said provisions. But before such permit is granted, three days' notice in writing from the Inspector shall be served upon all persons owning land within two hundred feet of the proposed building or structure, in order that such owners may be heard in opposition to the granting of such permit. The Selectmen shall keep a record of all such permits to which they consent.

SECT. 11. The framing plans and specifications of every building or other structure, and of every alteration in a building or other structure, for which a permit is required, shall be deposited temporarily with the Inspector. A copy of the plans and specifications of public buildings and of every alteration in a public building shall be deposited permanently with him. All plans and specifications deposited under this section shall be dated and signed by the Inspector immediately upon being received by him.

SECT. 12. Every permit issued by the Inspector shall state the purpose for which the building is to be used, and the conditions, if any, under which it is granted. All permits issued shall be recorded in detail, and said records shall be preserved.

SECT. 13. The Inspector shall not give a permit for the erection of any building or other structure until he has inspected the plans and specifications thereof, and ascertained that the building as planned has sufficient strength, proper means of ingress and egress, and that it conforms to the law and the By-Laws of the town, or for the alteration of any building or other structure already erected, until he has examined said building or other structure and the plans and specifications of said alteration, and has satisfied himself that said building as altered will have sufficient strength, proper means of ingress and egress, and will conform to the law and the By-Laws of the town.

SECT. 14. The Inspector shall inspect all work for which a permit has been issued, and shall see that it is being carried on according to law and the By-Laws of the town.

SECT. 15. No permit for the erection of any building to be used as a factory, or in which steam or other motive power is to be used, or which is to be used for the manufacturing of chemicals, or for the alteration or the moving of any building for any of such uses, shall be granted until after public hearing before the Selectmen ; and no building for any of such purposes shall be erected, altered or moved without such permit. Notice of such hearing shall be given, at least seven days prior thereto, by posting a written notice thereof in each post-office in the town, and on the public bulletin boards in the town, and by mailing a copy of the same to the owners of premises within five hundred feet of the proposed location of the building, addressed to their last known residence or place of business, and by publishing the same in a newspaper published in the town, or, if there be no such paper, in one published in the city of Boston.

SECT. 16. No boiler to furnish steam for power shall be set or erected, except on a permit from the Inspector, issued after a hearing as prescribed in the preceding section.

SECT. 17. Permits for the erection, alteration, or moving of any building to be used as a stable in which more than four horses are to be kept shall only be granted after hearing as provided in Section 15. Notice of such hearing shall be sent to the Board of Health of the town, in addition to the notices prescribed in said Section 15.

SECT. 18. The provisions of Sections 15, 16 and 17 shall apply to the whole town irrespective of building limits.

SECT. 19. The Selectmen may, in their discretion, after a hearing as provided in Sections 15, 16 and 17, instruct the Inspector not to issue the permit asked for, and in such case no such permit shall issue.

SECT. 20. In case the owner of any building or other structure, or an applicant for a permit to erect, move or alter a building or other structure, is dissatisfied with any order or decision of the Inspector made in any of the proceedings prescribed in this chapter, the matter shall be referred to the Selectmen, who, within one week from said reference, shall hear the parties, and after taking such expert opinion as may seem to them to be necessary, give their decision. In case the decision of the Inspector is affirmed, the expense of any expert opinion taken by the Selectmen shall be paid to the town by the owner or applicant on demand; otherwise such expense shall be borne by the town.

SECT. 21. Every portion of every building or other structure in process of construction, alteration, repair or removal, and every neighboring building or other structure or portion thereof affected by such process, or by any excavation, shall be properly supported during such process or excavation.

SECT. 22. All chimneys shall be built of brick or stone, and shall be lined with flue linings starting two feet below all thimble holes and at least two feet below the under side of first floor timbers, and extending above the roof boarding; or shall have an eight-inch brick or stone wall from the foundation to the roof boarding, and shall be topped at least three feet above the highest point of contact with the roof.

SECT. 23. No nails shall be driven into any chimney at any point; and no woodwork shall be within one inch of any chimney.

SECT. 24. Sills and girders shall be of sufficient size to safely support the superstructure.

SECT. 25. All woodwork, including lath and plaster, within two feet of any heating apparatus or smoke pipe, and all woodwork, including lath and plaster, coming in contact with any pipes from said apparatus, shall be properly protected by a metal or stone shield.

SECT. 26. All partitions in which hot-air pipes run shall be lined with sheet metal, or the pipes shall be wound with asbestos covering.

SECT. 27. Where dwellings of more than two stories are to be occupied by more than two families, there shall be at least two flights of stairs from the ground floor to the top floor, or one flight from the ground floor to the top floor inside, together with an approved fire escape outside.

SECT. 28. The studding of main or carrying partitions shall be not less than four inches in thickness, and shall have a proper support at bottom with a header not less than three inches in depth unless hard pine is used, then it may be two inches. All openings in main partitions of more than thirty inches shall be trussed over and have double studding at sides. Every partition shall have a header extending the length of the partition, and carrying partitions shall be bridged with stock the full width of studding, and two inches thick, at least once in height.

SECT. 29. The studding in outside walls and in partitions shall be not more than sixteen inches on centres unless permission is otherwise granted.

SECT. 30. For buildings other than wooden dwelling-houses the size of floor timbers shall be of sufficient size in the opinion of the Inspector to safely carry the weight intended. In wooden dwelling-houses the floor timbers for a 12 to 14 foot span shall be not less than 2 x 8 ; for a 14 to 16 foot span not less than 2 x 9 ; for a 16 to 18 foot span not less than 2 x 10 ; for an 18 to 20 foot span not less than 2 x 12 ; in every case the timbers shall be not more than 16 inches apart on centres.

SECT. 31. All headers and trimmers shall be double the thickness, framed together and pinned or hung in stirrup iron and joint bolted.

SECT. 32. All floor joists on the first floor shall be framed in even with the bottom of the sill and stopped off between where they come above the sills, either with joists or brick. Fire stops, the full width of the studding, and not less than three inches thick, shall be cut in on top of the floor joists on each floor above the first floor.

SECT. 33. All floor timbers shall be bridged, in a space of more than eight feet, with 1 x 3 inches, or 2 x 3 inches, stock, properly nailed at each end.

SECT. 34. The rafters of all buildings shall be of sufficient size, in the opinion of the Inspector, to safely carry the weight that must necessarily be put upon them, and be placed not over twenty inches apart on centres.

SECT. 35. In dwellings arranged for two or more families, side by side, the vertical division walls between the families shall be either of brick not less than eight inches thick and continued without break or interruption from cellar bottom to roof boarding, or of studding not less than four inches in thickness; and the spaces between the studding shall be filled solid, either with brick and mortar, mineral wool, or other incombustible material, approved by the Inspector, and this fire-proof filling shall continue up to the roof boarding.

SECT. 36. All hearths shall be supported by trimmer arches of brick or stone.

SECT. 37. All piers shall be built of brick or iron columns on proper stone or brick footing, and be of such size as to safely carry the weight they are intended to sustain. Brick piers shall be built of hard-burned brick laid in cement mortar.

SECT. 38. All wooden buildings hereafter erected shall have the sills, posts and girts mortised, tenoned and pinned together and supported by suitable studding, and shall be properly braced. End girts shall be placed in all wooden buildings. Sills shall be not less than 6 x 6 inches and shall be properly tied to all girders, and a sufficient number of floor timbers shall be tenoned and pinned to same to keep the building from spreading.

SECT. 39. Posts and girts shall be not less than 4 x 6 inches, other posts not less than 4 x 8 inches, and plates not less than 4 x 4 inches.

SECT. 40. No wooden building shall be built within two feet of the line of an adjoining lot unless a brick wall at least eight inches in thickness shall be substituted for the wooden wall next said line.

SECT. 41. Every wooden building or structure hereafter erected shall have a stone or brick foundation resting upon the solid ground or upon concrete, piles, or other durable substructure; said foundation shall be securely and properly built, shall have a sufficient amount of large stone extending through the wall to properly bond and tie it together and shall be of such thickness as to properly sustain the weight it is intended to support.

SECT. 42. The underpinning above grade, if of brick, shall be not less than ten inches in thickness; if of stone, not less than fourteen inches in thickness, and shall be laid in mortar.

SECT. 43. All foundation walls shall be laid at least three inches below cellar bottom, and not less than three feet six inches below any adjoining surface exposed to frost.

SECT. 44. Every building or structure hereafter built of brick, stone, iron or other hard and incombustible materials shall have foundations resting upon the solid ground, or upon concrete, piles or other durable substructure, and not less than four feet below any adjoining surface exposed to frost.

SECT. 45. Foundation walls for such buildings as are designated in Section 44 shall be built of brick, stone, or other suitable substance, properly bounded and solidly built with one half cement mortar.

SECT. 46. For brick buildings with walls not exceeding thirty-five feet in height, the foundation walls, if built of common stone, shall not be less than thirty inches thick at bottom and twenty inches thick at top, and be built of stone large enough to extend through the wall; if built of block stone in horizontal courses, the walls shall be not less than sixteen inches the entire height, and shall rest on a footing course twelve inches high and twenty-four inches wide.

SECT. 47. For brick buildings exceeding thirty-five feet in height the foundation walls, if built of common stone, shall be not less than thirty-six inches thick at bottom and twenty-four inches thick at top, and be built of stone large enough to extend through the wall; if built of block stone in horizontal courses the walls shall be not less than eighteen inches thick the entire height, and rest on a footing course twelve inches high and thirty inches wide.

SECT. 48. Party or partition walls shall be built upon a footing course of stone or brick not less than four inches each way larger than thickness of the wall it is to sustain, and twelve inches high.

SECT. 49. External walls of brick buildings less than fifteen feet in height shall be not less than eight inches thick; over fifteen and less than thirty-five feet in height they shall be not less than twelve inches thick, except when the building is used as a dwelling-house, then the walls of the upper story may be not less than eight inches thick; over thirty-five feet in height the walls shall be not less than sixteen inches thick to the top of second floor, and twelve inches thick the remaining height.

SECT. 50. In every brick wall at least every ninth course shall be a heading or bonding course, except where walls are faced with face brick, in which at least every ninth course shall be bonded with Flemish headers, or by cutting the courses of face brick and putting in diagonal headers behind the same, or by splitting face brick and backing them with a continuous row of headers.

SECT. 51. Vaulted walls shall contain, exclusive of ties, the same amount of material as required for solid walls, and shall be securely tied together with headers in every sixth course at least.

SECT. 52. In reckoning the thickness of walls no allowance for ashlar shall be made unless it is at least eight inches thick, in which case the excess over four inches shall be reckoned as part of the thickness of the wall. Ashlar shall be at least four inches thick and properly held by metal clamps to the backing, or properly bonded to the same.

BUILDING GRADES.

SECT. 53. The Selectmen may, after a hearing, of which public notice shall be given at least seven days prior thereto, by posting written notice thereof in each post-office in the town and on the public bulletin boards in the town, and by publishing the same in a newspaper published in the town, or if there be no such newspaper, in one published in the city of Boston, and by giving personal notice to the owners of land to be affected by delivering to such owners a copy of said notice or by depositing the same in the post-office, post-paid and addressed to them at their last known residence or place of business, pass a vote designating a building grade or building grades for any part or parts of the town; and on the acceptance of such vote by the town at a meeting called as provided by law, said building grade or building grades shall be established.

SECT. 54. Said building grade or building grades may be at different heights above the level of the sea in different parts of the town, as the nature of the ground may require.

SECT. 55. No cellar floor of any building erected on land for which a building grade has been established, nor any part, except the foundation, of a building on such land which has no cellar, shall be below said grade.

OTHER PROVISIONS.

SECT. 56. The Inspector in the name of the town may take such measures as the public safety requires, to carry the provisions of this chapter into effect; and any expense incurred in so doing may be recovered by the town from the owner of the defective property.

SECT. 57. Any person violating any of the provisions of this chapter shall be liable to a fine of not less than $20 nor more than $100 for each offence.

CHAPTER 8.

THE REGULATION AND INSPECTION OF PLUMBING.

SECTION 1. The word Inspector, without further addition, wherever used in this chapter, means the Inspector of Plumbing.

SEC. 2. No person shall carry on the business of plumbing unless he is a Plumber and shall have first registered his name and place of business in the office of the Inspector of Buildings; and notice of any change in the place of business of a registered plumber shall be immediately given to said Inspector of Buildings.

SECT. 3. Every plumber before doing any work in a building shall, except in the repair of leaks, file at the office of the Inspector upon blanks furnished for that purpose a notice of the work to be performed; and no such work shall be done in any building without the approval of the Inspector.

SECT. 4. No pipes or other fixtures shall be covered or concealed in any way until the same have been examined and approved by the Inspector. Notice shall be sent to the Inspector when the work is sufficiently advanced for such inspection, and it shall be the duty of such Inspector, within two working days after receiving such notice, to inspect the same; and in case any change therein shall be found necessary, he shall direct in writing the change to be made.

SECT. 5. All plumbing work shall be subjected to the water test before the fixtures are set. After all the fixtures are set the work shall be subjected to the smoke, peppermint or other reliable test under pressure. All such tests shall be made in the presence of the Inspector.

SECT. 6. The sewage and waste piping of every house or building shall each be separately and independently connected with the street sewer, where one is provided, or with a proper cesspool; and where there is no sewer in the street, and it is necessary to construct a private sewer to connect with one on an adjacent street, such system shall be used as may be approved by the Inspector.

SECT. 7. The soil-pipe of every building shall be of sufficient size to receive, and allow freely to pass, all that enters or should enter the same. All soil-pipes shall be of extra heavy cast-iron pipe: all drain and connecting ventilating pipes within the building shall be of sufficient size, and made of cast-iron with leaded and calked joints, but wrought-iron pipe may be used for vent purposes; said pipes shall be properly secured to walls and ceilings with wrought-iron hangers. The soil-pipe of every building shall be not less than four inches, vent pipes not less than 1½ inches, and waste pipes not less than 2 inches, in diameter.

SECT. 8. Every drain-pipe shall be supplied with a suitable trap placed with an accessible clean-out at the point where it leaves the building, and shall have a proper pitch and extend 5 feet outside of the cellar wall; said clean-out may be placed outside of the cellar wall if made accessible. The pipe from this point to the sewer or cesspool shall have tight joints. All drain or ventilation pipes shall extend undiminished in size at least 2 feet above the highest window on roof, and all changes in direction of soil-pipes shall be made by Y branches or bends as the Inspector shall direct.

SECT. 9. All joints in iron drain-pipes, soil or vent pipes shall be made by thoroughly calking the same with molten lead. Joints of lead pipes with iron pipes shall be made by soldering the same into brass ferrules by means of a full-sized wipe joint, and calking the ferrules to pipes which are of cast-iron, or screwing them to pipes which are of wrought-iron.

SECT. 10. Every water-closet, urinal, sink, basin, bath-tub, slop-hopper, and every tray or set of trays shall be furnished with a separate trap, placed as near the fixture as possible, and in no case shall the waste from the bath-tub or other fixture be connected with a water-closet trap. Traps shall be protected from siphonage or air pressure by special pipes of a size not less than the waste-pipe, placed outside or below the trap; lead pipes shall be used only where they are exposed to the view. Air-pipes for water-closets shall be not less than two-inch bore. Two or more air-pipes may be connected together or with a soil-pipe, but such connection with a soil-pipe shall be above the upper fixture of the building.

SECT. 11. No drip or overflow pipes from safes under water-closets, urinals or other fixtures, no overflow pipes from tanks or cisterns, no waste-pipes from refrigerators or other receptacles in which food is stored, no rain-water conductors, and no steam exhaust pipes or steam waste-pipes, shall be connected with any soil-pipe. No openings shall be allowed in the soil- or waste-pipe of any building for the purpose of receiving the surface drainage of the cellar. No brick, sheet metal, earthernware or chimney flue shall be used as a sewer ventilator, or to ventilate any trap, drain, soil- or waste-pipe.

SECT. 12. Every water-closet or line of water-closets on the same floor inside of the building proper shall be supplied with water from a tank, and shall have a flushing pipe of not less than 1¼ inches diameter inside.

SECT. 13. Cesspools shall have a top of stone, or arched brick, with iron rim and cover, and may be laid up dry, unless otherwise ordered by the Board of Health.

SECT. 14. Every privy vault shall be at least four feet distant from the line of an adjoining lot, unless by the consent of the owner of such lot; and every vault shall be so constructed as to be conveniently approached, opened and cleaned, and shall be made tight, so that the contents thereof cannot escape therefrom, if, in the opinion of the Inspector, the surroundings require it.

SECT. 15. No water-closet shall be enclosed with any upright woodwork.

SECT. 16. In the case of any dispute or difference in opinion between the Inspector and any person, the same shall be submitted by either party to the local Board of Health, who shall pass upon the same, and whose finding therein, after hearing, shall be final and conclusive upon all parties. No member of said board shall sit in a case in which he is interested, and in case of such disqualification, or of the necessary absence of any member, the two other members shall appoint a substitute. If two or more members are so disqualified or absent, the Inspector shall appoint one substitute, the appellant another, and the two so appointed shall, if necessary, appoint a third.

SECT. 17. The Inspector of Buildings, in the name of the town, may take such measures as the public safety requires, to carry the provisions of this chapter into effect, and any expense incurred in so doing may be recovered by the town from the owner of the defective property.

SECT. 18. A person violating any of the provisions of this chapter shall be liable to a fine not exceeding fifty dollars.

CHAPTER 9.

STREET RAILWAYS.

SECTION 1. The annual report shall contain the following concerning the street railways in the town and the street railway companies owning or operating the same, viz.:—

Copies or full statements of all locations granted to street railways during the preceding calendar year, with all the terms, conditions and modifications thereof, and the terms of any modifications granted during the year of locations previously granted.

A copy of all regulations in force as to the rate of speed, the mode, manner and extent of use of tracks, and the number and routes of cars of any and all such companies made by the Selectmen under the provisions of Sections 40 and 42 of Chapter 112 of the Revised Laws.

A statement of all taxes paid the town by street railway companies during the preceding calendar year, which by the terms of Section 47 of Chapter 14 of the Revised Laws are to be applied toward the construction, repair and maintainance of the public ways and removal of snow therefrom within the town.

Sect. 2. Whenever the Selectmen are of opinion that additional accommodations for the travelling public are required upon any street railway in the town, and the company neglects or refuses to furnish the same at their request, it shall be their duty to petition the Board of Railroad Commissioners to order such additional accommodations to be provided under the terms of Section 70 of Chapter 112 of the Revised Laws.

CHAPTER 10.

Town Ways.

Section 1. Every way that shall be laid out for the acceptance of the town as a town way shall be not less than thirty feet in width.

Sect. 2. Whenever an existing private way, the fee of which is in the abutters, shall be laid out for the acceptance of the town as a town way, the document relating to such laying out shall be accompanied by a certificate of a competent civil engineer, which shall be filed in the office of the Town Clerk, together with said document, before such way shall be accepted. The said certificate shall state that such private way is well built; and that as constructed it is equal to the average construction of the existing highways of the town.

Sect. 3. Whenever any way shall have been laid out or altered by the Selectmen, and accepted and allowed by the town, no entry for that purpose of constructing any part of such laying out or alteration shall be made until all claims for damages by reason thereof shall have been finally adjusted or determined, unless, such entry shall be authorized by special vote of the town.

MILTON TOWN RECORDS.

FOR THE MUNICIPAL YEAR 1902–1903

MARCH MEETING.

WARRANT.

Commonwealth of Massachusetts.

NORFOLK, ss. *To either of the Constables of the Town of Milton*, GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Town affairs, to meet at the Town Hall, in said Milton, on Monday, the third day of March next, at 9 o'clock A.M., then and there to act upon the following articles, to wit: —

ARTICLE 1. To choose a Moderator to preside at said meeting.

ART. 2. To choose all such Town officers as are required by law to be chosen by ballot; also on the same ballot to vote "Yes" or "No" in answer to the question, "Shall license be granted for the sale of intoxicating liquors in this Town?" The polls to be opened at 9 o'clock in the forenoon and may be closed as early as 2 o'clock in the afternoon.

ART. 3. To choose all such Town officers as are not required by law to be chosen by ballot.

ART. 4. To hear and act upon the Auditor's report, and reports of other Town officers or committees.

ART. 5. To see what sum of money the Town will appropropriate for the support of schools the ensuing year.

ART. 6. To see what sum of money the Town will appropriate for streets the ensuing year.

Art. 7. To see what sum of money the Town will appropriate for the improvement of the cemetery the ensuing year.

Art. 8. To see what sum of money the Town will appropriate for the Public Library the ensuing year.

Art. 9. To see what sum of money the Town will appropriate for the support of the poor the ensuing year.

Art. 10. To see what sum of money the Town will appropriate for Soldiers' Relief the ensuing year.

Art. 11. To see what sum of money the Town will appropriate for the Fire Department the ensuing year.

Art. 12. To see what sum of money the Town will appropriate for the Police Department the ensuing year.

Art. 13. To see what sum of money the Town will appropriate for street lighting the ensuing year.

Art. 14. To see what sum of money the Town will appropriate for salaries of Town officers the ensuing year.

Art. 15. To see what sum of money the Town will appropriate for Town Hall and Lot the ensuing year.

Art. 16. To see what sum of money the Town will appropriate for State Aid the ensuing year.

Art. 17. To see what sum of money the Town will appropriate for printing the ensuing year.

Art. 18. To see what sum of money the Town will appropriate for miscellaneous expenses the ensuing year.

Art. 19. To see what sum of money the Town will appropriate for the Health Department the ensuing year.

Art. 20. To see what sum of money the Town will appropriate for hydrant rental the ensuing year.

Art. 21. To see if the Town will accept the list of jurors as prepared by the Selectmen.

Art. 22. To authorize the Collector of Taxes to use all means of collecting the taxes which a Town Treasurer, when appointed collector, may use.

Art. 23. To fix the rate of interest on taxes unpaid after a time fixed by the Town.

Art. 24. To see if the Town will vote to appropriate the sum of two hundred (200) dollars to be expended by Huntington Frothingham Wolcott Post 102, G. A. R., on Memorial Day.

Art. 25. To see what sum of money the Town will appropriate for insurance on the Town buildings the ensuing year.

Art. 26. To see what sum of money the Town will appropriate for transportation of scholars the ensuing year.

Art. 27. To see what action the Town will take in regard to borrowing money.

Art. 28. To see what sum of money the Town will appropriate for plans and clerk hire for the Board of Assessors, the ensuing year.

Art. 29. To see what sum of money the Town will appropriate for the general uses of the Board of Park Commissioners the ensuing year.

Art. 30. To see what sum of money the Town will appropriate for the use of the Tree Warden, to be expended in care and planting of shade trees the ensuing year.

Art. 31. To see what salary (if any) the Town will vote to pay the Tree Warden the ensuing year.

Art. 32. To see what sum of money the Town will appropriate for the purpose of collecting and disposing of ashes and garbage in the Lower Mills, Mattapan and East Milton sections, or the congested districts throughout the Town, deemed necessary by the Selectmen.

Art. 33. To see if the Town will instruct the Selectmen to appoint an Inspector of Wires under the provisions of section 18 of Chapter 122 of the Revised Laws.

Art. 34. To see what sum of money the Town will appropriate to properly separate the street surface drainage from the sewerage system in the Lower Mills section of the Town.

Art. 35. To see what sum of money the Town will appropriate for the running expenses of the Sewer Department, for the ensuing year.

ART. 36. To see what sum of money the Town will appropriate for placing the town wires in the village and on Randolph Avenue under ground.

ART. 37. To see what sum of money the Town will appropriate for equipping the Central Fire Station with new heating apparatus.

ART. 38. To see if the Town will erect, at the Town Farm, a detention hospital, for the use of the Board of Health, for the isolation of such cases as in the opinion of the Board, the public health requires, and appropriate money for the same.

Art. 39. To see if the Town will erect two electric lights on Sheldon Street, East Milton, and appropriate money for the same.

Art. 40. To see if the Town will erect five electric lights on Churchill's Lane, and appropriate money for the same.

Art. 41. To see if the Town will accept the provision of Chapter 337, acts of 1899, entitled "An act relative to the regulation and supervision of wires over streets and buildings in Towns."

Art. 42. To see if the Town will vote to adopt the following amendments to its By-Laws:

Section 1. Every way that shall be laid out for the acceptance of the Town as a town way shall not be less than thirty feet in width.

Sect. 2. Whenever an existing private way, the fee of which is in the abutters, shall be laid out for the acceptance of the Town as a town way, the document relating to such laying out shall be accompanied by a certificate of a competent civil engineer, which shall be filed in the office of the Town Clerk, together with said document, before such way shall be accepted. The said certificate shall state that such private way is well built; and that as constructed it is equal to the average construction of the existing highways of the Town.

Sect. 3. Whenever any way shall have been laid out or altered by the Selectmen, and accepted and allowed by the Town, no entry for the purpose of constructing any part of such laying out or alteration shall be made until all claims for damages by reason thereof shall have been finally adjusted or determined, unless such entry shall be authorized by special vote of the Town.

Art. 43. To see if the Town will vote to elect a board of Road Commissioners at the next annual Town Meeting in accordance with Chapter 11, Sect. 341 of the Revised Laws.

Art. 44. To see if the Town will vote to adopt the provisions of Chapter 377 of the Acts of 1901, an Act relative to pensioning members of Police Departments in certain cities and towns.

Art. 45. To see if the Town will vote to contruct a public library building and to raise money therefor by loan or otherwise and to accept a gift of a site for the same and to take any other action relating to such library building or the site therefor.

Voted, That the Town authorize the Trustees of the Public Library to construct a public library building and the sum of $ is hereby appropriated therefor and the town treasurer is hereby authorized to borrow the said sum giving therefor the notes or bonds of the town payable in equal annual instalments over a period of twenty years from their date and the town hereby accepts the gift from (insert names of donors) of a lot of land on Canton Avenue and Reedsdale Road to be used as a site for the said library building.

Art. 46. To see if the Town will vote to erect and maintain street lights on Blue Hill Avenue from Bradlee Road to Brush Hill Road, and appropriate money for the same.

Art. 47. To see if the Town will vote that hereafter the Trustees of the Public Library shall elect from among their own number a Treasurer, in accordance with Chapter 38 of the Revised Laws of Massachusetts, who shall have charge of all funds and appropriations devoted to the use of the Public Library. (Note. The purpose of this article is to have the funds and accounts of the library kept entirely separate from other Town matters.)

Art. 48. To see if the Town will erect three (3) electric lights on Grafton Avenue, East Milton, and appropriate money for the same.

Art. 49. To see if the Town will construct a granolithic, or equally permanent sidewalk four (4) feet wide, on Adams Street, between the property owned by Lemuel Crossman and that owned by Ernest W. Bowditch, and that the sum of three thousand, two hundred ($3,200) dollars be appropriated for the same.

Art. 50. To see if the Town will vote to re-locate and narrow Brook Road between Central Avenue and Canton Avenue to a uniform width of eighty (80) feet, as laid out by the Selectmen.

Art. 51. To see if the Town will vote to erect a Fire alarm box at or near the junction of Reedsdale Road and Spafford Road and appropriate money for the same.

Art. 52. To see what sum of money the Town will appropriate for a Fire station and equipment for the same to be located in the South district of the Town.

Art. 53. To see if the Town will vote to instruct the Selectmen to take such action as is necessary to procure the passage of the Bills before the Legislature relating to Milton Water supply and appropriate money for the same.

Art. 54. To see if the Town will appropriate the sum of ($1,500.) Fifteen hundred Dollars for the construction of a swimming pool and dressing rooms; also the further sum of ($750.) Seven hundred Fifty Dollars for the running expenses of the same. To see further if the Town will vote to have a committee of five appointed by the Moderator, to serve without pay, to superintend the construction and the use of such pool and dressing rooms in accordance with the report of the Committee on Public Bathing Facilities.

Art. 55. To see if the Town will erect additional electric lights on Blue Hill Ave. between Oak Street and Cheever Street, and appropriate money for the same.

Art. 56. To see what sum of money the Town will pay the Trustees of the Milton Academy for loam and gravel removed in excess of contract, and for regrading land situated on Vose's Lane, — in accordance with terms of lease dated May 11, 1894.

Art. 57. To see what action the Town will take upon the report of the Committee on By-Laws appointed by the Moderator pursuant to the vote of the Town at the annual meeting in March, 1901.

Art. 58. To see if the Town will adopt as By-Laws the Draft of By-Laws reported by the Committee appointed for the purpose by the Moderator pursuant to the vote of the Town at the annual meeting in March, 1901, or any portion or portions thereof; or will adopt By-Laws concerning all or any of the matters treated in said Draft of By-Laws; or will repeal or amend all or any of the existing by-laws which relate to all or any of the matters treated in said Draft of By-Laws.

And you are directed to warn said inhabitants, qualified as aforesaid, to meet at the time and place and for the purpose herein mentioned, by posting attested copies of this warrant in each of the post-offices of said Town, fourteen days at least before said meeting and leaving printed copies hereof at the dwelling houses in said Town.

Hereof fail not, and make due return of this warrant with your doings hereon, to the Town Clerk at or before the time and place of said meeting.

Given under our hands at Milton this twelfth day of February, nineteen hundred and two.

ALBERT A. BRACKETT,
JACOB A. TURNER,
HIRAM TUELL,
Selectmen of Milton.

Commonwealth of Massachusetts.

NORFOLK, SS. MILTON, March 3, 1902.

Pursuant to the within warrant I have notified the inhabitants of the Town of Milton, as within directed, to meet at the time and place, and for the purposes therein mentioned, by posting attested copies of the same in the post-offices of said town and by leaving copies at the dwellings of the inhabitants.

PELEG BRONSDON,
Constable of Milton.

At a meeting of the inhabitants of the Town of Milton, held according to the foregoing warrant, upon March 3, 1902, the following proceedings were had upon the several articles in said warrant, namely: —

ARTICLE 1. Felix Rackemann, Esq., was chosen Moderator.

William W. Churchill, Thomas M. Lennon, Robert J. Clark and Oscar J. Price were appointed by the Selectmen as Ballot Clerks; and William W. Robertson, William B. Thurber, G. Frank Kemp, Paul Carpenter, Fred S. Chute, Irving D. Glover, W. Newton Harlow, John A. Palmer, George V. Fabian, George W. Adams, and Frank L. Richards, Tellers.

The following additional Tellers were appointed by the Moderator, viz.: Thomas W. Pond, William A. Haley and James Colgan. All of the above named being sworn by the Town Clerk.

At 2 o'clock and 12 minutes P.M., *Voted,* That the Polls for Town Officers be closed.

ART. 2. Albert A. Brackett, Maurice A. Duffy and Jacob A. Turner were chosen Selectmen, Overseers of Poor and Surveyors of Highways.

Henry B. Martin was chosen Town Clerk.

George W. Nickerson was chosen Assessor.

J. Porter Holmes was chosen Town Treasurer.

Hester Cunningham and Anna C. Wigglesworth were chosen School Committee for three years.

John H. Emerson was chosen Collector of Taxes.

Jesse B. Baxter and George A. Fletcher were chosen Auditors.

Horatio A. Lamb was chosen Park Commissioner.

Samuel A. Morse was chosen Sewer Commissioner.

Charles R. Gilchrist, M. D., was chosen a member of the Board of Health for three years.

The following Constables were chosen, namely: — Peleg Bronsdon, Edwin L. Crossman, Fred M. Farrington, Edwin A. Houghton, Herbert R. Lawrence, Jacob S. Lincoln, Timothy McDermott, Peter McIntyre, Maurice Pierce, Henry C. Shields, John H. Tucker, James Wigley.

Amor L. Hollingsworth, Roderick Stebbins and Arthur H. Tucker were chosen Trustees of Public Library for three years.

William H. Kennedy (for 5 years), J. Frank Pope (for 4 years) were chosen Trustees of Cemetery.

Nathaniel L. Kidder was chosen Tree Warden.

Voted, That no license be granted for the sale of intoxicating liquor in this Town, the ballot being as follows, viz.: — Yes, 198 votes. No, 439 votes.

ART. 3. The following officers were elected *viva voce*:—

Fence Viewers. — Henry W. Vose, George Y. Badger.
Surveyors of Lumber. — Arthur M. Gardner, George E. Burt.
Field Driver and Pound Keeper. — Elias C. Conant.

ART. 4. AUDITORS' REPORT.

Voted, That the Auditors' Report be accepted.

REPORT OF COMMITTEE ON NEW POLICE STATION.

To the Citizens of the Town of Milton: —

A committee was appointed at the annual Town Meeting, held in March, 1901, to inquire into the advisability of building a new Police Station and Stable, and the sum of one hundred dollars was appropriated to cover its expenses.

The committee has visited the existing Police Station and Stable, at Milton Lower Mills, and made a careful examination of them both.

It finds that the station house is of very poor and unsatisfactory construction, with no basement or cellar, and is at present in an apparently unsafe condition. It is built over old lime pits, and only a few feet above tide-water, and the soil underneath it is such that the building is constantly settling; the result is that the walls are buckling in spite of extra braces; the chimneys are no longer plumb, and gaps in the partitions, windows and doors have to be constantly closed by metal plates and patch-work carpentering.

The station house seems large enough for the present purposes of the department, although it is not conveniently arranged, and has not an economical system of heating; the condition of the building has been growing worse from year to year, and though the committee cannot say that is absolutely unsafe, it does seem clear that money used for any extensive repairs would be wasted.

The police department stable was built wholly of wood, and with no cellar; the floor being only a few feet above the ground, and was considered when built a temporary structure; a small addition has since been made, constant repairs are necessary to keep the floors from falling through, as the dampness from the river and ammonia due to lack of ventilation act quickly on the wooden timbers.

The committee considers that the stable is wholly inadequate for the department, and any money expended on it beyond what is necessary for holding up the floor until a new stable can be built is wasted.

The committee is of the opinion that a new Police Station and Stable should be built by the town, and that they should be situated in the Lower Mills district, as the Chief of Police is authority for the statement that a great many more arrests are made there than in all the other districts of the town combined.

The committee has inspected carefully the land owned by the town in that section and considers it unsuitable for new buildings of this nature; part of it is too near tidewater to permit of a cellar being built, and part of it is leased by the town to private persons and covered by buildings not owned by the town. Moreover the most available part of the land is so shaped that the stable would have to be located at some little distance from the station house.

The committee recommends that the town purchase a new plot of land, but it does not recommend any particular site.

The committee further recommends that either this committee be continued or a new one appointed by the town with instructions to secure provisional plans and estimates, if it can do so without expense, and arrange as far as it can do so legally for the purchase of land and to insert in the warrant for the next town meeting, annual or special, such articles as are necessary to enable the town to appropriate money for a new station house and stable; for the purchase of land and for carrying on the necessary construction.

In all of its findings and recommendations the committee is unanimous.

The committee reports that it has expended no part of the one hundred dollars appropriated for its use, and this sum will therefore revert to the town treasury.

(Signed) C. MINOT WELD,
ARTHUR M. GARDNER,
MAURICE A. DUFFY,
ROBERT F. HERRICK,
CHARLES S. PIERCE.
Committee.

Voted, That the foregoing report be accepted, and the committee continued.

REPORT OF COMMITTEE ON PUBLIC BATHING FACILITIES.

To the Citizens of Milton:

Your Committee on Public Bathing Facilities has the honor to make the following report.

CONDITIONS IN MILTON.

Your committee first turned its attention to investigating the conditions in Milton, and found the following facts:

1. Good bathing and swimming for both sexes, with proper accommodation and supervision, may be had during the summer months at Houghton's Pond. This pond, however, is five miles from East Milton, one of the three centres of population: and four and one-half miles from Lower Mills and Mattapan, the other two centres. Moreover, no electric cars run within two miles of the pond.

2. Pools in the quarries are used by some persons in early summer, but the water is stagnant and soon becomes unhygienic.

3. In a very small pool in Pine Tree Brook, near Mr. Harvey Dudley's house, the water is pure, and is used by some children for a bathing-place.

4. (*a*) The Neponset River near the Hollingsworth mills in Mattapan is resorted to by large numbers of swimmers,

but is absolutely unfit for bathing. The testimony of residents of that vicinity is that the stream is worse than a sewer. The engineer of the State Board of Health declares it to be "one of the foulest streams in the state."

(*b*) Below the chocolate mills, near the Milton Boat Club float, in tidal water, hundreds of persons bathe. Although the salt water that comes in here has a purifying influence, yet the whole body of the highly polluted water of the Neponset River is also here, and several cases of sickness have been traced by physicians to swimming at this place.

At the request of your committee, the local Board of Health has asked the State Board of Health to test the Neponset River below the chocolate mills, and report on its suitability for bathing, but their report has not yet been received. Nevertheless, Dr. Walcott, the chairman of the State Board, says that in his opinion this part of the river is entirely unfit for bathing. Gulliver's Creek, where a good many persons bathe, falls under the same ban.

5. We know of no other places in the town where there is any considerable amount of bathing. Thus it appears that with the exception of Houghton's Pond, which is nearly five miles from each of the more thickly populated parts of the town, there is practically no place in Milton which is suitable for bathing purposes. This deprivation must be keenly felt in the hot summer months by the twelve hundred children in our public schools, most of whom spend their vacation at home; not to mention many other persons who have outdoor occupations, and who would enjoy the luxury of a good swim or bath.

EXAMPLES OF OTHER TOWNS AND CITIES.

Your committee also studied what other towns and cities do to provide public bathing facilities, and found as follows:

1. In England and on the Continent a great many municipalities provide public baths and swimming-pools, espe-

cially in the more crowded portions of the community. Some of these are nearly self-supporting, a small fee being charged for each bath. The city of Manchester, England, with a population about the same as that of Boston, had in 1897 nine public bathhouses, containing 21 swimming-pools, 375 private bathrooms with tubs, 11 pan baths, and two Turkish baths. The total number of bathers in the year ending March, 1896, was 789,616. Vienna has a bathing establishment, built at an expense of over $500,000, and capable of accommodating 1,270 bathers at one time. More modest bathhouses containing only shower-baths can be built for less than $1,500. (See "Public Baths in Europe," by Dr. E. M. Hartwell in Bulletin of Department of Labor, No. 11, July, 1897.)

In this country, New York State and Massachusetts have passed laws allowing cities and towns to erect and maintain such establishments. New York City has made an exhaustive study of public baths, with the result that there are now baths in the New York schoolhouses as well as in especially constructed buildings, and along the river front. (See Report on Public Baths and Public Comfort Stations by the Mayor's Committee of New York.)

Brookline, Mass., has a model bathhouse, erected at a cost of $43,000, which contains private bathrooms and two swimming-pools. Free instruction in swimming is given to all the school children of the town. Non-residents may use the swimming-pool for twenty-five cents. Brookline also has shower-baths in the High School building. (See Report of the Committee on Care and Management of the Public Baths in Brookline, 1901.)

For thirty-five years Boston has provided some kind of public baths for its citizens. The estimation which the city has of the value of such provisions can be seen from the following extract taken from the Report of the Department of Baths, 1899–1900:

"The effect of the work of the department primarily in connection with public baths, but also more recently in connection with that of the public gymnasiums, is already, we believe, bringing this department into a sphere of moral and educational influence similar to that of the older departments of the city government, which have to do distinctly with the physical and moral well-being of the people. It is the belief of the Trustees that the widespread increase of bodily cleanliness and sound physical training which is resulting from the work of the department will in due time noticeably advance the general average of public order, and in these ways tend to reduce the cost of maintenance in those departments of the city dealing directly with disease, pauperism and crime. From several neighborhoods in which important centres of this department are located, significant testimony in this direction has already come." Boston has a great system of floating baths in the Charles River, and along the wharves and the shore of the harbor. Besides these, Boston has a luxurious all-the-year-round bathhouse on Dover Street, and other all-the-year-round baths in connection with the public gymnasiums and the Paul Revere School. There are two swimming-pools for use in the summer, one at Orchard Park, the other at Cabot Street; and another pool for use all the year round is now being contemplated. During the year 1899–1900, 2,000,000 baths were taken in the city of Boston.

Milwaukee, Buffalo, and other cities also provide public bathing establishments. (See Report by Mayor's Committee on Public Baths, New York.)

Besides all these municipal baths, a great many athletic associations, private schools, clubs and other organizations provide extensive bathing facilities which may be called quasi-public. The barracks and army posts of this and foreign countries are in many cases thus supplied, and in this country, wherever it is possible, swimming-pools are built for the soldiers. (See "Baths, Bathing and Swimming," by Dr. H. Lincoln Chase, Damrell & Upham, Boston, 1896.)

In short, your committee find that the value of public baths and swimming-pools is being recognized more and more, and that the number of them is increasing.

RECOMMENDATIONS.

Realizing, then, that Milton has no adequate public bathing facilities, and being convinced by the example of other towns and cities, as well as by its own study, that some provision ought to be made for bathing, at least during the summer months, your committee next considered what might be done, and found as follows :—

1. A well-equipped bathhouse, like the one in Brookline, but less elaborate, which should contain swimming-pools, shower-baths, etc., and which should be open all the year round, would cost, exclusive of land, probably as much as $20,000, and the annual expense for water alone would probably be $3,000. Your committee think that it is inadvisible for the town to undertake this expense now, whatever may be best in the future.

2. Swimming-pools can be built for about $700 to $900 apiece, one in the park in Mattapan near the Neponset River, another in Pine Tree Brook, near Mr. H. Dudley's house. For this latter pool there would be an additional expense for land. The supply of water would, we think, be ample ; but at least the pool in the park would not have running water, and in order to change the water a small engine and pump would be required. We do not recommend the construction of these pools.

3. The best plan, and the one which your committee does recommend, is to use the lower end of Mr. Jacob Turner's pond where it almost reaches Canton Avenue. Mr. Turner has made the following offer : —

Milton, Mass., Jan. 7, 1902.

I hereby agree to let the town of Milton have the use of the lower end of my pond, called by some persons Davis's Pond, by others Turner's Pond, for a swimming-pool for a period of five years from this date. I also agree to let said town have the use of an area on the adjacent southern shore of said pond sufficient for a building for dressing-rooms, also for five years. I make this agreement on condition that the town of Milton have whatever area of the said pond it takes, cleaned out and deepened. The use of this swimming-pool is understood to be only from May 1 to September 30, inclusive, of each year for the terms granted, the owner of the pond relinquishing no rights for the remaining part of the year.

(Signed) Jacob A. Turner.

It will be observed that by the terms of this offer the town will obtain a pool and the use of the necessary shore entirely free of expense. We think that the thanks of the town are due to Mr. Turner for this act of generosity, and that this opportunity should not be thrown away.

After Mr. Turner made the above offer we obtained estimates (*a*) of the cost of deepening one-half an acre at the lower end of the pond, and (*b*) of the cost of a building to dress and undress in. The building could be constructed for $500, and the pond could be deepened for $1,000. This would allow a uniform depth of four and one-half feet, except in one part, which would be nine feet deep in order to make it possible to dive. This depth would go below the present mud bottom. (See plan of survey made by H. H. W. Sigourney). We have every reason to believe that even in a dry season there would be no failure of water, as the pond is supplied by its own springs, and so far as we know, is never dry unless the dam is opened. The new Metropolitan Sewer, however, must be taken into account. Chief Engineer Brown, of the Metropolitan Sewer Commission, says that if the sewer is to be built along the proposed route, between Brook Road and Turner's Pond, it would be better to defer making the swimming-pool until after the sewer is finished. This is because the springs that feed the pond might be temporarily drained. If, on the other hand, Brook Road is selected for the sewer route, Mr. Brown says that the springs in the pond will not be effected.

Thus, for $1,500 the town can get a good swimming-pool of running fresh water and a suitable building for dressing. This pool would have an advantage over the swimming-place in the Neponset River below the chocolate mills, even if the latter place were clean enough to bathe in, in the respect that it would always be available and not dependent upon the tide. The location of the proposed pool is also peculiarly good, being easily reached from all parts of the town by electric cars, which run within a few minutes of it: and it is only about fifteen or twenty minutes' walk from the Lower Mills and Mattapan.

There would be another expense connected with this pool, namely, the expense of supervision. There would have to be one person, possibly two, in constant attendance to see that order should be kept. Most of the time one attendant would probably be enough; supposing, however, that two were required, about $750 for each season would suffice. Thus, the total amount now required, if the town wishes to have and use the proposed pool this year, is $2,250.

There should also be a committee appointed annually, to serve without pay, who shall have the care and management of this proposed swimming-pool and bathhouse, with power to make such rules and regulations as they deem best for the use of them, and who shall appoint such attendants for the establishment as are necessary, and who shall fix the terms of such attendants' compensation.

The recommendations of this committee, therefore, are: First, That the town vote to appropriate $1,500 for the construction of a swimming-pool in Turner's Pond, and a house to dress in. Second, That the town vote to appropriate $750 for the running expenses of the same for one season. Third, That the town vote to have a committee appointed annually by the Moderator, to serve without pay and to superintend the management of this Public Bath; said committee to have the power to make all necessary rules, to appoint attendants, to fix their compensation, and to buy whatever articles and fixtures are necessary for the proper use and care of the establishment. It is further understood that the said committee shall superintend and control the construction of the proposed pool and bathhouse.

We further recommend, that if it is decided to build the Metropolitan Sewer along Turner's Pond, between the pond and Brook Road, then all action on this report be deferred till the next annual town meeting.

Your committee believes that its recommendations are conservative. It realizes that although numerous other municipalities have provided public bathing facilities, yet, for this town to do so will seem like a new departure. But your committee wishes to point out the fact that its recommendations, if adopted, bind the town to no permanent policy. It proposes to try merely an experiment, at a small initial expense, and, if continued, at a slight annual cost. At the end of even one year, the town will know whether the experiment is successful or not; and if it so chooses it need not, then nor thereafter, spend another cent for this purpose.

Respectfully submitted,
A. H. WARD,
MILTON, February 18, 1802. *For the Committee.*

(See Vote under Article 54.)

REPORT OF WARRANT COMMITTEE ON THE SUBJECT OF STREET RAILWAYS AND STREET RAILWAY LOCATIONS.

To the Citizens of Milton:

In the March meeting warrant of 1901, Art. 42 was as follows:—

"To see if the Town will direct the Warrant Committee or will appoint a Committee to investigate and consider upon the matter of the future granting of locations to street railways in the public ways of the Town, with a view to obtaining information regarding locations in other places and otherwise, and to making recommendations which may be of use to the Selectmen or other public officers in granting locations hereafter; and with a further view of the practicability of securing to the Town payment by way of rent or otherwise for the use of such locations; and to report on said matters to the Town; and will appropriate a sum not exceeding three hundred dollars ($300) for the purpose aforesaid."

The vote of the town was, that the Warrant Committee should make such a report. In accordance with this vote, the Warrant Committee report as follows:—

In 1898 a special committee was appointed by the Governor to investigate the relations between cities and towns and street railway companies. The result of the investigation of this Committee led to the passing of a bill, chapter 578, Acts of 1898, entitled, "An Act relative to Street Railways."

It is unnecessary to go into any abstruse review of this Act, and it suffices in answering the inquiry as to "the practicability of securing to the town payment by way of rent or otherwise for the use of such locations" by street railways to call attention to sections 2 and 4 of chapter 578, which provides that the annual tax assessed and collected on the franchise and stock of each and every street railway company by the Commonwealth shall be distributed among the cities and towns through which the tracks of the different railway companies pass in proportion to the miles of track in such city or town. Milton's income from this source was in 1899, $476.07; in 1900, $1,394.38; and in 1901, $1,625.87.

Attention is also called to section 7 of the same Act, which provides for a graduated excise tax on gross receipts. The income derived from this source comes nearer to what might be termed rental than the money derived from the tax previously mentioned. The income to Milton from this excise tax was in 1899, $106.01; in 1900, $339.23; and in 1901, $931.60.

Section 12 of the same Act provides that street railways shall remove snow from their tracks subject to the approval of Superintendent of Streets. Here apparently ends the control which the officers of the town can exert over any street railway corporation, as section 11 provides that street railway companies shall not be required to keep any portion of the surface material on streets, roads or bridges in repair, except when disturbed by them; and section 17 provides that locations cannot be revoked until approved by the Board of Railway Commissioners. It can, therefore, be stated that no rents or income can be derived from any street railway company for the use of locations already granted, or which may hereafter be granted except as above mentioned.

In regard to the granting of future locations to street railway companies, attention is called to section 13 of chapter 578, Acts of 1898, which provides that, in granting locations, the Selectmen of the town "may also impose such other terms, conditions and obligations in addition to those applying to all street railways under the general provisions of law as the public interest may, in their judgment require." Also to section 19 of the same Act, which provides that a proportionate share of the expense of widening streets, when such widening is rendered necessary for the purpose of granting a location, shall be borne by the railway company. These two sections give to the Selectmen of the town the only hold which they have over railway companies asking for locations, to obtain for the town any compensation for the privilege asked for by railway companies. This being the fact, the Selectmen should exercise the authority given them to its fullest extent, in the interests of the town. In the past street railway companies have asked for locations and been given the same without cost to them, although these locations were extremely valuable at the time they were given and are constantly increasing in value. That railway companies now seeking locations are willing to pay for the same, and to pay handsomely too if the location is in a reserve space, is shown by the fact that within the past year a location has been granted by the City of Newton that involves widening and rebuilding of something over three miles of streets from an average width of from sixty to ninety feet, with a reserve space in the middle, at an estimated cost of $150,000, of which the railway company pays $125,000 and the city $25,000. A location has also been granted by the Town of Wellesley on very much the same basis, and to come nearer home, the Blue Hill Street Railway, last autumn, widened Milton Street, between Readville Station and Paul's Bridge in the Town of Hyde Park, at its own expense in consideration of being given a location over this short distance.

Inasmuch as the town can derive no direct income from street railway locations after the locations have once been granted, excepting as specified in this report, your committee recommend that it is the duty of the Board of Selectmen, before granting any new locations to any street railway company, to secure from the company asking for the location, as many benefits in the interest of the town as can reasonably be demanded, and in no case would the expense of widening or rebuilding streets, in order that street railways may have a location in a reserve space, be borne by the tax payers of the town, but the whole or major part of the expense should be borne by the street railway company.

Respectfully submitted,

THE WARRANT COMMITTEE OF 1902.

Voted, That the foregoing report be accepted and placed on file.

REPORT OF COMMITTEE ON BY-LAWS.

MILTON, JANUARY 24, 1902.

The committee appointed by the Moderator pursuant to the following vote passed at the annual Town Meeting in March, 1901, viz:

Voted, That the subject matter of Articles 50 and 51, be referred to a committee of seven to be appointed by the Moderator, such committee to give at least one advertised public hearing, and to report in print to the next meeting of the Town (general or special), causing appropriate articles to be inserted in the Warrant therefor, to enable town action on their report: And that the committee thus appointed be requested to consider and report as to By-Laws of the Town as a whole.

report to the town as follows: —

As directed in said vote your committee have given one advertised public hearing, at which certain citizens of the town appeared and made suggestions to the committee, and have considered the subject matters referred to them.

Under the language of said vote your committee have considered themselves authorized in their discretion to report for the consideration of the citizens of the town a code of by-laws; and deeming it advisable and as best meeting the requirements of the town so to do, they submit the draft of a code of by-laws, therein styled the Revised By-Laws, to take the place of all existing by-laws, save and in the manner as therein specified; and the same is appended to this Report.

The conclusions of your committee on the subject matter of Article 50, referred to in said vote, relative to proposed amendments to the Building and Plumbing By-Laws, are embodied in said Draft of By-Laws.

With regard to Article 51, referred to in said vote, relative to the proposed rules for the Wiring of Buildings for Electric Lighting and Power, your committee would refer, as important features of the statute law relating to electric wiring, to Section 54 of Chaper 25 and Section 18 of Chapter 122 of the Revised Laws of the Commonwealth which read as follows; respectively,—

CHAPTER 25.

SECTION 54. The selectmen may, within their respective towns, permit telegraph and telephone lines to be laid under any way or square, and may establish reasonable regulations for the erection and maintenance of all lines for the transmission of intelligence by telegraph or telephone, by electricity or otherwise, or for the transmission by electricity of light, or of heat or power except such as is used by street railway companies, by every person having authority to place poles, wires, structures and other appliances for any purpose in or under public ways or places, including all lines owned or used by said towns.

CHAPTER 122.

Sect. 18. A city shall, by ordinance, designate or provide for the appointment of an inspector of wires, and any town may, at an annual town meeting, instruct its selectmen to appoint such an inspector. Such inspector shall supervise every wire over or under streets or buildings in such city or town and every wire within a building which is designed to carry an electric light, heat or power current, shall notify the person or corporation owning or operating any such wire whenever its attachments, insulation, supports or appliances are improper or unsafe, or whenever the tags or marks thereof are insufficient or illegible, shall, at the expense of the city or town, remove every wire the use of which has been abandoned and every wire which is not tagged or marked as hereinbefore required, and shall see that all laws and regulations relative to wires are strictly enforced. A city or town may recover, in an action of contract, of the person or corporation owning any wire so removed the expense which it has incurred for the removal thereof.

In view of the above statutory provisions your committee believe it will be for the best interests of its inhabitants for the town to instruct its Selectmen to appoint an Inspector of Wires under said Section 18 of Chapter 122, and a suggestion has been made to the Selectmen that an article to that end be inserted in the Warrant for the coming annual Town Meeting. In the event of such instruction and the appointment of an inspector thereunder, there will be a responsible officer clothed with the powers, and under obligation to perform the duties, as provided by law. The advice of such an officer would be of material assistance in the preparation of by-laws relating to electric wiring in all its branches, if such by-laws ought to be adopted. Moreover the reasons for such by-laws in the matter of their nature and extent of operation might vary considerably according as there was, or was not, an inspector of wires.

Under these circumstances your committee have deemed it inexpedient to attempt to frame by-laws applicable to the Electric Wiring of Buildings, and no provisions relating thereto have been incorporated in said Draft of By-Laws.

Respectfully submitted,

(Signed) Horace E. Ware,
James S. Russell,
J. Frank Pope,
Wm. H. Kennedy,
John Graham,
Henry E. Sheldon,
Francis Peabody, Jr.

The draft of By-Laws appended to the Report of the Committee was attached to the Warrant for the Annual Town Meeting, March 3, 1902.

Said By-Laws submitted by the committee being presented to the meeting by the Moderator, chapter by chapter, it was thereupon unanimously

Voted, That said By-Laws be accepted and adopted, and that the committee be discharged.

It was also

Voted, That the By-Laws submitted to the town under Article 42, of the Warrant, be incorporated with said by-laws as an amendment thereof and classified as Chapter 10, "Town Ways."

REPORT OF THE PARK COMMISSIONERS ON TURNERS POND AND PINE TREE BROOK.

Said Commissioners reported quite fully upon the subject submitted to them under Article 46, of the warrant for the March Meeting, 1900, said article being as follows: "To see what action the Town will take in regard to Pine Tree Brook from Pope's Pond to Turners Pond." The vote upon said article being: "To refer said matter to the Park Commissioners."

As stated above said Commissioners make quite a lengthy report, the concluding paragraph being as follows: "We trust that our report will be accepted, and our recommendation adopted, which recommendation is, that the question of the acquisition by the Town of Pine Tree Brook, from Pope's Pond to Turners Pond, and of Turners Pond, be indefinitely postponed."

(Signed) Nathaniel T. Kidder,
Horatio A. Lamb,
Charles E. Rogerson,
Park Commissioners.

Milton, February 21, 1902.

Voted, That the foregoing report be accepted, the recommendations adopted and the committee discharged.

ENLARGEMENT OF TOWN HALL.

A. A. Brackett, Esq., Chairman of the Board of Selectmen, reported upon the necessity of the enlargement of the Town Hall. Said report being accepted it was thereupon

Voted, That the sum of $250 be appropriated to be expended by the Selectmen for further investigation of the subject, and to report at some future meeting of the town.

Art. 5.

Voted, To appropriate the sum of $60,800 for the support of Schools the ensuing year.

Art. 6.

Voted, That the following amount be appropriated for the Highway Department the ensuing year, namely:—

For street watering	$ 8,500
For the removal of ice and snow . . .	2,500
For construction and repair of sidewalks .	3,000
For all other expenditures	30,000

And also that all money received from new sidewalk assessments be applied to further new sidewalk construction during the current year.

Art. 7.

Voted, To appropriate the sum of $2,000 for the improvement of the Cemetery the ensuing year.

Art. 8.

Voted, To appropriate the sum of $6,650 and the dog tax of 1901 for Public Library expenditures the ensuing year.

Art. 9.

Voted, To appropriate the sum of $10,000 for the Poor Department the ensuing year, not above $1,000 of said sum to be expended upon the buildings at the Town Farm.

Art. 10.

Voted, To appropriate the sum of $1,000 for soldiers' relief the ensuing year.

Art. 11.

Voted, To appropriate the sum of $20,550 for the Fire Department the ensuing year.

Art. 12.

Voted, To appropriate the sum of $23,265 for the Police Department the ensuing year.

Art. 13.

Voted, To appropriate the sum of $13,079 for street lighting the ensuing year.

Art. 14.

Voted, To appropriate the sum of $8,950 for salaries of Town Officers the ensuing year; said officers to receive the following salaries, viz: —

Selectmen (chairman)	$1,000
Selectmen (other members), $500 each	1,000
Selectmen's Clerk	900
Assessors (3)	1,300
Town Clerk	500
Town Treasurer	800
Collector of Taxes	1,200
Auditors, $200 each	400
Registrars of Voters (4)	250
Building Inspector	1,000
Inspector of Animals	300
Sealer of Weights and Measures	150
Secretary of School Board	50

It was also *Voted*, That the cost of the Town Treasurer's bond be paid by the Town out of said appropriation.

Art. 15.

Voted, To appropriate the sum of $2,400 for expenditures at Town Hall and lot the ensuing year.

Art. 16.

Voted, To appropriate the sum of $1,420 for State Aid the ensuing year.

Art. 17.

Voted, To appropriate the sum of $1,650 for Printing the ensuing year.

Art. 18.

Voted, To appropriate the sum of $19,500 for miscellaneous expenses the ensuing year as follows: for general miscellaneous expenses, $3,500; for interest, $10,000; for abatement of taxes, $2,500; for the contingent fund, $3,500.

Art. 19.

Voted, To appropriate the sum of $1,500 for the Health Department the ensuing year.

Art. 20.

Voted, To appropriate the sum of $9,000 for Hydrant rental the ensuing year.

ART. 21.

Voted, That the following List of Jurors prepared and presented by the Selectmen, be accepted by the Town, viz.: —

LIST OF JURORS.

Allen, Arthur O.
Babcock, Josiah.
Billings, Thomas J.
Badger, George Y.
Bent, George H.

ART. 22.

Voted, That the Collector of Taxes have authority to use all means of collecting the taxes which a Town Treasurer, when appointed Collector, may use.

ART. 23.

Voted, That the rate of interest on all taxes unpaid December 1 be six per cent. per annum.

ART. 24.

Voted, To appropriate the sum of $200 to be expended by H. F. Wolcott Post 102, G. A. R., on Memorial Day.

ART. 25.

Voted, To appropriate the sum of $2,000 for insurance of town buildings the ensuing year.

ART. 26.

Voted, To appropriate the sum of $2,500 for the transportation of scholars the ensuing year.

Art. 27.

Voted, That the Town Treasurer be authorized, with the sanction and approval of the Selectmen, to borrow such sums of money as may be necessary for Town use in anticipation of the taxes for the year 1902, and that all sums so borrowed be made specifically payable from the taxes of the present year, 1902.

Art. 28.

Voted, To appropriate the sum of $475 for plans and clerk hire for the Board of Assessors the ensuing year.

Art. 29.

Voted, To appropriate the sum of $100 for general use of the Park Commissioners the ensuing year.

Art. 30.

Voted, To appropriate the sum of $1,000 to be expended by the Tree Warden in the care and planting of shade trees.

Art. 31.

Voted, That the Tree Warden receive a vote of thanks, but no salary.

Art. 32.

Voted, To appropriate the sum of $1,500 for the purpose of collecting and disposing of ashes and garbage in the Lower Mills, Mattapan and East Milton sections, or the congested districts of the Town, deemed necessary by the Selectmen.

Art. 33.

Voted, That the Selectmen be instructed to appoint an Inspector of Wires under the provisions of section 18, of Chapter 122, of the Revised Laws.

Art. 34.

Voted, To appropriate the sum of $1,800 to properly separate the street surface drainage from the sewerage system in the Lower Mills section of the Town, said sum to be expended by the Highway Department.

Art. 35.

Voted, To appropriate the sum of $1,000 for expenses of the Sewer Department the ensuing year.

Art. 36.

Voted, To appropriate the sum of $1,300 for placing the town wires in the Village and on Randolph Avenue under ground.

ART. 37.

Voted, To appropriate the sum of $800 for equipping the Central Fire Station with new heating apparatus.

ART. 38.

Voted, To indefinitely postpone.

ART. 39.

Voted, To appropriate the sum of $21.50 for an additional electric light on Sheldon Street.

ART. 40.

Voted, To appropriate the sum of $107.50 for five additional electric lights on Churchill's Lane.

ART. 41.

Voted, To indefinitely postpone: the subject matter of said article having been acted upon under Article 33.

ART. 42.

Voted, To accept and adopt the By-Laws presented under this article, as an amendment to the Revised By-Laws: classified as "Chapter 10, Town Ways."

ART. 43.

Voted, To indefinitely postpone.

ART. 44.

Voted, To indefinitely postpone.

ART. 45.

Voted, That the Town accept the gift of a site for a public library building, of the lot of land on the southwest corner of Canton Avenue and Reedsdale Road, containing about one and one-half acres; and hereby authorizes the Trustees of the Public Library to construct a public library building on said site; and that the sum of $50,000 be and is hereby appropriated therefor; and that the Town Treasurer be and is hereby authorized and instructed to borrow the said sum of $50,000, and give therefor the notes or bonds of the Town, in denominations of one thousand dollars, or five hundred dollars, or multiples thereof, payable in equal annual instalments during a period of twenty years from July 1, 1902, and that they bear interest at a rate not exceeding four per cent. per annum; that they be sold at not less than their par value, and that they be denominated, " Milton Public Library Loan."

Art. 46.

Voted, To appropriate the sum of $107.50 for the purpose of placing five lights on Blue Hill Avenue, between Bradlee Road and Brush Hill Road.

Art. 47.

Voted, That hereafter the Trustees of the Public Library shall elect from among their own number a Treasurer, in accordance with Chapter 38 of the Revised Laws of Massachusetts, who shall have charge of all funds and appropriations devoted to the uses of the Public Library.

Art. 48.

Voted, To appropriate the sum of $43 for the placing of two lights on Grafton Avenue.

Art. 49.

Voted, To indefinitely postpone.

Art. 50.

Voted, To relocate and narrow Brook Road, between Central Avenue and Canton Avenue, to a uniform width of eighty feet, as laid out by the Selectmen.

Art. 51.

Voted, To appropriate the sum of $125 for the erection of a Fire-alarm box at or near the junction of Spafford Street and Reedsdale Road.

Art. 52.

Voted, To indefinitely postpone.

Art. 53.

Voted, That the Selectmen be instructed to take the action necessary to procure the passage of Bills before the Legislature relating to Milton water supply, and that the sum of $1,000 be appropriated for that purpose to be expended under the Selectmen's direction.

(Said vote was passed by a two-thirds vote.)

Art. 54.

Voted, To appropriate the sum of $1,500 for the construction of a swimming-pool and dressing-rooms; and also the further sum of $750 for the running expenses of the same; and that a Committee of Five, to serve without pay, be appointed by the Moderator to supervise the construction and use of the pool and dressing-rooms.

COMMITTEE APPOINTED.

M. Vassar Pierce, Arthur H. Tucker, Frederick M. Stone,
Arthur A. Hibbard, Andrew H. Ward.

Art. 55.

Voted, To appropriate the sum of $21.50 for the purpose of erecting an additional electric light on Blue Hill Avenue, between Oak and Cheever Streets, and that the lights now existing there be rearranged.

Art. 56.

Voted, To appropriate the sum of $3,000 payment to the Trustees of Milton Academy for loam and gravel removed in excess of contract, and for regrading land situated on Vose's Lane in accordance with terms of lease dated May 11, 1894; and that said lease be cancelled.

Art. 57. }
Art. 58. }

Voted, That Articles 57 and 58 be taken up in conjunction.

The Draft of By-Laws submitted by the Committee on By-Laws being presented to the meeting by the Moderator, chapter by chapter, it was thereupon unanimously *Voted*, That said By-Laws be accepted and adopted, and that the Committee be discharged.

It was also *Voted*, That the By-Laws submitted to the Town under Article 42 of the warrant be incorporated with said By-Laws, as an amendment thereof and classified as "Chapter 10, Town Ways."

Voted, That the thanks of the meeting be tendered Felix Rackemann, Esq., for the able and impartial manner in which he had conducted the business of the meeting as Moderator.

The foregoing meeting was opened at 9 o'clock A. M. by the Town Clerk, who proceeded to the reading of the warrant. Upon the conclusion of the reading of the third article it was moved that the further reading of the warrant be dispensed with.

Said motion being put for the consideration of the meeting, it was carried by a unanimous vote, and the further reading of the warrant (except the concluding paragraphs) was dispensed with.

At 8 o'clock and 30 minutes P. M., *Voted*, To dissolve the meeting.

A true record.

Attest: Henry B. Martin, *Town Clerk.*

At the meeting aforesaid, the whole number of ballots cast was 915. Twenty-one of said number being cast by women voters for School Committee.

WARRANT COMMITTEE, 1902–3.

The following citizens were appointed by the Moderator as a Warrant Committee for the ensuing year, in accordance with Section 2 of the By-Laws, to wit: —

William B. Thurber.
I. Tucker Burr, Jr.
Charles S. Pierce.
George E. Burt.
Irving D. Glover.
Geo. Wigglesworth.
Henry E. Sheldon
W. Newton Harlow.
George Y. Badger.
John Graham.
James S. Russell.
William C. Bronsdon.
Orrin A. Andrews.

Note. — George E. Burt, above named, having declined to serve on said Committee, Frederick P. Hall was appointed to act in his stead.

NOTIFICATION OF TOWN OFFICERS.

Milton, March 7, 1902.

As per statute law of this Commonwealth the Town Clerk this day made out his warrant and delivered to Constable Timothy McDermott, requiring him within three days from the date hereof to summon all officers chosen, and not having qualified, to appear before the Town Clerk within seven days from the date of such notice, to qualify for their several offices: To be sworn where an oath is required, or to signify their refusal of said office: — Also to signify their acceptance or refusal of said office to which they had been chosen, when no oath is required.

Attest: Henry B. Martin, *Town Clerk.*

RESIGNATIONS AND APPOINTMENTS.

BOARD OF HEALTH.

Notification was received by me this day (March 29, A.D. 1902) from the Selectmen, that Charles S. Minot, M.D., and Walter C. Kite, M.D., had both resigned office (March

4, 1902) as members of the Board of Health, and that Abijah W. Draper and Jacob S. Lincoln had been chosen to fill vacancies.

Attest: HENRY B. MARTIN, *Town Clerk.*

TOWN OFFICERS SWORN, 1902.

" 26. J. Porter Holmes was sworn as Sealer of Weights and Measures.
" 27. Josiah W. Thompson was sworn as Special Police.
" 28. Edwin A. Houghton was sworn as Constable.
" 28. John Graham sworn as Special Police.
" 31. Jacob S. Lincoln was sworn as member of Board of Health.
April 1. Herbert R. Lawrence was sworn as Constable.
" 1. James Sangster, Jr., was sworn as Special Police.

April 2. Frank E. Taylor was sworn as Special Police.
“ 2. Samuel A. Morse was sworn as Public Weigher.
“ 2. Frank N. Robinson was sworn as Public Weigher.
“ 2. Thomas Anstey was sworn as Public Weigher.
“ 2. Frank N. Robinson was sworn as Surveyor of Lumber.
“ 2. James W. Flanagan was sworn as Special Police.
“ 3. Edward A. McCue was sworn as Superintendent of Highways.
“ 3. Elias C. Conant was sworn as Special Police.
“ 4. James Spencer was sworn as Inspector of Animals.
“ 7. George E. Burt was sworn as Inspector of Buildings.
“ 9. Emory H. Farrington was sworn as Special Police.
“ 9. George V. Fabian was sworn as Special Police.
“ 11. Warren E. Barnes was sworn as Special Police.
“ 12. William G. Swan was sworn as Public Weigher.
“ 12. Albert D. Swan was sworn as Public Weigher.
“ 12. Willard L. Johnson was sworn as Public Weigher.
“ 12. John A. Dorothy was sworn as Public Weigher.
“ 17. Henry D. Capen was sworn as Special Police.
“ 18. Henry W. Vose was sworn as Fence Viewer.
“ 24. George M. Anderson was sworn as Special Police.
“ 29. William H. Sias was sworn as Public Weigher.
“ 28. George Y. Badger was sworn as Fence Viewer.
May 2. Henry W. Feenan was sworn as Public Weigher.
“ 6. Frank L. Gage was sworn as Special Police.
“ 6. Michael Hansbury was sworn as Special Police.
“ 8. John Colvan was sworn as Special Police.
“ 12. George F. Choate was sworn as Inspector of Wires.
“ 12. Thomas S. McWhirk was sworn as Public Weigher.
“ 27. Lorenzo E. Young was sworn as Inspector of Plumbing.
Jan. 1, 1903. George Simpson was sworn as Special Police.

ACCEPTANCES AND DECLINATIONS.

March 7. Arthur H. Tucker accepted office as Trustee of Public Library.
“ 7. Amor L. Hollingsworth accepted office as Trustee of Public Library.
“ 8. Roderick Stebbins accepted office as Trustee of Public Library.
“ 8. Hester Cunningham accepted office as School Committee.
“ 8. Anna C. Wigglesworth accepted office as School Committee.
“ 8. William H. Kennedy accepted office as Trustee of Cemetery.
“ 10. Elias C. Conant declined office as Pound Keeper and also as Field Driver.
“ 14. J. Frank Pope accepted office as Trustee of Cemetery.

SPECIAL MEETING.

WARRANT.

Commonwealth of Massachusetts.

NORFOLK, SS. *To either of the Constables of the Town of Milton*, GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Town affairs, to meet at the Town Hall, in said Milton on Monday, the fourteenth day of July next, at 7 o'clock P. M., then and there to act upon the following articles, to wit: —

ARTICLE 1. To choose a Moderator to preside at said meeting.

ART. 2. To see if the Town will accept Chapter 307 of the acts of the year one thousand nine hundred and two, entitled "An Act to Supply the Town of Milton with Water."

The proceedings will be taken under Section 16 of Chapter 307, which is as follows:

> "This act shall be submitted to the qualified voters of the Town of Milton for their acceptance, and shall be void unless such voters, voting at a legal meeting called for that purpose in the same manner in which meetings for town elections are called, or at any annual town meeting, shall, within six months after the passage of this act, determine by ballot by a majority vote of those present and voting thereupon to accept the same. The warrant for notifying such meeting, if called specially as aforesaid, shall specify when the polls shall be opened for the purpose of voting, and when they shall be closed."

Polls will be opened for the purpose of voting "Yes" or "No" upon this article by ballot at 8 P. M. and closed at 9 P. M.

If the Town shall vote to accept Chapter 307, and the water company shall thereupon notify the Selectmen in writing of its desire to sell its property and rights described in

Section 15 of Chapter 307, and file with the Town Clerk a specification and description thereof as required by this section, then the Town may proceed to the consideration of the following articles:

Art. 3. To see if the Town will vote to purchase the property and rights of the Milton Water Company according to the provisions of Section 15 of Chapter 307, and to authorize the issue of bonds or notes, for the purpose of paying therefor, to the amount required under the provisions of Section 15, the payment to be made after a proper accounting between the Town and the water company and the performance of everything required to be done as provided by Section 15.

Art. 4. (If the Town shall vote to adopt the provisions of Article 3.) To see if the Town will authorize and direct the Selectmen to do and perform everything required by Section 15 for its proper fulfillment upon the part of the Town, except that the Treasurer of the Town shall issue the bonds or notes as provided by this section.

Art. 5. (If the Town shall adopt Article 3.) To see if the Town will vote to establish a sinking fund under Chapter 307, or instead of establishing such fund, to provide for the payment of all loans obtained under the provisions of this chapter in such annual proportionate payments as will extinguish the same at maturity.

Art. 6. If the Town shall vote to establish a sinking fund under the provisions of Chapter 307, to proceed to elect by ballot three or six Commissioners, as the Town shall determine, of its sinking fund, one-third for one, two and three years respectively.

Art. 7. To see if the Town will appropriate the sum of $2,500, to be expended in settling land damages caused by street widening in the year 1898, also for land damages caused by grade being changed on Blue Hill Ave. 1901.

Art. 8. To see if the Town will appropriate the sum of

$4,600, in settlement of land damages caused by widening of Brook Road, March, 1902.

NOTE: — Appropriation March, 1901, $6,000.

Award from the Metropolitan Sewerage Commission, $3,000.

ART. 9. To see what sum of money the Town will appropriate for the further extension of sewerage system of the Town.

ART. 10. To see if the Town will vote to have a permanent patrolman appointed to cover the western portion of the Town and appropriate money for the same.

ART. 11. To see if the Town will accept the reserve space as laid out by the Selectmen for the use of an Electric Street Railway through the following streets, Blue Hill Ave., Brush Hill Road and Milton Street.

And you are directed to warn said inhabitants, qualified as aforesaid, to meet at the time and place and for the purpose herein mentioned, by posting attested copies of this warrant in each of the post-offices of said Town, fourteen days at least before said meeting, and leaving printed copies hereof at the dwelling houses in said Town, at least four days before such meeting.

Hereof fail not, and make due return of this warrant with your doings hereon, to the Town Clerk, at the time and place of said meeting.

Given under our hands at Milton this twenty-seventh day of June nineteen hundred and two.

A. A. BRACKETT,
JACOB A. TURNER,
MAURICE A. DUFFY,
Selectmen of Milton.

Commonwealth of Massachusetts.

NORFOLK, SS. MILTON, July 14, 1902.

Pursuant to the within warrant I have notified the inhabitants of the Town of Milton, as within directed, to meet at the time and place and for the purposes therein mentioned, by posting attested copies of the same in the post-offices of said Town, and by leaving copies at the dwellings of the inhabitants.

PETER MCINTYRE,
Constable of Milton.

At a meeting of the inhabitants of the Town of Milton, held according to the foregoing warrant upon July 14, 1902, the following proceedings were had upon the several articles in said warrant, namely: —

ARTICLE 1. Hiram Tuell, Esq., was chosen Moderator.

ART. 2.

Voted, To accept Chapter 307 of the Acts of 1902, entitled, "An Act to supply the Town of Milton with Water."

NOTE: — The vote upon said article was taken by ballot as by law required, the result being as follows: Yes, 272 votes; No, 18 votes.

Harvey F. Chute, Thomas B. Gordon and Robert A. Robertson were appointed by the Moderator as Tellers to count the votes polled under Article 2, and were by him sworn.

ART. 3. }
ART. 5. }

Voted, To take up Articles 3 and 5 in conjunction.

Voted, That the Town purchase the property and rights of the Milton Water Company in accordance with the provisions of Chapter 307 of the Acts of 1902, and that the sum of three hundred and fifteen thousand ($315,000) dollars be and is hereby appropriated therefor; and that the Town Treasurer be and is hereby authorized and instructed to borrow the said sum of three hundred and fifteen thousand dollars by issuing bonds and notes of the Town to the amount of three hundred and fifteen thousand dollars in denominations of one thousand ($1,000) dollars each payable to bearer as follows: —

Eleven thousand ($11,000) dollars of said bonds and notes shall be payable in each of the years from 1903 to 1917, both inclusive, and ten thousand ($10,000) dollars of said bonds and notes shall be payable in each of the years from 1918 to 1932, both inclusive, so that the said loan shall all be paid and retired in thirty years from the date it bears.

Said bonds and notes shall bear interest payable in equal semi-annual installments, at a rate not exceeding four per cent. per annum; shall bear on their face "Milton Water Loan," and shall be signed by the Town Treasurer and countersigned by a majority of the Selectmen.

They shall be sold and delivered by the Treasurer at public or private sale at not less than their par value, and the proceeds thereof shall be expended by the Treasurer in payment for the property and rights of the Milton Water Company in accordance with the provisions of said Act, and the residue of the proceeds shall be applied to the retiring of any portion of said loan, by purchase or otherwise, as far as it shall be sufficient.

NOTE: — The above was passed by a unanimous vote; 223 in the affirmative, none in the negative.

ART. 4.

Voted, To authorize and direct the Selectmen to do and perform everything required by Section 15, Chapter 307, Acts of 1902, for its proper fulfilment upon the part of the Town, except that the Treasurer of the Town shall issue the bonds or notes as provided by this section.

ART. 6.

Voted, To indefinitely postpone.

ART. 7.

Voted, To appropriate the sum of $2,500 to be expended in settlement of land damages in the years 1898 and 1901.

ART. 8.

Voted, To appropriate the sum of $4,600 for settlement of land damages caused by widening of Brook Road, March, 1902.

ART. 9.

Voted, To transfer the sum of $3,500 from the Sewer Assessment account to the Sewer Commissioners' account.

ART. 10.

Voted, To indefinitely postpone.

ART. 11.

Voted, That the Town accept the reserve space as laid out by the Selectmen for the use of an Electric Street Railway through the following streets, viz.: Blue Hill Avenue, Brush Hill Road and Milton Street.

NOTE: — The vote upon said article being taken by ballot resulted as follows: Yes, 152; No, 9.

At 11 o'clock and 15 minutes P.M., *Voted*, To dissolve the meeting.

A true record.

Attest: HENRY B. MARTIN, *Town Clerk*.

SPECIAL MEETING.

WARRANT.

Commonwealth of Massachusetts.

NORFOLK, SS. *To either of the Constables of the Town of Milton*, GREETING:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the inhabitants of the Town of Milton, qualified to vote at town elections, to meet at the Town Hall in said Milton, on Saturday, the sixteenth day of August next, at 12 o'clock noon, then and there to act upon the following articles:

ARTICLE 1. To elect by ballot a Moderator.

ART. 2. To elect by ballot Three Water Commissioners, one to hold office till the annual Town Meeting of 1906, one to hold office till the annual Town Meeting of 1905, one to hold office till the annual Town Meeting of 1904; also upon the same ballot to vote "yes" or "no" upon the following question: Shall Sections 58 to 64 inclusive, of the Revised Laws, relative to jurisdiction of towns over highways and county bridges, be accepted?

The polls will be opened at 12 o'clock noon and may be closed at 6 o'clock P. M. And you are hereby directed to warn said inhabitants qualified as aforesaid, to meet at the time and place and for the purpose herein mentioned, by posting attested copies of this warrant in each of the post-offices of said Milton at least fourteen days before the day of said meeting, and by leaving printed copies thereof at the dwelling houses in the Town at least four days before the day of said meeting.

Hereof fail not, and make due return of this warrant with your doings thereon, to the Town Clerk, at or before the time of said meeting.

Given under our hands at Milton, this thirty-first day of July, in the year one thousand nine hundred and two.

A. A. BRACKETT,
JACOB A. TURNER,
MAURICE A. DUFFY,
Selectmen of Milton.

Commonwealth of Massachusetts.

NORFOLK, SS. MILTON, August 16, 1902.

Pursuant to the within warrant I have notified the inhabitants of the Town of Milton, as herein directed, to meet at the Town Hall, in said Milton, upon the date above mentioned, for the purposes herein set forth.

PETER MCINTYRE,
Constable of Milton.

At a meeting of the inhabitants of the Town of Milton, held according to the foregoing warrant upon August 16, 1902, the following proceedings were had upon the several articles in said warrant, namely: —

ARTICLE 1. John P. S. Churchill, Esq., was chosen Moderator.

At 6 o'clock P. M., *Voted*, To close the polls in five minutes, the result of the ballot under

ART. 2. Being as follows: —

Ellerton P. Whitney was chosen Water Commissioner for one year.

John Graham was chosen Water Commissioner for two years.

Charles S. Pierce was chosen Water Commissioner for three years.

Voted, That Sections 58 to 64 inclusive of Chapter 48 of the Revised Laws, relative to jurisdiction of towns over highways and county bridges, be accepted, the ballot being as follows: Yes, 192; No, 32.

All the above votes were duly sorted, counted, declared and recorded, sealed up in open Town Meeting, and delivered to the Town Clerk.

At the meeting aforesaid Messrs. Robert J. Clark, Russell Swift, Patrick F. Mahoney, Thomes M. Lennon, Ballot Clerks, and W. Newton Harlow, Henry F. Briley, Joseph H. Duffy, William J. Meagher, Fred G. McNamara, Thomas B. Gordon and Cornelius Haley, Tellers, were appointed by the Selectmen, all of the above named being sworn by the Town Clerk.

At 7 o'clock and 5 minutes P. M., *Voted*, To dissolve the meeting.

A true record.

Attest: HENRY B. MARTIN, *Town Clerk*.

Whole number of ballots cast at the foregoing election, six hundred twelve.

TOWN OFFICERS SWORN.

August 16, 1902, John Graham was sworn as Water Commissioner, by the Moderator in open Town Meeting.

August 18, 1902, Charles S. Pierce was sworn as Water Commissioner.

August 18, 1902, Ellerton P. Whitney was sworn as Water Commissioner.

SPECIAL MEETING.

WARRANT.

Commonwealth of Massachusetts.

NORFOLK, SS. *To either of the Constables of the Town of Milton*, GREETING:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the inhabitants of the Town of Milton, qualified to vote in Town affairs, to meet at the Town Hall in said Milton, on Thursday, the twenty-fifth day of September current, at eight o'clock in the evening, then and there to act upon the following articles:

ARTICLE 1. To elect a Moderator by ballot.

ART. 2. To see if the Town will take further action with reference to the purchase of and payment for the property and rights of the Milton Water Company under provisions of Chapter 307 of the Acts of 1902; and to authorize the issue of a less amount of bonds or notes of the Milton Water Loan than the Town Treasurer was on July 14, 1902, instructed to issue; and to determine which of said bond or notes authorized on July 14, 1902, shall not be issued; and to see what further provisions, if any, the Town will make for the payment of said Water Loan.

And you are directed to warn said inhabitants, qualified as aforesaid, to meet at the time and place and for the purposes herein mentioned, by posting copies of this warrant in each of the post-offices of said Milton at least fourteen days before the day of said meeting, and by leaving printed copies hereof at the dwelling houses in said Town, at least four days before said meeting.

Hereof fail not, and make due return of this warrant with your doings hereon to the Town Clerk at or before the time and place of said meeting.

Given under our hands at Milton, this tenth day of September, in the year one thousand nine hundred and two.

A. A. BRACKETT,
JACOB A. TURNER,
MAURICE A. DUFFY,
Selectmen of Milton.

Commonwealth of Massachusetts.

NORFOLK, SS. MILTON, September 24, 1902.

Pursuant to the within warrant, I have notified the inhabitants of the Town of Milton, as therein directed, to meet at the Town Hall in said Milton, upon the date above mentioned, for the purposes therein set forth.

PELEG BRONSDON,
Constable of Milton.

At a meeting of the inhabitants of the Town of Milton, held according to the foregoing warrant upon September 25, 1902, the following proceedings were had upon the several articles in said warrant, namely:

ARTICLE 1. John P. S. Churchill, Esq., was chosen Moderator.

ART. 2.

Voted, That as the Town on July 14, 1902, voted to purchase the property and rights of the Milton Water Company in accordance with the provisions of Chapter 307 of the Acts of 1902, and appropriated the sum of $315,000 therefor, and authorized and instructed the Town Treasurer to borrow said sum of $315,000 by issuing 315 bonds and notes of the Town, each of the par value of $1,000, payable at various times; and as it appears that it may not be necessary to expend in such purchase the amount to be realized from the sale of all of said bonds and notes, the Town Treasurer be, and he hereby is authorized to borrow such portion of said sum as is necessary for such purchase and payment, and to issue such amount of the bonds and notes of the Town, authorized in said vote of July 14, 1902, as may be necessary for such purchase and payment after the accounting provided for by said chapter.

If the bonds and notes issued equal or exceed three hundred in number, ten shall be payable in each of the years 1903 to 1932, both inclusive, and of the remainder, if any, one shall be payable in the year 1903, and one in each succeeding year until such remainder is provided for.

If the bonds and notes issued are less than three hundred in number, as many shall be payable in each of the years 1903 to 1932, both inclusive. as thirty will go into the number issued, and of the remainder if any, one shall be payable in the year 1903, and one in each succeeding year until such remainder is provided for.

Upon taking the vote on said article, the house was polled with the following result: Yea, 30; nay, none.

At 8 o'clock and 20 minutes, P. M., *Voted*, That the meeting be dissolved.

A true record.

Attest: HENRY B. MARTIN,
Town Clerk.

NOVEMBER MEETING.

WARRANT.

Commonwealth of Massachusetts.

NORFOLK, SS. *To either of the Constables of the Town of Milton*, GREETING :

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the inhabitants of the Town of Milton, qualified to vote at elections, to meet at the Town Hall in said Milton, on Tuesday, the fourth day of November next, that being the Tuesday after the first Monday in said November, at seven o'clock in the forenoon, then and there to bring in their ballots for Governor, Lieutenant-Governor, Secretary of State, Treasurer and Receiver-General, Auditor, Attorney-General, all of and for the Commonwealth ; Representative in Congress for the Tenth District ; Councillor for the Second District ; Senator for the First Norfolk District ; Representative in the General Court for the Fourth Norfolk District, and a County Commissioner for the County of Norfolk. The polls may be closed at four o'clock P. M.

And you are directed to warn said inhabitants qualified as aforesaid, to meet at the time and place and for the purposes herein mentioned, by posting attested copies of this warrant in each of the post-offices of said Milton at least fourteen days before the day of said Meeting, and by leaving printed copies hereof at the dwelling houses in said Town at least four days before the day of said meeting.

Hereof fail not, and make due return of this warrant, with your doings hereon, to the Town Clerk, at or before the time of said meeting.

Given under our hands at Milton, this twentieth day of October, nineteen hundred and two.

A. A. BRACKETT,
JACOB A. TURNER,
MAURICE A. DUFFY,
Selectmen of Milton.

Commonwealth of Massachusetts.

NORFOLK, SS. MILTON, November 4, 1902.

Pursuant to the within warrant, I have notified the inhabitants of the Town of Milton, as therein directed, to meet at the Town Hall, in said Milton, upon the date above mentioned, for the purposes therein set forth.

PETER MCINTYRE,
Constable of Milton.

At a meeting of the inhabitants of the Town of Milton, held according to a warrant of which the foregoing is a copy, upon November 4, 1902, the following number of votes were given in for the several persons hereinafter named for the respective offices specified below, namely: —

For Governor.

JOHN L. BATES, of Boston, five hundred thirty-six votes.

MICHAEL T. BERRY, of Haverhill, five votes.

JOHN C. CHASE, of Haverhill, fifty-five votes.

WILLIAM A. GASTON, of Boston, three hundred fifty-six votes.

WILLIAM H. PARTRIDGE, of Newton, three votes.

BLANKS, thirty-eight.

For Lieutenant-Governor.

JOHN QUINCY ADAMS, of Amesbury, ninety-one votes.

THOMAS F. BRENNAN, of Salem, six votes.

Oliver W. Cobb, of Easthampton, six votes.

Curtis Guild, Jr., of Boston, five hundred fifty-nine votes.

Herbert C. Joyner, of Great Barrington, two hundred fifty-eight votes.

Blanks, seventy-three.

For Secretary.

Edward A. Buckland, of Holyoke, eighty-four votes.

Herbert B. Griffin, of Winthrop, seven votes.

Jeremiah O'Fihelly, of Abington, six votes.

William M. Olin, of Boston, five hundred ninety-three votes.

Willmore B. Stone, of Springfield, two hundred twenty-five votes.

Blanks, seventy-eight.

For Treasurer and Receiver-General.

Edward S. Bradford, of Springfield, five hundred eighty-seven votes.

Joseph L. Chalifoux, of Lowell, two hundred twenty-one votes.

Frederick A. Nagler, of Springfield, twelve votes.

Daniel Parlin, of Worcester, five votes.

David Taylor, of Boston, seventy-six votes.

Blanks, ninety-two.

For Auditor.

David Morrison, of Fall River, ten votes.

S. Fremont Packard, of Brockton, eighty-one votes.

Charles Stoeber, of Adams, thirteen votes.

Thomas C. Thacher, of Yarmouth, two hundred thirty-two votes.

Henry E. Turner, of Malden, five hundred fifty-seven votes.

Blanks, one hundred.

For Attorney-General.

Allen Coffin, of Nantucket, nine votes.

Charles E. Fenner, of Worcester, seventy-seven votes.

John J. Flaherty, of Gloucester, two hundred seventeen votes.

John A. Henley, of Lynn, five votes.

Herbert Parker, of Lancaster, five hundred ninety-one votes.

Blanks, ninety-four.

For Representative in Congress.

William S. McNary, of Boston, three hundred thirty-one votes.

John Weaver Sherman, of Boston, sixty-seven votes.

William W. Towle, of Boston, five hundred forty votes.

Blanks, fifty-five.

For Councillor (Second District).

Gustave B. Bates, of Quincy, ninety-one votes.

John T. Kennedy, of Boston, two hundred forty-one votes.

Arthur A. Maxwell, of Boston, five hundred thirty-seven votes.

Robert S. Maxwell, of Boston, twenty-three votes.

Blanks, one hundred one.

For Senator (First Norfolk District).

Albert A. Brackett, of Milton, six hundred ninety votes.

Edwin C. Jenney, of Hyde Park, two hundred nineteen votes.

William M. Packard, of Quincy, forty-five votes.

Blanks, thirty-nine.

For Representative in General Court.

(*Fourth Norfolk District.*)

William W. Brooks, of Canton, two hundred eighty-three votes.

J. Merrill Browne, of Milton, two hundred thirty-seven votes.

Joseph W. Wattles, Jr., of Canton, four hundred fourteen votes.

Blanks, fifty-nine.

For County Commissioner.

William E. Badger, of Quincy, four hundred sixteen votes.

Daniel H. Coleman, of Braintree, forty-eight votes.

Marshall P. Wright, of Quincy, four hundred seventy-one votes.

Blanks, fifty-eight.

At 4 o'clock, P. M., *Voted*, To close the polls in ten minutes.

All the above votes were duly sorted, counted, declared, and recorded, sealed up in open Town Meeting and delivered to the Town Clerk.

At the meeting aforesaid, to act as Ballot Clerks and Tellers, the following appointments were made by the Selectmen, namely: —

As Ballot Clerks: William W. Churchill, William L. Tarbox, John C. Casey, Thomas M. Lennon.

As Tellers: William W. Robertson, W. Newton Harlow, George W. Adams, John A. Palmer, Fred A. Packard, Robert A. Robertson, G. Frank Kemp, Patrick F. Mahoney, William F. Welch, Charles E. Churchill, William A. Haley, William A. Murray, William J. Meagher, Hugh McCue, Robert J. Clark, George V. Fabian, Paul Carpenter, Leonard M. Bradlee, Joseph H. Duffy, Fred W. Worch, all the above-named being sworn by the Town Clerk.

At 5 o'clock and 40 minutes, P. M., *Voted*, To dissolve the meeting.

A true record.

Attest: HENRY B. MARTIN, *Town Clerk.*

Whole number of ballots cast at the foregoing election, nine hundred ninety-three.

Fourth Norfolk Representative District.

We the undersigned Town Clerks of the Towns of Canton and Milton, comprising Representative District Number Four in the County of Norfolk, hereby certify:

That at an election duly held in said towns upon the fourth day of November, A. D. 1902, for a candidate to represent said district at the next General Court, the following number of votes were given in for the several persons hereinafter named, to wit:

For WILLIAM W. BROOKS, of Canton, seven hundred thirty-eight votes.

For J. MERRILL BROWNE, of Milton, two hundred eighty-five votes.

For JOSEPH W. WATTLES, JR., of Canton, six hundred forty-six votes.

BLANKS, seventy-three.

Given under our hands at Canton, this fourteenth day of November, A. D. 1902.

WALTER AMES,
HENRY B. MARTIN,
Town Clerks of Canton and Milton.

REPORT OF THE SELECTMEN.

It is with pleasure that the Selectmen, in presenting their sixty-sixth annual report, acknowledge the courteous treatment that has been given them by all the citizens and officers of the town.

Upon closing the books of the town on January 9th, 1903, we have a balance upon each account, with the exception of the poor account and the miscellaneous. It has been necessary to draw upon the contingent fund for the last two accounts. The reason for so doing is that the legal expenses and the many town meetings, in consequence of the water question, have been a very heavy drain upon the miscellaneous account; and the amount of sickness and distress, and also the increased cost of provisions and coal during the year, have obliged us to call upon the contingent fund for the poor account also.

SCHOOLS.

As we previously stated in our last report, we believe our schools are the best in the Commonwealth, and we know that the school affairs have been well conducted, as will be shown by the report of the Superintendent of Schools. The citizens of the town have every reason to congratulate themselves upon the efficient corps of teachers employed in their public schools.

TAXES.

We would suggest this year, as in our last report, that the same care should be taken in making up the taxes for the year of 1903 as was taken in making up the taxes of 1902. We have no suggestions to make otherwise than that the

Warrant Committee use their best endeavors to recommend to the town only such appropriations as are absolutely necessary, and by so doing to reduce the taxes, if possible, for the benefit of the taxpayer.

STREETS.

Mr. Edward McCue was appointed Superintendent of Streets. Mr. McCue has worked faithfully, and, we believe, his work has been satisfactory to the majority of the taxpayers. He has been considerate and obliging, and the Selectmen have not called upon him at any time without receiving the best attention and the utmost courtesy. A full detailed statement of the Highway Department will be found in the report of the Superintendent of Streets.

GARBAGE.

The work of collecting and disposing of garbage has been in the main satisfactory. We would recommend that a larger appropriation be made this year, in order that the route may be extended, so that the citizens of the town will receive greater benefit from it. We believe this matter has ceased to be an experiment, and much good can be obtained from having the garbage removed oftener and through many parts of the town that are not now covered.

WATER SUPPLY.

At the annual March meeting, the town voted to have the Selectmen appear before the Legislature for legislation to enable the town to purchase the plant of the Milton Water Company. After numerous hearings, a compromise was made whereby the town should purchase the works for about $310,000, which was a saving to the town of $150,000 if it has been obliged to buy the works under the law of 1888. The reports of the doings have already been presented to the town in print. The town elected during the year three Water Commissioners, and a report will be made by them to the town, so that any further comment on the matter by us is unnecessary.

POOR DEPARTMENT.

Mr. E. C. Conant and wife were retained as superintendent and matron of the almshouse. The inmates, we believe, have been well cared for. The house has always been kept clean, and all necessary repairs have been made; and we believe that the poor of Milton in our almshouse have received as good attention as anywhere in the Commonwealth. While a great deal of the land about the almshouse has been cleared, and we have been able to realize from the sale of hay from the land, we would recommend that more land be cleared, in order that the income from the farm may be increased from year to year. We would also recommend that the superintendent plant more land, in order that vegetables may be raised for use in the house, so that the town will not have to bear the expense of purchasing such supplies as it at present has to do.

There are certain improvements which it would be to the town's advantage to make which the incoming board may recommend, but which we will not touch upon in this report. However, a careful study of the matter in the near future will, we believe, be of benefit financially to the town.

In relation to the outside poor, we would say that the calls upon us during the past year have been very numerous, and we feel that, in some instances, we have been asked for and have given aid when we have been imposed upon. This matter has caused the Selectmen much thought and hard work, and we earnestly recommend to the town that a separate board of overseers of the poor be elected or appointed as the town may see fit. We would suggest that, in electing or appointing persons to serve on this board, at least one or two women be elected or appointed, in order that the affairs in this department may be carefully examined and passed upon before aid is given.

Our town has increased in numbers very rapidly and will probably continue to increase, and the appropriations which are now made for the inside and outside poor do not correspond with the increased numbers. We are now appropriating $12,000 with almost six thousand inhabitants, which is not in proportion to the amount appropriated when the number of people in our town was about three thousand five hundred.

POLICE DEPARTMENT.

The police department has been under the charge of Mr. Maurice Pierce, and the work of the department has been satisfactory to the Selectmen. We wish to thank the chief and all of the officers for their courtesy to us during the year.

TOWN HALL AND LOT.

Some grading has been done upon the lot, and it has been beautified by the addition of some flowers. The good care given the lot and plants testify to the faithfulness of the janitor.

We have renovated the hall thoroughly, and it has been newly painted and frescoed, and the fixtures of the electric lights have all been re-burnished. We believe that the halls to-day, both large and small, are in excellent condition. The Selectmen will, in their report on the enlargement of the hall, recommend that the building be carried out some thirty feet, thereby gaining room for new officers, and also gaining a seating capacity in the large hall of eight hundred. The plans will be shown, and the report of the Selectmen submitted, at the annual March meeting.

FIRE DEPARTMENT.

The fire department needs no comment from us. We believe that we have as good a department as there is in Massachusetts. The officers and men have extended to us uniform courtesy throughout the year.

In closing our report, we are glad to say that our relations during the year have been very pleasant. While there have been times when our opinions have been somewhat at variance, yet we feel that we have at all times worked together to promote the best interests of the town.

A. A. BRACKETT,
JACOB A. TURNER,
MAURICE A. DUFFY,
Selectmen of Milton.

REPORT OF THE ASSESSORS.

The assessors of the Town of Milton for the year 1902 submit the following report:

The board organized with George W. Nickerson, chairman, and Josiah Babcock, secretary.

The assessors recommend an appropriation of $475 for clerk hire and renewing of land plans.

The assessors gave the notice required by law requesting taxpayers to bring in true lists of their polls, real and personal property.

The number of polls assessed was 1,756, a loss of 33.

There was a loss of $308,103 personal and a gain of $317,275 in real estate.

The town received in bank and corporation taxes for the year 1901, $67,167.26.

The assessors would renew their request to the residents of the town owning stock in national banks or Massachusetts corporations that they have their residence recorded on the books of their corporations as Milton, otherwise the tax on their stocks, which is paid by the corporations, will be lost to the town.

The assessors found this year one hundred one lots of stock owned by residents of Milton, the tax on which amounted to quite a large sum credited to Boston, which city was credited with the tax.

The assessors made a claim on Boston for all this stock, which claim was allowed and credited to Milton.

GEORGE W. NICKERSON,
J. WALTER BRADLEE,
JOSIAH BABCOCK,
Assessors.

REPORT OF THE PARK COMMISSIONERS FOR 1902.

To the Citizens of Milton:

It is now some time since we had the loam from the main part of Brook Road Playground stacked at one side of the field. We raised the grade on the part thus stripped with material got from the High Level Sewer work. From the same source we got at a reasonable cost a quantity more loam. Everything is now ready for the spreading, sowing and rolling of these two lots of loam, and we believe that the town should appropriate the money which this work will require. We ask for the sum of sixteen hundred dollars ($1,600), which we believe will be sufficient to do the above work and construct a wire fence along the back and the southeasterly end of the grounds, with frequent openings for foot-passengers, to run a temporary fence along the front, to be maintained only until the grass shall become established, and complete the row of trees which at present extends only along the back and one end.

We ask for the usual one hundred dollars ($100) for the general expenses of the Board, and again for one hundred dollars ($100) for the improvement of the school grounds, the latter sum to be expended only with the approval of the School Committee. We would state that the School Committee joins with us in desiring this appropriation.

As stated in previous reports we were fortunate in getting at East Milton Playground a quantity of filling from the contractors on the sewer. This, while not the best of filling, has cost us nothing, and enables us to sell the gravel there. Some of this gravel we have already sold, and with the proceeds we are finishing off the surface of the rougher filling by carting on some of the best of the material in the hill by the ball field. In the spring we hope to sell a considerable quantity more from this hill or hummock, and thus gradually to get the entire grounds in shape. We do not mean to reduce it to a dead level, but only to materially reduce the highest hummock, probably leaving the one at the easterly end intact.

Waterside Common received its share of filling from the sewer work, and we thus have a considerable addition to the available land there, as not only was a broad strip over the sewer where it passed through the swampy land filled in, but this leads to a strip of hard land along the river which previously was only to be reached by crossing private land.

To sum up: East Milton Playground is in a fair way to meet its own expenses for some time to come.

Waterside Common is supported by the Jason Reed Public Park Fund.

We ask for Brook Road Playground sixteen hundred dollars, which will put it in thorough condition as a ball field.

For general expenses one hundred dollars, and for improvement of school grounds one hundred dollars.

Respectfully submitted,

NATHANIEL T. KIDDER,
HORATIO A. LAMB,
CHARLES E. ROGERSON,

Board of Park Commissioners,
Town of Milton.

REPORT OF THE SEWER COMMISSIONERS OF THE TOWN OF MILTON.

The Sewer Commissioners make the following report for the year ending Dec. 31, 1902: —

As the Metropolitan High Level Trunk Sewer is still incomplete, no extensive construction has been undertaken during the year.

Upon petition from the abutters, the 6-inch sewer on Central Avenue was extended from School Street, westerly a distance of 780 feet. On this new extension six (6) houses have been connected. Three (3) other house connections have also been established during the year.

The Adams Street siphon has been rendered more effective in consequence of partial construction by the Highway Department, of an independent surface drain on Adams Street — thus reducing the amount of silt which formerly collected in the man-holes and siphon of the main sewer. The surface drain, however, has not been fully completed, but we trust nothing will prevent the completion of this work in the early spring, as it is only through a complete separation of the surface drainage from the sewerage system that the Adams Street siphon can effectively perform the work for which it was designed.

The Metropolitan Sewerage Commission has written your Commissioners that the Trunk Sewer will probably be available for use by the spring of 1904. Your Commissioners believe that it is wise for the town to anticipate somewhat the completion of this Trunk Sewer by the construction during the summer of 1903 of certain portions of the local sewerage system, and thus be in a position to take full advantage of the completion of the Metropolitan work.

That the town decidedly needs better sewerage facilities, in several sections, is clearly evident, and, in the opinion of your Commissioners, the sooner such improved conditions can be obtained, the better for the general health of the community.

JAMES H. PACKARD,
SAMUEL A. MORSE,
WILLIAM B. THURBER,
Sewer Commissioners.

January 9, 1903.

THIRTY-SECOND ANNUAL REPORT

OF THE

TRUSTEES OF THE PUBLIC LIBRARY.

The most important item that the Trustees have to report is the progress made in securing plans and contract for the new library building, for which the town appropriated $50,000 at the last annual meeting.

The Trustees, through the Building Committee, had plans prepared by Messrs. Shepley, Rutan & Coolidge, and bids were got on them. The lowest bid was unfortunately not within the appropriation, and it became necessary to determine what features were not essential and could be eliminated.

This led to the drawing out of a set of plans taking into consideration the possibilities as well as the desirabilities, and getting bids on a basis of a building of the requisite dimensions, but varied as to the materials of which it was to be built and as to certain features desirable but not absolutely necessary. Thus a plan was found which was within the appropriation and provided all the really essential features, but only the ell containing the stack fireproof. A contract was signed for this and work begun, it being understood with the contractors, The Norcross Brothers Company, that the Trustees had the right to add any or all of certain features, should it prove possible to obtain the necessary funds to do so.

Since the coming in of the new year, and therefore not

strictly a part of this report, it looks as if the required amount of money might be forthcoming by private subscription.

Following the precedent of last year, the Librarian's Report to the Trustees is printed in full. Attention is particularly called to the "house-to-house delivery," which has been very successful, and to the increase in the circulation. The gain in circulation has been 6,632, which is equal to half the entire circulation of the library three years ago.

The Trustees ask of the town for the coming year an appropriation for general expenses of $6,650, and the dog tax for 1902 the same as last year. They ask for an additional appropriation of $1,000 to complete the card catalogue. When the card catalogue was begun two years ago, an appropriation of $1,500 was made, with the understanding that $1,500 more would be needed at a future time to finish it. The Trustees find that $1,000 will be sufficient.

The work on the catalogue has progressed necessarily slowly but satisfactorily. On an average five cards must be prepared for every book owned by the Library. Approximately 10,500 books have been recatalogued, 3,772 of this number during the year 1902. The books have been reclassified and catalogued as nearly as might be by classes, that is by the subject matter treated.

The subjects which have been finished, for which the cards have been printed and filed in the catalogue case ready for public reference, are: Fiction, Biography (Individual), Fine Arts, History, Literature. The subjects to be completed, some portion of which is already done, are: Philosophy, Religion, Sociology, Natural Science, Useful Arts, Travel. During the past year a bulletin of the new books has been issued quarterly.

Another appropriation is needed of $5,000 for interior furnishings of the new library building and for grading of the land.

A careful perusal of the Librarian's report will reveal the excellent character of the work that has been done.

REPORT OF THE LIBRARIAN.

Milton, Mass., January 1, 1903.

To the Trustees:

I have the honor to submit my report for the year ending December 31, 1902.

CIRCULATION.

There has been a steady increase in circulation during the past year.

The number of volumes issued for home use in 1901 was 42,264, while the number issued in 1902 was 48,896, showing a gain of 6,632.

REGISTRATION.

During the year, cards have been issued to 268 persons who have not heretofore used the Library.

The total number of card-holders at the present time is 1,667.

HOUSE-TO-HOUSE DELIVERY.

The house-to-house delivery in the Blue Hill and Brush Hill districts, the first delivery of which was made on Thursday, January 2, 1902, has been quite a success.

It has increased the circulation and the number of card-holders, and has reached many residents of the town who have never before used the Library.

A delivery is made on Thursday of each week.

The messenger starts at 9 A. M. and returns about 4 P. M., an average of seven hours.

He delivers books, call slips, bulletins, fine notices, etc.

He collects books to be returned to the Library, lists of books desired, fines due, new registrations, and of course any messages which borrowers may wish to send by him.

Notices are sent to borrowers from time to time, asking for additional book lists, a system similar to that followed by the Booklovers' Library.

Books may be returned at the Central Library or any of its branches between the regular delivery days, but this privilege is seldom used, because the stations are so far from the section covered by house-to-house delivery.

On the first delivery we sent out twenty-three books. The number has steadily increased until we are now sending from eighty to ninety-five per week.

GIFTS.

The Library has received the following notable gifts: From the Milton Fortnightly Book Club, thirty-five volumes; twenty-four of which were fiction.

From the Milton Woman's Club, fifteen volumes on household economics.

From Mr. John Willard, of Brookline, three large photographs, three pastels, and fifteen colored Japanese pictures.

Respectfully submitted,

GERTRUDE EMMONS FORREST,
Librarian.

Per JENNIE C. WRIGHT,
Assistant in Charge.

REPORT OF THE TRUSTEES OF THE CEMETERY.

To the Citizens of Milton:

The Trustees of the Cemetery submit herewith their annual report for the year 1902.

The Board organized in March, with Mr. Gannett as chairman, and Mr. Kennedy as secretary and treasurer. Frank L. Gage was reappointed Superintendent.

Fifty-five new lots have been graded and furnished with corner posts. Six lots were sold to non-residents. Twenty-three other lots were granted to citizens of the town. Three lots were surrendered by proprietors, new lots being granted them in exchange. These thirty-two lots, together with five others which were granted previous to 1902, have been put in order this year. Eleven old lots were regraded and grassed. Foundations for six monuments and nineteen headstones have been built, and nine markers set on graves. One tomb has been removed and its site made into a lot, and the removal of another tomb is nearly completed. Three lots were taken under "Perpetual Care."

There were ninety-nine interments during the year; eleven of these were from old tombs.

Centennial Avenue, from Dell Avenue to Oak Avenue, has been resurfaced.

An opportunity to purchase a quantity of good loam from ground on the line of the State sewer was taken, and 603 double loads were carted to the Cemetery; part of this has been used for grading and part stored for use later.

A number of partially decayed and also some other unfavorably situated trees were removed.

As shown above, your Trustees have during the past year prepared fifty-five new lots, twenty-three of which were granted to citizens, this leaving ready for use and not taken more lots than were needed the past year, and we intend to grade and improve more lots the coming year.

During the past year we have made some needed repairs on the Cemetery buildings, costing over two hundred dollars, as appears in the Treasurer's report, and we still have a balance on hand. With the above showing we ask only for the usual appropriation of two thousand (2,000) dollars, believing this sum, added to the income from the perpetual care fund and from the care of lots, will be sufficient for the year 1903.

Your Trustees realize that within a few years the Peabody land will have to be laid out, and avenues and paths built, when a much larger appropriation will be asked for, but for the present we have unoccupied land in the old cemetery which we believe should be utilized before going into any large expenditure.

In the revision of the Town By-Laws these changes were made in those relating to the Cemetery:

In Section 1 the word "control" was added, so that it now stands, "The sole care, superintendence, management and *control* of the Cemetery," etc. Also under Section 1, the remaining Trustees may fill vacancies occurring, the member so chosen to hold office only until the next annual town meeting.

And in Section 2 the Trustees are given the authority, by unanimous consent only, to waive the requirement that a citizen must have been a resident of the town not less than five years before a lot can be granted to him.

Milton, January 13, 1903.

SAMUEL GANNETT,
A. L. HOLLINGSWORTH,
WM. H. KENNEDY,
C. MINOT WELD,
J. FRANK POPE,
Trustees.

REPORT OF THE SUPERINTENDENT OF STREETS.

To the Honorable Board of Selectmen:

Gentlemen,— In submitting the annual report of the street department for the year 1902, I would call your attention to the following items, in regard to work done during the season.

Appropriations. — General highway, $30,000.00; street watering, $8,500.00; sidewalk construction, $3,000.00; street surface drain, $1,800.00; Lincoln Street, $900.00, and ice and snow, $2,500.00.

Street Cleaning.— During the months of April and May the streets, gutters and catch basins were thoroughly cleaned and numerous washouts were repaired. This work was of great importance and required considerable attention.

Adams Street.— This street was resurfaced with macadam from a point opposite the J. Henry Brooks estate to the entrance of the J. M. Forbes estate. A surface drain was also laid for a distance of 575 feet. The gutters were paved and paving was also laid adjacent to the stone watering trough. The sidewalk on the southeasterly side was resurfaced for a distance of 1200 feet.

Brackett Street.— This street was resurfaced with macadam its entire length, and a surface drain was laid for a distance of 225 feet.

Blue Hill Avenue.— The plank walk on this street was taken up and replaced with a gravel sidewalk, and the surface drain was extended for a distance of 100 feet.

Brush Hill Road. — This street was resurfaced with gravel and stone dust, from Williams Avenue to the Joseph H. Whitney estate, and repaired in numerous other places.

The gutter on the westerly side near the entrance to the Hollingsworth estate was paved with granite blocks.

CANTON AVENUE.— This street was repaired in various places with gravel and stone dust. The sidewalk on the westerly side was resurfaced with gravel from School Street to Adams Street.

CENTRAL AVENUE.— This street was resurfaced with macadam for a short distance near Hinckley Road.

EATON STREET.— This street was built to the Quincy line, and from that point the City of Quincy resurfaced it to Beal Street. By doing this work the Town of Milton and the City of Quincy relieved the traveling public from what had been a nuisance for years.

EDGE HILL ROAD.— The sidewalk on the westerly side was resurfaced with gravel from Pleasant Street a distance of 1000 feet.

ELIOT STREET.— This street was resurfaced with macadam from Valley Road to the Blue Hills Parkway. This was one of the most extensive pieces of work done during the season.

FAIRMOUNT AVENUE.— This street was resurfaced with gravel and stone dust from Brush Hill Road to the Hyde Park line.

HIGH STREET.— This street was resurfaced with gravel and stone dust its entire length.

HILLSIDE STREET.— That section of Hillside Street from the Metropolitan Park line to the Canton line was resurfaced with gravel. This street has been neglected for years and after repeated entreaties from the citizens of the town, this work was done, completing a good road around Great Blue Hill.

OTIS STREET.— A gravel sidewalk was built on this street from Edge Hill Road in a northerly direction for a distance of 800 feet. The sidewalk on the Adams Street end of this street was also resurfaced and the street itself repaired with gravel.

Randolph Avenue.— This street was macadamized from Russell Street in a southerly direction for a distance of 1000 feet, also for a distance of 1200 feet at the foot of Tucker's Hill. This work was of great necessity as the street was entirely worn out in these two sections.

Robbins Street.— This street was resurfaced with gravel and stone dust from Brush Hill Road to the rear entrance of the Whitney estate.

School Street.— The sidewalks on both sides of this street from Randolph Avenue to Canton Avenue were resurfaced with gravel.

Thacher Street.— The plank walk on this street was taken up and replaced with a gravel walk and the rest of the sidewalks were resurfaced with binding gravel and stone dust.

The following streets were repaired in various places with gravel and stone dust: Atherton Street, Brook Hill Road, Centre Street, Church Street, Churchill's Lane, Clapp Street, Highland Street, Maple Street, Mechanic Street, North Russell Street, Pierce Street, Russell Street, and Squantum Street.

Catch Basins.— Numerous catch basins have been built during the season, also surface drains in different sections of the town.

Guard Fences.— These have been examined and repaired where necessary. The Central Avenue bridge has been replanked during the season.

Horses.— During the season three new horses were bought to replace those which had been sold the preceding year.

The gravel pit in the eastern section of the town was worked extensively, and most of the gravel used during the year was taken therefrom.

Street Watering.— During the past season ten watering carts were used in watering the streets. The total distance covered was 40 miles daily.

Sidewalks.— A granolithic sidewalk was laid on Brush Hill Road for a distance of 932 feet, also on Randolph Avenue for a distance of 2800 feet.

Lincoln Street.— This street was built from Brook Road to Thacher Street and now makes a most desirable street for people in that section of the town.

Surface Drain.— The surface drain on Adams Street in the Lower Mills section for which $1,800 was appropriated was built as far as the appropriation would allow. The object of this drain is to separate the surface water from the sewerage system and has already proved to be a great benefit.

In the completion of the aforesaid work the following table will show the average number of men and teams employed during the several months:

April . . .	50	men and	12	teams
May . . .	53	" "	33	"
June . . .	39	" "	26	"
July . . .	46	" "	32	"
August . . .	28	" "	21	"
Sept. . . .	42	" "	19	"
Oct. . . .	25	" "	20	"
Nov. . . .	18	" "	18	"
Dec. . . .	29	" "	10	"

From the different appropriations the sum of $31,323.79 has been paid to the citizens of the town for labor and team hire.

After a careful study and with the experience of the past year I would recommend that the following appropriations be made: general highway, $32,000; street watering, $8,500; ice and snow, $3,000, and surface drain, $700.

There has been a considerable increase in the amount of artificial stone sidewalks laid this year, and in fact it is the most popular form of sidewalk now constructed. As a properly constructed artificial stone sidewalk will need no repairs for at least ten years it would seem to me that a most liberal policy might be adopted by the town in relation to persons who desire to have this kind of sidewalk laid by their property. I would therefore recommend that $5,000 be appropriated for sidewalk construction.

In concluding this report I would tender my sincere thanks to your honorable board for your very able suggestions and assistance during the past season, to the citizens of the town for their courteous treatment and advice, also to the employees of the street department whose work has been most satisfactory.

INVENTORY OF STOCK AND TOOLS IN THE HIGHWAY DEPARTMENT DEC. 31, 1902.

Stable and sheds	$4,000 00
Stone crusher plant	1,800 00
Steam roller	3,000 00
1 ring roller and 1 stone roller	125 00
600 tons of stone	300 00
11 watering carts	2,500 00
2 double, 3 single, 1 sanitary cart, 1 platform, 1 express, 1 Concord wagon, 1 Concord buggy, 2 road machines, 1 stone jigger, and 3 pungs	1,250 00
7 horses	1,100 00

MISCELLANEOUS BUSINESS.

Accidents reported and assistance rendered	12
Bicycles found	2
Buildings found open, and secured	44
Cases investigated	130
Defective drains reported	3
Defective electric light fixtures reported	7
Defective streets and sidewalks reported	45
Defective water pipes reported	6
Defective wires reported	7
Dogs killed	8
Fires extinguished without alarm	2
Electric lights reported out	547

Lanterns furnished at night on street . . .	7
Lost children restored	9
Residences reported temporarily vacant and special police protection required	65
Stray animals found	12
Stray teams put up	3
Street obstructions removed	9
Water running to waste reported . . .	6
Officers detailed by request of citizens . . .	15
Amount of property reported stolen . .	$430.00
Officers detailed for public occasions . . .	12
Amount of stolen property recovered . .	$312.00
Number of search warrants for liquors . . .	4
Number of liquor seizures	4

NO LICENSE LAW.

A strict watch is kept on all places and persons suspected of violating the liquor law. There have been four search warrants for intoxicating liquor served during the year which were successful in every case, and four convictions secured.

POLICE SIGNAL SYSTEM.

Our electric (Gamewell) police signal system continues to give satisfactory service. Every officer during his tour of duty is required to report through the signal boxes on his route as often as once an hour. I would recommend one additional box the coming year.

IN GENERAL.

I again recommend that a new police station and stable be erected without unnecessary delay. The need of a new station and stable has been admitted for years and on account of the condition of the old buildings should not be longer delayed. A committee of five were appointed two years ago at March meeting. They came to the station last February and saw the condition of the buildings and admitted that we ought to have a better location and a new building, but nothing has been done about it.

To your honorable board I want to express my appreciation and heartfelt thanks for the universal support and aid given me and my department during the past year.

To the officers and men of this department I extend my sincere thanks for their faithful services and their coöperation in all the important duties devolving upon us as police officers and public servants.

Respectfully submitted,

MAURICE PIERCE,
Superintendent of Police.

LOCATION OF POLICE SIGNAL BOXES.

12 — Adams Street, corner Churchill's Lane.
13 — Granite Avenue, corner Squantum Street.
14 — Adams Street, near East Milton Depot.
15 — Adams Street, corner Washington Street.
121 — Adams Street, corner Centre Street.
122 — Pleasant Street, corner Edge Hill Road.
21 — Adams Street, opposite Associates Hall.
22 — Randolph Avenue, corner School Street.
23 — Randolph Avenue, corner Centre Street.
24 — Randolph Avenue, corner Pleasant Street.
25 — Hillside Street, corner Harland Street.
31 — Central Avenue, corner Eliot Street.
32 — Canton Avenue, opposite Town Hall,
33 — Canton Avenue, corner Harland Street.
34 — Brush Hill Road, corner Robbins Street.
35 — Blue Hill Avenue, corner Mattapan Street.
41 — Blue Hill Avenue, corner Atherton Street.
42 — Brush Hill Road, corner Bradlee Road.
43 — Canton Avenue, corner Dollar Lane.
44 — Brush Hill Road, corner Milton Street.
45 — Blue Hill Avenue, corner Brush Hill Road.
141 — Central Avenue, opposite residence of N. H. Stone.
142 — Corner Houston Avenue and Blue Hills Parkway.

ENGINEERS' REPORT.

To the Honorable Board of Selectmen:

Gentlemen, — The Board of Engineers herewith presents its annual report.

The calls upon the department during the past year have been unusually numerous, but the number of serious fires has been few. The number of fires classed as incendiary, or the cause for which is not satisfactorily explained, has increased.

The physical condition of the department buildings and equipment has been fully maintained, excepting Hose 3 house on the wharf.

The only addition to the equipment has been a hose pung for Hose 4 Company.

The heating plant of the Central Fire Station has been entirely renewed during the year and is giving perfect satisfaction, besides showing a great economy of coal.

The fire and police department wires have been placed under ground, between the Village and School Street on Adams Street and Randolph Avenue, a distance of thirty-two hundred feet, and has resulted in 3.73 miles of overhead wire being removed from the street.

Hose 4 Company has now been in commission as a permanent company for one year, and has fully warranted the expenditures made by the town to place it on a permanent footing. Two men appointed under the civil service rules are permanently employed. Another man, also appointed under civil service rules, has been permanently employed, whose duties during the day are in connection with the department of wires, and during the night he acts as a permanent hoseman, attached to Hose 2.

There are now twelve men permanently employed, an increase of three over the previous year.

In the call force two men resigned and three men, who had passed the civil service examinations, were appointed. The manual force consists of fifty-six men, twelve permanent and forty-four at call.

There are sixteen horses now owned by the department, an increase of three over the previous year.

A temporary home has been found for the hose wagon of Hose 3 Company in the barn of the Water Department.

The district fire marshal has investigated ten fires; Milton has responded to twenty-six calls to Boston, and one to Canton; and the Boston department has responded to ten calls to Milton.

We have been unable to make any purchase of hose from our regular appropriation during the past two years, and the supply of hose on hand has deteriorated because of age and use. We, therefore, recommend that there be a special appropriation for the purchase of one thousand feet of new hose.

For maintenance and current expenses of the department for the ensuing year we recommend an appropriation of $21,000.

Respectfully submitted,

GEORGE F. CHOATE.
C. W. HOLMES.
E. P. WHITNEY.

MILTON, December 31, 1902.

"No school" signal sounded twelve times during year.

REPORT OF THE BOARD OF HEALTH.

The board organized April 3d, with the selection of Jacob S. Lincoln as chairman and Abijah W. Draper as secretary. On April 16th Abijah W. Draper, having resigned the secretaryship, was chosen inspector for the board, and Charles R. Gilchrist was chosen as secretary in his place. Henry B. Martin, Town Clerk, was authorized to sign burial permits for the board. Timothy G. Ryan was appointed inspector of plumbing and examiner of applicants for plumbers' licenses, and L. E. Young deputy inspector of plumbing. Peter McIntyre was licensed to carry on the business of slaughtering animals for food. Frank L. Gage was licensed to carry on the undertaking business. Stephen A. Meagher was licensed to carry on the business of rendering oil, tallow, etc. Permits were granted to John R. Lawrence, Charles Mitchell, Jr., Charles Tate, John R. Delory, and the Odorless Excavating Company, of Boston, to empty vaults and privies. Permits were granted to fifteen persons to keep two hundred and seventy-one pigs, permits having been granted the previous year to six persons to keep two hundred and ten pigs.

The number of cases of contagious diseases for the past three years has been as follows: —

	1900	1901	1902
Diphtheria . .	22	11	44
Measles . .	53	17	162
Scarlet fever .	19	6	3
Smallpox . .	0	1	3
Typhoid fever .	13	11	11

There were five deaths during the year from contagious diseases; three from diphtheria, and one each from smallpox and typhoid fever.

There have been three cases of smallpox during the year. The first one occurred in April and proved to be a very mild case, the patient, who had been previously vaccinated, recovering in a short time without much medical attendance. The other two cases occurred in December in one family, the patients being brothers, neither of whom had been previously vaccinated. The first one who was taken sick died after a week's illness. His brother was vaccinated just as soon as the first case was discovered, the vaccination taking, so that he had the disease mildly. He was taken to the hospital at once. The latest report from the hospital is that he is still there, doing as well as could be expected, and will probably recover. In all cases of smallpox all necessary arrangements were made for the care of the sick, and all possible precautions taken against the spread of the disease, including the most rigid quarantine. In the first case, which occurred in the spring, there were three children in the family. The children were all immediately vaccinated, the place was fumigated and the patient taken to the hospital, and an officer was kept on duty both at the house and at the hospital to see that the regulations of the board were strictly enforced. In the second case an officer was kept on duty at the house until after the death of the first brother and the removal of the second to the hospital. We desire to express our thanks to the superintendent of the town farm and the police department for their coöperation in the care of these cases. There were rumors of other cases of smallpox, which were all promptly investigated and the rumors found to be without foundation. In one instance, however, Dr. Morse, of the State Board of Health, visited the patient at the request of the board, and pronounced it a case of chicken-pox.

There seems to have been an epidemic of diphtheria in the latter part of September and October. The prevalence of the disease excited considerable alarm, on account of which the Tucker School was closed for four weeks, the school committee and the Board of Health concurring in the advisability of closing it. It is not certain how the disease originated. It is thought, however, that it was brought into town by two of our school children who visited in a town not far distant, in the vicinity of cases of diphtheria, these two children having the disease after they had returned home.

In all cases of diphtheria, scarlet fever, smallpox and typhoid fever the board ordered a thorough fumigation, and in a few cases of measles, tuberculosis and erysipelas. One hundred and seven rooms in thirty-one different houses, and twenty-eight rooms in five different schoolhouses, have been fumigated during the past year.

The board concurs in the opinion of the previous board that the town is in great need of a proper place for the isolation of contagious diseases for the protection of the public health. The small "pest house" at the town farm has been used during the past year, but it is very difficult to heat the building properly and its accommodations are very poor. The board recommends that the town take some action in this matter.

The town is now using the Metropolitan water and there have been no cases of sickness reported from the use of it during the past year.

The board advises all owners of dairies, to see that the dairies have plenty of space, light and air, and that they keep them thoroughly clean by a free use of lime and whitewash. Filth is the cause of many diseases among cattle. No milk from cows which are sick or under the care of a veterinarian should be used, nor milk from a new milch cow until the third day. These recommendations as to cleanliness apply equally well to piggeries and henneries.

The report of the State Board of Health for the year 1901 shows the death rate of the town to be 14.73 per thousand, an increase of .29 over that of the preceding year. The average death rate for the ninety cities and towns in the state which had a population of five thousand and over was 16.86 in 1901. The number of deaths in the town during the past year was 89, including six stillbirths; in 1901 it was 106. According to the census of the town taken by the assessors the population for 1902 was 7,000 and this would make our death rate for 1902, 14.28.

The causes for complaints made during the year have been as follows: —

Overflowing or defective cesspools	15
Rubbish heaps	2
Uncollected garbage	11
Dumping of night soil	2
Condition of drinking water	2
Condition of manure pile	2
Stagnant water	1
Decaying vegetables after fire	1
Decaying animals after fire	1
Sanitary condition of house	1

The board again asks the coöperation of the citizens in giving written notice of any matter coming to their attention requiring action on the part of the Board of Health.

J. S. LINCOLN, *Chairman.*
A. W. DRAPER, M.D., *Inspector.*
C. R. GILCHRIST, *Secretary.*

REPORT OF THE SUPERINTENDENT OF THE TOWN FARM.

MILTON, January 27, 1903.

To the Honorable Board of Selectmen:

GENTLEMEN,— I hereby submit to you the following in regard to the crops raised at the town farm for the year ending 1902:

English hay, 10 tons at $20	$200 00
Rowen, 3 tons	40 00
Apples, 50 barrels at $1	50 00
Potatoes, 180 bushels at $1	180 00
Turnips, 40 bushels	16 00
Cabbages, 30 dozen	18 00
Peas, 10 bushels	15 00
100 dozen Sweet Corn	10 00
10 bushels String Beans	10 00
2 bushels Shell Beans	4 00
500 pounds Squash	10 00
3 bushels Beets	1 50
	$554 50

The work of clearing the land has been carried on with good results, boulders taken from the land so the farm is under good cultivation.

Respectfully submitted,

ELIAS C. CONANT,
Superintendent of Town Farm.

REPORT OF THE INSPECTOR OF PLUMBING.

MILTON, Mass., January 1, 1903.

To the Honorable Board of Health:

GENTLEMEN,— I herewith submit my annual report from January 1, 1902, to January 1, 1903. During the year ninety-seven (97) applications have been received and ninety-seven (97) permits granted to perform plumbing. The approximate valuation of the work done as specified in the applications is thirty-five thousand eight hundred dollars ($35,800.00).

Six plumbers have renewed their license and fourteen master plumbers have registered. One examination has been held and one applicant was granted a license as a master plumber, and two have been granted as journeymen. The office hours of this department are from 7.30 to 9 o'clock Tuesday and Thursday evenings.

Respectfully submitted,

TIMOTHY G. RYAN, *Inspector.*

REPORT OF THE INSPECTOR OF BUILDINGS.

January 1, 1903.

To the Honorable Board of Selectmen:

Gentlemen,— I herewith submit my annual report for the year ending December 31, 1902. There have been seventy-nine (79) applications made for alterations, additions, and new buildings, and seventy-nine (79) permits issued and granted for the same.

WORK OF THE BUILDING DEPARTMENT BY MONTHLY REPORT.

November	5		4,600 00
December	3		400 00
Totals	74	5	$231,700 00

Thus making the valuation of the work completed and to be completed, two hundred and thirty-one thousand, seven hundred dollars ($231,700.00).

Office hours, Tuesday and Thursday, 7.30 to 9.00 P. M.

Respectfully submitted,

G. E. BURT, *Inspector*.

REPORT OF THE TREE WARDEN FOR 1902.

To the Citizens of Milton:

Two important pieces of work were Hillside Street from the Reservation to the Canton line and Robbins Street. These had not been gone over since the trees came under the Park Commission in 1898, nor for several years before, I believe. The work this season has been much more scattered than in any previous year, a natural result of the system which has been pursued hitherto of following the most important streets with the idea of taking up smaller and less used ones later. This local trimming is also in part a result of the community learning that the trees are in the care of the Warden, and that he is ready to respond to any call for reasonable work as promptly as the work in hand allows.

For several years the leaves of our American elms have been eaten by cankerworms. As a result these trees are much weakened. In my last report I referred to the possibility of the town having to resort to spraying on a large scale to check these worms. Since that time I have found the elm-leaf beetle in several parts of the town on English elms. With these they begin, but when they become numerous spread to the American elms.

Though so far we are free from the brown-tail and gypsy moth, they are near at hand, and I believe that the time has come when we must own a certain amount of apparatus, a hand pump to begin with, to combat these pests.

This year, as the year before, what spraying was done was by outside parties, and I have collected the expenses from the abuttors or other public spirited citizens. The Legislature of 1902 passed an act (chapter 57 of 1902) which says that any city or town, "by the municipal officer or officers to whom the care of the shade trees in the streets . . . . may enter upon private land for the purpose of investigating said pest (any tree or shrub destroying pest), and may adopt reasonable measures to prevent its spread and to secure its extermination."

This seems a necessary power for the Tree Warden to have, as it is not always easy for the owner to pay for spraying, and yet it is obvious that to spray only the street trees and leave the insects on the abutting land to fatten is futile. Much work was done on private land this year, all of course at the expense of the owner of the land, at the same time the work along the streets was done.

It would probably be impossible in case of a serious invasion by any insect pest for the town to accomplish all the necessary spraying in the short time during which the general run of insects feed, for this is mostly while the leaves are yet fresh, but I feel that the town should do all that it can, and I believe that after a year or two of outside help it should be possible for the Tree Warden to keep the pests in check even on private land, if he has a sufficient appropriation to be able to act quickly and vigorously.

Last spring some trees were planted on Thacher Street. This is a line of work to which I have not yet given so much attention as I should like, because I have seen but little encouragement in the object lessons one may find on every hand of neglect of trees.

To cope with the insects in such manner as Milton should, I feel obliged to ask this year for an appropriation of fifteen hundred dollars ($1,500), with which sum I think that I can keep them from spreading and probably reduce their number materially, and also do whatever trimming may prove necessary, and a little planting out of new trees.

Respectfully submitted,
NATHANIEL T. KIDDER,
Tree Warden, Town of Milton.

REPORT OF INSPECTOR OF CATTLE.

Milton, Mass., January 1, 1903.

To the Board of Selectmen:

Gentlemen, — During the past year I have inspected one hundred five (105) stables all of which I found in good sanitary condition.

Have given a physical examination to eight hundred ten (810) cows, thirteen (13) bulls, ninety-one (91) swine and six (6) sheep, all of which I considered free from contagious diseases. Besides these I examined and quarantined five (5) cows which I suspected of being tuberculous. Three (3) of these were killed and the other two (2) released per order of the Cattle Bureau.

Have found two cases of glanders and had the horses destroyed immediately and the premises thoroughly disinfected.

Since the foot and mouth disease broke out have done considerable inspecting hunting for cases, but found only two (2). These I put in quarantine immediately and reported same to the Cattle Bureau.

Have also inspected and stamped all animals slaughtered for market by Peter McIntyre.

Respectfully submitted,

JAMES SPENCER,

Inspector.

STREET RAILWAY FRANCHISES GRANTED BY THE TOWN OF MILTON.

Know all Men by These Presents, That in consideration of the grant by the Selectmen of the Town of Milton of a location for an Electric Street Railway in Willard Street in said town and in compliance with the terms of the vote of said Selectmen granting the same passed August 2, 1895, the Quincy and Boston Street Railway Company covenants and agrees with the inhabitants of the Town of Milton:

First: That in case the operations of such systems shall in the opinion of the Selectmen at any time impair the usefulness of the Electric Fire Alarm or of the Police Signal System with the telephones connected therewith now in operation in said town or any extension of the same, said Company shall at its own expense and within a reasonable time after notice to that effect from the Board of Selectmen restore such system to its present efficiency and shall pay to the town any additional expense to which it may be put by reason of said trolley system in the construction of any extension of said Fire Alarm or Police Signal System.

Second: That all wires of said Company shall be protected by guard wires to the satisfaction of the superintendent of wires of the Town of Milton.

Third: That in the event of a fire, the officers and members of the Fire Department may cut the wires of said trolley system whenever they deem it necessary in connection with such fire, and the same shall be repaired at the expense of Company, and that in case of fire the Company shall at the request of the Fire Engineer discontinue any and all currents of electricity over its wires, and that if said wires shall be necessarily broken in course of work performed by the town or any of its officers or servants the same shall be repaired by said Company at its own expense.

Fourth: That said Company will not deposit or cause to be deposited any snow or ice in the highway outside of said reserved space, in removing snow or ice from its tracks, in such a manner as to obstruct public travel.

Fifth: That said Company shall indemnify and save harmless the town against all damages, costs and expenses whatsoever to which the town may be legally subjected in consequence of any acts or neglect of said Company, its agents or servants in any matter arising from and out of the rights and privileges herein granted it by the Selectmen; and also shall fulfill all its agreements with the town and its duties under this order and all orders and regulations in addition thereto and amendment thereof and the by-laws of said town.

Sixth: That said town shall have the right to string electric light wires and to support electric lights upon the poles of said Company.

Voted, That President of this Company be and he is hereby authorized to execute in the name and on behalf of this Company an agreement under seal with the Town of Milton in compliance with and as set forth in the vote of the Selectmen of said Town, granting this Company a location in Willard Street.

GEORGE W. NICKERSON,
J. ALBERT SIMPSON,
JOSEPH C. WHITNEY,
Selectmen of Milton.

TOWN OF MILTON,
Selectmen's Office, Jan. 4, 1898.

On petition of George J. Morse, Fred C. Hind, Charles H. Wilson, Bradford Hamilton, James H. Packard, and Alfred H. Crossman, a majority of the directors named in

Articles of Association entered into for the purpose of forming a corporation to be known as the Boston, Milton & Brockton Street Railway Company, said petition bearing date September 21st, 1897, due notice of the proceedings having been given, and a public hearing on said petition having been held, as in said notice required, it is

Voted, That the Boston, Milton & Brockton Street Railway Association be granted a location for the tracks of said street railway in the reserved space, as accepted by the Town at a special town meeting, held October 26th, in and through the following streets:

Eliot Street, from a point between Adams and High Streets to Central Avenue, thence across and along Central Avenue to White Street, thence in and through White Street to Canton Avenue, thence across Canton Avenue to Reedsdale Road, thence in, through and across Reedsdale Road to Randolph Avenue, thence in, across and along Randolph Avenue to the Town line between Milton and Quincy, providing, however, that if the special law governing the location of street railways in Milton is repealed or amended previous to March 1st, 1898, the Selectmen may change the whole or any part of said route from the present location on the side of said streets to the centre or elsewhere within the limits of the present street lines of the streets through which the route is laid out.

The right to lay down the tracks authorized by this order is upon condition that the said Association shall well and truly comply with all the laws of this Commonwealth applicable thereto, also that all the requirements of this order upon condition also that the said Association shall file a bond with the Town Treasurer in the penal sum of fifteen thousand (15,000) dollars, to comply with the said laws, regulations and requirements, and to indemnify the Town from all losses, injuries, expenses, suits, and actions arising from any carelessness or neglect of themselves, or their agents, or employees, that the whole work of laying down said tracks, and the precise location of the same, with proper provisions for the drainage of the highway or reserved space, where tracks are laid, shall be under the direction of the Board of Selectmen, or their authorized representative, and shall be approved by them, that said tracks shall be laid in conformity with the existing or established grade of said streets, and in case the grade of any part of said streets shall hereafter be changed by the proper authorities, the expense of taking up and relaying said tracks shall be borne by the said Association. The existing or established grade referred to, in all cases, shall be accepted and defined as that of the centre or crown of the streets.

In case a change in the grade of said streets, or a portion thereof, shall be judged necessary by the Selectmen or their authorized representative, for the proper laying of said tracks, the expense of making such change of grade as may be necessary for the operation of the street railway shall be borne by said Association.

That said Town, or Milton Water Company, shall have access to the water pipes under said location and nothing in this grant shall interfere with the access of said Town, or Milton Water Company, to said pipes, and said Town reserves the right for itself and the Milton Water Company to enter the same or to open the surface over the same, removing tracks of said Association temporarily, if necessary, for any purpose connected with the repair or proper care of said water pipes. The rights of the Town, or Milton Water Company, to enter said reserved space shall be subject to the approval of the Selectmen in writing, due notice being given to the Railway Company, excepting in cases of emergency for the protection of life and property.

That the bridges over Pine Tree Brook on Eliot Street, Central and Randolph Avenues and all culverts shall be extended to the side line of the street on the side upon which said reserved space is laid out, the material and construction of said extensions to be of the same quality as the same now are to the approval of the Selectmen, the entire expense of such extensions to be borne by said Association, also providing that in all places along the route where blasting, filling, retaining walls or grading is necessary to make the surface of the reserved space conform with the present or established grade of the streets, the expense of said construction to be borne by said Association. All materials used in the construction of said reserved space, the whole work of construction, including the laying down of said tracks, and the precise location of the same, with proper provision for the drainage of the reserved space on portions of the highway where the tracks are laid shall be under the direction of the Board of Selectmen or their representatives, and shall be approved by them.

That when said tracks shall be laid across any of said streets, or entrances to private residences, or private ways, the space between the rails and for eighteen inches outside of the same on each side shall be paved with granite block paving stones, as the Board of Selectmen shall deem necessary. Said Association shall bound the side of the reserved space nearest the travelled portion of the street by a granite curbing throughout its entire length, except on Randolph Avenue, and that at all street crossings, avenues to private residences, or private ways, and shall on each side of said crossings of all streets, avenues to private residences, and private ways round in said curbing. Said curbing shall be of uniform shape and set showing six inches above the surface of the road, and shall be not less than six inches in thickness across that portion of said curbing that shows above the surface, provided, however, that the said Association may be released from this condition in any sections where the Selectmen deem it for the best interest and convenience of public travel not to have said curbing.

The rails shall be new, of steel, of not less than fifty-six (56) pounds in weight to the yard and of the pattern known as the "T" rail, providing, however, that the Selectmen may require that the rails shall be of the pattern known as the Girder Rail at such points of the route as may be necessary for the public convenience and safety, where the reserved space and highway are used jointly. The rails shall be laid on chestnut or oak ties, not exceeding two and one half feet apart on centres, said rails having fish plates at their joints. The top of the rail to be laid level with the grade of the reserved space, also the surface of the said reserved space shall be seeded down with grass seed and maintained permanently in good condition, except where paved, to the approval of the Selectmen. It is also ordered that no tree or trees shall be cut or trimmed by the Association without the approval of the proper authorities.

Said Association shall have the right to erect poles and all necessary appliances for the purpose of operating their road by electricity, said poles to be located subject to the approval of the Selectmen. Also the right is granted to erect poles, wires and all other necessary appliances for obtaining the necessary power. Poles shall be of Georgia hard pine, sawed square and painted two coats at such places as the Selectmen may hereafter determine.

The Railway Company shall have the right to relocate at its own expense the wires connected with the police and fire alarm service, under the direction and supervision of the Superintendent of Wires, should it be necessary to preserve the present efficiency of said service.

That all wires of said Association shall be protected by suitable guard wires under supervision of the Superintendent of Wires of the Town of Milton.

That in the event of a fire, the officers and members of the Fire Department may cut the wires of said trolley system whenever they deem it necessary in connection with such fire, and the same shall be repaired at the expense of said Association, and that, in case of fire, the Association shall, at the request of the fire engineer, discontinue any and all currents of electricity over its wires, and that if said wires shall be necessarily broken in course of work performed by the Town, or any of its officers or servants, the same shall be repaired by said Association at its own expense.

That said Town shall have the right to string electric light wires and to support electric lights upon the poles of said Association.

In case said Association shall neglect or refuse to keep said reserved space and its tracks safe and convenient for travellers within the requirements of the statutes, necessary and reasonable repairs may be made therein by the Town under the direction of the Selectmen, or their authorized representative, and the cost thereof shall be borne by said Association.

Said Association shall not run snow ploughs or remove snow from its tracks or reserved space unless it shall leave the streets safe and convenient for public travel and satisfactory to the Selectmen, or their representative. No salt or other substance shall be used for the purpose of removing snow or ice without written permission of the Selectmen.

In all cases where the reserved space is on the side of the streets, the rail nearest the outside line of the street shall be laid not less than eight and one-half feet from the nearest side line of the streets.

The single fare between any two points over this route within the limits of the Town shall not exceed five cents. Tickets shall be sold to school children, residents of the Town, at the rate of ten for twenty-five cents, to be used for transportation only to and from school, and good only in the cars of this Company.

This franchise herein granted to this Association shall not be leased, sold, assigned or transferred before the road is in complete operation and cars running on schedule time. The said Association shall accept this order of location and shall agree to comply with the requirements hereto and shall file acceptance and agreement with the Town Clerk of Milton within thirty days from the date of this order, or otherwise this order shall be null and void, and also before proceeding to construct said tracks, shall file with the Town Clerk the location plans of said tracks and poles, which shall show the same in detail, as near as may be, and with the endorsement of the Selectmen.

The said Association, shall, before commencing work of construction, execute and file a bond for the amount of five thousand (5,000) dollars, signed by the president of this Company, and endorsed by two or more resident directors of this Association, or by two other persons as sureties that will be accepted by the Selectmen, and file the same with the Town Treasurer.

The obligations of said bond is that if said Association has the road completed and cars running over it by November 1st, 1898, the said Association shall be under no obligation to pay the bond; but if said Compamy fails to have the Railway completed by November 1st, 1898, the full amount of said bond shall be paid to the Town, providing that no injunction or other legal processes are brought against said Association, or the Town, by abuttors or citizens of the Town that would cause delay in the construction of said Railway by said Association.

Also providing that this Company and its successors shall make a contract with the Town of Milton, the terms of which shall be that this Company and its successors shall, after the expiration of the fifth year of the operation of this route, pay to the Treasurer of the Town of Milton annually, on or before the 10th day of January, after the interest on its mortgage bonds has been paid, one per cent. of the annual gross earnings of the Company over the route granted by this franchise.

If at any time the Selectmen shall deem it necessary to make entrances to abutting properties, across said reserved space, the Association shall provide for such entrances, where directed by them, and the expense of such changes and the paving of said entrances shall be paid by the Association.

ARTHUR H. TUCKER,
J. WALTER BRADLEE,
ALBERT A. BRACKETT,
Selectmen of Milton.

AN ORDER GRANTING TO THE MILTON STREET RAILWAY COMPANY THE USE OF CERTAIN STREETS AND HIGHWAYS IN THE TOWN OF MILTON FOR THE CONSTRUCTION, OPERATION AND MAINTENANCE OF AN ELECTRIC STREET RAILWAY.

SECTION 1. After due notice and public hearing on the petition of a majority of the Directors of the Milton Street Railway Company for the location of the tracks of the Company in certain streets and highways in the town of Milton, in the Commonwealth of Massachusetts, it is hereby ordered and decreed by the Selectmen of said town that permission is hereby granted to said Street Railway Company, its successors and assigns, to enter upon and to construct, maintain and operate a railway, with all necessary turnouts and switches, curves and sidings upon and along the following street and highways in said town, and within the limits of the special space reserved therein, to wit: —

Commencing on Blue Hill Avenue at its junction with the Blue Hills Parkway and extending in a southerly direction on and through said Blue Hill Avenue to its junction with Canton Avenue, thence on through and across said Canton Avenue to the boundary line between said Canton Avenue and the Blue Hills Reservation.

Commencing again on Milton Street at the boundary line between the towns of Hyde Park and Milton and extending on and through said Milton Street to Brush Hill Road, thence on and through said Brush Hill Road in a southerly direction about eight hundred feet, thence across said Brush Hill Road to the easterly boundary of said road.

The right is also granted to construct, operate and maintain the necessary curves and switches at a point on Blue Hill Avenue at or near the boundary line between the land of Kennedy and Burr to connect the tracks on Brush Hill Road with the tracks on Blue Hill Avenue.

SECTION 2. Said Milton Street Railway Company, its successors and assigns, are hereby granted the right to use, upon the whole or any portion of its tracks, as the same are now or hereafter may be located, electricity as a motive power supplied to the cars by means of the overhead trolley wire, the electrical circuit being completed by the rails of the road properly bonded. And for this purpose, said Company, its successors and assigns, are hereby expressly authorized and empowered to erect and maintain in and along any and all of the public streets and highways upon which the tracks of said Company are herein located, such poles, brackets, cross arms, wires and fixtures as may be required to properly support and maintain the overhead trolley and feed wires.

Animal or other motive power, satisfactory to the Selectmen, may be used alone or jointly with electric power in the general operation of said railway during such time or times as the operation thereof by electricity shall be interrupted or suspended by reason of accident to the electric equipment, and also if at any time electricity shall cease to be generally used as a motive power by street railways.

For such support and maintenance of the trolley wire, either horizontal cross wires extending across the street, or flexible bracket arms projecting over the tracks, as said Company may deem more suitable, may be employed, subject to the approval of the Selectmen.

All poles used in such construction shall be of the material hereinafter specified. They shall be located at such points in the streets of the town as the Selectmen may direct, and set at such depth in the ground as to make their support substantial and adequate; the cross wires or brackets, as the case may be, for the support of the trolley wire, shall be attached to said poles at such height as to maintain said trolley wire at every point of suspension not less than eighteen (18) feet above the surface of the street, except where said trolley wire may go under a railroad bridge, or a low place, and all cross arms used to support the feed wire shall have at least four (4) pins, said arms shall have twin iron braces and shall also have guard irons wherever said wires cross the street.

All such poles, brackets, cross arms, wires and fixtures shall be maintained by said Company at all times in good order and condition to the satisfaction of the Selectmen of said town, and in such manner as not unnecessarily to impede public travel.

SECTION 3. The authority and permission herein granted is subject to the following terms and restrictions, viz:

1. The gauge of the track shall be four feet eight and one-half inches (4 feet, 8½ inches). The Railway Company shall construct and keep all reserve spaces in which the tracks are laid, throughout its entire system in Milton, with a loam surface not less than four inches in depth, rolled to an even surface with the top of the rails and seeded down with grass seed, to the approval of the Selectmen.

2. The rails shall be those known as "T" rail and weighing not less than sixty (60) pounds to the yard. Said rails

shall be laid on chestnut or oak ties, said ties to be laid not more than twenty-four (24) inches between centers, and to be of not less than five (5) inch face.

3. The tracks shall be laid in said streets and within the special space reserved therein in accordance with the location and grades shown on plans made for said Company and approved by the Selectmen.

4. The said Company shall fill between its rails and for a distance of eighteen (18) inches outside the rails at all cross streets and other places not in reserve spaces with paving or such other material as the Selectmen may require.

5. At all cross walks and driveways which are now or hereafter may be provided, the same material properly tamped as used by the town, shall be used by said Company between its rails and for a distance of eighteen (18) inches outside thereof, and all approaches to said street and over said tracks shall be made safe for public travel.

6. During the construction of said railway, said Company shall not unreasonably impede public travel on any of the streets or highways aforesaid, and all of said streets in which tracks are to be laid by said Railway Company, which is included between said rails and for a distance of eighteen (18) inches outside thereof, shall be left by said Company in as good and safe condition as the same may be when the laying of the tracks was commenced, and in event of any street in which said tracks are located being improved or repaired, the portion of said street and for eighteen (18) inches outside thereof, shall be improved or repaired by said Railway Company, so as to conform with the other parts of the street.

7. The poles shall be standard, square, hard pine, thirty (30) feet long. All poles used in such construction shall be placed about one hundred (100) feet apart and in or adjacent to the line of the curb of the sidewalk, or otherwise under the direction of the Selectmen. They shall be set not

less than six (6) feet in the ground and be painted not less than two (2) coats of paint of such color as the Selectmen may designate. Wherever the location of any pole is in soft ground the Railway Company shall use cement to properly hold the same in upright position.

8. Said Railway may use as far as is practicable, and without detriment to public safety, or service of either, the poles now already erected by the Electric Light and Telephone Companies, paying therefore such rental and under such conditions as may be mutually agreed upon between said Companies.

9. Whenever the trolley wire is suspended from horizontal cross wires, said cross wires shall be of sufficient strength to easily support said trolley wire, and wherever brackets are used to suspend the trolley wire, they shall be securely bolted to the poles and shall be of such size as will insure proper strength for the support of said trolley wire.

10. The Railway Company shall place and at all times maintain such guard wires as the Selectmen may from time to time require.

11. The Selectmen of the town, for the purpose of repairing the highways, or repairing or extending its sewer system, and the Chief Engineer of the Fire Department of the town, in case of fire along the line of said railway, may temporarily take up or obstruct the tracks or cut the wires of said Company without being liable in damages to the said Company, or if the said wires or tracks shall be broken or taken up from any cause connected with the works being performed by the town, or any of its officers or authorized agents, they shall be repaired by the Company at the Company's expense.

12. The Gas Company and the Water Company for the purpose of repairing or extending their pipes can, whenever necessary, temporarily obstruct and take up the tracks of said Company without being liable in damages to said Com-

pany, nor shall said Companies be liable in damage in consequence of any injury done to said tracks either by explosion or leakage of their pipes, provided, however, that said Companies shall promptly replace said tracks in as good condition as they were before they took them up or obstructed them, and failing to do this within reasonable time, said Railway Company shall replace its tracks and charge the expense thereof to the Company having taken the same up.

13. If in the construction of said railway, or any future extension of same, it becomes necessary, in the judgment of the Selectmen, to remove or change (except as provided in Section 8) the location of any poles, wires or fixtures of the fire alarm system of the town, or any telephone, telegraph or electric light companies located in said town, said change shall be ordered by the Selectmen and all expenses of the same shall be paid by the Railway Company.

14. The Company may remove or trim such trees as shall be necessary for the construction of its tracks or wires, but said removal or trimming shall be done only under the supervision of the tree warden or the Selectmen, and all expenses of said removal shall be paid by the Railway Company.

15. The Railway Company shall at all times provide sufficient and suitable cars and run the same at such intervals as will reasonably and properly accommodate the citizens of the town.

16. The Company shall save said town harmless from all loss, cost, damage and expense hereafter incurred by reason of the granting of this franchise, or the laying out or construction of reserved spaces in said streets, or the widening of any of said streets for said reserved spaces, so far as laying out, construction or widening is reasonably necessary for the construction or operation of said railway, or by reason of any accident due to such widening and construc-

tion, and to the running of cars, and to the use of electricity by said Company, and to reimburse the town for any and all expense incurred in the necessary preparation of said streets for the railway location herein granted and the running of cars; and said town shall promptly notify said Company of any suit or claim brought against it, and said Company shall defend all such suits and claims at its own expense.

17. That said Company before beginning construction hereunder shall execute to said town a bond in the sum of twenty thousand dollars ($20,000) with reasonably sufficient surety or sureties conditioned for the faithful performance by said Company of its obligations herein.

18. Said Railway Company shall issue a school ticket for children attending the public schools of Milton at one-half the regular fare, said tickets to be good for school purposes only, and to be sold on school days, between the hours of 7.30 A. M. and 5.30 P. M., in strips of ten (10) tickets.

19. Nothing herein granted shall be deemed a limitation or waiver of any rights now possessed, or that may hereafter be conferred upon the Selectmen of the town, pertaining to the construction, operation or maintenance of electric railway or street cars in said town.

20. The said Railway Company shall complete and have in operation said tracks on or before November 1st, 1903, unless the time for said completion be extended by a majority of the Selectmen.

21. The position of the tracks on Blue Hills Parkway, so-called, is subject to the approval of the Board of the Metropolitan Park Commissioners, and the tracks are to be placed in such reserve space as said Commissioners may prescribe, and this Board hereby assents to any change in such location as may be desired by said Park Commissioners.

22. The said Company shall accept this order of location,

together with all and singular the conditions and agreements, by filing with the Clerk of the Selectmen such acceptance in writing within thirty (30) days from the receipt of notice of approval of said franchise by the Railroad Commissioners.

MILTON, MASS.

ALBERT A. BRACKETT,
JACOB A. TURNER,
MAURICE A. DUFFY,
Selectmen of Milton.

REPORT OF THE INSPECTOR OF WIRES.

To the Honorable Board of Selectmen:

Gentlemen: — I herewith present my report from April 1st, 1902, to December 31st, 1902.

The work covered by this department is a supervision of all poles, lines, wires and fixtures used for electrical purposes, in accordance with Section eighteenth of Chapter one hundred and twenty-two of the Acts of the year 1902. Also, all town wires and electrical instruments.

INTERIOR WIRING.

Building in which wiring was inspected	35
Number of inspections	48
Building in which changes were required	6
Building inspected for rough covering	27
Notice of new work received	26
Certificates of inspection issued	27
Permits to supply service issued	26

All pole lines are under constant inspection and any defect that may be noticed is reported to the company owning said lines and usually receives their prompt attention. With few exceptions, the lines and poles are in good condition.

The New England Telephone & Telegraph Co. have underground ducts placed in the following streets: Adams Street, from Eliot Street to Randolph Avenue, Randolph Avenue to town line. During the past year a portion of the town wires were placed underground. I would recommend a gradual extension of underground work each year.

The overhead lines are in a very satisfactory condition, but as long as overhead construction is used, a certain amount of danger must exist. The breaking of a wire and the ends dropping in the street, even though a telephone or telegraph wire, if in contact with some other wire charged with a current of high voltage, perhaps miles away, would probably mean serious injury to the person or animal so unfortunate as to touch it. I advise the public never to touch any wire which they may find in the street or on their premises, but to notify this office at once that the proper parties may be called upon to take care of it. The office of the Inspector of Wires is at the central fire station.

Respectfully submitted,

GEO. W. CHOATE,
Inspector of Wires.

REPORT OF THE WATER COMMISSIONERS FOR 1902.

To the Citizens of the Town of Milton:

The Water Commissioners respectfully submit the following report of their operations for that portion of the year 1902 succeeding the purchase of the Milton Water Company.

The transfer of the property and rights of the Water Company took place on September 27, 1902, after the accounting provided for by the act which authorized the purchase. The purchase price was $199,608.35 made up as follows:

Purchase price as fixed by the Act . . .	$189,000 00
Interest as provided by the Act at rate of 5 per cent. on the purchase price from April 1, 1902, to September 27, 1902	4,725 00
Excess of payments over receipts between April 1, 1902, and September 27, 1902, made by Milton Water Company on behalf of the Town of Milton	4,018 49
Petty cash expenses by Milton Water Company on behalf of the Town of Milton after completion of the account	10 99
Allowance to the Milton Water Company in respect to their liability under Hyde Park Water Company contract	1,853 87
	$199,608 35

The payments between April 1 and September 25 were $25,354.52, the receipts were $21,336.03, leaving as above stated, a debit balance of $4,018.49. With regard to the item of $1,853.87 above referred to as an allowance to the Milton Water Company because of its liability under the Hyde Park Water Company contract, the following explanation is made:

When the Milton Water Company first began to purchase water from the Metropolitan Water and Sewerage Board, the latter was not able with its existing connections to supply the whole of the Town of Milton, and it became necessary for the Milton Company either to continue its contract with the Hyde Park Company for a time, or to cease to supply the Brush Hill and Blue Hill districts of the town with water. The Selectmen felt that it was not only unwise but unsafe that the water supply of so large a portion of the town should be cut off and therefore requested the Milton Company to continue its contract with the Hyde Park Company until such time as the Metropolitan Water and Sewerage Board could make the necessary connections. In consideration of the Milton Company's agreement to continue the purchase of water from the Hyde Park Company for the Brush Hill and Blue Hill districts, the Selectmen agreed to assume the liability of the Milton Company under its contract with the Hyde Park Company at the rate of $4,700 per annum until a further connection with the Metropolitan system should be established. This connection was made on August 22, 1902, and because of this agreement between the Selectmen and the Milton Company, the payment of $1,853.87 to the Milton Company was made necessary.

As the statute required the town to assume the obligations of the Milton Water Company with regard to its bonds, the further sum of $118,320 was raised in order to retire those bonds, as a saving of interest would be effected by this process. Under the mortgage of the Water Company, its bonds could be retired by paying the principal and a premium of 2 per cent. on any interest day after the publication for six months of the necessary notice, and the bonds were accordingly called for payment on February 1, 1903, that being the earliest possible date. During the month of November certain of the holders of the Water Company bonds offered them to the Town Treasurer upon payment of the principal and 2 per cent. premium, together with the interest to date. As the funds of the town on deposit were only earning $2\frac{1}{2}$ per cent., while interest was running on outstanding bonds of the Water Company at 4 per cent., it seemed best to the Treasurer and to the Water Commissioners to take up the bonds offered in order to save the difference in interest. Accordingly forty bonds were purchased by the Treasurer, and there now remain to be paid on February 1, 1903, seventy-six bonds. The money with which to pay these bonds is now on deposit subject to the order of the Town Treasurer.

Upon the transfer of the plant to the town, the commissioners established the working day to be eight hours in accordance with the law now applicable to the town and placed all the unskilled laborers upon a two-dollar per day basis.

The employees of the Milton Water Company continued in office under the town and no change has been made except that the permanent force has been reduced by one. It now numbers eight men. The office and workroom are situated on Adams Street in the Lower Mills district, and are held under a lease which expires December 31, 1904. The stable on Morton Road, near by, is leased from month to month. A short time previous to the transfer several necessary purchases were made by the Milton Water Company with the consent of the commissioners, and the property of the department is now in good condition.

During the last six months a large number of additional takers have been added to the list as the work of the Metropolitan Water and Sewerage Board in building the high level sewer has drained many wells. The total takers now number about eleven hundred.

The statute under which the town purchased the Milton Water Company imposes many burdens. It requires the commissioners to fix such rates as will pay the operating expenses, all expenses for new construction, the interest upon loans, and also, if possible, an annual sum equal to 2 per cent. of the total amount of the bonds issued. We feel that the present rates should not be increased, and we are, therefore, of the opinion that we shall have no income available for new construction until the number of takers has increased and the interest charges have diminished. During the next few years the burden upon the water takers will be severe, but as the fixed charges decrease and the number of takers increases this burden will become lighter.

Respectfully submitted,

CHARLES S. PIERCE,
JOHN GRAHAM,
ELLERTON P. WHITNEY.

The interest on this at four per cent. per annum is paid over to the Trustees of the Cemetery.

JASON REED PUBLIC PARK FUND.

Amount held Dec. 31, 1901	$3,300 65
Less expenses for year 1902	51 32
	$3,249 33

EXTRACT FROM THE WILL OF ELIZABETH T. L. REED.

"All the rest, residue and remainder of all the moneys remaining in the hands of said Executor or Administrator, I direct shall be divided into three equal parts

. . . .

"The second of said parts shall be paid to and deposited with the Treasurer for the time being of said Town of Milton, the same to be received, held and invested by said town as a fund to be known as the 'Jason Reed Fund,' and the income thereof shall be applied to the preservation, care, improvement or embellishment of the said Milton Cemetery.

"And the third of said parts shall be paid to said Town of Milton, and the same shall be applied by the proper legal authorities to or towards laying out, improvement or ornamentation of a Public Park or Parks in said town, in such manner as said authorities may deem advisable.

"I make the foregoing bequests in favor of First Parish, the Cemetery and the Parks in said Milton, both on account of the deep interest taken by my father, the late Jason Reed, deceased, in the affairs of said town, and of my own profound desire for the welfare of said town and of the citizens thereof."

REPORT OF THE COMMITTEE ON THE ENLARGEMENT OF THE TOWN HALL.

The Board of Selectmen have prepared plans, representing an idea for the enlargement of the present Town Hall, from a seating capacity of 500 to 800.

After looking the building over carefully for a method of enlargement, we have decided to adopt this idea, which is entirely feasible and which does not interfere in any way with the present architectural effects; it is also the most economical.

A much-needed toilet room has been added adjacent to the main entrance.

We have also incorporated in the plan an idea for new quarters for the Board of Selectmen, as you will see by referring to plan, whereby they are provided with an outer and inner office, where they can more easily transact their duties while free from outside interference.

On the floor over the Selectmen's office are provided two rooms which can be used by committees or for offices by some of the departments.

Sufficient detail plans have been drawn up, upon which a reliable approximate estimate could be given, and the cost has been estimated as twenty-eight thousand six hundred dollars ($28,600.00).

A. A. BRACKETT,

ANNUAL TOWN REPORT

OF

MILTON

MASS.

FOR THE YEAR ENDING

DECEMBER 31, 1903

COMPILED BY

THE AUDITORS

SETTLED 1640 : INCORPORATED 1662

Stanhope Press
F. H. GILSON COMPANY
BOSTON, U.S.A.

STATEMENT OF THE AUDITORS.

To the Citizens of Milton:

In accordance with the Revised Laws and the By-Laws of the town, we have examined the books and accounts of all officers and committees intrusted with the expenditure of money, and all original bills and vouchers on which moneys have been paid from the treasury for the year ending Dec. 31, 1903, and have found the same correct.

Respectfully submitted,

LEONARD E. LITTLEFIELD } *Auditors.*
JAMES A. ROBERTS }

MILTON MASS., *Dec.* 31, 1903.

TIMOTHY G. RYAN.

REVISED BY-LAWS.

TOWN OF MILTON, MARCH 3, 1902.

Adopted by the Town and approved by the Superior Court, May 20, 1902.

CHAPTER 1.

GENERAL PROVISIONS.

SECTION 1. These By-Laws, contained in this and the succeeding chapters, being ten chapters in all, may be designated as the Revised By-Laws, adding the number of the chapter and section when necessary.

SECT. 2. So far as the provisions of these By-Laws are the same in effect as those of previously existing By-Laws, they shall be construed as a continuation of such By-Laws, but, subject to said limitations and the provisions of the next section, all By-Laws of the town heretofore in force are hereby repealed; provided that this repeal shall not apply to or affect any By-Law, order, or article heretofore adopted, accepting or adopting the provisions of any statute of the Commonwealth.

SECT. 3. These By-Laws and the repeal of all By-Laws heretofore in force shall not affect any act done, any right accrued, any penalty or liability incurred, or any suit, prosecution, or proceeding, pending at the time when they take effect; nor shall the repeal of any By-Law thereby have the effect of reviving any By-Law theretofore repealed or suspended.

SECT. 4. When in a By-Law anything is prohibited from being done without the license or permission of a certain

officer, officers, or board, such officer, officers, or board, shall have the power to license or permit such thing to be done.

Sect. 5. In all the By-Laws of the town the following words and expressions shall, unless inconsistent with the manifest intent, be severally construed as follows: —

The words *public way* shall include any highway, townway, road, bridge, street, avenue, boulevard, roadway, parkway, lane, sidewalk or square; *the owner or occupant* of a building or land shall include any sole owner or occupant, and any joint tenant and tenant in common of the whole or of any part of a building or lot of land; words purporting to give a joint authority to three or more officers or other persons shall give such authority to a majority of such officers or persons; the word *person* may include corporations; words importing the singular number may apply to the plural number, and words importing the masculine gender may apply to the feminine gender.

Sect. 6. All fines and penalties for the violation of any By-Law shall, when received, inure to the use of the Town, and be paid into the town treasury, unless it be otherwise directed by the laws of the Commonwealth or the By-Laws of the town.

Sect. 7. Whoever violates any of the provisions of the By-Laws of the town, whether included in these By-Laws or any hereafter enacted, whereby any act or thing is enjoined or prohibited, shall, unless other provision is expressly made, forfeit and pay a fine not exceeding twenty dollars for each offence.

Sect. 8. Whoever shall refuse or neglect to obey any order of any town officer or board of town officers, issued under any of the By-Laws of the town, directed to him and properly served upon him, shall, in cases not otherwise provided for, forfeit and pay for such offence a fine not exceeding twenty dollars.

Sect. 9. Prosecutions for the breach of any of the pro-

visions of the By-Laws of the town shall be commenced within six months from such breach.

SECT. 10. Any or all of the By-Laws of the town may be repealed or amended, or other By-Laws may be adopted, at any town meeting, annual or special, an article containing the subject-matter of the proposed change having been inserted in the warrant for such meeting.

CHAPTER 2.

TOWN MEETINGS.

SECTION 1. The warrants for all town meetings shall be directed to the constables of the town, and the meetings shall be notified by posting attested copies of the warrant in each of the post-offices of the town at least fourteen days, and by leaving printed copies thereof at the dwelling-houses in the town at least four days, before the day of such meeting.

SECT. 2. The annual meeting for the election of town officers shall be held upon the first Monday of March, the polls to be open at seven o'clock in the forenoon, and after the election of a Moderator, they shall remain open until two o'clock in the afternoon for the election of such other town officers as are required by law to be elected by ballot, all said officers to be voted for on one ballot. At any time after 2 P.M. a vote may be passed to close the polls in not less than ten minutes.

SECT. 3. After the closing of the polls and the election of other town officers, the remaining articles in the warrant shall be considered.

SECT. 4. All motions shall, if required by the Moderator, be reduced to writing before being submitted to the meeting.

SECT. 5. Upon taking the question, if the decision of the Moderator is doubted, or a division of the house called for, the Moderator shall request the voters to be seated, and shall

appoint tellers; the question shall then be distinctly stated, and those in the affimative and negative, respectively, shall be requested to rise and stand in their places until they are counted by the tellers, who shall carefully count each side and make a report thereof to the Moderator.

Sect. 6. No vote shall be reconsidered at the same meeting, except upon a motion made within one hour of the adoption of such vote, unless ordered by two-thirds of the voters present and voting thereon.

Sect. 7. When a question is before the meeting, the following motions, viz.: —

to adjourn,
to lay on the table,
for the previous question,
to postpone to a time certain,
to commit (or recommit) or refer,
to amend or substitute,
to indefinitely postpone,

shall have precedence in the order in which they are placed in this section.

In proposed amendments involving amounts or dates, the smallest amount and the shortest time shall be put first.

Sect. 8. After the declaration of the vote for town officers, thirteen legal voters shall be appointed by the Moderator, who, together with the chairman of the selectman and the chairman of the school committee, shall constitute a committee to be known as the Warrant Committee. The persons so appointed shall continue as members of said committee until the town meeting of the ensuing year.

CHAPTER 3.

The Warrant Committee.

Section 1. The Warrant Committee shall, within two weeks after their appointment, meet, at the call of the member

thereof first named, for organization by the choice of a chairman and secretary. And they shall meet thereafter from time to time as they may deem advisable.

SECT. 2. It shall be the duty of the Warrant Committee to inform themselves concerning those affairs and interests of the town, the subject-matter of which is generally included in the warrants for its town meetings; and the officers of the town shall, upon their request, furnish them with facts, figures, and any other information pertaining to their several departments; provided, however, that any such information may be withheld when, in the opinion of the officer or board of officers so requested, the communication thereof might injuriously affect the interests of the town or its citizens.

SECT. 3. The Warrant Committee shall consider the various articles in the warrants for all the town meetings held during the period for which they were appointed, including the various articles in the warrant for the annual town meeting next after their appointment; and they shall report in print before all such town meetings their estimates and recommendations for the action of the town.

CHAPTER 4.

THE TOWN'S FINANCES AND PROPERTY.

SECTION 1. The financial year shall begin with the first day of March.

SECT. 2. The Selectmen shall annually, not less than seven days before the annual meeting, cause to be printed and distributed among the tax-payers of the town, a detailed report of all moneys received into and paid out of the town treasury during the preceding calendar year, with such information and recommendations as they may deem proper, and with detailed estimates of the amounts of money that will be required for the ensuing financial year. With this report

shall be printed the records of all meetings of the town held since the last annual report was printed, the reports of the Auditors, of the Surveyors of Highways, and of the Engineers of the Fire Department, the Collector's account of receipts, payments, and abatements, a list of all taxes assessed, an abstract of the births, marriages, and deaths to be furnished by the Town Clerk, a statement concerning the condition and funds of the public library and the cemetery to be furnished by the trustees respectively, and a statement of all other funds belonging to the town or held for the benefit of its inhabitants; also statements of the liabilities of the town on bonds, notes, certificates of indebtedness, or otherwise, and of the total money paid the Town, the income of which is to be applied to the care of lots in the cemetery. The annual report shall also contain such other matters as may be required by the By-Laws of the town.

SECT. 3. The assessment of taxes shall be completed and the tax list and warrant shall be delivered to the collector on or before the first day of August in each year.

SECT. 4. Poll taxes shall be payable on demand, and all other taxes assessed in each year shall be payable on or before the first day of December in the same year; and on all such taxes as are not paid on or before the said first day of December, interest shall be charged at a rate to be fixed annually by the Town, pursuant to Section 72 of Chapter 12 of the Revised Laws; and the collector shall use all the means and processes provided by law for the collection of all taxes remaining unpaid after the first day of December in the same year.

SECT. 5. No person being an officer of the town shall in his official capacity make or pass upon, or participate in making or passing upon, any sale, contract or agreement, or the terms or amount of any payment, in which the Town is interested and in which such officer has any personal interest at variance with that of the Town.

SECT. 6. The Selectmen, being duly authorized by vote of the Town under the limitations imposed by statute, may authorize the Treasurer to borrow money temporarily in anticipation of the collection of taxes, or upon loans authorized by vote of the Town, and to give promissory notes therefor in behalf of the Town, the same to be signed by the Treasurer and countersigned by a majority of the Selectmen.

SECT. 7. No money granted for special purposes shall be applied to any other use unless by a vote of the Town, and all unexpended balances of such grants shall be stated in the annual report.

SECT. 8. No order shall be drawn by any officer or committee on the Town Treasurer for any purpose not authorized by a vote of the Town, or by the laws of the Commonwealth, nor shall any such draft be made for any amount which overdraws the appropriation against which it is made, whether general or special; and the Town Treasurer shall keep full accounts in respect to the several separate appropriations and the drafts made against each, and shall not honor any draft which does not state specifically the appropriation against which it is drawn, or which overdraws such appropriation, whether general or special.

SECT. 9. To provide for extraordinary expenditures of departments, should any become necessary in excess of appropriations made, the Town shall annually appropriate a certain sum of money to be known as the Contingent Fund. No direct drafts against this fund shall be made, but transfers from the fund may be made by vote of the Warrant Committee to the account of any other appropriation. A certified copy of such vote shall be sent to the Town Treasurer, and the Treasurer shall transfer accordingly, and honor drafts against the funds so transferred as if originally appropriated.

SECT. 10. No board, committee, or officer of the town shall commit the Town to any expenditure or liability which would, in the ordinary course of business, be chargeable to

the appropriation of which such board, committee or officer, is or has been in charge, after such appropriation has been exhausted, or after the satisfaction of all liabilities against it would exhaust it, until either the Warrant Committee shall have transferred additional sums to such appropriation, or until the Town, at a meeting of the voters, shall have acted in the matter.

SECT. 11. No grant of a sum of money exceeding five hundred dollars shall be made until the subject-matter thereof has been considered and the estimates reported to the Town, either by the Selectmen or other town officers, or by the Warrant Committee or some committee chosen for that purpose in pursuance of a vote of the Town.

SECT. 12. The Selectmen shall have full authority as agents of the Town to institute and prosecute suits in the name of the Town, and to appear and defend suits brought against it, unless it is otherwise specially ordered by a vote of the Town.

SECT. 13. Whenever it shall be necessary to execute any deed conveying land or other instrument required to carry into effect any vote of the Town, the same shall be executed by the Selectmen, or a majority thereof, in behalf of the Town, unless the Town shall otherwise vote in any special case.

SECT. 14. Two auditors shall be chosen by ballot at the annual meeting, who shall have the power and perform the duties prescribed by statute.

CHAPTER 5.

THE CEMETERY.

SECTION 1. The sole care, superintendence, management, and control of the Cemetery shall be intrusted to a board of five trustees to serve for the period of five years; one of said Board shall retire and a new member be elected at each annual meeting of the Town.

In case of vacancies in the Board of Trustees the remaining members may fill the same, but any member so chosen shall hold office only until the next annual town meeting, when a Trustee shall be elected for the unexpired term.

SECT. 2. Citizens of Milton who are heads of families and have been residents of the town not less than five years shall be entitled to lots in the Cemetery, allowing one lot to a family, subject to the regulations adopted by the Town, upon payment of the charges for putting the lot in order; but by unanimous consent of the Trustees the five years' residence requirement may be waived.

SECT. 3. The Trustees, when in their judgment it shall be deemed advisable, may sell lots at the rate of fifty cents a square foot, but only to those who are in some way connected with Milton people.

SECT. 4. The proprietor of each lot shall cause to be erected, at his own expense, corner-stones, and a step with his name and the number of the lot inscribed on the same, and shall cause his lot to be kept in proper order; and if the proprietor shall omit for thirty days after notice to erect such landmarks and to keep the lot in order, the Trustees shall have authority to have the same done at the expense of said proprietor.

SECT. 5. No lot shall be used for any other purpose, than as a place of burial for the dead, and no proprietor shall suffer the remains of any person to be deposited within the bounds of his lot for hire; nor shall any proprietor sell or transfer the whole or any part of his lot without the consent of the Trustees.

SECT. 6. If in the judgment of the Trustees any trees or shrubs in any lot shall become detrimental to the adjacent lots or avenues, or dangerous or inconvenient, it shall be the duty of the Trustees to enter upon said lot and to remove said trees and shrubs, or such parts thereof as are thus detrimental, dangerous or inconvenient.

SECT. 7. There shall be no structure or inscription placed in, upon or around any lot which the Trustees shall deem offensive or improper; and it shall be the duty of the Trustees to remove all offensive or improper objects.

SECT. 8. The Trustees shall have authority to purchase any tomb in the Cemetery offered for sale, paying for the same such sums as, in their judgment, may be fair and reasonable. Tbey shall also have authority to give for any tomb a lot to be constructed on the land occupied by the tomb, or to be selected at some other point in the Cemetery grounds, as they may agree with the proprietor of the tomb. Should there be no living proprietors, or legal representatives of deceased proprietors, the Trustees may take possession of such tomb, carefully remove its contents to a lot prepared for the purpose, and erect over the remains a suitable memorial stone.

SECT. 9. The following regulations shall be posted within the Cemetery: —

1. All persons are prohibited from driving on the borders.
2. No horse shall be left upon the grounds without a keeper, unless fastened to posts provided for the purpose.
3. All persons are prohibited from discharging firearms within the grounds of the Cemetery, except in connection with military memorial services.
4. All persons are prohibited from writing upon or otherwise defacing any sign, monument, fence, or other structure.
5. All persons are prohibited from gathering flowers, or breaking any tree, plant or shrub.
6. Dogs are not allowed within the Cemetery grounds.

CHAPTER 6.

POLICE REGULATIONS.

SECTION 1. No person shall move or assist in moving any building, over any way which the Town is obliged to

keep in repair, without the written permit of the Selectmen being first obtained; nor, having obtained such permit, without complying with the restrictions and provisions thereof.

Sect. 2. Whoever, without a written license from the Selectmen, shall cause or suffer any cart or wagon to remain within the limits of any public way so as in any manner to obstruct travel thereon, or for more than twenty-four hours, shall forfeit and pay a sum not less than one dollar and not more than ten dollars for each offence; and he shall be subject to a like penalty if he neglects to remove the same within the time ordered by such officers, who may revoke such license at any time.

Sect. 3. No person shall place or cause to be placed, upon any public way or sidewalk, any lumber, iron, wood, coal, trunk, bale, box, crate, cask, barrel, package or other thing, and allow the same to remain for more than one hour, or more than ten minutes after being notified by a constable, police officer or the Selectmen.

Sect. 4. Any person who intends to erect, repair or take down any building on land abutting on any way which this Town is obliged to keep in repair, and desires to make use of any portion of said way for the purpose of placing thereon building materials or rubbish, shall give notice thereof to the Selectmen. And thereupon the Selectmen may grant a permit in writing to occupy such a portion of said way to be used for such purpose as in their judgment the necessity of the case demands and the security of the public allows; such permit in no case to be in force longer than ninety days, and to be on such conditions as the Selectmen may require; and especially in every case, upon condition that during the whole of every night, from twilight in the evening until sunrise in the morning, lighted lanterns shall be so placed as effectually to secure all travellers from liability to come in contact with such building materials or rubbish.

Sect. 5. No person shall throw or place, or cause to be

thrown or placed, any ice or snow into or upon any public way, unless the same be broken into small pieces and spread evenly.

SECT. 6. Whoever, without the written permission of the Selectmen, shall place or cause to be placed in or upon any public way, or sidewalk, any ashes, dirt, rubbish or filth of any kind, or any animal or vegetable substance, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 7. Whoever shall suffer any horse or grazing beast, or swine, to run at large in the town, or to feed in any public way either with or without a keeper, and whoever shall drive any such animal upon any sidewalk, or suffer any horse to remain hitched across any sidewalk, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 8. Three or more persons shall not continue to stand or remain in a group, or near to each other, on any sidewalk or in any public place in such a manner as to obstruct a free passage for foot passengers, after having been requested by a constable or police officer to move on. Any person who shall violate the provisions of this section shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 9. No person shall dig up or obstruct any portion of any way which the Town is obliged to keep in repair without the permit, in writing, of the Selectmen, nor, having obtained such permit, shall fail to comply with the conditions thereof; and in addition to any penalty to which he may be subjected under these By-Laws for such failure, he shall reimburse the Town for all expenses and damages which, or for which, the Town may be compelled to pay by reason of such unauthorized use, or any failure to comply with said conditions.

SECT. 10. No person shall ride or drive any beast of

burden, carriage or draught, or shall propel or cause to be propelled any bicycle, tricycle, automobile or any vehicle whatsoever, at a rate of speed exceeding ten miles an hour, in or over any public way.

SECT. 11. No person shall permit any team under his care or control to stand across any public way in such a manner as to obstruct the travel over the same for an unnecessary length of time; no person shall stop with any team in any public way so near to another team as to obstruct public travel; and no person shall stop with any team or carriage upon or across any crossing in any public way.

SECT. 12. No person shall drive or take charge of at the same time in any public way two or more vehicles drawn by horses or other beasts; or shall allow any vehicle belonging to him to be driven in any public way without some competent person in charge thereof.

SECT. 13. Whoever shall coast upon ice or snow on Adams Street, between Churchill's Lane and the line of the City of Boston, or upon any public way on which the Selectmen or Superintendent of Police shall by public notice have forbidden such coasting, and whoever shall drive, wheel or draw any coach, cart, wheelbarrow, handcart, velocipede, bicycle or any carriage of burden or pleasure, except children's carriages, or coast upon any sidewalk in the town, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 14. Whoever shall behave in an indecent or disorderly manner, or use profane, indecent, or insulting language in or upon any sidewalk, public way, or other public place, to the annoyance or disturbance of any other person there being or passing in a peaceable manner, shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

SECT. 15. Any person or persons who shall play or perform on any musical instruments, or sing, parade, march, or

congregate in any public way or public place, except in connection with a funeral, without the written permit of the Selectmen, shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

Sect. 16. Whoever shall be or remain on any doorstep, portico, or other projection from any house or building, or upon any wall or fence on or near any public way or public place, after being requested by the occupant of the premises or by any constable or police officer to remove therefrom, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

Sect. 17. No person shall throw stones, snowballs, sticks, or other missiles, or kick a football or play at any game in which a ball is used, or fly any kites or balloons, in any public way.

Sect. 18. Whoever shall affix, by paste or otherwise, any handbill, placard, notice, or advertisement, or paint, draw, or stamp the same, or any marks or figures, to or upon any signboard of the town, or to or upon any building, fence, wall, tree or structure, without the permission of the owner of such building, fence, wall, tree or structure, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence; and if such handbill, placard, notice, advertisement, mark, or figure be obscene or indecent, the penalty shall not be less than twenty dollars for each offence.

Sect. 19. Whoever shall undertake to enter a particular drain into a common sewer without a permit in writing from the Sewer Commissioners or without complying with the conditions and directions of such permit, shall forfeit and pay a sum not exceeding ten dollars.

Sect. 20. Whoever shall lead or cause to be led into any public way, or running stream, any drain or pipe from any house or other building whereby filthy water or other unclean matter may be emptied into or upon any such public way or

running stream; and whoever shall throw, lead or discharge, or cause to be thrown, led or discharged, into any public way, or running stream, any noxious or poisonous matter or substance, or any matter or substance which shall cause an offensive smell or odor, or which shall be destructive of, or injurious to, animal life, shall forfeit and pay a sum not less than five dollars nor more than twenty dollars.

SECT. 21. The Selectmen may grant licenses to use a certain portion of any public way as a carriage-stand, under such terms and conditions as they may prescribe; and no person shall use any portion of any public way as a carriage-stand for the solicitation of passengers for hire without a license from the Selectmen. But licenses shall not be confined to one person to the exclusion of other applicants, and shall be granted so as to allow competition and promote public convenience.

SECT. 22. No person shall distribute papers, circulars, or advertisements through the town or any portion thereof in such a manner as to make a litter or otherwise cause public annoyance.

SECT. 23. No person shall fire, discharge, explode or set off any gun, fire-arm, torpedo, fire-cracker or fire-works in such manner as to frighten any horse, or to disturb the peace or quiet of any neighborhood.

SECT. 24. No person shall wilfully deface or injure any public playground, planting space, flower bed, tree, shrub or grass border.

SECT. 25. No person shall own or keep a dog which by barking, biting, howling or in any other manner is disturbing the peace or quiet of any neighborhood.

SECT. 26. No hawker or peddler shall within the limits of the town sell any of the goods, wares or merchandise specified in Section 15 of Chapter 65 of the Revised Laws, without obtaining a license so to do from the Selectmen. Such license shall remain in force not later than the thirty-

first day of May following its date; and every applicant shall pay therefor a sum not exceeding one dollar, to be fixed by the Selectmen.

SECT. 27. No itinerant vendor, hawker or peddler, as defined in Chapter 65 of the Revised Laws, shall go through the town peddling, selling, or exposing for sale any goods, wares, merchandise, articles, or things whatsoever, unless he has due license so to do either from the proper authority of the State or from the proper authority of the Town under the provisions of law or of the By-Laws of the town.

CHAPTER 7.

THE CONSTRUCTION AND INSPECTION OF BUILDINGS.

SECTION 1. There shall be in the town a Department for the Inspection of Buildings, which shall be furnished with office room and such supplies for the transaction of business as the Selectmen may provide.

SECT. 2. The officer of said department shall be called the Inspector of Buildings. He shall be appointed by the Selectmen, and shall hold office until his successor is appointed. His compensation shall be regulated by the Selectmen.

SECT. 3. Wherever the word Inspector without further addition occurs in this chapter, it means the Inspector of Buildings.

SECT. 4. The Inspector shall keep a record of all business of the department, and shall submit to the Selectmen such reports of the same as they may require.

SECT. 5. The Inspector may, so far as is necessary for the performance of his duties, enter any building or premises within said town at any reasonable hour.

SECT. 6. The Selectmen may, after a hearing, of which public notice shall be given at least seven days prior thereto, by posting a written notice thereof in each post-office in the

town and on the public bulletin boards in the town, and by publishing the same in a newspaper published in the town, or, if there be no such newspaper, in one published in the city of Boston, pass a vote designating building limits within the town; and upon the acceptance of said vote by the Town at a meeting called as provided by law, said building limits shall be established. Said building limits may comprise the whole or any specified part or parts of the territory of the town.

SECT. 7. Until building limits are established as provided in Section 6, the provisions of this Chapter shall apply to the erection, alteration and removal of buildings and other structures throughout the town. After the establishment of such building limits said provisions, save as otherwise specified therein, shall apply to the erection, alteration and removal of buildings and other structures within such building limits only.

SECT. 8. No work shall be done upon any wall, building or other structure except such repairs as may be necessary for the preservation of the same, nor shall any wall, building, or other structure be erected, raised, moved, enlarged, altered, or torn down, without a permit from the Inspector.

SECT. 9. Applications for such permits shall be in writing upon blanks furnished by the Town, and shall be directed to the Inspector, who shall keep a record of the same.

SECT. 10. In the case of an application for a permit to erect, raise, move or alter a building or other structure where the Inspector is of opinion, because of all the circumstances, that the reasons for the provisions of this chapter do not apply, the Inspector may, with the consent in writing of the Selectmen, issue a special permit waiving all or any of said provisions. But before such permit is granted, three days' notice in writing from the Inspector shall be served upon all persons owning land within two hundred feet of the pro-

posed building or structure, in order that such owners may be heard in opposition to the granting of such permit. The Selectmen shall keep a record of all such permits to which they consent.

SECT. 11. The framing plans and specifications of every building or other structure, and of every alteration in a building or other structure, for which a permit is required, shall be deposited temporarily with the Inspector. A copy of the plans and specifications of public buildings and of every alteration in a public building shall be deposited permanently with him. All plans and specifications deposited under this section shall be dated and signed by the Inspector immediately upon being received by him.

SECT. 12. Every permit issued by the Inspector shall state the purpose for which the building is to be used, and the conditions, if any, under which it is granted. All permits issued shall be recorded in detail, and said records shall be preserved.

SECT. 13. The Inspector shall not give a permit for the erection of any building or other structure until he has inspected the plans and specifications thereof, and ascertained that the building as planned has sufficient strength, proper means of ingress and egress, and that it conforms to the law and the By-laws of the town, or for the alteration of any building or other structure already erected, until he has examined said building or other structure and the plans and specifications of said alteration, and has satisfied himself that said building as altered will have sufficient strength, proper means of ingress and egress, and will conform to the law and the By-Laws of the town.

SECT. 14. The Inspector shall inspect all work for which a permit has been issued, and shall see that it is being carried on according to law and the By-Laws of the town.

SECT. 15. No permit for the erection of any building to be used as a factory, or in which steam or other motive power is

to be used, or which is to be used for the manufacturing of chemicals, or for the alteration or the moving of any building for any of such uses, shall be granted until after public hearing before the Selectmen; and no building for any of such purposes shall be erected, altered or moved without such permit. Notice of such hearing shall be given, at least seven days prior thereto, by posting a written notice thereof in each post-office in the town, and on the public bulletin boards in the town, and by mailing a copy of the same to the owners of premises within five hundred feet of the proposed location of the building, addressed to their last known residence or place of business, and by publishing the same in a newspaper published in the town, or, if there be no such paper, in one published in the city of Boston.

SECT. 16. No boiler to furnish steam for power shall be set or erected, except on a permit from the Inspector, issued after a hearing as prescribed in the preceding section.

SECT. 17. Permits for the erection, alteration, or moving of any building to be used as a stable in which more than four horses are to be kept shall only be granted after hearing as provided in Section 15. Notice of such hearing shall be sent to the Board of Health of the town, in addition to the notices prescribed in said Section 15.

SECT. 18. The provisions of Sections 15, 16 and 17, shall apply to the whole town irrespective of building limits.

SECT. 19. The Selectmen may, in their discretion, after a hearing as provided in Sections 15, 16 and 17, instruct the Inspector not to issue the permit asked for, and in such case no such permit shall issue.

SECT. 20. In case the owner of any building or other structure, or an applicant for a permit to erect, move or alter a building or other structure, is dissatisfied with any order or decision of the Inspector made in any of the proceedings prescribed in this chapter, the matter shall be referred to the Selectmen, who, within one week from said reference, shall

hear the parties, and, after taking such expert opinion as may seem to them to be necessary, give their decision. In case the decision of the Inspector is affirmed, the expense of any expert opinion taken by the Selectmen shall be paid to the Town by the owner or applicant on demand; otherwise such expense shall be borne by the Town.

SECT. 21. Every portion of every building or other structure in process of construction, alteration, repair or removal, and every neighboring building or other structure or portion thereof affected by such process, or by any excavation, shall be properly supported during such process or excavation.

SECT. 22. All chimneys shall be built of brick or stone, and shall be lined with flue linings starting two feet below all thimble holes and at least two feet below the under side of first-floor timbers, and extending above the roof boarding; or shall have an eight-inch brick or stone wall from the foundation to the roof boarding, and shall be topped at least three feet above the highest point of contact with the roof.

SECT. 23. No nails shall be driven into any chimney at any point; and no woodwork shall be within one inch of any chimney.

SECT. 24. Sills and girders shall be of sufficient size to safely support the superstructure.

SECT. 25. All woodwork, including lath and plaster, within two feet of any heating apparatus or smoke pipe, and all woodwork, including lath and plaster, coming in contact with any pipes from said apparatus, shall be properly protected by a metal or stone shield.

SECT. 26. All partitions in which hot-air pipes run shall be lined with sheet metal, or the pipes shall be wound with asbestos covering.

SECT. 27. Where dwellings of more than two stories are to be occupied by more than two families, there shall be at

least two flights of stairs from the ground floor to the top floor, or one flight from the ground floor to the top floor inside, together with an approved fire escape outside.

SECT. 28. The studding of main or carrying partitions shall be not less than four inches in thickness, and shall have a proper support at bottom with a header not less than three inches in depth unless hard pine is used, then it may be two inches. All openings in main partitions of more than thirty inches shall be trussed over and have double studding at sides. Every partition shall have a header extending the length of the partition, and carrying partitions shall be bridged with stock the full width of studding, and two inches thick, at least once in height.

SECT. 29. The studding in outside walls and in partitions shall be not more than sixteen inches on centres unless permission is otherwise granted.

SECT. 30. For buildings other than wooden dwelling-houses the size of floor timbers shall be of sufficient size in the opinion of the Inspector to safely carry the weight intended. In wooden dwelling-houses the floor timbers for a 12 to 14 foot span shall be not less than 2 x 8; for a 14 to 16 foot span, not less than 2 x 9; for a 16 to 18 foot span, not less than 2 x 10; for an 18 to 20 foot span, not less than 2 x 12; in every case the timbers shall be not more than 16 inches apart on centres.

SECT. 31. All headers and trimmers shall be double the thickness, framed together and pinned or hung in stirrup iron and joint bolted.

SECT. 32. All floor joists on the first floor shall be framed in even with the bottom of the sill and stopped off between where they come above the sills, either with joists or brick. Fire stops, the full width of the studding, and not less than three inches thick, shall be cut in on top of the floor joists on each floor above the first floor.

SECT. 33. All floor timbers shall be bridged, in a space

of more than eight feet, with 1 x 3 inches, or 2 x 3 inches, stock, properly nailed at each end.

SECT. 34. The rafters of all buildings shall be of sufficient size, in the opinion of the Inspector, to safely carry the weight that must necessarily be put upon them, and be placed not over twenty inches apart on centres.

SECT. 35. In dwellings arranged for two or more families, side by side, the vertical division walls between the families shall be either of brick not less than eight inches thick and continued without break or interruption from cellar bottom to roof boarding, or of studding not less than four inches in thickness; and the spaces between the studding shall be filled solid, either with brick and mortar, mineral wool, or other incombustible material, approved by the Inspector, and this fire-proof filling shall continue up to the roof boarding.

SECT. 36. All hearths shall be supported by trimmer arches of brick or stone.

SECT. 37. All piers shall be built of brick or iron columns on proper stone or brick footing, and be of such size as to safely carry the weight they are intended to sustain. Brick piers shall be built of hard-burned brick laid in cement mortar.

SECT. 38. All wooden buildings hereafter erected shall have the sills, posts and girts mortised, tenoned and pinned together and supported by suitable studding, and shall be properly braced. End girts shall be placed in all wooden buildings. Sills shall be not less than 6 x 6 inches and shall be properly tied to all girders, and a sufficient number of floor timbers shall be tenoned and pinned to same to keep the building from spreading.

SECT. 39. Posts and girts shall be not less than 4 x 6 inches, other posts not less than 4 x 8 inches, and plates not less than 4 x 4 inches.

SECT. 40. No wooden building shall be built within two feet of the line of an adjoining lot, unless a brick wall at least

eight inches in thickness shall be substituted for the wooden wall next said line.

Sect. 41. Every wooden building or structure hereafter erected shall have a stone or brick foundation resting upon the solid ground or upon concrete, piles, or other durable substructure; said foundation shall be securely and properly built, shall have a sufficient amount of large stone extending through the wall to properly bond and tie it together, and shall be of such thickness as to properly sustain the weight it is intended to support.

Sect. 42. The underpinning above grade, if of brick, shall be not less than ten inches in thickness; if of stone, not less than fourteen inches in thickness, and shall be laid in mortar.

Sect. 43. All foundation walls shall be laid at least three inches below cellar bottom, and not less than three feet six inches below any adjoining surface exposed to frost.

Sect. 44. Every building or structure hereafter built of brick, stone, iron or other hard and incombustible materials shall have foundations resting upon the solid ground, or upon concrete, piles or other durable substructure, and not less than four feet below any adjoining surface exposed to frost.

Sect. 45. Foundation walls for such buildings as are designated in Section 44 shall be built of brick, stone, or other suitable substance, properly bonded and solidly built with one half cement mortar.

Sect. 46. For brick buildings with walls not exceeding thirty-five feet in height, the foundation walls, if built of common stone, shall not be less than thirty inches thick at bottom and twenty inches thick at top, and be built of stone large enough to extend through the wall; if built of block stone in horizontal courses, the walls shall be not less than sixteen inches the entire height, and shall rest on a footing course twelve inches high and twenty-four inches wide.

Sect. 47. For brick buildings exceeding thirty-five feet

in height the foundation walls, if built of common stone, shall be not less than thirty-six inches thick at bottom and twenty-four inches thick at top, and be built of stone large enough to extend through the wall; if built of block stone in horizontal courses, the walls shall be not less than eighteen inches thick the entire height, and rest on a footing course twelve inches high and thirty inches wide.

SECT. 48. Party or partition walls shall be built upon a footing course of stone or brick not less than four inches each way larger than thickness of the wall it is to sustain, and twelve inches high.

SECT. 49. External walls of brick buildings less than fifteen feet in height shall be not less than eight inches thick; over fifteen and less than thirty-five feet in height they shall be not less than twelve inches thick, except when the building is used as a dwelling-house, then the walls of the upper story may be not less than eight inches thick; over thirty-five feet in height the walls shall be not less than sixteen inches thick to the top of second floor, and twelve inches thick the remaining height.

SECT. 50. In every brick wall at least every ninth course shall be a heading or bonding course, except where walls are faced with face brick, in which at least every ninth course shall be bonded with Flemish headers, or by cutting the courses of face brick and putting in diagonal headers behind the same, or by splitting face brick and backing them with a continuous row of headers.

SECT. 51. Vaulted walls shall contain, exclusive of ties, the same amount of material as required for solid walls, and shall be securely tied together with headers in every sixth course at least.

SECT. 52. In reckoning the thickness of walls, no allowance for ashlar shall be made unless it is at least eight inches thick, in which case the excess over four inches shall be reckoned as part of the thickness of the wall. Ashlar shall

be at least four inches thick and properly held by metal clamps to the backing, or properly bonded to the same.

BUILDING GRADES.

SECT. 53. The Selectmen may, after a hearing, of which public notice shall be given at least seven days prior thereto, by posting written notice thereof in each post-office in the town and on the public bulletin boards in the town, and by publishing the same in a newspaper published in the town, or if there be no such newspaper, in one published in the city of Boston, and by giving personal notice to the owners of land to be affected by delivering to such owners a copy of said notice or by depositing the same in the post-office, post-paid and addressed to them at their last known residence or place of business, pass a vote designating a building grade or building grades for any part or parts of the town; and on the acceptance of such vote by the Town at a meeting called as provided by law, said building grade or building grades shall be established.

SECT. 54. Said building grade or building grades may be at different heights above the level of the sea in different parts of the town, as the nature of the ground may require.

SECT. 55. No cellar floor of any building erected on land for which a building grade has been established, nor any part, except the foundation, of a building on such land which has no cellar, shall be below said grade.

OTHER PROVISIONS.

SECT. 56. The Inspector in the name of the town may take such measures as the public safety requires, to carry the provisions of this chapter into effect; and any expense incurred in so doing may be recovered by the Town from the owner of the defective property.

SECT. 57. Any person violating any of the provisions of this chapter shall be liable to a fine of not less than $20, nor more than $100, for each offence.

CHAPTER 8.

THE REGULATION AND INSPECTION OF PLUMBING.

SECTION 1. The word Inspector, without further addition, wherever used in this chapter, means the Inspector of Plumbing.

SECT. 2. No person shall carry on the business of plumbing unless he is a plumber and shall have first registered his name and place of business in the office of the Inspector of Buildings; and notice of any change in the place of business of a registered plumber shall be immediately given to said Inspector of Buildings.

SECT. 3. Every plumber before doing any work in a building shall, except in the repair of leaks, file at the office of the Inspector upon blanks furnished for that purpose a notice of the work to be performed; and no such work shall be done in any building without the approval of the Inspector.

SECT. 4. No pipes or other fixtures shall be covered or concealed in any way until the same have been examined and approved by the Inspector. Notice shall be sent to the Inspector when the work is sufficiently advanced for such inspection, and it shall be the duty of such Inspector, within two working days after receiving such notice, to inspect the same; and in case any change therein shall be found necessary, he shall direct in writing the change to be made.

SECT. 5. All plumbing work shall be subjected to the water test before the fixtures are set. After all the fixtures are set the work shall be subjected to the smoke, peppermint or other reliable test under pressure. All such tests shall be made in the presence of the Inspector.

SECT. 6. The sewage and waste piping of every house or building shall each be separately and independently connected with the street sewer, where one is provided, or with a proper cesspool; and where there is no sewer in the street, and it is

necessary to construct a private sewer to connect with one on an adjacent street, such system shall be used as may be approved by the Inspector.

SECT. 7. The soil-pipe of every building shall be of sufficient size to receive, and allow freely to pass, all that enters or should enter the same. All soil-pipes shall be of extra heavy cast-iron pipe; all drain and connecting ventilating pipes within the building shall be of sufficient size, and made of cast-iron with leaded and calked joints, but wrought-iron pipe may be used for vent purposes; said pipes shall be properly secured to walls and ceiling with wrought-iron hangers. The soil-pipe of every building shall be not less than 4 inches, vent pipes not less than 1½ inches, and waste pipes not less than 2 inches, in diameter.

SECT. 8. Every drain-pipe shall be supplied with a suitable trap placed with an accessible clean-out at the point where it leaves the building, and shall have a proper pitch and extend 5 feet outside of the cellar wall; said clean-out may be placed outside of the cellar wall if made accessible. The pipe from this point to the sewer or cesspool shall have tight joints. All drain or ventilation pipes shall extend undiminished in size at least 2 feet above the highest window on roof, and all changes in direction of soil-pipes shall be made by Y branches or bends as the Inspector shall direct.

SECT. 9. All joints in iron drain-pipes, soil or vent pipes shall be made by thoroughly calking the same with molten lead. Joints of lead pipes with iron pipes shall be made by soldering the same into brass ferrules by means of a full-sized wiped joint, and calking the ferrules to pipes which are of cast-iron, or screwing them to pipes which are of wrought-iron.

SECT. 10. Every water-closet, urinal, sink, basin, bath-tub, slop-hopper, and every tray or set of trays shall be furnished with a separate trap, placed as near the fixture as possible, and in no case shall the waste from the bath-tub or

other fixture be connected with a water-closet trap. Traps shall be protected from siphonage or air pressure by special pipes of a size not less than the waste-pipe, placed outside or below the trap; lead pipes shall be used only where they are exposed to the view. Air-pipes for the water-closets shall be not less than two-inch bore. Two or more air-pipes may be connected together or with a soil-pipe, but such connection with a soil-pipe shall be above the upper fixture of the building.

SECT. 11. No drip or overflow pipes from safes under water-closets, urinals or other fixtures, no overflow pipes from tanks or cisterns, no waste-pipes from refrigerators or other receptacles in which food is stored, no rain-water conductors, and no steam exhaust pipes or steam waste-pipes, shall be connected with any soil-pipe. No openings shall be allowed in the soil- or waste-pipe of any building for the purpose of receiving the surface drainage of the cellar. No brick, sheet metal, earthenware or chimney flue shall be used as a sewer ventilator, or to ventilate any trap, drain, soil- or waste-pipe.

SECT. 12. Every water-closet or line of water-closets on the same floor inside of the building proper shall be supplied with water from a tank, and shall have a flushing pipe of not less than 1¼ inches diameter inside.

SECT. 13. Cesspools shall have a top of stone, or arched brick, with iron rim and cover, and may be laid up dry, unless otherwise ordered by the Board of Health.

SECT. 14. Every privy vault shall be at least four feet distant from the line of an adjoining lot, unless by the consent of the owner of such lot; and every vault shall be so constructed as to be conveniently approached, opened and cleaned, and shall be made tight, so that the contents thereof cannot escape therefrom, if, in the opinion of the Inspector, the surroundings require it.

SECT. 15. No water-closet shall be enclosed with any upright woodwork.

SECT. 16. In the case of any dispute or difference in opinion between the Inspector and any person, the same shall be submitted by either party to the local Board of Health, who shall pass upon the same, and whose finding therein, after hearing, shall be final and conclusive upon all parties. No member of said board shall sit in a case in which he is interested, and in case of such disqualification, or of the necessary absence of any member, the two other members shall appoint a substitute. If two or more members are so disqualified or absent, the Inspector shall appoint one substitute, the appellant another, and the two so appointed shall, if necessary, appoint a third.

SECT. 17. The Inspector of Buildings, in the name of the town, may take such measures as the public safety requires, to carry the provisions of this chapter into effect, and any expense incurred in so doing may be recovered by the Town from the owner of the defective property.

SECT. 18. A person violating any of the provisions of this chapter shall be liable to a fine not exceeding $50.

CHAPTER 9.

STREET RAILWAYS.

SECTION 1. The annual report shall contain the following concerning the street railways in the town and the street railway companies owning or operating the same, viz. : —

Copies or full statements of all locations granted to street railways during the preceding calendar year, with all the terms, conditions and modifications thereof, and the terms of any modifications granted during the year of locations previously granted.

A copy of all regulations in force as to the rate of speed, the mode, manner and extent of use of tracks, and the number and routes of cars of any and all such companies made

by the Selectmen under the provisions of Sections 40 and 42 of Chapter 112 of the Revised Laws.

A statement of all taxes paid the Town by street railway companies during the preceding calendar year, which by the terms of Section 47 of Chapter 14 of the Revised Laws are to be applied toward the construction, repair and maintenance of the public ways and removal of snow therefrom within the town.

SECT. 2. Whenever the Selectmen are of opinion that additional accommodations for the travelling public are required upon any street railway in the town, and the company neglects or refuses to furnish the same at their request, it shall be their duty to petition the Board of Railroad Commissioners to order such additional accommodations to be provided under the terms of Section 70 of Chapter 112 of the Revised Laws.

CHAPTER 10.

TOWN WAYS.

SECTION 1. Every way that shall be laid out for the acceptance of the Town as a town way shall be not less than thirty feet in width.

SECT. 2. Whenever an existing private way, the fee of which is in the abutters, shall be laid out for the acceptance of the Town as a town way, the document relating to such laying out shall be accompanied by a certificate of a competent civil engineer, which shall be filed in the office of the Town Clerk, together with said document, before such way shall be accepted. The said certificate shall state that such private way is well built; and that as constructed it is equal to the average construction of the existing highways of the town.

SECT. 3. Whenever any way shall have been laid out or altered by the Selectmen, and accepted and allowed by the

Town, no entry for that purpose of constructing any part of such laying out or alteration shall be made until all claims for damages by reason thereof shall have been finally adjusted or determined, unless such entry shall be authorized by special vote of the Town.

MILTON TOWN RECORDS.

FOR THE MUNICIPAL YEAR 1903–1904.

MARCH MEETING.

WARRANT.

Commonwealth of Massachusetts.

NORFOLK, SS. *To either of the Constables of the Town of Milton*, GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Town affairs, to meet at the Town Hall, in said Milton, on Monday, the second day of March next, at 7 o'clock A. M., then and there to act upon the following articles, to wit: —

ARTICLE 1. To choose a moderator to preside at said meeting.

ART. 2. To choose all Town officers as are required by law to be chosen by ballot; also on the same ballot to vote "Yes" or "No" in answer to the question, "Shall license be granted for the sale of intoxicating liquors in this Town?" The polls to be opened at 7 o'clock in the forenoon and may be closed as early as 2 o'clock in the afternoon.

ART. 3. To choose all such Town officers as are not required by law to be chosen by ballot.

ART. 4. To hear and act upon the Auditor's Report, and reports of other Town officers or committees.

Art. 5. To see what sum of money the Town will appropriate for the support of schools the ensuing year.

Art. 6. To see what sum of money the Town will appropriate for streets the ensuing year.

Art. 7. To see what sum of money the Town will appropriate for the improvement of the cemetery the ensuing year.

Art. 8. To see what sum of money the Town will appropriate for the Public Library the ensuing year.

Art. 9. To see what sum of money the Town will appropriate to be used by the Trustees of the Public Library towards preparing a card catalogue of the books in the Library.

Art. 10. To see what sum of money the Town will appropriate for the support of the poor the ensuing year.

Art. 11. To see what sum of money the Town will appropriate for Soldiers' Relief the ensuing year.

Art. 12. To see what sum of money the Town will appropriate for the Fire Department the ensuing year.

Art. 13. To see what sum of money the Town will appropriate for the Police Department the ensuing year.

Art. 14. To see what sum of money the Town will appropriate for street lighting the ensuing year.

Art. 15. To see what sum of money the Town will appropriate for salaries the ensuing year.

Art. 16. To see what sum of money the Town will appropriate for Town Hall and Lot the ensuing year.

Art. 17. To see what sum of money the Town will appropriate for State Aid the ensuing year.

Art. 18. To see what sum of money the Town will appropriate for Printing the ensuing year.

Art. 19. To see what sum of money the Town will appropriate for Miscellaneous Expenses the ensuing year.

Art. 20. To see what sum of money the Town will appropriate for the Health Department the ensuing year.

Art. 21. To see if the Town will accept the list of jurors as prepared by the Selectmen.

Art. 22. To authorize the Collector of Taxes to use all means of collecting the taxes which a Town Treasurer, when appointed Collector, may use.

Art. 23. To fix the rate of interest on taxes unpaid after a time fixed by the Town.

Art. 24. To see if the Town will vote to appropriate the sum of two hundred dollars ($200) to be expended by Huntington Frothingham Wolcott Post 102, G. A. R., on Memorial Day.

Art. 25. To see what sum of money the Town will appropriate for Insurance on the Town Buildings the ensuing year.

Art. 26. To see what sum of money the Town will appropriate for Hydrant Rental the ensuing year.

Art. 27. To see what sum of money the Town will appropriate for Transportation of Scholars the ensuing year.

Art. 28. To see what sum of money the Town will appropriate for the Collecting of Ashes and Garbage the ensuing year.

Art. 29. To see if the Town will appropriate the sum of seven hundred dollars ($700) to complete the construction of the street surface drain of the sewerage system in the Lower Mills section of the Town.

Art. 30. To see what sum of money the Town will appropriate for the general uses of the Board of Park Commissioners the ensuing year.

Art. 31. To see what sum of money the Town will appropriate to be expended by the Park Commissions in conjunction with the School Committee, in the improvement of the school lots.

Art. 32. To see what sum of money the Town will appropriate to be expended by the Park Commissioners in grading, sowing, planting, and constructing fences at Brook Road Playground.

Art. 33. To see what sum of money the Town will appropriate for the further extension of the Sewerage System.

Art. 34. To see what sum of money the Town will appropriate for the running expenses of the Sewer Department the ensuing year.

Art. 35. To see what sum of money the Town will appropriate for the purchase of new hose for the Fire Department.

Art. 36. To see what sum of money the Town will appropriate for the extension of the underground wire system and other necessary improvements of the Police and Fire Signal System.

Art. 37. To see what sum of money the Town will appropriate to be used by the Trustees of the Public Library for the interior furnishings of the New Library Building and for grading and planting about the same.

Art. 38. To see if the Town will authorize the Water Commissioners to make application for admission to the Metropolitan Water District, to pay such sum as may be required for admission, and to make agreement with the Metropolitan Water and Sewerage Board relative to the supplying of water to and by the Town, and to take such other action in the premises as may be deemed necessary or proper.

Art. 39. To see what sum of money the Town will appropriate to reimburse the Water Department for expenses incurred in the purchase of the property and rights of the Milton Water Company and to pay legal expenses incurred by the Selectmen in connection with said purchase.

ART. 40. To see what sum of money the Town will appropriate for the use of the Tree Warden, to be expended in the care and planting of shade trees and the destruction of insect pests injurious to trees the ensuing year.

ART. 41. To see what salary (if any) the Town will vote to pay the Tree Warden the ensuing year.

ART. 42. To see what action the Town will take in regard to borrowing money.

ART. 43. To see what sum of money the Town will appropriate for plans and clerk hire for the Board of Assessors.

ART. 44. To see if the Town will grade the reserve space in Grafton Avenue, and appropriate money for the same.

ART. 45. To see if the Town will appropriate the sum of three hundred dollars ($300) for the medical inspection of the pupils in the public schools; the same to be expended under the direction and at the discretion of the School Committee.

ART. 46. To see if the Town will vote to place a board walk on Central Avenue from the junction of Central Avenue and Brook Road to Thacher Street, and appropriate money for the same.

ART. 47. To see if the Town will vote to accept Chapter 25 of the Revised Laws of Massachusetts, Section 20 and 21, which are as follows: " A Town which accepts the provisions of this and the following section, or has accepted the corresponding provisions of the earlier laws, by a two-thirds vote at an annual meeting, may purchase or lease land, and erect, alter, enlarge, repair, and improve buildings for public baths and wash-houses, either with or without open drying-grounds, and may make open bathing places, provide them with requisite furniture, fittings and conveniences, provide instruction in swimming, and may raise and appropriate money therefor.

"Such town may establish rates for use of such baths and wash-houses, and appoint officers therefor, and may make by-laws for the government of such officers, and authorize them to make regulations for the management thereof and for the use thereof by non-residents of said town."

ART. 48. To see if the Town will appropriate the sum of fifteen hundred dollars ($1500) for the construction of a swimming pool and dressing rooms; also the further sum of seven hundred fifty dollars ($750) for the running expenses of the same. To see further if the Town will vote to have a committee of five appointed by the Moderator, to serve without pay, to superintend the construction and the use of such pool and dressing rooms in accordance with the report of the Committee on Public Bathing Facilities.

ART. 49. To see if the Town will make application to the County Commissioners for Norfolk County to establish grades for Adams Street in Milton between the boundary line of said Town of Milton and the City of Boston, and the said Town and the City of Quincy.

ART. 50. To see if the Town will vote to build a Granolithic sidewalk on Blue Hill Avenue, from Hudson Street to Blue Hills Parkway, and appropriate money for the same.

ART. 51. To see if the Town will vote to appropriate the sum of two thousand dollars ($2000) to supply the deficiency caused by expense of smallpox cases during the past year.

ART. 52. To see if the Town will vote to erect a hospital suitable for contagious and other diseases, and appropriate money for the same.

Art. 53. To see if the Town will vote to connect the detention hospital with the public water system, and appropriate money for the same.

Art. 54. To see if the Town will authorize the election of a Board of Overseers of the Poor, and fix the number thereof.

Art. 55. To see what method of election of Overseers of the Poor the Town will choose to adopt.

Art. 56. To see if the Town will accept and allow the laying out or alteration, with the boundaries and measurements thereof, of that portion of Blue Hill Avenue located between the junction of said Avenue with Milton Street and the junction of said Avenue with Brush Hill Road and land of the Commonwealth, near Mattapan, containing the boundaries and measurements of the reserved space therein as laid out and reserved by the Selectmen of the Town by an order dated February 7th, 1903.

Art. 57. To see if the Town will vote to have a Vacation School in the summer of 1903, under the auspices of the Milton Woman's Club, with a Principal approved by the School Committee, and will appropriate money for the same.

Art. 58. To see if the Town will erect four electric lights on Bradlee Road between Blue Hill Avenue and Brush Hill Road, and appropriate money for the same.

Art. 59. To see if the Town will erect two electric lights on Brook Side Park, and also one at the junction of Brook Hill Road and Eliot Street, and appropriate money for the same.

Art. 60. To see if the Town will erect two electric lights on Blue Hill Terrace Street, and appropriate money for the same.

ART. 61. To see if the Town will construct a cross walk on Eliot Street opposite Brook Hill Road, and appropriate money for the same.

ART. 62. To see what action the Town will take with reference to surface drainage in the vicinity of Smith Road and Beacon Street, and to see what sum of money the Town will appropriate for the same.

And you are directed to warn said inhabitants, qualified as aforesaid, to meet at the time and place and for the purpose herein mentioned, by posting attested copies of this warrant in each of the post-offices of said Town, fourteen days at least before said meeting, and leaving printed copies hereof at the dwelling houses in said Town, at least four days before said meeting.

Hereof fail not, and make due return of this warrant with your doings thereon, to the Town Clerk, at the time and place of said meeting.

Given under our hands at Milton this 16th day of February, nineteen hundred and three.

A. A. BRACKETT,
JACOB A. TURNER,
MAURICE A. DUFFY,
Selectmen of Milton.

Commonwealth of Massachusetts.

NORFOLK, SS. MILTON, March 2, 1903.

Pursuant to the within warrant I have notified the inhabitants of the Town of Milton, as within directed, to meet at the time and place, and for the purposes therein mentioned, by posting attested copies of the same in the post-offices of said town, and by leaving copies at the dwellings of the inhabitants.

PETER MCINTYRE,
Constable of Milton.

At a meeting of the inhabitants of the Town of Milton, held according to the foregoing warrant, upon March 2, 1903, the following proceedings were had upon the several articles in said warrant, namely: —

ARTICLE 1. Felix Rackmann, Esq. was chosen Moderator, and took the oath prescribed unto the office before the Town Clerk.

William L. Tarbox, Robert J. Clark, George W. Adams, Oscar J. Price, Edwin J. Fairbank, Jr., Charles S. Gage, John Colgan, Percy H. Brown, G. Frank Kemp, Ernest P. Libby, Patrick F. Mahoney, Robert A. Robertson, Thomas B. Gordon, William A. Haley, Mathew A. Welch, John A. Palmer, Sarell B. Willis, Leonard M. Bradlee, Charles E. Churchill, and Fred A. Packard, were appointed by the Selectmen as Ballot Clerks and Tellers.

The following additional tellers were appointed by the Moderator, viz.: —

Thomas W. Pond, Arthur McIntyre, and John A. Lee. All of the above being sworn by the Town Clerk, save Messrs. McIntyre and Lee, who were sworn by the Moderator.

At 2 o'clock and 15 minutes P. M., *Voted*, That the Polls for Town Officers be closed, the result of the ballotting being as follows, viz.: —

ART. 2. J. Walter Bradlee, John F. Brown and Maurice A. Duffy were chosen Selectmen, Overseers of the Poor, and Surveyors of Highways.

Henry B. Martin was chosen Town Clerk.

William W. Churchill was chosen Assessor.

J. Porter Holmes was chosen Town Treasurer.

Warren H. Littlefield and Walter C. Shapleigh were chosen School Committee.

John H. Emerson was chosen Collector of Taxes.

Leonard E. Littlefield and James A. Roberts were chosen Auditors.

Charles D. Rogerson was chosen Park Commissioner.

Charles Mitchell (for three years), James H. Perkins (for two years) were chosen Sewer Commissioners.

Jacob S. Lincoln (for three years), Abijah W. Draper (for one year) were chosen members of the Board of Health.

The following Constables were chosen, namely: — Peleg Bronsdon, Edwin L. Crossman, Fred M. Farrington, Edwin A. Houghton, Herbert R. Lawrence, Jacob S. Lincoln, Timothy McDermott, Peter McIntyre, Maurice Pierce, Henry C. Shields, John H. Tucker, James Wigley.

Harrison O. Apthorp, Charles E. Rogerson, and Joseph C. Whitney were chosen Trustees of the Public Library.

Amor L. Hollingsworth was chosen Trustee of Cemetery.

Nathanial T. Kidder was chosen Tree Warden.

Voted, That no license be granted for the sale of intoxicating liquor in this town, the ballot being as follows, viz.: — Yes, 208 votes. No, 532 votes.

Art. 3. The following Officers were chosen *vivâ voce:* Henry W. Vose and George Y. Badger, *Fence Viewers;* George E. Burt and Arthur H. Tucker, *Surveyors of Lumber.*

Art. 4. *Voted*, That the Auditor's report be accepted.

Report of Committees.

REPORT OF COMMITTEE ON ENLARGEMENT OF TOWN HALL.

The Committee (Board of Selectmen) have prepared plans representing an idea for the enlargement of the present Town Hall from a seating capacity of 500 to 800.

After looking the building over carefully for a method of enlargement, we have decided to adopt this idea which is entirely feasible, and which does not interfere in any way with the present architectural effects; it is also the most economical. A much needed toilet room has been added, adjacent to the main entrance.

We have also incorporated in the plan an idea for new quarters for the Board of Selectmen, as you will see by referring to plan (in annual Town Report, 1902), whereby they are provided with an outer and inner office where they can more easily transact their duties, while free from outside interference.

On the floor over the Selectmen's office are provided two rooms which can be used by committees, or for offices by some of the departments.

Sufficient detail plans have been drawn up, upon which a reliable approximate estimate could be given, and the cost has been estimated as twenty-eight thousand, six hundred dollars ($28,600).

(Signed) A. A. BRACKETT.
JACOB A. TURNER.
MAURICE A. DUFFY.

MILTON, February 9, 1903.

Voted, That the report be accepted.

REPORT OF COMMITTEE ON NEW POLICE STATION.

A committee was appointed at the annual Town Meeting, held in March, 1901, to inquire into the advisability of building a new Police Station and Stable, and the sum of one hundred dollars was appropriated to cover its expenses.

The committee consisted of C. Minot Weld, Arthur M. Gardner, Maurice A. Duffy, Robert F. Herrick, and Charles S. Pierce.

The committee reported at length at the annual meeting held in March, 1902, and their report was accepted and the committee continued.

Mr. Pierce resigned from the committee, later Mr. Gardner went West, and has since died.

The undersigned remaining members of the committee unanimously renew the recommendations contained in their last report, and further recommend that a new committee of five be appointed by the Town, with the same instructions and authority recommended in this committee's last report.

(Signed) C. MINOT WELD.
MAURICE A. DUFFY.
ROBERT F. HERRICK.

Voted, That the foregoing report be accepted, and the committee discharged.

ART. 5. *Voted*, To appropriate the sum of $65,500 for the Support of Schools the ensuing year.

ART. 6. *Voted*, That the following amounts be appropriated for Highway Expenditures the ensuing year, namely: —

For general expenditures, $30,000. For sidewalks, $3,000. For removal of snow and ice, $2,500. For street watering, $8,500; also that all money received from new sidewalk assessment during the current year be added to the sidewalk appropriation.

ART. 22. *Voted*, That the Collector of Taxes have authority to use all means of collecting the taxes which a Town Treasurer when appointed Collector may use.

ART. 23. *Voted*, That the rate of interest on all taxes unpaid December 1st be six per cent per annum.

ART. 24. *Voted*, To appropriate the sum of $200, to be expended by H. F. Wolcott Post 102, G. A.R., on Memorial Day.

ART. 25. *Voted*, To appropriate the sum of $3,000 for Insurance of Town Buildings the ensuing year.

ART. 26. *Voted*, To appropriate the sum of $9,600 for Hydrant Rental the ensuing year.

ART. 27. *Voted*, To appropriate the sum of $2,500 for Transportation of Scholars the ensuing year.

ART. 28. *Voted*, To appropriate the sum of $1,500 for the Collecting of Ashes and Garbage the ensuing year.

ART. 29. *Voted*, To appropriate the sum of $700, to complete the construction of the street Surface Drain of the Sewerage System at the Lower Mills; and if that sum is not sufficient to complete the work, any additional sum needed therefor shall be taken from the general highway appropriation.

Art. 30. *Voted*, To appropriate the sum of $100 for the general use of the Board of Park Commissioners the ensuing year.

Art. 31. *Voted*, To appropriate the sum of $100, to be expended by the Park Commission in conjunction with the School Committee in improvement of school lots.

Art. 32. *Voted*, To appropriate the sum of $1,600, to be expended by the Park Commission in grading, sowing, planting and constructing fences at Brook Road play-ground.

Art. 33. *Voted*, That the Town Treasurer be instructed to transfer to the Sewer Department Construction Account all money now credited to the Sewer Assessment Account, together with such additional sums as may be received from sewer assessments during the year 1903.

Art. 34. *Voted*, To appropriate the sum of $1,000 for running expenses of the Sewer Department the ensuing year.

Art. 35. *Voted*, To appropriate the sum of $600 for purchase of new hose for the Fire Department.

Art. 36. *Voted*, To appropriate the sum of $1,500 for extension of the Underground Wire System, and other necessary improvements of the Police and Fire signal system.

Art. 37. *Voted*, To appropriate the sum of $4,000 to be used by the Public Library trustees for interior furnishings of, and grading and planting at, new Library building.

Art. 38. *Voted*, That the Water Commissioners of the Town of Milton be authorized and instructed to make, in the name and behalf of the Town, written application to the Metropolitan Water and Sewerage Board for the admission of the Town into the Metropolitan Water District, under the provisions of Chapter 488 of the Acts of the year 1895, and Acts in amendment thereof, or in addition thereto; and of Chapter 307 of the Acts of the year 1902; and for the furnishing of water to said Town upon the terms prescribed by said Act of 1895, for the cities and towns included in said Metropolitan Water District, and that the Treasurer be authorized and instructed, when so directed by the Water Commissioners, to pay to the Commonwealth the sum of $10, that amount being required by the Metropolitan Water and Sewerage Board, upon the admission of said Town into said District; and also that the Water Commissioners be authorized and instructed to execute, acknowledge and deliver, in the name and behalf of the Town of Milton, an agreement with the Commonwealth and the Metropolitan Water and Sewerage Board, that the Board in furnishing water to the Town, in accordance with the provisions of Chapter 488 of the Acts of the year 1895, and acts in amendment thereof, or in addition thereto, shall not be required in order to supply water to the high lands within or adjacent to the Blue Hills Reservation, to pump water to greater heights than water is now pumped, and that said Town, until and including the year 1911, shall maintain proper meters on all services, and shall furnish water by measurement at meter rates.

Art. 39. *Voted*, To appropriate the sum of $627, to reimburse the Water Department for expenses incurred in the purchase of the property and rights of the Milton Water Company. It was also

Voted, To appropriate the sum of $3,350, to pay for legal and expert services incurred by the Selectmen in connection with said purchase.

Art. 40. *Voted*, To appropriate the sum of $1,500 for use of Tree Warden, in the care and planting of shade trees, and destruction of insects injurious to trees.

Art. 41. *Voted*, That no salary be paid to Tree Warden.

Art. 42. *Voted*, That the Town Treasurer be authorized, with the sanction and approval of the Selectmen, to borrow such sums of money as may be necessary for Town use in anticipation of the taxes for the year 1903, and that all sums so borrowed be made specifically payable from the taxes of the present year, 1903.

Art. 43. *Voted*, To appropriate the sum of $475 for Plans and Clerk hire for the Board of Assessors.

Art. 44. *Voted*, That Articles 44, 46, 50 and 61, be considered in conjunction.

Voted, That the subject matter of said Articles be left with the Selectmen to take such action as they deem proper.

Art. 45. *Voted*, To appropriate the sum of $300 for Medical Inspection of pupils of Public Schools to be expended at the School Committee's discretion.

Art. 46. See Article 44.

Art. 47. *Voted* (unanimously), To accept Chapter 25, Sections 20 and 21, of the Revised Laws of Massachusetts, relating to Public Baths, etc.

Art. 48. *Voted*, That the subject matter of said Article be left to a Committee of Five, to be appointed by the Moderator, to serve without pay, and to report to the Town at some future meeting.

Committee appointed: Andrew H. Ward, Theron A. Appollonio, John A. Lee, Robert F. Herrick, Thomas W. Pond.

Art. 49. *Voted*, That a Committee of Five be appointed by the Moderator to consider the question of establishing grades for Adams Street, with power if thought best, to take the necessary steps to accomplish this end: such committee to consider also the advisability of establishing grades for all town ways and highways in the town of Milton, and to report thereon at the next annual town meeting.

Also, in connection therewith, the committee be instructed to advertise and hold one or more public hearings. It was also

Voted, That the sum of $500 be appropriated for the use of the committee in securing such professional assistance as it may deem wise.

Committee appointed: Henry E. Sheldon, Samuel Gannett, Nathaniel T. Kidder, Charles S. Rackemann, J. Murray Howe.

Art. 50. See Article 44.

Art. 51. *Voted*, To appropriate the sum of $2,000, to supply deficiency caused by expense of Smallpox cases in 1902.

Art. 52. }
Art. 53. } *Voted*, that the subject matter of Articles 52 and 53 be referred to a Committee of Five, to be appointed by the Moderator, to serve without pay, and to report to the Town at the annual meeting, 1904.

Committee appointed: M. Vassar Pierce, Chas. S. Minot, Nathl. H. Stone, Ellerton P. Whitney, Jesse B. Baxter.

Art. 54. *Voted*, To authorize the election of a Board of Overseers of the Poor, consisting of five members.

Art. 55. *Voted*, To elect in accordance with Section 339, of Chapter 11 of the Revised Laws, and Acts in amendment thereof, and in addition thereto, at the annual meeting in 1904: One Overseer of Poor for a term of one year, one for a term of two years, one for a term of three years, one for a term of four years, and one for a term of five years, and at each annual meeting thereafter to elect one Overseer of Poor for a term of five years.

Art. 56. *Voted*, to accept and allow the laying out or alteration, with the boundaries and measurements thereof, of that portion of Blue Hill Avenue located between the junction of said avenue with Milton Street, and the junction of said avenue with Brush Hill Road, and land of the Commonwealth near Mattapan, containing the boundaries and measurements of the reserved space therein, as laid out and reserved by the Selectmen of the Town by an order dated February 7, 1903.

Art. 57. *Voted*, To indefinitely postpone.

Art. 58. *Voted*, To erect four Electric Lights on Bradlee Road, between Blue Hill Avenue and Brush Hill Road, and appropriate the sum of $86 therefor.

Art. 59. *Voted*, To re-arrange the lights in the vicinity of Central Avenue and Eliot Street, so that one light shall be placed at the junction of Brook Hill Road and Eliot Street.

Art. 60. *Voted*, To erect two Electric Lights on Blue Hill Terrace Street, and appropriate the sum of $43 therefor.

Art. 61. See Article 44.

Art. 62. *Voted*, To appropriate the sum of $604.85 to pay one half of the cost of reconstruction and maintenance of the Beacon Street drain in Hyde Park, and that the Selectmen be authorized and directed to pay this sum to the town of Hyde Park, after the execution of such agreements and papers as will give to the town of Milton, equal rights as nearly as possible with the Town of Hyde Park, in the ownership and maintenance of said drain: And the Selectmen are hereby authorized to execute such agreements and papers on behalf of the town of Milton as will procure this result.

On leave, the following Resolution was presented by Mr. Nickerson, Chairman of the Board of Assessors.

Resolved, That it is the sense of this meeting, that the Board of Selectmen and the Board of Assessors, or either of them, may from time to time in their discretion properly instruct and authorize counsel representing the interests of the Town, to submit to reference or arbitration any questions which may arise as to the liability for Town taxes, instead of necessarily trying such issues in the Courts of law. Accepted.

Voted, That the thanks of the meeting be tendered Felix Rackemann, Esq., for the able, impartial and extremely expeditious manner in which he had conducted the business of the meeting as Moderator.

A vote of thanks was also given to Mr. Thurber, Chairman of the Warrant Committee.

The foregoing meeting was opened at 7 o'clock A.M., by the Town Clerk, who proceeded to the reading of the warrant. Upon the conclusion of the reading of the third Article, it was moved that the further reading of the warrant be dispensed with.

Said motion being put for the consideration of the meeting, it was carried by a unanimous vote, and the further reading of the warrant (except the concluding paragraphs), was dispensed with.

At 7 o'clock and ten minutes, P.M., *Voted*, To adjourn *sine die*.

A true record. Attest:

HENRY B. MARTIN,
Town Clerk.

At the meeting aforesaid, the whole number of ballots cast was 1,068, twenty-two of said number being cast by women voters for School Committee.

WARRANT COMMITTEE.

The following citizens were appointed by the Moderator as a Warrant Committee for the ensuing year, in accordance with Chapter 2 of the Revised By-Laws, to wit:

William B. Thurber.
Charles S. Pierce.
Irving D. Glover.
James S. Russell.
Alex A. Will.
Stephen A. Meagher.
James H. Perkins.
Frederick T. Hall.
John Graham.
Albert A. Brackett.
Thomas B. Gordon.
Francis R. Hart.
Arthur H. Tucker.

NOTIFICATION OF TOWN OFFICERS.

Milton, March 9, 1903.

As per statute law of this Commonwealth the Town Clerk this day made out his warrant and delivered to Constable

Timothy McDermott, requiring him within three days from the date hereof to summon all officers chosen, and not having qualified, to appear before the Town Clerk within seven days from the date of such notice, to qualify for their several offices: To be sworn where an oath is required, or to signify their refusal of said office: — Also to signify their acceptance or refusal of said office to which they had been chosen, where no oath is required.

Attest: HENRY B. MARTIN, *Town Clerk.*

RECOUNT OF VOTES.

Commonwealth of Massachusetts.

NORFOLK, SS. MILTON, March 11, 1903.

At a meeting called and held at the Town Hall in Milton on the above date, as per order of the Chairman of the Board of Registrars, a recount of the votes for a candidate for Assessor being petitioned for by ten citizens: — The result of said recount being as follows:

WILLIAM W. CHURCHILL, three hundred and thirty-four votes.

SPECIAL MEETING.

WARRANT.

Commonwealth of Massachusetts.

NORFOLK, SS. *To either of the Constables of the Town of Milton,* GREETING:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the inhabitants of the Town of Milton, qualified to vote in town affairs, to meet at the Town Hall in said Milton, on Tuesday the thirtieth day of June current, at eight o'clock in the evening, then and there to act upon the following articles:

ARTICLE 1. To elect a Moderator by ballot.

ART. 2. To see what sum of money the town will appropriate for the use of the Water Commissioners for the extension of water mains during the current year.

And you are directed to warn said inhabitants, qualified as aforesaid, to meet at the time and place and for the purposes herein mentioned, by posting copies of this warrant in each of the post-offices of said Milton at least fourteen days before the said meeting, and leaving printed copies hereof at the dwelling houses in said town, at least four days before said meeting.

Hereof fail not, and make due return of this warrant with your doings hereon to the Town Clerk at or before the time and place of said meeting.

Given under our hands at Milton, this twelfth day of June, in the year one thousand nine hundred and three.

JOHN F. BROWN,
MAURICE A. DUFFY,
J. WALTER BRADLEE,
Selectmen of Milton.

Commonwealth of Massachusetts.

NORFOLK, SS. MILTON, June 26, 1903.

Pursuant to the within warrant I have notified the inhabitants of the Town of Milton, as herein directed, to meet at the Town Hall in said Milton, upon the date above mentioned, for the purposes therein set forth.

PELEG BRONSDON,
Constable of Milton.

At a meeting of the inhabitants of the Town of Milton, held according to the foregoing warrant upon June 30, 1903, the following proceedings were had upon the several articles in said warrant, namely: —

ARTICLE 1. John P. S. Churchill, Esq., was chosen Moderator.

ART. 2. *Voted*, To appropriate the sum of $4,000 for the use of the Water Commissioners in extension of water mains during the current year.

At 8 o'clock and 20 minutes, P.M., *Voted*, To adjourn.

A true record.

Attest: HENRY B. MARTIN,
Town Clerk.

NOVEMBER MEETING.

WARRANT.

Commonwealth of Massachusetts.

NORFOLK, SS. *To either of the Constables of the Town of Milton*, GREETING:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the inhabitants of the town of Milton, qualified to vote at elections, to meet at the Town Hall in said Milton, on Tuesday, the third day of November next, that being the Tuesday after the first Monday in said November, at seven o'clock in the forenoon, then and there to bring in their ballots for Governor, Lieutenant-Governor, Secretary of State, Treasurer and Receiver-General, Auditor, Attorney-General, all of and for the Commonwealth; Councillor for the Second District; Senator for the First Norfolk District; Representative in the General Court for the Fourth Norfolk District; County Commissioner for the County of Norfolk, County Treasurer for the County of Norfolk, Register of Deeds for the County of Norfolk; Register of Probate and Insolvency, and to vote Yes or No, upon the acceptance of Chapter 454, Acts of 1903, entitled: "An Act to provide for Joint Caucusses or Primaries of all Political and Municipal Parties."

The polls may be closed at four o'clock P.M.

And you are directed to warn said inhabitants qualified as aforesaid, to meet at the time and place and for the purposes herein mentioned, by posting attested copies of this warrant in each of the post-offices of said Milton at least fourteen days before the day of said meeting, and leaving printed copies hereof at the dwelling houses in said Town at least four days before the day of said meeting.

Hereof fail not, and make due return of this warrant, with your doings hereon, to the Town Clerk, at or before the time of said meeting.

Given under our hands at Milton, this 16th day of October, nineteen hundred and three.

JOHN F. BROWN,
MAURICE A. DUFFY,
Selectmen of Milton.

Commonwealth of Massachusetts.

NORFOLK, SS. MILTON, October 30, 1903.

Pursuant to the within warrant, I have notified the inhabitants of the Town of Milton as therein directed, to meet at the Town Hall in said Milton, upon the date above mentioned, for the purposes therein set forth.

PETER McINTYRE,
Constable of Milton.

At a meeting of the inhabitants of the Town of Milton, held according to a warrant of which the foregoing is a copy, on November 3, 1903, the following number of votes were given in for the several persons hereinafter named, for the respective offices specified below, namely: —

For Governor.

JOHN L. BATES, of Boston, five hundred seventy-five votes.

THOMAS F. BRENNAN, of Salem, four votes.

JOHN C. CHASE, of Haverhill, forty-seven votes.

OLIVER W. COBB, of Easthampton, eleven votes.

WILLIAM A. GASTON, of Boston, three hundred twenty-two votes.

BLANKS, thirty-one.

For Lieutenant-Governor.

JOHN QUINCY ADAMS, of Amesbury, seventy-six votes.

CURTIS GUILD, JR., of Boston, five-hundred sixty-one votes.

WILLIAM F. MERRILL, of Malden, eight votes.

RICHARD OLNEY, 2d, of Leicester, two hundred seventy-four votes.

MORITZ E. RUTHER, of Holyoke, seven votes.

BLANKS, sixty-four.

For Secretary.

OLOF BOKELUND, of Worcester, fifty-nine votes.

JOHN F. COYLE, of Lynn, eleven votes.

ALFRED L. CUTTING, of Weston, twelve votes.

EZEKIEL M. EZEKIEL, of Springfield, two hundred seventeen votes.

WILLIAM M. OLIN, of Boston, five hundred ninety-three votes.

BLANKS, ninety-eight.

For Treasurer and Receiver-General.

JOHN A. BILLINGS, of Rockland, sixty-nine votes.

EDWARD S. BRADFORD, of Springfield, five hundred seventy-six votes.

NAPOLEON B. JOHNSON, of Milford, ten votes.

FREDERICK A. NAGLES, of Springfield, seven votes.

THOMAS C. THACHER, of Yarmouth, two hundred thirty-one votes.

BLANKS, ninety-seven.

For Auditor.

JOHN H. HAGAN, of Lynn, twenty-one votes.

JOSEPH ORR, of Chicopee, fifty-two votes.

ALFRED E. STEELE, of Northampton, fifteen votes.

FRANÇOIS X. TETRAULT, of Southbridge, two hundred fourteen votes.

Henry E. Turner, of Malden, five hundred eighty-six votes.

Blanks, one hundred two.

For Attorney-General.

John A. Anderson, of Gardner, twenty-two votes.

William J. Carroll, of Lowell, fifty-two votes.

Henry M. Dean, of Hyde Park, sixteen votes.

John J. Flaherty, of Gloucester, two hundred six votes.

Herbert Parker, of Lancaster, six hundred seven votes.

Blanks, eighty-seven.

For Councillor. (Second District.)

Gustave B. Bates, of Quincy, sixty-nine votes.

Frederick S. Hall, of Taunton, four hundred eighty-nine votes.

Augustus Hemenway, of Canton, three hundred twenty-six votes.

Blanks, one hundred six.

For Senator. (First Norfolk District.)

Albert A. Brackett, of Milton, four hundred fifty-four votes.

William M. Packard, of Quincy, thirty-seven votes.

Felix Rackemann, of Milton, four hundred fifty-eight votes.

Blanks, forty-one.

For Representative in General Court. (Fourth Norfolk District.)

Charles S. Pierce, of Milton, six hundred sixty-eight votes.

John A. Shea, of Milton, two hundred sixty-seven votes.

Blanks, fifty-five.

For County Commissioner.

Daniel H. Coleman, of Braintree, one hundred eleven votes.

James Hewins, of Medfield, seven hundred one votes.

Blanks, one hundred seventy-eight.

For Register of Probate.

John D. Cobb, of Dedham, seven hundred fifteen votes.

Clarence H. Dean, of Randolph, one hundred two votes.

Blanks, one hundred seventy-three.

For Register of Deeds.

John H. Burdakin, of Dedham, seven hundred eight votes.

J. Frank Hayward, of Hyde Park, one hundred eight votes.

Blanks, one hundred seventy-four.

For County Treasurer.

Albert G. Coffin, of Quincy, one hundred twelve votes.

Charles H. Smith, of Dedham, seven hundred votes.

Blanks, one hundred seventy-eight.

The vote upon the acceptance of an Act passed by the General Court in 1903, entitled "An Act to provide for joint caucuses, etc.," was accepted, the vote being as follows, viz.: — Yes: 287. No: 272. Blanks, 431.

At about 11 A. M. the "Ideal" ballot box, having registered 522 votes, failed to work, and the "Acme" ballot box was substituted therefor.

At 4 o'clock P. M., *Voted*, To close the polls in ten minutes.

All the above votes were duly sorted, counted, declared and recorded, sealed up in open town meeting, and delivered to the Town Clerk.

At the meeting aforesaid, to act as Ballot Clerks and Tellers, the following appointments were made by the Selectmen, namely: —

As Ballot Clerks: Fred A. Packard and Thomas F. Lennon, Democrats, and William L. Tarbox and Robert W. Gilchrist, Republicans.

As Tellers: W. Newton Harlow, Harry S. Dowden, Irving D. Glover, George W. Adams, George V. Fabian, Paul Eaton, Thomas B. Gordon, John A. Palmer, Republicans, and Patrick F. Mahoney, William F. Welsh, Louis B. Currier, William F. Haley, William A. Murray, Frank H. Williams, Mathew A. Welch, Thomas J. Morrissey, Democrats, all of the above named being sworn by the Town Clerk.

At 5 o'clock and 55 minutes, P. M., *Voted*, to dissolve the meeting.

A true record.

Attest: HENRY B. MARTIN, *Town Clerk.*

Whole number of ballots cast at the foregoing election, 990.

Fourth Norfolk Representative District.

We, the undersigned Town Clerks of Canton and Milton, comprising Representative District Number Four, in the County of Norfolk, hereby certify: —

That at an election duly held in said towns upon the third day of November, A.D., 1903, for a candidate to represent said district at the next General Court, the following number of votes were given in for the several persons hereinafter named, to wit:

For CHARLES S. PIERCE, of Milton, nine hundred sixty-seven votes.

For JOSEPH A. SHEA, of Milton, five hundred eighty-six votes.

BLANKS, ninety-one.

Given under our hands at Canton this thirteenth day of November, A.D., 1903.

WALTER AMES,
HENRY B. MARTIN,
Town Clerks of Canton and Milton.

THE SIXTY-SEVENTH ANNUAL REPORT OF THE BOARD OF SELECTMEN.

At the close of the financial year, the balances on all the accounts were, in the main, satisfactory. We were obliged to ask for a transfer of $400 from the Contingent Fund to the Soldiers' Relief Account, for the reasons that the original appropriation for the department was insufficient, and that we were obliged to pay last year bills to the amount of about $150.

TAXES.

The tax rate for the year 1903 was the highest in the recent history of the town. We have already lost one very large estate by reason of our high rate, which has necessitated an abatement of about $17,000, and we must expect to lose more, unless that rate is materially reduced at once.

We have, during the past year, paid the last of the East Milton Playground bonds, and the last outstanding High School bonds. Those payments reduce the amounts to be raised the coming year for the funded debt account by $9,500, and for the interest account by $1,200. These reductions, in addition to the reductions in the poor, insurance, and hydrant rental accounts, will allow a material reduction in our tax rate: provided no unusual appropriations are voted at the coming annual meeting.

POOR DEPARTMENT.

Calvin H. Sanford and wife were appointed Superintendent and Matron of the Almshouse. Under their charge the inmates and buildings have been better cared for, and at a considerable less expense than heretofore. We earnestly recommend the immediate extension of the water service to the Almshouse, and the installation of electric lighting. The premises are now without fire protection, and should a serious fire occur, it would be impossible to save the buildings: and considering the helplessness of most of the inmates, the loss of life might be appalling and almost criminal.

From January 1, 1904, the Commonwealth assumes the expense of all insane cases, formerly paid by the Town. For this and other reasons it will be possible to conduct this department on a very much smaller appropriation for the coming year.

Street Department.

Edward A. McCue was reappointed Superintendent of Streets, and his conduct of the department has been satisfactory to the Board. He has become thoroughly familiar with the needs of the department, and gets as good results from the large sums expended on the streets as it appears to be possible for any public corporation to get. Adams Street, from the foot of Milton Hill to the Quincy line, has been almost impassible during the past year; but on account of the laying of public service pipes in the street, it was thought best not to spend much money on it in the way of repairs.

We have, however, put in first class condition that part of the street from the foot of Milton Hill to Unkety Brook. As soon as the water pipes are relaid, it will be necessary to spend considerable money in order to put the street in a safe and proper condition for travel.

Police Department.

This department has remained under the charge of Maurice Pierce. It is in a high state of efficiency, and will compare favorably with any police department in the Commonwealth.

A new police station and stable are urgently needed.

Fire Department.

This department is in a satisfactory condition, and is on the same high plane of efficiency as heretofore. The great value of the new combination chemical and hose wagon in the western part of the town has been amply proved in the actual fire work during the past year.

Town Hall and Lot.

The Hall and Lot are in fairly good condition. A part of the heating plant is worn out, and it has been impossible to properly heat the building this winter. The electric wiring in the building has been condemned, and it will be necessary to replace a part of the heating plant, and to re-wire the building at once.

Assessments and Betterments.

From time to time, a number of assessments and betterments have been laid, but no attempt has been made to collect them ; and none have ever been committed to the tax collector.

We would suggest that some action be taken at once, to the end that they be either collected or abated.

Perambulations.

During the year we have perambulated and run the lines between Milton and Quincy, Randolph, Canton, and Hyde Park, and renewed the marks wherever necessary.

Our Associate, J. Walter Bradlee, has not been present at any meeting of the Board since July 24, 1903.

JOHN F. BROWN,
MAURICE A. DUFFY,
Selectmen of Milton.

POLICE DEPARTMENT.

MILTON, December 31, 1903.

To the Honorable Board of Selectmen:

GENTLEMEN, — I have the honor to submit for your consideration the annual report of the Police Department for the year ending December 31, 1903.

THE FORCE.

Superintendent, — Maurice Pierce.
Deputy Superintendent, — Timothy McDermott.

PATROLMEN.

James Wigley.
George B. Bradlee.
Henry A. Paterson.
Lucius E. Damon.
William J. Stephenson.
Charles E. Page.
John H. Higgins.
Joseph H. Donovan.
George C. Partelow.
Fred M. Farrington.
Henry C. Shields.
John F. O'Connell.
Frank H. McDermott.
William S. Fallon.
John J. Haley.

Driver of Patrol Wagon, — John E. Shields.
Keeper of Lock-up, — Edwin A. Houghton.

ARRESTS FOR THE YEAR 1903.

Number of persons arrested	131
Males	126
Females	5
Residents	61
Non-residents	70
Causes of arrest, —	
Armed with a dangerous weapon	1
Assault with intent to kill	1
Assault and battery	11

Arson	3
Breaking and entering	6
Committing an unnatural act	1
Deserter U. S. N.	1
Disorderly conduct on a public conveyance	2
Disturbing the peace	5
Drunkenness	53
Habitual criminal	1
Indecent exposure	1
Insane	2
Larceny	22
Lewd and lascivious cohabitation	2
Malicious mischief	5
Non-support of family	1
Obscene pictures in possession	1
Obtaining goods by false pretence	1
Parole, Violation of	1
Stubborn children	2
Threats	2
Tramps	2
Trespass	3
Town By-laws, Violation of	1
Total	131

MISCELLANEOUS BUSINESS.

Accidents reported and assistance rendered	9
Buildings found open and secured	39
Cases investigated	149
Defective electric light fixtures reported	9
Defective streets and sidewalks reported	37
Defective water-pipes reported	7
Defective wires reported	12
Dead bodies found	3
Dogs killed	9

Electric lights reported out	718
Fires extinguished without alarm	5
Fire alarms given	3
Lost children found and cared for	5
Residences reported temporarily vacant and special police protection required	60
Stray animals found	15
Street obstructions removed	12
Water running to waste reported	7
Officers detailed by request of citizens	23
Officers detailed for public occasions	35

STOLEN PROPERTY.

Amount reported stolen	$965.00
Amount recovered	790.00

CRIME.

During the year there have been but few crimes of a serious nature committed, and in each of these the guilty parties have been apprehended and brought before the court to answer to the charges preferred, and have been convicted. I would call the attention of citizens to the great importance of promptly reporting any violations of the laws coming under their observation, and particularly of the presence in the town of any persons whom they may suspect of any unlawful designs.

IN GENERAL.

The discipline and conduct of the force has, in the main, been excellent, and all calls for extra service have been cheerfully complied with. I beg to recommend for your consideration the establishment of two new night routes, one on Brush Hill Road and one in the Mattapan district, at the request of citizens living in those districts. This would require the addition of two patrolmen.

I wish to again renew my recommendations of a year ago, and to call to the especial notice of your honorable Board the condition of the Station House and Stable.

I trust the recommendation of the Committee on Police Station that reported at the March meeting, 1903, will not be lost sight of.

In conclusion, I desire to tender my thanks to your honorable Board for the support you have given me, to the officers under my charge, and to all others, for the kindness and confidence shown me during the past year.

Respectfully submitted,
MAURICE PIERCE,
Superintendent of Police.

LOCATION OF POLICE SIGNAL BOXES.

12 — Adams Street, corner Churchill's Lane.
13 — Granite Avenue, corner Squantum Street.
14 — Adams Street, near East Milton Depot.
15 — Adams Street, corner Washington Street.
121 — Adams Street, corner Centre Street.
122 — Pleasant Street, corner Edge Hill Road.
21 — Adams Street, opposite Associates Hall.
22 — Randolph Avenue, corner School Street.
23 — Randolph Avenue, corner Centre Street.
24 — Randolph Avenue, corner Pleasant Street.
25 — Hillside Street, corner Harland Street.
31 — Central Avenue, corner Eliot Street.
32 — Canton Avenue, opposite Town Hall.
33 — Canton Avenue, corner Harland Street.
34 — Brush Hill Road, corner Robbins Street.
35 — Blue Hill Avenue, corner Mattapan Street.
41 — Blue Hill Avenue, corner Atherton Street.
42 — Brush Hill Road, corner Bradlee Road.
43 — Canton Avenue, corner Dollar Lane.
44 — Brush Hill Road, corner Milton Street.
45 — Blue Hill Avenue, corner Brush Hill Road.
141 — Central Avenue, opposite residence of N. H. Stone.
142 — Corner Houston Avenue and Blue Hills Parkway.

ENGINEERS' REPORT.

To the Honorable Board of Selectmen:

Gentlemen, — The Board of Engineers herewith presents its annual report.

The calls on the department have been unusually numerous during the past year, but it is satisfactory to note that the increase is almost wholly in still alarms. The use of a telephone in notifying the department of small fires is increasing in a satisfactory manner, and we especially desire to call the attention of citizens having telephones that there should be hanging beside each telephone a framed card, furnished free of charge by this department, giving the necessary information to enable the telephone subscriber to correctly notify the department in case of need. All telephone subscribers who have not such cards can obtain them from the Chief of the department.

The physical condition of the department has been fully maintained during the year.

The planking in front of Hose 2 house has been replaced by granite paving.

The horse shed of the Central Fire Station has been paved, and the broad gutter on Bradlee Road, making the approach to the Hose 4 house, has also been paved.

The outside woodwork of the Central Fire Station and the Chemical House has received a much needed coat of paint.

A heater for hot water has been put into Hose 2 house.

Rubber tires have been placed upon Hose 1 wagon. This wagon swayed so badly that there was serious danger of its upsetting while responding to alarms, and to overcome this difficulty, rubber tires were put on, and the difficulty largely overcome ; but the wagon is too small and its centre of gravity too high. When the present set of tires is worn out, this apparatus should be replaced with a larger wagon with a lower centre of gravity.

There are twelve permanent men employed. One permanent man has resigned during the past year, and a man was appointed to fill his place under the Civil Service rules.

There are fifteen horses now owned by the department — one less than a year ago. Two new horses have been bought during the year, and it will be necessary during the coming year to purchase three more to take the place of old horses.

One thousand feet of new hose was purchased with the special appropriation for that purpose.

The conduct of the men and the general discipline of the department throughout the year have been most satisfactory.

District Fire Marshal has investigated four fires.

Milton has responded to twenty-nine calls to Boston, and the Boston department has responded to seven calls to Milton.

The Hose 2 wagon, situated in East Milton, must be repaired at considerable expense, as it is badly strained because of carrying a much heavier load than was originally intended for it. Our experience with the combination wagon in the western section of the town has been so eminently satisfactory that, rather than expend any large sum of money on the repairs of Hose 2 wagon, we recommend that a combination wagon be purchased for East Milton. This would not increase the operating expenses of this company, but would give to the eastern section of the town the benefit of greatly increased fire protection. Such a wagon would cost about $2,000.

For maintenance and current expenses of the department for the ensuing year, we recommend an appropriation of $21,500.

Respectfully submitted,

GEO. F. CHOATE.
C. WILDER HOLMES.
ELLERTON P. WHITNEY.

REPORT OF THE INSPECTOR OF WIRES.

To the Honorable Board of Selectmen:

Gentlemen, — I herewith present my report for the year ending December 31, 1903.

This department includes the care of the fire alarm and the police signal system, also a supervision of all poles, wires and fixtures in use in the town in the transmission of electricity.

INTERIOR WIRING.

The interior wiring of buildings is of such importance that I have had all such work thoroughly inspected. The following table shows the number of inspections made the past year: —

Total inspections	83
" buildings inspected	56
Buildings inspected for rough wiring	35
Notice of work received	60
Permits to supply service issued	35

With few exceptions, the lines and poles throughout the town are in good condition. The following lines have been rebuilt: Blue Hill Avenue, from Mattapan to the Canton town line; Brush Hill Road, from Fairmount Avenue to Smith Road; Centre Street, from Randolph Avenue to White Street. Other lines have been strengthened by setting new poles and the removal of defective ones.

During the past year 13,355 feet of town wires were placed under ground on Randolph Avenue extending from School Street to Centre Street, and about 13,000 feet of overhead wires were taken down.

The Edison Electric Illuminating Company has laid underground ducts on Central Avenue from the bridge to power station, for the purpose of bringing their feed wires to the station. These are the only wires of the Edison Electric Illuminating Company that have been placed under ground. I believe this company should be required to place a portion of their wires under ground each year, especially through the villages.

There is a large amount of repairs and renewals of overhead wire to be done by the Edison Company, and the company is giving these matters its attention as rapidly as seems reasonable.

Respectfully submitted,
GEORGE F. CHOATE,
Inspector of Wires.

MILTON, December 31, 1903.

REPORT OF THE BOARD OF HEALTH.

The Board organized April 2, with the selection of J. S. Lincoln, Chairman, and A. W. Draper, Secretary. Henry B. Martin was authorized to sign burial permits for the Board. Timothy G. Ryan was appointed Inspector of Plumbing and examiner of applicants for plumbers' license. L. E. Young, Deputy Inspector of Plumbing. Peter McIntyre was licensed to carry on the business of slaughtering animals for food. Frank L. Gage was licensed an undertaker. Stephen A. Meagher was licensed to carry on the business of rendering oil, tallow, etc. Licenses were granted to John R. Lawrence, Charles Tate, Charles Mitchell, Jr., John R. Delory and the Odorless Excavating Company of Boston, to empty vaults and privies. Permits were granted ten persons to keep two hundred and seventy swine, permits having been granted the previous year to fifteen persons to keep two hundred and seventy-one. The sanitary condition of piggeries was fairly good.

Contagious Diseases. — Thirty-seven cases of scarlet fever were reported, an unusual number, nearly one half of which occurred during the month of August. Most of the cases took a light form. One case proved fatal. Twenty-four cases of diphtheria were reported, none of which proved fatal. The very general use of antitoxin has contributed largely to make this possible. There were seven cases of measles reported against one hundred and sixty-two last year. Twelve cases of typhoid fever were reported, one of which proved fatal. The cases were scattered throughout the year and careful inquiry failed to show any general source of infection. There has not been a case of smallpox reported during the year. The case in the hospital last December was released January 26. The hospital was thoroughly fumigated and the interior painted.

The number of cases of contagious diseases for the last three years has been as follows: —

	1901	1902	1903
Diphtheria	11	44	24
Measles	17	162	7
Scarlet fever	6	3	37
Smallpox	1	3	0
Typhoid	11	11	12

There was one death from scarlet fever and one from typhoid fever during the year 1903.

The Board of Health respectfully recommends that the town sewers be completed as soon as possible, particularly at the centre where so many public buildings are situated with streets all around them. In the spring and early summer when the ground is full of water, it is impossible to prevent the overflow of cesspools onto the street, which is very offensive and causes many complaints.

The report of the State Board of Health for the year 1902 shows the death rate of the town to be 13.28 per thousand, a decrease of 1.47 under that of the preceding year. The average death rate for the 94 cities and towns in the state which had a population of 5,000 and over, was 16.21 in 1902. The number of deaths in the town during the past year was 114, in 1902 it was 102. According to the census of the town taken by the assessors, the population for 1903 was 6,814; this would make our death rate for 1903, 16.73.

The causes for complaints made during the year have been as follows: —

Condition of river	1
Overflowing or defective cesspools	19

Rubbish heaps	4
Defective drains	3
Condition cow stable	1
“ drinking water in wells	5
Dumping of night soil	4
Sanitary condition of house	4
“ “ “ premises	3

The Board again asks the co-operation of the citizens in giving written notice of any matter coming to their attention requiring action on the part of the Board of Health.

J. S. LINCOLN, *Chairman.*
C. R. GILCHRIST,
A. W. DRAPER, M.D.V., *Secretary.*

REPORT OF THE INSPECTOR OF PLUMBING.

MILTON, MASS., January 1, 1904.

To the Honorable Board of Health:

GENTLEMEN, — I herewith submit my annual report from January 1, 1903, to January 1, 1904. During the year ninety-one (91) applications have been received and ninety-one (91) permits have been granted. The approximate valuation of the work as specified in the applications received is twenty-two thousand eight hundred and seventy dollars ($22,870).

Five plumbers have renewed their licenses as journeymen and eight master plumbers have registered at this office.

The office hours are from 7.30 to 9 P.M. Tuesdays and Thursdays.

Respectfully submitted,

TIMOTHY G. RYAN, *Inspector.*

REPORT OF THE INSPECTOR OF BUILDINGS.

MILTON, January 1, 1904.

To the Honorable Board of Selectmen:

GENTLEMEN, — I herewith submit my annual report for the year ending December 31, 1903, sixty-two (62) applications having been made for alterations, additions, and new buildings, and sixty-two (62) permits issued and granted for the same.

WORK OF THE BUILDING DEPARTMENT BY MONTHLY REPORT.

MONTH.	Permits issued for Wooden Buildings.	Permits issued for Stone and Brick Buildings.	Value of Work by Application·
January	6		$5,200 00
February	5		2,150 00
March	4	2	67,700 00
April	8		6,900 00
May	3		2,400 00
June	3	1	48,400 00
July	4		13,500 00
August.	6	2	23,600 00
September	7		2,975 00
October	6	1	16,580 00
November		1	3,500 00
December	3		7,550 00
Totals	55	7	$200,455 00

Thus making the valuation of the work completed and to be completed, two hundred thousand four hundred fifty-five dollars ($200,455).

Office hours of the department, Tuesdays and Thursdays, 7.30 to 9 P.M.

Respectfully submitted,

G. E. BURT, *Inspector.*

REPORT OF THE SUPERINTENDENT OF THE TOWN FARM.

To the Honorable Board of Selectmen:

Gentlemen, — I herewith submit my annual report for the year ending Dec. 31, 1903. There were at the time of my appointment, March 17, 1903, as inmates at the Town Farm:

Women	6	
Men	7	
	—	13
Admitted during the year.		
Women	none	
Men	5	
	—	5
		—
		18
Men discharged	3	
Women	none	
Deaths, men	none	
Deaths, women	2	
	—	5
		—
		13

Inmates Dec. 31, 1903, four (4) women; nine (9) men.

Average number inmates for the year,	15

Crops Raised at the Town Farm for the Year Ending Dec. 31, 1903.

English Hay, 6 tons	$132 00
Rowen, 4 tons	60 00
Potatoes, 120 bushels	120 00
200 pounds Squash	4 00
5 barrels Apples	12 50
10 bushels Beets	7 50
10 bushels Parsnips	7 50
30 bushels Turnips	22 50
40 dozen Cabbages	25 00
8 bushels String Beans	8 00

2 bushels Shell Beans	$4 00	
10 bushels Peas	15 00	
2 bushels Carrots	2 00	
25 dozen Sweet Corn	3 00	
15 bushels Pears	15 00	
		$438 00

Clearing the land of bowlders is carried on with good results.

Very respectfully submitted,
CALVIN H. SANFORD,
Superintendent of the Town Farm.

Inventory Stock and Tools at Town Farm, Dec. 31, 1903.

		334 00
Supplies at house		75 00
Furniture at house		650 00
Hot Water Heater, house		400 00
		$2,074 00

REPORT OF THE SUPERINTENDENT OF STREETS.

To the Honorable Board of Selectmen:

Gentlemen, — I herewith submit for your consideration the annual report of the Street department for the year 1903.

The appropriations for the Street department for the past year were as follows: — General Highway, $30,000; Street Watering, $8,500; Sidewalk Construction, $3,000; Surface Drain, $700; and Ice and Snow, $2,500.

Street Cleaning. — During the months of March and April the usual street cleaning and repair work was done. This work did not require so much time as usual, much of it having been done in the fall.

Adams Street. — This street was resurfaced with macadam from the entrance to the J. M. Forbes estate to Hutchinson Street, also from Algerine Corner to Unkety Brook. The sidewalk was resurfaced with gravel from Hutchinson Street to Churchill's Lane.

During the construction of the street railway the grade of Blue Hill Avenue at Milton Street was lowered about two and one-half feet. The gravel from this cut, which was of very fine quality, was used for resurfacing and repairing the roads in the western section of the town, namely: Green Street, Canton Avenue from the Canton line to the Cabot Estate; also from Atherton Street to Mingo Hill, Atherton Street, Brush Hill Road in various places; Dollar Lane; Danna Avenue and Williams Avenue were resurfaced from Brush Hill Road to the Hyde Park line.

Central Avenue. — From the bridge to the turnout was resurfaced with macadam and gravel.

School Street. — Was resurfaced with gravel and stone-dust from Central Avenue to Canton Avenue.

Pleasant Street. — Was resurfaced with gravel from Edge Hill Road to Adams Street.

Squantum Street. — Was resurfaced with gravel from Granite Avenue to Adams Street.

The Squantum Street gravel pit was worked the entire season, the gravel being used for resurfacing and repairing streets and sidewalks.

The stone crusher on Randolph Avenue was run the greater part of the season. The stone used for crushing was bought from all citizens who desired to furnish the same.

The steam roller was used continuously throughout the season.

Catch Basins. — The catch basins were thoroughly cleaned and many new ones built during the year.

Surface Drain. — The surface drain on Adams Street was completed and all catch basins disconnected from the sewerage system.

Sidewalks. — Gravel sidewalks were built and resurfaced on Cheever Street, Oak Street, Blue Hill Avenue, Brush Hill Road, Central Avenue, Pleasant Street, Quarry Street, Reedsdale Road, Canton Avenue, Brook Road and Adams Street.

Street Watering. — This work was carried on in the same manner as the preceding year.

In the completion of the aforesaid work the following table will show the average number of men and teams employed during the several months:

March . . .	13	men	and	4	teams.
April . . .	47	"	"	9	"
May . . .	57	"	"	21	"
June . . .	51	"	"	19	"
July . . .	38	"	"	22	"
Aug. . . .	41	"	"	20	"
Sept. . . .	42	"	"	20	"
Oct. . . .	42	"	"	19	"
Nov. . . .	36	"	"	13	"
Dec. . . .	14	"	"	5	"

From the different appropriations the sum of $30,358.97 has been paid to the citizens of the Town for labor and team hire.

Owing to the construction of the Metropolitan sewer, the laying of the gas main and the Town sewer, Adams Street, from the Quincy line to Squantum Street, is in a very bad condition, and should be resurfaced as early the coming season as possible.

In order that the condition of the roads may be kept satisfactory to the citizens, I would recommend that the following appropriations be made for the ensuing year: General Highway, $32,000; Street Watering, $8,500; Sidewalks, $5,000; Ice and Snow, $2,500.

In concluding this report I would tender my sincere thanks to your Honorable Board for your very able suggestions and assistance during the past season, to the citizens of the Town for their courteous treatment and advice, also to the employees of the Street Department, whose work has been most satisfactory.

INVENTORY OF STOCK AND TOOLS IN THE HIGHWAY DEPARTMENT DECEMBER 31, 1902.

Stable and sheds	$4,000 00
Stone crusher plant	1,800 00
Steam roller	3,000 00
1 ring roller and stone roller	125 00
400 tons of crushed stone	300 00
11 watering carts	2,500 00
2 double, 3 single, 1 sanitary, 1 platform, 1 express, 2 Concord buggies, 2 road machines, 1 stone jigger and 4 pungs	1,400 00
7 horses	1,400 00
Stable fixtures, supplies, blankets, etc.	250 00
Miscellaneous tools for street work	400 00
Harnesses	250 00
Hay-scales, office and desks	425 00
	$15,850 00

Respectfully submitted,

EDWARD A. McCUE,

Supt. of Streets.

REPORT OF THE WATER COMMISSIONERS FOR 1903.

To the Citizens of the Town of Milton:

The Water Commissioners respectfully submit the following report of their operations for the year 1903. Chapter 307 of the Acts of 1902 provided that the first commissioners should be elected to serve respectively for one, two and three years after the annual town meeting succeeding the purchase of the Milton Water Company. Accordingly there has been no change in the membership of the commission during the preceding year. No change has been made in the personnel of the permanent force, except that the office force has been reduced by one. The employees have performed faithful and efficient service, and we recommend the acceptance by the town of Chapter 102 of the Acts of 1903, extending the civil service law to the town of Milton, in order that worthy employees may be rewarded for fidelity and zeal, and be assured of their situations during good behavior.

The equipment of the department is in excellent condition. In each case where large pipes have been examined during the year, few signs of deterioration have been revealed. One horse has been sold and a new one purchased; at present there are four. A private telephone line, connecting the office, superintendent's house and stable, has been installed, and one of the employees sleeps in the stable, so that the department is now prepared to immediately answer emergency calls. An arrangement has been made with the fire department by which one of its hose wagons is kept in the water department's stable and a horse supplied for it when needed.

On February 1, 1903, the remaining seventy-six bonds of the Milton Water Company which had been called for payment were paid by the Town Treasurer, and the mortgage which secured the bonds was discharged. In accordance with the vote passed by the town March 2, 1903, Milton has become a member of the Metropolitan Water District and the Town has agreed to continue the meter service until the year 1911. The execution of this agreement resulted in admission of the town to the District for a nominal sum. At the present time there are 1,074 revenue producing connections and some 40 additional taps which are disconnected. This is a very slight increase over 1902, but it does not represent the normal increase, as water has returned to the wells drained by the operations of the Metropolitan Water and Sewerage Board; therefore many of the unusual number of takers added in 1901 and 1902 have ceased to purchase water from the department. There are fifty stand-pipes for street watering purposes.

When the Milton Water Company was transferred to the Town there was practically no pipe on hand and the commissioners felt that it was not safe for the department to be left in such a position. We therefore ordered a considerable quantity of different sizes of cast iron pipe, costing about $3,000. This amount, together with one or two short extensions, almost exhausted the income estimated to be available for new construction. In response to requests by citizens who desired further extensions, the town in June appropriated $4,000 for this purpose. Since that time the following work has been done:

Dead ends in Atherton Street connected, costing	$1,438 76
Dead ends in Eliot and Adams streets, connected, costing . .	634 07
Extension in Eliot and Capen streets, costing	1,958 55
Extension in Reedsdale Road and side street, costing	1,575 58

This work may properly be divided into two classes: (1) Non-revenue producing lines built to promote the efficiency of the system; (2) Revenue producing lines. The work in Atherton Street was of the first class and was done so that the Blue Hill district of the town could be reached by two lines of pipes. Formerly it was reached with a single line, and a break in that line would have left a large portion of the town without house or fire service. The connection between Eliot and Adams streets was also work of the first class, dead ends being connected by a short line of pipe under the railroad track and the property of Walter Baker & Company. This was necessary to give the Lower Mills district adequate fire protection. The work in Eliot and Capen streets and in Reedsdale Road and side street was of the revenue producing class. With regard to such constructions, the commissioners have followed the precedent established by other municipalities and have required a guaranty from persons requesting the extension. This is done to prevent the building of expensive extensions to accommodate one or two persons where the revenue is entirely out of proportion to the cost of the work. We require either a guaranty of 6% on the total cost of the extension for a period of three years or a sufficient number of connections to produce this percentage in income. If other persons along the line of the extension then connect with the mains, the income thus received is credited to the original guarantor.

The receipts of the department from December 31, 1902, to December 31, 1903, excluding cost of new service work, have been as follows:

From water takers	$26,072 64
(an average price of $24.64 per taker)	
From street watering	2,864 12
($505.08 coming from the Metropolitan Park Commission)	
From contractors	538 83
From interest on deposits	356 91
From repairs and incidentals	1,397 31
A total revenue	$31,229 81
To this must be added the appropriation for hydrant service	9,600 00
Making a total of	$40,829 81

During the past year there was also received $246.62, the balance on Milton Water loan, which will not be available again, and therefore is not included. It will therefore be seen that our estimated receipts for 1904, if the hydrant appropriation remains the same, are between $40,000 and $41,000.

The expenses during the past year excluding construction and new service work were	$10,308 31
Metropolitan Water	14,813 20
Interest on 312 bonds	10,920 00
	$36,041 51

It will thus be seen that the estimated yearly expenses are about $36,000, leaving a balance of $4,000 to $5,000 available for extensions. During the coming year the interest on the bonds will be reduced, but the cost of water will be greater.

When the Water Company was bought by the town a purchase price of $189,000 was established as of April 1, 1902; if the receipts between the date of purchase and that of transfer exceeded the expenses, the balance was to be deducted from the purchase price, and if the expenses exceeded the receipts, the difference was to be added to the purchase price. The latter proved to be the fact, as large payments were made for bond interest and for water prior to September 27, 1902, the date of transfer. After the transfer the October and January receipts came in, leaving a considerable balance. As the town had issued bonds to pay for the whole purchase price, it will be seen that a portion of the running expenses had been capitalized. This balance is still available and now amounts to about $12,000. We recommend that the town credit it to the water department in such a way that it may be available for further construction. If a portion of it is spread over each of the two or three succeeding years, we shall be able to make important extensions and greatly increase the efficiency of the department without further requests to the town for appropriations to be applied to construction.

The operations of the Metropolitan Water and Sewerage Board in building the high level sewer through Adams Street, East Milton, have caused such a settling of water mains that it will be necessary to reset them during the coming year. This will be an expensive matter and we are now negotiating with the Metropolitan Board as to the burden of the expense.

During the past year experiments have been made by the Metropolitan Board to determine the amount of water used in the various cities and towns of the district, in order that comparisons may be made and waste may be minimized. Such a comparison cannot fail to result favorably for Milton, and we hope that the Legislature will see fit to change the existing statutes, so that consumption will enter into the basis of the town's assessment for water. If such a change is made, we are confident that our assessment will be reduced, but until some such reduction is made, the commissioners do not believe that the water rates should be reduced. At present any balance of income should be applied to extension and to the connection of so-called dead ends of existing mains.

Respectfully submitted,
CHARLES S. PIERCE,
JOHN GRAHAM,
ELLERTON P. WHITNEY.

WATER DEPARTMENT.

DISBURSEMENTS, DEC. 31, 1902, TO JAN. 1, 1904.

Salaries and Wages:		
Chargeable to General Expense	$3,316 72	
Maintenance	2,663 86	
Service	1,373 04	
Construction	3,006 46	
Ledger Accounts	235 18	
Total		$10,595 26

THIRTY-THIRD ANNUAL REPORT OF THE BOARD OF TRUSTEES OF THE MILTON PUBLIC LIBRARY.

The Board of Trustees of the Milton Public Library have the honor to present to the Town the reports of the Librarian and of the Treasurer of the Public Library for the year 1903. These reports are so full that little is left for the Trustees to do but to emphasize the salient points in each and to commend to the citizens a careful reading of both reports.

The most marked feature of the Librarian's report is the increase in circulation, showing that the library is an entirely different institution from what it was four years ago. In 1899 the number of volumes issued for home use was 19,168. During the past year it has been 51,073. The character of the books in circulation has steadily improved.

The gifts to the library during the past year, exclusive of the fund of $21,000 for the Library Building, have been unusually numerous and valuable, showing that the library is recognized by friends in and out of the town as an institution of influence and importance.

The Librarian wishes to obtain as complete a record of the current events of the town as possible. If any one can supply the publications enumerated in the Librarian's report under "Periodicals," he will confer a favor by sending them to the library.

After the central library is moved to the new building, a branch will be established in Milton village under rules similar to those which now govern the East Milton and Mattapan branches. The location of this branch and the hours of opening have yet to be determined. The chief event of the past year is the practical completion of the new Public Library building.

It has, to date, cost the Town $49,465.57. This is set forth on another page of this report under the account designated Public Library Loan, together with certain payments made last year and accounted for in the 66th Annual Report, p. 178. Thus a balance of $534.43 is still available from the $50,000 raised on bonds by vote of the Town.

To bring out plainly the situation in the matter of the new building, it is necessary to refer to our report of a year ago, from which we quote the following:

> "* * * a plan was found (for a building) which was within the appropriation and provided all the really essential features, but only the ell containing the stack fireproof. A contract was signed for this and work begun, it being understood with the contractors, the Norcross Brothers Co., that the trustees had the right to add any or all of certain features, should it prove possible to obtain the necessary funds to do so."

Our report then went on to say:

> "* * * it looks as if the required amount of money might be forthcoming by private subscription."

The Treasurer of this Board of Trustees now holds the necessary sum for the features which we considered so desirable to add to the original contract, which features may be summarized as follows:

Fireproofing the entire building, instead of only the ell containing the stack.

Marble floors and base in main entrance hall.

A very considerable amount of stone work in the exterior finish of the building, instead of nearly all brick.

The interior finish of certain rooms, which might have been left to be finished at a later date.

A steel vault for the protection of papers and records of especial value.

Terraces, furnishing storage room as well as adding much to the architectural effect of the building.

We wish to emphasize the fact that the completed building is to cost the Town no more than the appropriation of $50,000. We do not at present take up the question of the furniture, because no draft has yet been made against this appropriation, though the furniture itself is mostly ready to put into the building.

What we have added to the main contract, that is to say, what is paid for by the private subscription fund, we feel makes the building more convenient, more substantial, more beautiful, and most important of all, it is now, we believe, as near fireproof as modern methods of construction can make it.

In area we add only the terraces, beneath which is ample storage space, in which the building was elsewhere deficient. If the usefulness of this space does not offset any possible additional expense of maintenance, we feel that the marble floor in the main entrance and hall is a saving in care and durability over any cheaper material. Surely the low rate of insurance made possible by the fireproof construction throughout is an economy in the long run, to say nothing of the increased safety of whatever may be put in the building.

As the expenditure on the building in excess of the Town's appropriation is a gift to the citizens, it will perhaps suffice to hand over the receipted bills for that portion of the work to the Town Treasurer on the completion of the building. At that time a detailed statement can be made for publication in a future report. For the present we would state for the benefit of those who wish to know the total cost of the building, with its approaches and including the rough grading, that the total will be not over $71,000, provided for as above indicated, $50,000 by bond issue of the Town, and $21,000 by contributions of individual citizens

REPORT OF THE LIBRARIAN.

Milton, Mass., January 1, 1904.

To the Trustees of the Milton Public Library:

I have the honor to submit my report for the year ending December 31, 1903.

CIRCULATION.

It is gratifying to report an increase in the use of the Library. The number of volumes issued for home use in 1899 was 19,168; in 1900, 31,367; in 1901, 42,264; in 1902, 48,896; in 1903, 51,073, showing an increase for the last four years of 31,905 volumes.

In connection with these statistics of circulation, it is interesting to note the increase in population for the corresponding four years. The population of Milton in 1899, according to the census of 1895, was 5,518; the population in 1903, according to the census of 1900, was 6,578. The net gain in population, based on the census of 1900, has been 1,060; the net gain in circulation of books from the Library has been 31,905.

No record is kept of the use of reference books.

The monthly circulation of books through the schools has been larger than it was in 1902, and the teachers report more interest in good reading on the part of the pupils. The total circulation through the schools has been 72 less than last year, owing to the fact that two more deposits were sent in 1902 than in 1903.

Two hundred and fifty-eight new cards have been issued, making the total number of card holders 1,893.

For other statistics of circulation and registration, see Appendices 1 and 3.

LIBRARY SYSTEM.

The Library system includes:

The Central Library on Adams Street; the East Milton, Mattapan and Russell Reading Rooms, which are also deposit and delivery stations; the weekly House-to-House delivery in the Blue Hill and Brush Hill districts; also, as places of deposit, the Convalescent Home, and ten schools.

DELIVERIES AND DEPOSITS.

Weekly deliveries are made from the Central Library to the East Milton, Mattapan and Russell Reading Rooms. Monthly deposits of from seventy-five to one hundred books are also sent to these Reading Rooms. Twenty-five books are sent each month to the Convalescent Home, and monthly deposits varying in numbers, according to the requests of teachers, are sent to the schools.

In addition to these deliveries and deposits, the Library service provides an interchange system by which books borrowed from the Central Library may be returned or renewed at any of its branches, or *vice versa.*

HOUSE-TO-HOUSE DELIVERY.

The House-to-House delivery in the Blue Hill and Brush Hill districts is giving satisfaction to residents of Milton, who have for many years had practically no library service.

Such "taxation without representation" justifies the present expense (.06⅓ per volume) of this system of delivery.

During the year, 4,218 books have been delivered, an average of 79⅔ per week.

The class of books issued is of the best. The per cent of fiction is 68, but a considerable part of this fiction is by standard authors.

Twenty-one (21) new borrowers have been registered from this part of the town, and frequent letters from card holders on the route testify to the convenience of house-to-house delivery.

BUILDINGS AND EQUIPMENTS.

In May, Russell Reading Room was thoroughly renovated. The ceiling and floor were done over, the walls were repainted, and a new bookcase, desk chair and other conveniences were added to the room.

Outside on the grounds was placed a sign, showing to the public the existence of this branch of the Library.

These improvements were made possible through the generosity of Mrs. H. S. Russell, who gave fifty dollars ($50.00) for the purpose.

Two much needed bookcases were also given to Mattapan Reading Room by Mrs. Martha W. Faucon.

THE STAFF.

On November 1, 1902, Miss Carrie S. Allen was granted leave of absence without salary to enter Pratt Institute Free Library, Brooklyn, N.Y., as a special student in library work for children.

For six months she was under the direct supervision of Miss Moore, the head of the Children's department.

Besides the practical work of the Children's department, Miss Allen was given weekly book talks on poetry, fairy tales, picture books, travel, biography, history and nature books. She was also instructed in the making of picture bulletins and in story-telling.

An excerpt from Miss Allen's report of her six months' work in Brooklyn, will give an idea of her more personal work with the children.

" Story-telling and reading to an audience of more than one has been an entirely new venture to me. In all cases I have enjoyed it as much as the children, and although at first I was not always sure what would please them, I soon learned to judge from the group what would suit them. The fact that the same children came night after night and asked me to read to them has been very encouraging."

Miss Moore spoke in high terms of Miss Allen's work, and Miss Plummer, the director of the Library, said, —

"We have been well satisfied with her personality and her progress, and we think we can congratulate you upon your future children's librarian."

Miss Allen will have charge of the Children's room in the new library, and it is hoped that the mothers and teachers will co-operate with her in teaching the boys and girls a love of good books, which shall help to make them better men and women in the years to come.

Miss Jennie C. Wright was sent as delegate to the meeting of the American Library Association at Niagara, from June 22–27.

Her report of the meeting was an interesting account of various sessions of the conference, and gave to those members of the staff who remained at home, a broader view of the library field.

Miss Alice M. Fuller entered the library service as a volunteer worker on March 4. She left the service, November 20, to take up special studies.

GIFTS.

In addition to the gifts mentioned under Buildings and Equipments, the most notable one of the year was a bookplate, designed by Ludvig S. Ipsen of Boston, the gift of Mr. Nathaniel T. Kidder.

A facsimile given herewith shows how successfully Mr. Ipsen has combined the town seal and the new building.

For a list of other donors, see Appendix 4.

It is important that the Library should own complete files of local publications.

Town reports, warrants, newspapers, school catalogues, programs, church notices, etc., will be appreciated should any one have copies to give to the Library.

The Library is trying to get the following numbers of the *Milton News*. Can anyone supply them?

MISCELLANEOUS.

The Library publishes quarterly a Bulletin of new books.

From time to time, lists of books on special subjects are included in the Bulletin.

Borrowers wishing to recommend books for purchase will find cards for this purpose at the Central Library and at all of its branches.

Exhibitions of pictures loaned by the Library Art Club have been much enjoyed, especially the photographs of English country churches.

Respectfully submitted,

GERTRUDE E. FORREST,
Librarian.

REPORT OF THE PARK COMMISSIONERS FOR 1903.

To the Citizens of Milton:

The main work of your Park Commission for the year has been the completion of the ball field at the Brook Road Playground. As soon as the necessary funds were supplied by vote of the March meeting, bids were called for and the contract awarded to Michael Gibbons, the lowest bidder. Also wire fence was continued along the back and the East end of the Playground, and a rough temporary fence along the front. We feel that the work here of grading, sowing and rolling has been well done. The early drought was no detriment for this part of the work, as the rain came very soon after the grass was sown. We hope after rolling the field in the spring we shall be able to open it to the public. There remains to be done a little in the way of ornamentation. We shall plant a few trees with the balance still to the credit of this Playground, and put the edges of the plot in good order.

At the East Milton Playground we have done quite a little towards getting the Adams Street side in presentable shape. This we were able to pay for with the proceeds of the gravel sold, as already foreshadowed in a previous report. We were not able to sell more gravel from the hummock last spring, as we reported expecting to, but feel that the Town can perfectly well afford to wait for further development of the grounds, as the gravel is liable to command a larger price. Meanwhile we have enough of a balance to be able to continue the improvements on a small scale.

As was to be expected, the filling over the sewer at Waterside Common killed a good many trees and bushes. We have removed most of those which died and contemplate spreading some loam over the line of the sewer and making this section less desolate than it looks at present.

Only a portion of the amount appropriated for the improvement of the School grounds has been expended. Some work was done at the Tucker School, a few undesirable trees being removed, and the shrubs planted there a year or two since were pruned and good manure dug in around them. The early drought was very hard on the oaks planted at the Sumner School, and the widening of Blue Hill Avenue has made it desirable that a good deal be now done to try to restore this region to a state of order. The fact that the whole of this appropriation was not expended is due rather to the difficulty of deciding amongst many ways of spending it than to its not being needed.

We ask again for $100, to continue this work in the School grounds, and for $100 for the general running expenses of the Commission. No further appropriation is now needed for the Common or Playgrounds.

Respectfully submitted,

NATHANIEL T. KIDDER,
HORATIO A. LAMB,
CHAS. E. ROGERSON,
Board of Park Commissioners,
Town of Milton.

REPORT OF TREE WARDEN FOR 1903.

To the Citizens of Milton:

There is always danger of reiteration in annual reports. I do not, however, feel that it is possible to make too prominent the danger to Milton from insect pests, even if I do refer to it every year. Perhaps it may be said by some that a Tree Warden's duty is to care for the trees along the public ways and that his duty ceases with these. This is to my mind not the case, either in this question of insects, or as I shall try to show farther on, in the question of the shrubs or hedges planted next the roads.

Still continuing the subject of the danger to the Town from insects, and I mean by this not only the Town as such, but every individual who owns or hires land, I wish to urge in addition to liberal appropriations that every one will do what he can to keep down the hordes of canker-worms, tent caterpillars, rose beetles, potato bugs, each and every kind of destructive insect; for only by united action can we keep them in check.

I am impelled to make this appeal to individuals by my experiences of this year. It has been discouraging that in some instances those who have previously been willing to pay for the spraying of trees along their frontage have this year refused to do so, or have indicated that they would not pay another year. The fact is, that some have not realized that by the spraying the foliage of their trees has been saved for a season, and that this means a new lease of life for those trees. Again, if the spraying has been done late, it has shown no apparent advantage to trees or owner. I could point to cases where the trees were sprayed too late to show results the year they were treated, where the reason of the work being done late was that the owners waited to see whether the worms were going to do any damage. In spite of this, much good was done for the next year.

The chief feeding season for insects is when the leaves are young and tender. The work of destroying insects must be thought out ahead and not left until the last moment. Where the insects are abundant one year is where they may be expected to be found the next year. I take it that it is the duty of your Tree Warden to awaken interest in the infested districts and incite the residents of those sections to vigorous action. I have tried to do this, and have pieced out the work paid by individuals with the help of the Town appropriations, but in spite of the law allowing a town's representative to go on private land for this purpose, I do not think it wise to rely too much on the Town's fund. Not one word could or should I say if the attitude taken was that the land owner preferred to kill his insects in his own way *and did it.* Lack of interest is the hardest condition to face.

Another duty of my office referred to above, you may differ from me and think it beyond my province, is to see that hedges and shrubbery do not encroach on the space allotted for sidewalks. Am I not justified in appealing to you to attend to this yourselves instead of leaving it to be done by the Town? Is it fair that a tree in the edge of the road should be blamed for preventing the passage of the snow-plow, when the real trouble is that a hedge overgrows the sidewalk? Often such a hedge obliges foot passengers to walk in the street in wet weather. It is proper that the town should attend to overhanging branches of trees, because these require more or less special apparatus and experience in attending to them. Hedges should not be planted so near the sidewalk as to interfere with its use.

I stated last year that I thought $500 would be necessary in case of an insect invasion. Most of this I used in fighting the canker-worm and elm leaf beetle. It is impossible to separate the work done for each kind of pest in this case, as the treatment is practically the same, differing chiefly in the time of spraying, but the dates of doing the work overlapping. A good deal of time was spent this year in destroying tent caterpillar nests, which is charged in the regular labor account.

The work of trimming was taken up on Centre Street where left off last year. Canton Avenue from the churches to the village was gone over. There was a good deal of work in and about the village. Adams Street was passed over hurriedly as far as Otis Street, which was attended to, and from there to East Milton the work was more carefully done, as this part of Adams Street had not been done recently on account of the digging for various pipes. The side streets in East Milton were most all attended to. Then the work was begun at the village end of Eliot Street and continued through to Mattapan, with digressions for each of the smaller streets belonging to the Town, and also Central Avenue. From Mattapan the men followed Thacher and Highland Streets and then did School Street. This only indicates the main work, and as usual a good deal was done in all the regions visited, for private individuals, of course in all cases at their own expense.

Planting trees has much discouraged me, as all young trees are so abused. I feel that I must try again, but that protectors will be necessary, of iron or strong wire, this adding much to the expense.

I must ask again for $1,500 to carry on the work on these various lines.

Respectfully submitted,

NATHANIEL T. KIDDER,

Tree Warden.

REPORT OF THE ASSESSORS.

The assessors of the Town of Milton for the year 1903 submit the following report:

The Board organized with George W. Nickerson, Chairman, and Wm. W. Churchill, Secretary.

The assessors recommend an appropriation of $475 for clerk hire and renewing of land plans.

The assessors gave the notice required by law, requesting tax payers to bring in true lists of their polls, real and personal property.

The number of polls assessed was 1,849, a gain of 93.

There was a loss of $661,767 personal, and gain of $215,625 in real estate, a loss of valuation for the year of $446,142. The Town received in bank and corporation taxes for the year 1902, $69,757.26. The assessors would renew their request to the residents of the town owning stock in National banks or Massachusetts corporations to have their residence recorded on the books of such corporations, as Milton, otherwise the tax on their stocks which is paid by the corporations will be lost to the Town.

The assessors found this year 86 claims for tax on stock owned by residents of Milton credited to Boston, and 47 claims credited to Hyde Park — quite a large sum credited to those places.

The assessors made a claim on Boston and Hyde Park for the tax on this stock, which claims were allowed and credited to Milton.

The assessors would suggest that when returns are made by stockholders to corporations, their residence as well as their post-office address be given.

GEORGE W. NICKERSON,
JOSIAH BABCOCK,
WILLIAM W. CHURCHILL,
Assessors.

REPORT OF INSPECTOR OF CATTLE.

MILTON, MASS., January 1, 1904.

To the Selectmen of the Town of Milton:

GENTLEMEN, — During the past year I have inspected one hundred twelve (112) barns, most of which I have found in good sanitary condition. I have given a physical examination to eight hundred ninety (890) heads of cattle and two hundred twenty-nine (229) swine, which I found free from all disease. Besides these, I examined eight (8) cows which I considered tuberculous, and so quarantined and reported to the State Board. Of these, three (3) were killed per order of the Board, one (1) released as free from disease, and four (4) released because the appropriation was expended.

Have also stamped carcasses of beef and hogs slaughtered by Peter McIntyre and Ellerton P. Whitney.

Respectfully submitted,

JAMES SPENCER,
Inspector.

REPORT OF THE COMMITTEE ON PUBLIC BATHING FACILITIES.

To the Citizens of Milton:

Your Committee on Public Bathing Facilities has the honor to make the following report: —

FORMER ACTION OF THE TOWN.

At the March Meeting, 1902, the town voted to appropriate the sum of $2,500 for the construction of a swimming pool and dressing room; also a further sum of $750 for running expenses of the same. It was also voted to have a committee of five appointed by the Moderator to serve without pay, to superintend the construction and use of such pool and dressing rooms in accordance with the report of the Committee on Public Bathing Facilities, dated February 18, 1902. (Art. 54. Town Warrant, 1902.)

The money for this appropriation was raised in the taxes for the year 1902, but before the work of construction had begun, it was found that the Town had failed to accept Sections 20 and 21 of Chapter 25 of the Revised Laws of Massachusetts permitting a Town to purchase or lease land and erect, alter, enlarge, repair and improve buildings for public baths, wash-houses, etc. The attorney for the Town held, that on account of this omission, the vote was illegal, and the money which had been raised for the swimming pool should be placed in the general treasury.

At the March Meeting, 1903, by unanimous vote the Town accepted the above provision of the Statute, but it did not, at that time, vote to turn over the money for the construction of the swimming pool, for the reason that the original plan to locate the pool at the lower end of Turner's Pond had been abandoned and no new location was definitely decided upon. It was therefore voted "that the subject matter of Art. 48, Town Warrant, 1903, which provided for an appropriation of $1,500 for the construction of a pool and $750 for running expenses, be left to a committee of five to be appointed by the moderator to serve without pay and to report to the Town at some future meeting." Your present committee has been appointed in this capacity.

CONDITIONS IN MILTON.

The conditions in Milton as they existed in 1902 are clearly set forth in the previous report of the Committee on Public Bathing Facilities, and it may not be out of place to quote from them as follows: —

"1. Good bathing and swimming for both sexes with proper accommodation and supervision, may be had during the summer months at Houghton's Pond. This pond, however, is five miles from East Milton, one of the three centres of population; and four and one-half miles from Lower Mills and Mattapan, the other two centres. Moreover, no electric cars run within two miles of the pond.

"2. Pools in the quarries are used by some persons in early summer, but the water is stagnant and soon becomes unhygienic.

"3. In a very small pool in Pine Tree Brook near Mr. Harvey Dudley's house, the water is pure and is used by some children for a bathing place.

"4. (*a*) The Neponset River near the Hollingsworth mills in Mattapan is resorted to by large numbers of swimmers, but it is absolutely unfit for swimming. The testimony of residents of that vicinity is that this stream is worse than a sewer. The engineer of the State Board of Health declares it to be 'one of the foulest streams in the state.'

"(*b*) Below the chocolate mills, near the Milton Boat Club float, in tidal water, hundreds of persons bathe. Although the salt water that comes in here has a purifying influence, yet the whole body of the highly polluted water of the Neponset River is also here, and several cases of sickness have been traced by physicians to swimming in this place. Dr. Walcott, the chairman of the State Board, says that in his opinion this part of the river is entirely unfit for bathing. Gulliver's Creek, where a good many persons bathe, falls under the same ban.

"5. We know of no other places in the town where there is any considerable amount of bathing. Thus, it appears that with the exception of Houghton's Pond, which is nearly five miles from each of the more thickly populated parts of the town, there is practically no place in Milton which is suitable for bathing purposes. This deprivation must be keenly felt in the hot summer months by the twelve hundred children in our public schools, most of whom spend their vacations at home; not to mention many other persons who have outdoor occupations and who would enjoy the luxury of a good swim or bath."

Your committee has consulted with the principal of the High School, the chief of police and with members of the original committee, and it is the opinion of these gentlemen, as well as the opinion of your present committee, that the conditions which existed in 1902 have in no way changed. It is true that the Legislature has authorized the State Board of Health to take action for the purification of the Neponset River, and that the Board has already ordered abutters to cease polluting the stream, but the Board's engineer has told your committee that, in his opinion, the river would not be clean enough to permit of bathing for at least two years, and probably not for three or more. Therefore, there seems to be no immediate prospect of using the Neponset River to bathe in.

New Recommendations.

Your committee believes that a swimming pool ought to be built in Milton.

It seems, however, to your committee that the appropriation asked for in 1902 is larger than is necessary. That though an out of door pool such as is proposed would be popular with the boys and men, it would hardly be suited for girls and women. Instead of spending $500 for the construction of a bath-house for both sexes, your committee thinks that a suitable shelter for men and boys can be built for $300. Your committee is also of the opinion that as the matter is still more or less of an experiment it would be wiser to make the pool but a quarter of an acre in size instead of half an acre, as this can be done for only $600. Mr. Jacob A. Turner has now made the following new offer.

"I, Jacob A. Turner, hereby revoke my former offer to the Town of Milton, dated Jan. 7, 1902, for a swimming pool and for the land on which to build a bath-house, and make the following offer instead for the town to vote on at the March meeting, 1904:

"1st. For the sum of $600 I will excavate a space for a swimming pool and skating pond one quarter acre large on the south side of my pond between my canal as it now flows and the pond itself, to such a depth that when the water is let in from the canal the depth will be 4½ feet everywhere except in one part, where it shall be 9 feet deep for an area of 15 x 30 feet.

"2d. I will close up all connection of this pool with the pond so that the supply shall come in to said pool from the canal and go out of said pool by a canal which shall take all the water past the pond and into the stream below, and I will finish off the banks with a slope and an appearance suitable for the purposes of the proposed swimming pool.

"3d. I will grant the town of Milton free passage to and from the said pool from Brook Road.

"4th. I will have said excavation completed by June 1st, 1904.

"5th. I will let the town of Milton have free and absolute control of the said pool so that it may be used as a swimming pool in summer and to skate on in winter, and the use at all times of all the water that can be drawn from the aforesaid canal, for an uninterrupted term of three years from the first day of May, 1904, or from the completion of the excavation if completed after or before that date.

"6th. I will also allow the Town to erect on or conveniently near the border of said pool, a building to be used for dressing and undressing in summer, and for a shelter for skaters in winter.

"7th. When the pool is excavated and the building erected, I will at the request of the Town authorities, if they wish it, sign a lease of the pool and adjacent land necessary for its contemplated uses, at a nominal rental of $1.00 a year.

"8th. I will forfeit all claim on the Town for any payment whatsoever if the pool is not excavated and separated from the pond and the necessary dams built to hold the water in the said pool, and an outlet and an inlet made — all to the satisfaction of the Town.

"9th. For every delay of a week after June 1st, I will forfeit the sum of $25 per week, said sum to be deducted from the $600 otherwise due to me from the Town on the satisfactory completion of the work.

(Signed) JACOB A. TURNER."

January 6, 1904.

Therefore, your committee, believing that the above offer is advantageous to the Town, recommends (*a*) the acceptance of this offer; (*b*) the appropriation of $1,300, made up of the following items:—

$600	for excavations;
$300	for shelter;
$400	for running expenses for one year.

(*c*) The appointment of a committee of five to serve without pay to superintend the construction and use of such pool and dressing room.

For the Committee,

J. A. LEE.

Milton, Mass., January 11, 1904

REPORT OF THE TRUSTEES OF THE CEMETERY.

Milton, February 4, 1904.

To the Citizens of Milton :

The Trustees of the Cemetery submit their report for the year 1903 as follows:

The Board organized with Mr. Gannett as Chairman and Mr. Kennedy as Secretary and Treasurer. Mr. John Graham was appointed Superintendent.

The appointment of Mr. Graham was made after due consideration by the Trustees, and while many duties connected with the cemetery were new to him. His thorough knowledge of stone-work, which is a large item in the cemetery, has made him most valuable.

During the year eighteen new lots have been laid out and partly graded; one lot was sold to a non-resident; sixteen lots have been regraded; foundations for six monuments and twenty-five headstones have been built.

Five lots have been taken under perpetual care; eighty-two interments have been made. The following avenues and paths have been resurfaced: Laurel Avenue and Thistle Avenue from Elm to Shamrock; Acanthus, Tulip, Acacia, Amaranth, Orange, Hazel, Petunia, Primrose, Elder, Jasmine, Ivy and Kalmia paths.

A number of unsightly trees have been removed, besides many that were cut down to make room for new lots which we are grading. We ask for the usual appropriation of two thousand (2,000) dollars.

Your Trustees have, for some time, felt the need of having running water in the Cemetery for the purpose of watering avenues and newly grassed lots, and for the convenience of persons who may wish to water flowers and shrubs on their lots. An article in the Town Warrant, asking to have money appropriated for this purpose, will appear, and it is hoped this may be granted at the next Town Meeting.

AMOR L. HOLLINGSWORTH, WILLIAM H. KENNEDY, C. MINOT WELD, J. FRANK POPE, SAMUEL GANNETT,	*Trustees.*

REPORT OF TREASURER OF CEMETERY.

		$2 000 00

WM. H. KENNEDY,
Treasurer.

REPORT OF THE SEWER COMMISSIONERS.

The Board of Sewer Commissioners have pursued the policy expressed in their report of last year, namely, to anticipate somewhat the completion of the Metropolitan Sewer by the construction of sections of the Town sewer. They, therefore, have built and connected with the Metropolitan Sewer about 8,687 feet of sewer on the following streets in East Milton: Adams, Brackett, Church, Eaton, Granite Place, Mechanic Street, Pierce, Washington, and Willard. This construction has largely covered the section of East Milton between the Quincy line and the track of the N. Y., N. H. & H. R. R. The Commissioners feel that, although the Metropolitan Sewer Commissioners have postponed the date for opening their sewer, the work in East Milton was timely, and they recommend the continuance of the same policy during the coming year. The cost of the work in East Milton has been about $11,150.

Since the last report of your Sewer Commissioners, the Street Department has completed the independent surface drain on Adams Street, and the Commissioners believe that the syphon situated near the bridge will not be so great a source of expense as formerly. This, and other estimates of expense, have led the Commissioners to recommend that the sum appropriated for sewer maintenance during the ensuing year be $750, instead of $1,000 as heretofore.

The requests for sewer connections which the Commissioners have received, show clearly that the citizens feel the need of a more extended sewer system, and the Commissioners feel that the Town will deem it wise to build a moderate amount of sewer each year, rather than to postpone till public health demands a large outlay at one time.

The work done at East Milton is shown by the following table:

NUMBER OF FEET OF SEWERS LAID IN THE EAST MILTON DISTRICT.

	10 in.	8 in.	6 in.
Adams Street		1,689 03	
Brackett Street			500 00
Church Street			250 00
Eaton Street		450 00	
Granite Place		1,150 00	300 00
Mechanic Street			585 38
Pierce Street		140 00	823 50
Washington Street		1,350 00	
Willard Street	1,290 18		159 82
	1,290 18	4,779 03	2,618 70
		Total,	8,687 91

Interest 1902 and 1903	267 28	
		$3,516 61
Less expenses for year 1903		22 25
		$3,494 36

EXTRACT FROM THE WILL OF ELIZABETH T. L. REED.

"All the rest, residue and remainder of all the moneys remaining in the hands of said Executor or Administrator, I direct shall be divided into three equal parts

. . . .

"The second of said parts shall be paid to and deposited with the Treasurer for the time being of said Town of Milton, the same to be received, held and invested by said town as a fund to be known as the 'Jason Reed Fund,' and the income thereof shall be applied to the preservation, care, improvement or embellishment of the said Milton Cemetery.

"And the third of said parts shall be paid to said Town of Milton, and the same shall be applied by the proper legal authorities to or towards laying out, improvement or ornamentation of a Public Park or Parks in said town, in such manner as said authorities may deem advisable.

"I make the foregoing bequests in favor of First Parish, the Cemetery and the Parks in said Milton, both on account of the deep interest taken by my father, the late Jason Reed, deceased, in the affairs of said town, and of my own profound desire for the welfare of said town and of the citizens thereof."

TOWN STATISTICS.

ANNUAL TOWN REPORT

OF

MILTON

MASS.

FOR THE YEAR ENDING

DECEMBER 31, 1904

COMPILED BY

THE AUDITORS

Stanhope Press
F. H. GILSON COMPANY
BOSTON U.S.A.

STATEMENT OF THE AUDITORS.

To the Citizens of Milton:

In accordance with the Revised Laws and the By-Laws of the town, we have examined the books and accounts of all officers and committees intrusted with the expenditure of money, and all original bills and vouchers on which moneys have been paid from the treasury for the year ending Dec. 31, 1904, and have found the same correct.

Respectfully submitted.

LEONARD E. LITTLEFIELD } *Auditors.*
GEORGE A. FLETCHER }

Milton, Mass., *Dec.* 31, 1904.

REVISED BY-LAWS.

TOWN OF MILTON, MARCH 3, 1902.

Adopted by the Town and approved by the Superior Court, May 20, 1902.

CHAPTER 1.

General Provisions.

Section 1. These By-Laws, contained in this and the succeeding chapters, being ten chapters in all, may be designated as the Revised By-Laws, adding the number of the chapter and section when necessary.

Sect. 2. So far as the provisions of these By-Laws are the same in effect as those of previously existing By-Laws, they shall be construed as a continuation of such By-Laws, but, subject to said limitations and the provisions of the next section, all By-Laws of the town heretofore in force are hereby repealed; provided that this repeal shall not apply to or affect any By-Law, order, or article heretofore adopted, accepting or adopting the provisions of any statute of the Commonwealth.

Sect. 3. These By-Laws and the repeal of all By-Laws heretofore in force shall not affect any act done, any right accrued, any penalty or liability incurred, or any suit, prosecution, or proceeding, pending at the time when they take effect; nor shall the repeal of any By-Law thereby have the effect of reviving any By-Law theretofore repealed or suspended.

Sect. 4. When in a By-Law anything is prohibited from being done without the license or permission of a certain

officer, officers, or board, such officer, officers, or board, shall have the power to license or permit such thing to be done.

Sect. 5. In all the By-Laws of the town the following words and expressions shall, unless inconsistent with the manifest intent, be severally construed as follows: —

The words *public way* shall include any highway, townway, road, bridge, street, avenue, boulevard, roadway, parkway, lane, sidewalk or square; *the owner or occupant* of a building or land shall include any sole owner or occupant, and any joint tenant and tenant in common of the whole or of any part of a building or lot of land; words purporting to give a joint authority to three or more officers or other persons shall give such authority to a majority of such officers or persons; the word *person* may include corporations; words importing the singular number may apply to the plural number, and words importing the masculine gender may apply to the feminine gender.

Sect. 6. All fines and penalties for the violation of any By-Law shall, when received, inure to the use of the Town, and be paid into the town treasury, unless it be otherwise directed by the laws of the Commonwealth or the By-Laws of the town.

Sect. 7. Whoever violates any of the provisions of the By-Laws of the town, whether included in these By-Laws or any hereafter enacted, whereby any act or thing is enjoined or prohibited, shall, unless other provision is expressly made, forfeit and pay a fine not exceeding twenty dollars for each offence.

Sect. 8. Whoever shall refuse or neglect to obey any order of any town officer or board of town officers, issued under any of the By-Laws of the town, directed to him and properly served upon him, shall, in cases not otherwise provided for, forfeit and pay for such offence a fine not exceeding twenty dollars.

Sect. 9. Prosecutions for the breach of any of the pro-

visions of the By-Laws of the town shall be commenced within six months from such breach.

SECT. 10. Any or all of the By-Laws of the town may be repealed or amended, or other By-Laws may be adopted, at any town meeting, annual or special, an article containing the subject-matter of the proposed change having been inserted in the warrant for such meeting.

CHAPTER 2.

TOWN MEETINGS.

SECTION 1. The warrants for all town meetings shall be directed to the constables of the town, and the meetings shall be notified by posting attested copies of the warrant in each of the post-offices of the town at least fourteen days, and by leaving printed copies thereof at the dwelling-houses in the town at least four days, before the day of such meeting.

SECT. 2. The annual meeting for the election of town officers shall be held upon the first Monday of March, the polls to be open at seven o'clock in the forenoon, and after the election of a Moderator, they shall remain open until two o'clock in the afternoon for the election of such other town officers as are required by law to be elected by ballot, all said officers to be voted for on one ballot. At any time after 2 P.M. a vote may be passed to close the polls in not less than ten minutes.

SECT. 3. After the closing of the polls and the election of other town officers, the remaining articles in the warrant shall be considered.

SECT. 4. All motions shall, if required by the Moderator, be reduced to writing before being submitted to the meeting.

SECT. 5. Upon taking the question, if the decision of the Moderator is doubted, or a division of the house called for, the Moderator shall request the voters to be seated, and shall

appoint tellers; the question shall then be distinctly stated, and those in the affirmative and negative, respectively, shall be requested to rise and stand in their places until they are counted by the tellers, who shall carefully count each side and make a report thereof to the Moderator.

SECT. 6. No vote shall be reconsidered at the same meeting, except upon a motion made within one hour of the adoption of such vote, unless ordered by two-thirds of the voters present and voting thereon.

SECT. 7. When a question is before the meeting, the following motions, viz.: —

to adjourn,
to lay on the table,
for the previous question,
to postpone to a time certain,
to commit (or recommit) or refer,
to amend or substitute,
to indefinitely postpone,

shall have precedence in the order in which they are placed in this section.

In proposed amendments involving amounts or dates, the smallest amount and the shortest time shall be put first.

SECT. 8. After the declaration of the vote for town officers, thirteen legal voters shall be appointed by the Moderator, who, together with the chairman of the selectmen and the chairman of the school committee, shall constitute a committee to be known as the Warrant Committee. The persons so appointed shall continue as members of said committee until the town meeting of the ensuing year.

CHAPTER 3.

THE WARRANT COMMITTEE.

SECTION 1. The Warrant Committee shall, within two weeks after their appointment, meet, at the call of the member

thereof first named, for organization by the choice of a chairman and secretary. And they shall meet thereafter from time to time as they may deem advisable.

SECT. 2. It shall be the duty of the Warrant Committee to inform themselves concerning those affairs and interests of the town, the subject-matter of which is generally included in the warrants for its town meetings; and the officers of the town shall, upon their request, furnish them with facts, figures, and any other information pertaining to their several departments; provided, however, that any such information may be withheld when, in the opinion of the officer or board of officers so requested, the communication thereof might injuriously affect the interests of the town or its citizens.

SECT. 3. The Warrant Committee shall consider the various articles in the warrants for all the town meetings held during the period for which they were appointed, including the various articles in the warrant for the annual town meeting next after their appointment; and they shall report in print before all such town meetings their estimates and recommendations for the action of the town.

CHAPTER 4.

THE TOWN'S FINANCES AND PROPERTY.

SECTION 1. The financial year shall begin with the first day of March.

SECT. 2. The Selectmen shall annually, not less than seven days before the annual meeting, cause to be printed and distributed among the tax-payers of the town, a detailed report of all moneys received into and paid out of the town treasury during the preceding calendar year, with such information and recommendations as they may deem proper, and with detailed estimates of the amounts of money that will be required for the ensuing financial year. With this report

shall be printed the records of all meetings of the town held since the last annual report was printed, the reports of the Auditors, of the Surveyors of Highways, and of the Engineers of the Fire Department, the Collector's account of receipts, payments, and abatements, a list of all taxes assessed, an abstract of the births, marriages, and deaths to be furnished by the Town Clerk, a statement concerning the condition and funds of the public library and the cemetery to be furnished by the trustees respectively, and a statement of all other funds belonging to the town or held for the benefit of its inhabitants; also statements of the liabilities of the town on bonds, notes, certificates of indebtedness, or otherwise, and of the total money paid the Town, the income of which is to be applied to the care of lots in the cemetery. The annual report shall also contain such other matters as may be required by the By-Laws of the town.

SECT. 3. The assessment of taxes shall be completed and the tax list and warrant shall be delivered to the collector on or before the first day of August in each year.

SECT. 4. Poll taxes shall be payable on demand, and all other taxes assessed in each year shall be payable on or before the first day of December in the same year; and on all such taxes as are not paid on or before the said first day of December, interest shall be charged at a rate to be fixed annually by the Town, pursuant to Section 72 of Chapter 12 of the Revised Laws; and the Collector shall use all the means and processes provided by law for the collection of all taxes remaining unpaid after the first day of December in the same year.

SECT. 5. No person being an officer of the town shall in his official capacity make or pass upon, or participate in making or passing upon, any sale, contract or agreement, or the terms or amount of any payment, in which the Town is interested and in which such officer has any personal interest at variance with that of the Town.

SECT. 6. The Selectmen, being duly authorized by vote of the Town under the limitations imposed by statute, may authorize the Treasurer to borrow money temporarily in anticipation of the collection of taxes, or upon loans authorized by vote of the Town, and to give promissory notes therefor in behalf of the Town, the same to be signed by the Treasurer and countersigned by a majority of the Selectmen.

SECT. 7. No money granted for special purposes shall be applied to any other use unless by a vote of the Town, and all unexpended balances of such grants shall be stated in the annual report.

SECT. 8. No order shall be drawn by any officer or committee on the Town Treasurer for any purpose not authorized by a vote of the Town, or by the laws of the Commonwealth, nor shall any such draft be made for any amount which overdraws the appropriation against which it is made, whether general or special; and the Town Treasurer shall keep full accounts in respect to the several separate appropriations and the drafts made against each, and shall not honor any draft which does not state specifically the appropriation against which it is drawn, or which overdraws such appropriation, whether general or special.

SECT. 9. To provide for extraordinary expenditures of departments, should any become necessary in excess of appropriations made, the Town shall annually appropriate a certain sum of money to be known as the Contingent Fund. No direct drafts against this fund shall be made, but transfers from the fund may be made by vote of the Warrant Committee to the account of any other appropriation. A certified copy of such vote shall be sent to the Town Treasurer, and the Treasurer shall transfer accordingly, and honor drafts against the funds so transferred as if originally appropriated.

SECT. 10. No board, committee, or officer of the town shall commit the Town to any expenditure or liability which would, in the ordinary course of business, be chargeable to

the appropriation of which such board, committee or officer, is or has been in charge, after such appropriation has been exhausted, or after the satisfaction of all liabilities against it would exhaust it, until either the Warrant Committee shall have transferred additional sums to such appropriation, or until the Town, at a meeting of the voters, shall have acted in the matter.

SECT. 11. No grant of a sum of money exceeding five hundred dollars shall be made until the subject-matter thereof has been considered and the estimates reported to the Town, either by the Selectmen or other town officers, or by the Warrant Committee or some committee chosen for that purpose in pursuance of a vote of the Town.

SECT. 12. The Selectmen shall have full authority as agents of the Town to institute and prosecute suits in the name of the Town, and to appear and defend suits brought against it, unless it is otherwise specially ordered by a vote of the Town.

SECT. 13. Whenever it shall be necessary to execute any deed conveying land or other instrument required to carry into effect any vote of the Town, the same shall be executed by the Selectmen, or a majority thereof, in behalf of the Town, unless the Town shall otherwise vote in any special case.

SECT. 14. Two Auditors shall be chosen by ballot at the annual meeting, who shall have the power and perform the duties prescribed by statute.

CHAPTER 5.

THE CEMETERY.

SECTION 1. The sole care, superintendence, management, and control of the Cemetery shall be intrusted to a board of five trustees to serve for the period of five years; one of said Board shall retire and a new member be elected at each annual meeting of the Town.

In case of vacancies in the Board of Trustees the remaining members may fill the same, but any member so chosen shall hold office only until the next annual town meeting, when a Trustee shall be elected for the unexpired term.

SECT. 2. Citizens of Milton who are heads of families and have been residents of the town not less than five years shall be entitled to lots in the Cemetery, allowing one lot to a family, subject to the regulations adopted by the Town, upon payment of the charges for putting the lot in order; but by unanimous consent of the Trustees the five years' residence requirement may be waived.

SECT. 3. The Trustees, when in their judgment it shall be deemed advisable, may sell lots at the rate of fifty cents a square foot, but only to those who are in some way connected with Milton people.

SECT. 4. The proprietor of each lot shall cause to be erected, at his own expense, corner-stones, and a step with his name and the number of the lot inscribed on the same, and shall cause his lot to be kept in proper order; and if the proprietor shall omit for thirty days after notice to erect such landmarks and to keep the lot in order, the Trustees shall have authority to have the same done at the expense of said proprietor.

SECT. 5. No lot shall be used for any other purpose than as a place of burial for the dead, and no proprietor shall suffer the remains of any person to be deposited within the bounds of his lot for hire; nor shall any proprietor sell or transfer the whole or any part of his lot without the consent of the Trustees.

SECT. 6. If in the judgment of the Trustees any trees or shrubs in any lot shall become detrimental to the adjacent lots or avenues, or dangerous or inconvenient, it shall be the duty of the Trustees to enter upon said lot and to remove said trees and shrubs, or such parts thereof as are thus detrimental, dangerous or inconvenient.

SECT. 7. There shall be no structure or inscription placed in, upon or around any lot which the Trustees shall deem offensive or improper; and it shall be the duty of the Trustees to remove all offensive or improper objects.

SECT. 8. The Trustees shall have authority to purchase any tomb in the Cemetery offered for sale, paying for the same such sums as, in their judgment, may be fair and reasonable. They shall also have authority to give for any tomb a lot to be constructed on the land occupied by the tomb, or to be selected at some other point in the Cemetery grounds, as they may agree with the proprietor of the tomb. Should there be no living proprietors, or legal representatives of deceased proprietors, the Trustees may take possession of such tomb, carefully remove its contents to a lot prepared for the purpose, and erect over the remains a suitable memorial stone.

SECT. 9. The following regulations shall be posted within the Cemetery: —

1. All persons are prohibited from driving on the borders.
2. No horse shall be left upon the grounds without a keeper, unless fastened to posts provided for the purpose.
3. All persons are prohibited from discharging firearms within the grounds of the Cemetery, except in connection with military memorial services.
4. All persons are prohibited from writing upon or otherwise defacing any sign, monument, fence, or other structure.
5. All persons are prohibited from gathering flowers, or breaking any tree, plant or shrub.
6. Dogs are not allowed within the Cemetery grounds.

CHAPTER 6.

POLICE REGULATIONS.

SECTION 1. No person shall move or assist in moving any building, over any way which the Town is obliged to

keep in repair, without the written permit of the Selectmen being first obtained; nor, having obtained such permit, without complying with the restrictions and provisions thereof.

SECT. 2. Whoever, without a written license from the Selectmen, shall cause or suffer any cart or wagon to remain within the limits of any public way so as in any manner to obstruct travel thereon, or for more than twenty-four hours, shall forfeit and pay a sum not less than one dollar and not more than ten dollars for each offence; and he shall be subject to a like penalty if he neglects to remove the same within the time ordered by such officers, who may revoke such license at any time.

SECT. 3. No person shall place or cause to be placed, upon any public way or sidewalk, any lumber, iron, wood, coal, trunk, bale, box, crate, cask, barrel, package or other thing, and allow the same to remain for more than one hour, or more than ten minutes after being notified by a constable, police officer or the Selectmen.

SECT. 4. Any person who intends to erect, repair or take down any building on land abutting on any way which this Town is obliged to keep in repair, and desires to make use of any portion of said way for the purpose of placing thereon building materials or rubbish, shall give notice thereof to the Selectmen. And thereupon the Selectmen may grant a permit in writing to occupy such a portion of said way to be used for such purpose as in their judgment the necessity of the case demands and the security of the public allows; such permit in no case to be in force longer than ninety days, and to be on such conditions as the Selectmen may require; and especially in every case, upon condition that during the whole of every night, from twilight in the evening until sunrise in the morning, lighted lanterns shall be so placed as effectually to secure all travellers from liability to come in contact with such building materials or rubbish.

SECT. 5. No person shall throw or place, or cause to be

thrown or placed, any ice or snow into or upon any public way, unless the same be broken into small pieces and spread evenly.

Sect. 6. Whoever, without the written permission of the Selectmen, shall place or cause to be placed in or upon any public way, or sidewalk, any ashes, dirt, rubbish or filth of any kind, or any animal or vegetable substance, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

Sect. 7. Whoever shall suffer any horse or grazing beast, or swine, to run at large in the town, or to feed in any public way either with or without a keeper, and whoever shall drive any such animal upon any sidewalk, or suffer any horse to remain hitched across any sidewalk, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

Sect. 8. Three or more persons shall not continue to stand or remain in a group, or near to each other, on any sidewalk or in any public place in such a manner as to obstruct a free passage for foot passengers, after having been requested by a constable or police officer to move on. Any person who shall violate the provisions of this section shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

Sect. 9. No person shall dig up or obstruct any portion of any way which the Town is obliged to keep in repair without the permit, in writing, of the Selectmen, nor, having obtained such permit, shall fail to comply with the conditions thereof; and in addition to any penalty to which he may be subjected under these By-Laws for such failure, he shall reimburse the Town for all expenses and damages which, or for which, the Town may be compelled to pay by reason of such unauthorized use, or any failure to comply with said conditions.

Sect. 10. No person shall ride or drive any beast of

burden, carriage or draught, or shall propel or cause to be propelled any bicycle, tricycle, automobile or any vehicle whatsoever, at a rate of speed exceeding ten miles an hour, in or over any public way.

SECT. 11. No person shall permit any team under his care or control to stand across any public way in such a manner as to obstruct the travel over the same for an unnecessary length of time; no person shall stop with any team in any public way so near to another team as to obstruct public travel; and no person shall stop with any team or carriage upon or across any crossing in any public way.

SECT. 12. No person shall drive or take charge of at the same time in any public way two or more vehicles drawn by horses or other beasts; or shall allow any vehicle belonging to him to be driven in any public way without some competent person in charge thereof.

SECT. 13. Whoever shall coast upon ice or snow on Adams Street, between Churchill's Lane and the line of the City of Boston, or upon any public way on which the Selectmen or Superintendent of Police shall by public notice have forbidden such coasting, and whoever shall drive, wheel or draw any coach, cart, wheelbarrow, handcart, velocipede, bicycle or any carriage of burden or pleasure, except children's carriages, or coast upon any sidewalk in the town, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 14. Whoever shall behave in an indecent or disorderly manner, or use profane, indecent, or insulting language in or upon any sidewalk, public way, or other public place, to the annoyance or disturbance of any other person there being or passing in a peaceable manner, shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

SECT. 15. Any person or persons who shall play or perform on any musical instruments, or sing, parade, march, or

congregate in any public way or public place, except in connection with a funeral, without the written permit of the Selectmen, shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

Sect. 16. Whoever shall be or remain on any doorstep, portico, or other projection from any house or building, or upon any wall or fence on or near any public way or public place, after being requested by the occupant of the premises or by any constable or police officer to remove therefrom, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

Sect. 17. No person shall throw stones, snowballs, sticks, or other missiles, or kick a football or play at any game in which a ball is used, or fly any kites or balloons, in any public way.

Sect. 18. Whoever shall affix, by paste or otherwise, any handbill, placard, notice, or advertisement, or paint, draw, or stamp the same, or any marks or figures, to or upon any signboard of the town, or to or upon any building, fence, wall, tree or structure, without the permission of the owner of such building, fence, wall, tree or structure, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence; and if such handbill, placard, notice, advertisement, mark, or figure be obscene or indecent, the penalty shall not be less than twenty dollars for each offence.

Sect. 19. Whoever shall undertake to enter a particular drain into a common sewer without a permit in writing from the Sewer Commissioners or without complying with the conditions and directions of such permit, shall forfeit and pay a sum not exceeding ten dollars.

Sect. 20. Whoever shall lead or cause to be led into any public way, or running stream, any drain or pipe from any house or other building whereby filthy water or other unclean matter may be emptied into or upon any such public way or

running stream; and whoever shall throw, lead or discharge, or cause to be thrown, led or discharged, into any public way, or running stream, any noxious or poisonous matter or substance, or any matter or substance which shall cause an offensive smell or odor, or which shall be destructive of, or injurious to, animal life, shall forfeit and pay a sum not less than five dollars nor more than twenty dollars.

SECT. 21. The Selectmen may grant licenses to use a certain portion of any public way as a carriage-stand, under such terms and conditions as they may prescribe; and no person shall use any portion of any public way as a carriage-stand for the solicitation of passengers for hire without a license from the Selectmen. But licenses shall not be confined to one person to the exclusion of other applicants, and shall be granted so as to allow competition and promote public convenience.

SECT. 22. No person shall distribute papers, circulars, or advertisements through the town or any portion thereof in such a manner as to make a litter or otherwise cause public annoyance.

SECT. 23. No person shall fire, discharge, explode or set off any gun, fire-arm, torpedo, fire-cracker or fire-works in such manner as to frighten any horse, or to disturb the peace or quiet of any neighborhood.

SECT. 24. No person shall wilfully deface or injure any public playground, planting space, flower bed, tree, shrub or grass border.

SECT. 25. No person shall own or keep a dog which by barking, biting, howling or in any other manner is disturbing the peace or quiet of any neighborhood.

SECT. 26. No hawker or peddler shall within the limits of the town sell any of the goods, wares or merchandise specified in Section 15 of Chapter 65 of the Revised Laws, without obtaining a license so to do from the Selectmen. Such license shall remain in force not later than the thirty-

first day of May following its date; and every applicant shall pay therefor a sum not exceeding one dollar, to be fixed by the Selectmen.

SECT. 27. No itinerant vendor, hawker or peddler, as defined in Chapter 65 of the Revised Laws, shall go through the town peddling, selling, or exposing for sale any goods, wares, merchandise, articles, or things whatsoever, unless he has due license so to do either from the proper authority of the State or from the proper authority of the Town under the provisions of law or of the By-Laws of the town.

CHAPTER 7.

THE CONSTRUCTION AND INSPECTION OF BUILDINGS.

SECTION 1. There shall be in the town a Department for the Inspection of Buildings, which shall be furnished with office room and such supplies for the transaction of business as the Selectmen may provide.

SECT. 2. The officer of said department shall be called the Inspector of Buildings. He shall be appointed by the Selectmen, and shall hold office until his successor is appointed. His compensation shall be regulated by the Selectmen.

SECT. 3. Wherever the word Inspector without further addition occurs in this chapter, it means the Inspector of Buildings.

SECT. 4. The Inspector shall keep a record of all business of the department, and shall submit to the Selectmen such reports of the same as they may require.

SECT. 5. The Inspector may, so far as is necessary for the performance of his duties, enter any building or premises within said town at any reasonable hour.

SECT. 6. The Selectmen may, after a hearing, of which public notice shall be given at least seven days prior thereto, by posting a written notice thereof in each post-office in the

town and on the public bulletin boards in the town, and by publishing the same in a newspaper published in the town, or, if there be no such newspaper, in one published in the city of Boston, pass a vote designating building limits within the town; and upon the acceptance of said vote by the Town at a meeting called as provided by law, said building limits shall be established. Said building limits may comprise the whole or any specified part or parts of the territory of the town.

Sect. 7. Until building limits are established as provided in Section 6, the provisions of this Chapter shall apply to the erection, alteration and removal of buildings and other structures throughout the town. After the establishment of such building limits said provisions, save as otherwise specified therein, shall apply to the erection, alteration and removal of buildings and other structures within such building limits only.

Sect. 8. No work shall be done upon any wall, building or other structure except such repairs as may be necessary for the preservation of the same, nor shall any wall, building, or other structure be erected, raised, moved, enlarged, altered, or torn down, without a permit from the Inspector.

Sect. 9. Applications for such permits shall be in writing upon blanks furnished by the Town, and shall be directed to the Inspector, who shall keep a record of the same.

Sect. 10. In the case of an application for a permit to erect, raise, move or alter a building or other structure where the Inspector is of opinion, because of all the circumstances, that the reasons for the provisions of this chapter do not apply, the Inspector may, with the consent in writing of the Selectmen, issue a special permit waiving all or any of said provisions. But before such permit is granted, three days' notice in writing from the Inspector shall be served upon all persons owning land within two hundred feet of the pro-

posed building or structure, in order that such owners may be heard in opposition to the granting of such permit. The Selectmen shall keep a record of all such permits to which they consent.

SECT. 11. The framing plans and specifications of every building or other structure, and of every alteration in a building or other structure, for which a permit is required, shall be deposited temporarily with the Inspector. A copy of the plans and specifications of public buildings and of every alteration in a public building shall be deposited permanently with him. All plans and specifications deposited under this section shall be dated and signed by the Inspector immediately upon being received by him.

SECT. 12. Every permit issued by the Inspector shall state the purpose for which the building is to be used, and the conditions, if any, under which it is granted. All permits issued shall be recorded in detail, and said records shall be preserved.

SECT. 13. The Inspector shall not give a permit for the erection of any building or other structure until he has inspected the plans and specifications thereof, and ascertained that the building as planned has sufficient strength, proper means of ingress and egress, and that it conforms to the law and the By-Laws of the town, or for the alteration of any building or other structure already erected, until he has examined said building or other structure and the plans and specifications of said alteration, and has satisfied himself that said building as altered will have sufficient strength, proper means of ingress and egress, and will conform to the law and the By-Laws of the town.

SECT. 14. The Inspector shall inspect all work for which a permit has been issued, and shall see that it is being carried on according to law and the By-Laws of the town.

SECT. 15. No permit for the erection of any building to be used as a factory, or in which steam or other motive power is

to be used, or which is to be used for the manufacturing of chemicals, or for the alteration or the moving of any building for any of such uses, shall be granted until after public hearing before the Selectmen; and no building for any of such purposes shall be erected, altered or moved without such permit. Notice of such hearing shall be given, at least seven days prior thereto, by posting a written notice thereof in each post-office in the town, and on the public bulletin boards in the town, and by mailing a copy of the same to the owners of premises within five hundred feet of the proposed location of the building, addressed to their last known residence or place of business, and by publishing the same in a newspaper published in the town, or, if there be no such paper, in one published in the city of Boston.

Sect. 16. No boiler to furnish steam for power shall be set or erected, except on a permit from the Inspector, issued after a hearing as prescribed in the preceding section.

Sect. 17. Permits for the erection, alteration, or moving of any building to be used as a stable in which more than four horses are to be kept shall only be granted after hearing as provided in Section 15. Notice of such hearing shall be sent to the Board of Health of the town, in addition to the notices prescribed in said Section 15.

Sect. 18. The provisions of Sections 15, 16 and 17, shall apply to the whole town irrespective of building limits.

Sect. 19. The Selectmen may, in their discretion, after a hearing as provided in Sections 15, 16 and 17, instruct the Inspector not to issue the permit asked for, and in such case no such permit shall issue.

Sect. 20. In case the owner of any building or other structure, or an applicant for a permit to erect, move or alter a building or other structure, is dissatisfied with any order or decision of the Inspector made in any of the proceedings prescribed in this chapter, the matter shall be referred to the Selectmen, who, within one week from said reference, shall

hear the parties, and, after taking such expert opinion as may seem to them to be necessary, give their decision. In case the decision of the Inspector is affirmed, the expense of any expert opinion taken by the Selectmen shall be paid to the Town by the owner or applicant on demand; otherwise such expense shall be borne by the Town.

SECT. 21. Every portion of every building or other structure in process of construction, alteration, repair or removal, and every neighboring building or other structure or portion thereof affected by such process, or by any excavation, shall be properly supported during such process or excavation.

SECT. 22. All chimneys shall be built of brick or stone, and shall be lined with flue linings starting two feet below all thimble holes and at least two feet below the under side of first-floor timbers, and extending above the roof boarding; or shall have an eight-inch brick or stone wall from the foundation to the roof boarding, and shall be topped at least three feet above the highest point of contact with the roof.

SECT. 23. No nails shall be driven into any chimney at any point; and no woodwork shall be within one inch of any chimney.

SECT. 24. Sills and girders shall be of sufficient size to safely support the superstructure.

SECT. 25. All woodwork, including lath and plaster, within two feet of any heating apparatus or smoke pipe, and all woodwork, including lath and plaster, coming in contact with any pipes from said apparatus, shall be properly protected by a metal or stone shield.

SECT. 26. All partitions in which hot-air pipes run shall be lined with sheet metal, or the pipes shall be wound with asbestos covering.

SECT. 27. Where dwellings of more than two stories are to be occupied by more than two families, there shall be at

least two flights of stairs from the ground floor to the top floor, or one flight from the ground floor to the top floor inside, together with an approved fire escape outside.

Sect. 28. The studding of main or carrying partitions shall be not less than four inches in thickness, and shall have a proper support at bottom with a header not less than three inches in depth unless hard pine is used, then it may be two inches. All openings in main partitions of more than thirty inches shall be trussed over and have double studding at sides. Every partition shall have a header extending the length of the partition, and carrying partitions shall be bridged with stock the full width of studding, and two inches thick at least once in height.

Sect. 29. The studding in outside walls and in partitions shall be not more than sixteen inches on centres unless permission is otherwise granted.

Sect. 30. For buildings other than wooden dwelling-houses the size of floor timbers shall be of sufficient size in the opinion of the Inspector to safely carry the weight intended. In wooden dwelling-houses the floor timbers for a 12 to 14 foot span shall be not less than 2 x 8; for a 14 to 16 foot span, not less than 2 x 9; for a 16 to 18 foot span, not less than 2 x 10; for an 18 to 20 foot span, not less than 2 x 12; in every case the timbers shall be not more than 16 inches apart on centres.

Sect. 31. All headers and trimmers shall be double the thickness, framed together and pinned or hung in stirrup iron and joint bolted.

Sect. 32. All floor joists on the first floor shall be framed in even with the bottom of the sill and stopped off between where they come above the sills, either with joists or brick. Fire stops, the full width of the studding, and not less than three inches thick, shall be cut in on top of the floor joists on each floor above the first floor.

Sect. 33. All floor timbers shall be bridged, in a space

of more than eight feet, with 1 x 3 inches, or 2 x 3 inches, stock, properly nailed at each end.

SECT. 34. The rafters of all buildings shall be of sufficient size, in the opinion of the Inspector, to safely carry the weight that must necessarily be put upon them, and be placed not over twenty inches apart on centres.

SECT. 35. In dwellings arranged for two or more families, side by side, the vertical division walls between the families shall be either of brick not less than eight inches thick and continued without break or interruption from cellar bottom to roof boarding, or of studding not less than four inches in thickness; and the spaces between the studding shall be filled solid, either with brick and mortar, mineral wool, or other incombustible material, approved by the Inspector, and this fire-proof filling shall continue up to the roof boarding.

SECT. 36. All hearths shall be supported by trimmer arches of brick or stone.

SECT. 37. All piers shall be built of brick or iron columns on proper stone or brick footing, and be of such size as to safely carry the weight they are intended to sustain. Brick piers shall be built of hard-burned brick laid in cement mortar.

SECT. 38. All wooden buildings hereafter erected shall have the sills, posts and girts mortised, tenoned and pinned together and supported by suitable studding, and shall be properly braced. End girts shall be placed in all wooden buildings. Sills shall be not less than 6 x 6 inches and shall be properly tied to all girders, and a sufficient number of floor timbers shall be tenoned and pinned to same to keep the building from spreading.

SECT. 39. Posts and girts shall be not less than 4 x 6 inches, other posts not less than 4 x 8 inches, and plates not less than 4 x 4 inches.

SECT. 40. No wooden building shall be built within two feet of the line of an adjoining lot, unless a brick wall at least

eight inches in thickness shall be substituted for the wooden wall next said line.

Sect. 41. Every wooden building or structure hereafter erected shall have a stone or brick foundation resting upon the solid ground or upon concrete, piles, or other durable substructure; said foundation shall be securely and properly built, shall have a sufficient amount of large stone extending through the wall to properly bond and tie it together, and shall be of such thickness as to properly sustain the weight it is intended to support.

Sect. 42. The underpinning above grade, if of brick, shall be not less than ten inches in thickness; if of stone, not less than fourteen inches in thickness, and shall be laid in mortar.

Sect. 43. All foundation walls shall be laid at least three inches below cellar bottom, and not less than three feet six inches below any adjoining surface exposed to frost.

Sect. 44. Every building or structure hereafter built of brick, stone, iron or other hard and incombustible materials shall have foundations resting upon the solid ground, or upon concrete, piles or other durable substructure, and not less than four feet below any adjoining surface exposed to frost.

Sect. 45. Foundation walls for such buildings as are designated in Section 44 shall be built of brick, stone, or other suitable substance, properly bonded and solidly built with one half cement mortar.

Sect. 46. For brick buildings with walls not exceeding thirty-five feet in height, the foundation walls, if built of common stone, shall not be less than thirty inches thick at bottom and twenty inches thick at top, and be built of stone large enough to extend through the wall; if built of block stone in horizontal courses, the walls shall be not less than sixteen inches the entire height, and shall rest on a footing course twelve inches high and twenty-four inches wide.

Sect. 47. For brick buildings exceeding thirty-five feet

in height the foundation walls, if built of common stone, shall be not less than thirty-six inches thick at bottom and twenty-four inches thick at top, and be built of stone large enough to extend through the wall; if built of block stone in horizontal courses, the walls shall be not less than eighteen inches thick the entire height, and rest on a footing course twelve inches high and thirty inches wide.

SECT. 48. Party or partition walls shall be built upon a footing course of stone or brick not less than four inches each way larger than thickness of the wall it is to sustain, and twelve inches high.

SECT. 49. External walls of brick buildings less than fifteen feet in height shall be not less than eight inches thick; over fifteen and less than thirty-five feet in height they shall be not less than twelve inches thick, except when the building is used as a dwelling-house, then the walls of the upper story may be not less than eight inches thick; over thirty-five feet in height the walls shall be not less than sixteen inches thick to the top of second floor, and twelve inches thick the remaining height.

SECT. 50. In every brick wall at least every ninth course shall be a heading or bonding course, except where walls are faced with face brick, in which at least every ninth course shall be bonded with Flemish headers, or by cutting the courses of face brick and putting in diagonal headers behind the same, or by splitting face brick and backing them with a continuous row of headers.

SECT. 51. Vaulted walls shall contain, exclusive of ties, the same amount of material as required for solid walls, and shall be securely tied together with headers in every sixth course at least.

SECT. 52. In reckoning the thickness of walls, no allowance for ashlar shall be made unless it is at least eight inches thick, in which case the excess over four inches shall be reckoned as part of the thickness of the wall. Ashlar shall

be at least four inches thick and properly held by metal clamps to the backing, or properly bonded to the same.

BUILDING GRADES.

SECT. 53. The Selectmen may, after a hearing, of which public notice shall be given at least seven days prior thereto, by posting written notice thereof in each post-office in the town and on the public bulletin boards in the town, and by publishing the same in a newspaper published in the town, or if there be no such newspaper, in one published in the city of Boston, and by giving personal notice to the owners of land to be effected by delivering to such owners a copy of said notice or by depositing the same in the post-office, post-paid and addressed to them at their last known residence or place of business, pass a vote designating a building grade or building grades for any part or parts of the town; and on the acceptance of such vote by the Town at a meeting called as provided by law, said building grade or building grades shall be established.

SECT. 54. Said building grade or building grades may be at different heights above the level of the sea in different parts of the town, as the nature of the ground may require.

SECT. 55. No cellar floor of any building erected on land for which a building grade has been established, nor any part, except the foundation, of a building on such land which has no cellar, shall be below said grade.

OTHER PROVISIONS.

SECT. 56. The Inspector in the name of the town may take such measures as the public safety requires, to carry the provisions of this chapter into effect; and any expense incurred in so doing may be recovered by the Town from the owner of the defective property.

SECT. 57. Any person violating any of the provisions of this chapter shall be liable to a fine of not less than $20, nor more than $100, for each offence.

CHAPTER 8.

THE REGULATION AND INSPECTION OF PLUMBING.

SECTION 1. The word Inspector, without further addition, wherever used in this chapter, means the Inspector of Plumbing.

SECT. 2. No person shall carry on the business of plumbing unless he is a plumber and shall have first registered his name and place of business in the office of the Inspector of Buildings; and notice of any change in the place of business of a registered plumber shall be immediately given to said Inspector of Buildings.

SECT. 3. Every plumber before doing any work in a building shall, except in the repair of leaks, file at the office of the Inspector upon blanks furnished for that purpose a notice of the work to be performed; and no such work shall be done in any building without the approval of the Inspector.

SECT. 4. No pipes or other fixtures shall be covered or concealed in any way until the same have been examined and approved by the Inspector. Notice shall be sent to the Inspector when the work is sufficiently advanced for such inspection, and it shall be the duty of such Inspector, within two working days after receiving such notice, to inspect the same; and in case any change therein shall be found necessary, he shall direct in writing the change to be made.

SECT. 5. All plumbing work shall be subjected to the water test before the fixtures are set. After all the fixtures are set the work shall be subjected to the smoke, peppermint or other reliable test under pressure. All such tests shall be made in the presence of the Inspector.

SECT. 6. The sewage and waste piping of every house or building shall each be separately and independently connected with the street sewer, where one is provided, or with a proper cesspool; and where there is no sewer in the street, and it is

necessary to construct a private sewer to connect with one on an adjacent street, such system shall be used as may be approved by the Inspector.

SECT. 7. The soil-pipe of every building shall be of sufficient size to receive, and allow freely to pass, all that enters or should enter the same. All soil-pipes shall be of extra heavy cast-iron pipe; all drain and connecting ventilating pipes within the building shall be of sufficient size, and made of cast-iron with leaded and calked joints, but wrought-iron pipe may be used for vent purposes; said pipes shall be properly secured to walls and ceiling with wrought-iron hangers. The soil-pipe of every building shall be not less than 4 inches, vent pipes not less than 1½ inches, and waste pipes not less than 2 inches, in diameter.

SECT. 8. Every drain-pipe shall be supplied with a suitable trap placed with an accessible clean-out at the point where it leaves the building, and shall have a proper pitch and extend 5 feet outside of the cellar wall; said clean-out may be placed outside of the cellar wall if made accessible. The pipe from this point to the sewer or cesspool shall have tight joints. All drain or ventilation pipes shall extend undiminished in size at least 2 feet above the highest window on roof, and all changes in direction of soil-pipes shall be made by Y branches or bends as the Inspector shall direct.

SECT. 9. All joints in iron drain-pipes, soil or vent pipes shall be made by thoroughly calking the same with molten lead. Joints of lead pipes with iron pipes shall be made by soldering the same into brass ferrules by means of a full-sized wiped joint, and calking the ferrules to pipes which are of cast-iron, or screwing them to pipes which are of wrought-iron.

SECT. 10. Every water-closet, urinal, sink, basin, bath-tub, slop-hopper, and every tray or set of trays shall be furnished with a separate trap, placed as near the fixture as possible, and in no case shall the waste from the bath-tub or

other fixture be connected with a water-closet trap. Traps shall be protected from siphonage or air pressure by special pipes of a size not less than the waste-pipe, placed outside or below the trap; lead pipes shall be used only where they are exposed to the view. Air-pipes for the water-closets shall be not less than two-inch bore. Two or more air-pipes may be connected together or with a soil-pipe, but such connection with a soil-pipe shall be above the upper fixture of the building.

Sect. 11. No drip or overflow pipes from safes under water-closets, urinals or other fixtures, no overflow pipes from tanks or cisterns, no waste-pipes from refrigerators or other receptacles in which food is stored, no rain-water conductors, and no steam exhaust pipes or steam waste-pipes, shall be connected with any soil-pipe. No openings shall be allowed in the soil- or waste-pipe of any building for the purpose of receiving the surface drainage of the cellar. No brick, sheet metal, earthenware or chimney flue shall be used as a sewer ventilator, or to ventilate any trap, drain, soil- or waste-pipe.

Sect. 12. Every water-closet or line of water-closets on the same floor inside of the building proper shall be supplied with water from a tank, and shall have a flushing pipe of not less than 1¼ inches diameter inside.

Sect. 13. Cesspools shall have a top of stone, or arched brick, with iron rim and cover, and may be laid up dry, unless otherwise ordered by the Board of Health.

Sect. 14. Every privy vault shall be at least four feet distant from the line of an adjoining lot, unless by the consent of the owner of such lot; and every vault shall be so constructed as to be conveniently approached, opened and cleaned, and shall be made tight, so that the contents thereof cannot escape therefrom, if, in the opinion of the Inspector, the surroundings require it.

Sect. 15. No water-closet shall be enclosed with any upright woodwork.

SECT. 16. In the case of any dispute or difference in opinion between the Inspector and any person, the same shall be submitted by either party to the local Board of Health, who shall pass upon the same, and whose finding therein, after hearing, shall be final and conclusive upon all parties. No member of said board shall sit in a case in which he is interested, and in case of such disqualification, or of the necessary absence of any member, the two other members shall appoint a substitute. If two or more members are so disqualified or absent, the Inspector shall appoint one substitute, the appellant another, and the two so appointed shall, if necessary, appoint a third.

SECT. 17. The Inspector of Buildings, in the name of the town, may take such measures as the public safety requires, to carry the provisions of this chapter into effect, and any expense incurred in so doing may be recovered by the Town from the owner of the defective property.

SECT. 18. A person violating any of the provisions of this chapter shall be liable to a fine not exceeding $50.

CHAPTER 9.

STREET RAILWAYS.

SECTION 1. The annual report shall contain the following concerning the street railways in the town and the street railway companies owning or operating the same, viz.: —

Copies or full statements of all locations granted to street railways during the preceding calendar year, with all the terms, conditions and modifications thereof, and the terms of any modifications granted during the year of locations previously granted.

A copy of all regulations in force as to the rate of speed, the mode, manner and extent of use of tracks, and the number and routes of cars of any and all such companies made

by the Selectmen under the provisions of Sections 40 and 42 of Chapter 112 of the Revised Laws.

A statement of all taxes paid the Town by street railway companies during the preceding calendar year, which by the terms of Section 47 of Chapter 14 of the Revised Laws are to be applied toward the construction, repair and maintenance of the public ways and removal of snow therefrom within the town.

Sect. 2. Whenever the Selectmen are of opinion that additional accommodations for the travelling public are required upon any street railway in the town, and the company neglects or refuses to furnish the same at their request, it shall be their duty to petition the Board of Railroad Commissioners to order such additional accommodations to be provided under the terms of Section 70 of Chapter 112 of the Revised Laws.

CHAPTER 10.

Town Ways.

Section 1. Every way that shall be laid out for the acceptance of the Town as a town way shall be not less than thirty feet in width.

Sect. 2. Whenever an existing private way, the fee of which is in the abutters, shall be laid out for the acceptance of the Town as a town way, the document relating to such laying out shall be accompanied by a certificate of a competent civil engineer, which shall be filed in the office of the Town Clerk, together with said document, before such way shall be accepted. The said certificate shall state that such private way is well built; and that as constructed it is equal to the average construction of the existing highways of the town.

Sect. 3. Whenever any way shall have been laid out or altered by the Selectmen, and accepted and allowed by the

Town, no entry for that purpose of constructing any part of such laying out or alteration shall be made until all claims for damages by reason thereof shall have been finally adjusted or determined, unless such entry shall be authorized by special vote of the Town.

MILTON TOWN RECORDS.

FOR THE MUNICIPAL YEAR 1904–1905.

MARCH MEETING.

WARRANT.

Commonwealth of Massachusetts.

NORFOLK, SS. *To either of the Constables of the Town of Milton,* GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Town affairs, to meet at the Town Hall, in said Milton, on Monday, the seventh day of March next, at 7 o'clock A. M., then and there to act upon the following articles to wit: —

ARTICLE 1. To choose a moderator to preside at said meeting.

ART. 2. To choose all such Town officers as are required by law to be chosen by ballot; also on the same ballot to vote "Yes" or "No" in answer to the question, "Shall license be granted for the sale of intoxicating liquors in this Town?" The polls to be opened at 7 o'clock in the forenoon and may be closed as early as 2 o'clock in the afternoon.

ART. 3. To choose all such Town officers as are not required by law to be chosen by ballot.

ART. 4. To hear and act upon the Auditor's Report, and reports of other Town officers or committees.

ART. 5. To see what sum of money the Town will appropriate for the support of schools the ensuing year.

ART. 6. To see what sum of money the Town will appropriate for transportation of scholars the ensuing year.

ART. 7. To see what sum of money the Town will appropriate for the medical inspection of the pupils of the public schools; the same to be expended under the direction and at the discretion of the School Committee.

ART. 8. To see what sum of money the Town will appropriate for the Street Department the ensuing year: General Expenses, Construction of Sidewalks, Street Watering, Removal of Ice and Snow.

ART. 9. To see what sum of money the Town will appropriate for the Fire Department the ensuing year.

ART. 10. To see what sum of money the Town will appropriate for the Police Department the ensuing year.

ART. 11. To see what sum of money the Town will appropriate for Miscellaneous expenses the ensuing year: General Expenses, Interest, Abatements, Contingent Fund, Town Hall and Lot, Printing, Insurance.

ART. 12. To see what sum of money the Town will appropriate for Street Lighting the ensuing year.

ART. 13. To see what sum of money the Town will appropriate for the support of the Poor the ensuing year.

ART. 14. To see what sum of money the Town will appropriate for Salaries the ensuing year.

ART. 15. To see what sum of money the Town will appropriate for the Hydrant Rental the ensuing year.

ART. 16. To see what sum of money the Town will appropriate for the Public Library the ensuing year.

ART. 17. To see what sum of money the Town will appropriate for the improvement of the cemetery the ensuing year.

Art. 18. To see what sum of money the Town will appropriate for Soldiers' Relief the ensuing year.

Art. 19. To see what sum of money the Town will appropriate for State Aid the ensuing year.

Art. 20. To see what sum of money the Town will appropriate for the Health Department the ensuing year.

Art. 21. To see what sum of money the Town will appropriate for the maintenance of the Sewer Department the ensuing year.

Art. 22. To see what sum of money the Town will appropriate for the collecting of Ashes and Garbage the ensuing year.

Art. 23. To see what sum of money the Town will appropriate for the use of the Tree Warden, to be expended in the care and planting of shade trees and the destruction of insect pests injurious to trees the ensuing year.

Art. 24. To see what salary (if any) the Town will vote to pay the Tree Warden.

Art. 25. To see what sum of money the Town will appropriate for plans and clerk hire for the Board of Assessors.

Art. 26. To see what sum of money the Town will appropriate for the general uses of the Board of Park Commissioners the ensuing year.

Art. 27. To see what sum of money the Town will appropriate to be expended by the Park Commissioners in conjunction with the School Committee in the Improvement of the School Lots.

Art. 28. To see if the Town will vote to appropriate the sum of two hundred dollars ($200) to be expended by the Huntington Frothingham Wolcott Post 102, G.A.R., on Memorial Day.

Art. 29. To see what action the Town will take in regard to borrowing money.

Art. 30. To see if the Town will authorize the Collector of Taxes to use all means of collecting the taxes which a Town Treasurer, when appointed Collector, may use.

Art. 31. To see if the Town will accept the list of jurors as prepared by the Selectmen.

Art. 32. To see what action, (if any), the Town will take with reference to the balance of the funds collected by the Water Department.

Art. 33. To see what sum of money the Town will appropriate for the extension of Water Mains the ensuing year.

Art. 34. To see what sum of money the Town will appropriate to properly provide the Town Farm buildings with an ample supply of water for both domestic purposes and fire protection.

Art. 35. To see if the Town will appropriate the sum of one thousand dollars ($1000) to put the detention hospital in a condition suitable for the care of small pox patients.

Art. 36. To see what sum of money the Town will appropriate for water supply in the Milton Cemetery.

Art. 37. To see if the Town will appropriate the sum of nine hundred dollars ($900) for the construction of a swimming pool and dressing rooms; also the further sum of four hundred dollars ($400) for the running expenses of the same for one year. To see further if the Town will vote to have a committee of five appointed by the Moderator, to serve without pay, to superintend the construction and the use of such pool and dressing rooms in accordance with the report of the Committee on Public Bathing Facilities.

Art. 38. To see if the Town will take the Brook, called Pine Tree Brook, running from Central Avenue to Blue Hills Parkway, to a width of seventy-five feet and appropriate the sum of two thousand dollars ($2000), for land damages attendant thereto.

Art. 39. To see if the Town will appropriate the sum of one thousand dollars ($1000), for the cleaning of Pine Tree Brook from Central Avenue to Blue Hills Parkway, the work to be done under the supervision of the Superintendent of Streets.

Art. 40. To see if the Town will authorize the purchase of a combination Chemical Engine and Hose Wagon to better equip Hose 2 Company of East Milton and appropriate money for the same.

Art. 41. To see if the Town will authorize the location of a continuous line of electric lights on Blue Hill Avenue, from Cheever Street to the junction of Blue Hill Avenue and Canton Avenue, and appropriate money for the same.

Art. 42. To see if the Town will authorize the employment of a policeman—preferably a mounted policeman—to patrol the western section of the Town during the daytime, and appropriate money for the same.

Art. 43. To see what sum of money the Town will appropriate for the extension of the sewerage system.

Art. 44. To see if the Town will authorize the Selectmen in each year, until hereafter otherwise voted, to arrange for corporate surety or sureties upon the official bonds of such town officers as may be lawfully required to give bonds, and to pay the proper charges of such suretyship as a town expense; and charge the same to Miscellaneous Expense Account.

Art. 45. To see if the Town will have a Committee of three voters to be appointed by the Chair to examine into and consider the matter of the Betterment Assessments which during the last ten fiscal years of the Town might lawfully have been made, and those which have been made and those which have been paid in whole or part; and report, with their recommendations, to the Selectmen and to the next Town Meeting in writing.

Art. 46. To see if the Town will vote to accept Charles Street, as laid out by the Selectmen.

Art. 47. To see if the Town will vote to accept Dyer Avenue, as laid out by the Selectmen.

Art. 48. To see if the Town will vote to accept Belcher Circle, as laid out by the Selectmen.

Art. 49. To see if the Town will vote to accept Bates Road, as laid out by the Selectmen.

Art. 50. To see if the Town will vote to accept Church Place, as laid out by the Selectmen.

Art. 51. To see if the Town will vote to appropriate the sum of three hundred dollars ($300), for salaries for the Board of Health, the Salary of each member to be one hundred dollars ($100).

Art. 52. To see if the Town will accept the Provisions of Section 70 of Chapter 75 of Revised Laws, relating to Privy Vaults upon premises abutting on streets in which there are public sewers.

Art. 53. To see if the Town will authorize the Board of Health to make and enforce regulations for the public health and safety relative to house drainage and its connection with public sewers, if a public sewer abuts the estate to be drained.

Art. 54. To see what action the Town will take towards improving the new street running from Canton Avenue to Adams Street.

And you are directed to warn said inhabitants, qualified as aforesaid, to meet at the time and place and for the purpose herein mentioned, by posting attested copies of this warrant in each of the post-offices of said Town, fourteen days at least before said meeting, and leaving printed copies hereof at the dwelling houses in said Town, at least four days before such meeting.

Hereof fail not, and make due return of this warrant with your doings hereon, to the Town Clerk, at the time and place of said meeting.

Given under our hands at Milton this nineteenth day of February nineteen hundred and four.

JOHN F. BROWN,
MAURICE A. DUFFY,
Selectmen of Milton.

Commonwealth of Massachusetts.

NORFOLK, SS. MILTON, March 7, 1904.

Pursuant to the within warrant I have notified the inhabitants of the Town of Milton, as within directed, to meet at the time and place and for the purposes therein mentioned, by posting attested copies of the same in the post-offices of said Town, and by leaving copies at the dwellings of the inhabitants.

PETER MCINTYRE.
Constable of Milton.

At a meeting of the inhabitants of the Town of Milton, held according to the foregoing warrant upon March 7, 1904, the following proceedings were had upon the several articles in said warrant, namely: —

ARTICLE 1. Felix Rackemann, Esq., was chosen Moderator, and took the oath prescribed unto the office, before the Town Clerk.

Thomas M. Lennon, William A. Will, Clarence J. Edwards, George V. Fabian, Frank H. Williams, Louis B. Currier, Fred A. Packard, William L. Tarbox, Robert J. Clark, G. Frank Kemp, Eugene Gallagher, John A. Palmer, William A. Haley, Leonard M. Bradlee, Thomas B. Gordon, Patrick F.

Mahoney, George W. Adams, Gustave H. Bolles, William F. Welch, Charles L. Gage, Robert W. Gilchrist and Herbert L. Boutin, were appointed by the Selectmen as Ballot Clerks and Tellers, all of the above being sworn by the Town Clerk.

At 2 o'clock and 12 minutes P.M., *Voted*, That the Polls for Town Officers be closed, the result of the ballotting being as follows, viz.: —

ART. 2. Jesse B. Baxter, John F. Brown and Maurice A. Duffy, were chosen Selectmen and Surveyors of Highways.

Henry B. Martin was chosen Town Clerk.

Josiah Babcock was chosen Assessor.

J. Porter Holmes was chosen Town Treasurer.

Theodore I. Reese and William B. Thurber were chosen School Committee for three years, and George Y. Badger for one year.

John H. Emerson was chosen Collector of Taxes.

George A. Fletcher and Leonard E. Littlefield were chosen Auditors.

Nathaniel T. Kidder was chosen Park Commissioner.

Francis R. Hart was chosen Sewer Commissioner.

Robert F. Herrick was chosen Water Commissioner.

Abijah W. Draper was chosen on Board of Health.

The following Constables were chosen, namely: — Peleg Bronsdon, Edwin L. Crossman, Fred M. Farrington, Edwin A. Houghton, Herbert R. Lawrence, Jacob S. Lincoln, Timothy McDermott, Peter McIntyre, Maurice Pierce, Henry C. Shields, John H. Tucker and James Wigley.

Orin A. Andrews, H. Helm Clayton and Nathaniel T. Kidder were chosen Trustees of Public Library.

Samuel Gannett was chosen Trustee of Cemetery.

Nathaniel T. Kidder was chosen Tree Warden.

Lavina H. Brackett and Parker B. Field were chosen Overseers of Poor for three years. Horace N. Plummer and Arthur H. Tucker for two years and George Wigglesworth for one year.

Voted, That no license be granted for sale of intoxicating liquor in this town, the ballot being as follows, viz.: — Yes, 187 votes. No, 503 votes.

Art. 3. The following Officers were chosen *viva voce*: George Y. Badger and Ellerton P. Whitney, *Fence Viewers*; George E. Burt and Arthur H. Tucker, *Surveyors of Lumber*; Calvin H. Sanford, Pound Keeper and Field Driver.

Art. 4. *Voted*, That the Auditors' report be accepted.

Reports of Committees.

REPORT OF COMMITTEE ON GRADES FOR ADAMS STREET: To the Town Meeting of March 1904.

Milton, October 12, 1903.

The Committee appointed by the Moderator of the March meeting last year under Article 49 " To see if the Town will make application to the County Commissioners for Norfolk County to establish grades for Adams street in Milton between the boundary line of said town of Milton and the City of Quincy and the said town and the City of Boston," was composed as follows:

Henry E. Sheldon,
Samuel Gannett
Nathaniel T. Kidder
Charles S. Rackemann
J. Murray Howe

The vote passed by the meeting was:

> " *Voted*. That a Committee of five be appointed by the Moderator to consider the question of establishing grades for Adams street with power if thought best to take the necessary steps to accomplish this end; such committee to consider also the advisability of establishing grades for all town ways and highways in the town

> of Milton, and to report thereon at the next annual town meeting.
>
> Also in connection therewith this Committee be instructed to advertise and hold one or more public hearings.
>
> It was also voted. That the sum of $500 be appropriated for the use of the Committee in securing such professional assistance as it may deem wise."

This committee met and organized with Mr. Sheldon as chairman and Mr. Kidder as secretary and began its work with an investigation of the law in regard to the subject in hand.

At once arose the question whether the Town had not voted without due consideration of the powers resting in the Surveyors of Highways. A meeting was held with the Selectmen on 22d May in their capacity of Surveyors of Highways, at which we understood that it is their opinion that the present laws grant to no one the authority to *establish* grades.

Your committee believes that a certain permanency is meant to be given to existing grades, and at any rate the rights of abutters acknowledged by Revised Laws of Massachusetts Chapter 51, Section 15, which reads as follows:

> " If an owner of land adjoining a way who sustains damage in his property by an act done for the purpose of repairing the way, files his petition for compensation with the *mayor and aldermen or selectmen or road commissioners*, after the commencement and within one year after the completion of the work, *they* shall, within thirty days after the filing of said petition, unless the parties otherwise agree in writing, determine the amount of his damages and deduct therefrom the benefit, if any, to the complainant for such repair."

It appears that in Brookline and in Winchester a profile is considered a part of the laying out of any road, and therefore members of your committee consulted officers of those two towns competent to give us the information desired and learned that they proceed under no special act but simply rely on the provisions of law for the protection of abutters' rights which we have quoted above.

It is our opinion that the sum voted for our use was not legally appropriated, no appropriation being mentioned in the article in the warrant. We have contracted no bills for professional advice and in view of the points mentioned above we dispensed with advertising and holding public hearings.

To sum up, we believe that this committee has not power to afford any assistance with regard to Adams street, that the general subject matter is governed to some considerable extent by existing law, and nothing more can be obtained without going to the Legislature; and we ask that the committee be discharged.

Respectfully submitted,
HENRY E. SHELDON,
SAMUEL GANNETT,
NATHANIEL T. KIDDER,
CHARLES S. RACKEMANN,
J. MURRAY HOWE,

Voted, That the foregoing report be accepted, and the Committee discharged.

REPORT OF THE COMMITTEE ON PUBLIC BATHS (additional).

March 5, 1904.

To the Citizens of Milton:

Since your Committee on Public Bathing facilities sent its report dated January 11th to the printer, which report has already appeared, the following letter has been received from the Board of Health of this town: —

(Copy.)

Milton, Mass., February 10, 1904.

At a joint meeting of the Swimming Pool Committee and the Board of Health held February 9th, 1904, in regard to locating a swimming pool near Pond corner of Canton Avenue and Brook Road. The Board of Health is of the opinion that placing a swimming pool in proposed location, owing to its proximity to an ice pond, and other conditions, would be detrimental to the health of the public.

Per order Board of Health.

(Signed) A. W. Draper, *Secretary.*

For the Committee,

J. A. Lee.

Voted, That the report be accepted, and the Committee discharged.

REPORT OF COMMITTEE ON DETENTION HOSPITAL.

The committee appointed at the last Town Meeting to consider Article 52 of the warrant, viz.: "To see if the Town will vote to erect a hospital suitable for contagious and other diseases, and appropriate money for the same," makes the following report:

It seems unwise that the Town should erect a hospital for diseases other than contagious diseases (no single hospital being suitable for both contagious and non-contagious diseases), as the expense of erecting and maintaining a hospital is very great, and neighboring hospitals are available for such purposes: The Massachusetts General Hospital and the Carney Hospital in Boston, and the Quincy Hospital will take patients at ten and a half dollars per week, and many other hospitals are willing to care for patients at about this price, which is less than the wages of a single nurse.

The disposition of patients ill with contagious diseases is not so simple, as none of the general hospitals will admit such patients and only residents of Boston will be admitted to the contagious wards of the Boston City Hospital.

Cases of contagious diseases occur not infrequently in Milton which for various reasons cannot be cared for in their homes, and it is right that the Town should provide some place where they can be cared for.

The advisability of erecting a hospital was under serious consideration, when it was ascertained that the Town of Brookline having recently built a large hospital for contagious diseases, might be willing to admit patients from Milton, and a letter to the Brookline Board of Health elicited the following reply.

Town Hall, Brookline, Mass., August 11, 1903.

M. V. Pierce, Esq., Milton, Mass.

Dear Sir: — Your letter of July 15th to the Brookline Board of Health has been received and carefully considered. We should be glad to co-operate with Milton in taking care of patients having diphtheria and scarlet fever, but do not wish to bind ourselves to take care of outside patients in any manner which can restrict our capacity for taking care of our own. Our new buildings are large, comfortable and modern in appointments. They have been very expensive to build and are quite expensive to maintain. For the present we have fixed the charge at $15.00 a week for regular ward patients, except where a portion of the charge is remitted on account of the circumstances of the patient, but have not yet tried it long enough to know whether that charge fairly covers the cost of the service. When our hospitals are open and not crowded, a few more cases can readily be taken care of, but when the hospitals are either closed or full, it would be very expensive, or else very inconvenient to receive more. On the whole, the best plan for the present would probably be for Milton to arrange to send cases to our hospitals, after giving us such notice as each case would permit, at $15.00 per week, as long as we could provide for them. This arrangement could hardly be made for small-pox, for which our quarters are old and cramped.

Very truly yours,

JAMES M. CODMAN, Jr.
Chairman.

The terms of this proposal were so favorable that the committee gave no further consideration to the erecting of a hospital, the expense of building and equipping which, at the lowest estimate, would not be less than ten thousand dollars. This in its simplest form would be a building furnished, and ready to be opened and used in case of need.

Whenever such need should come, a nurse, who would probably be paid not less than twenty-one dollars per week, would have to be obtained; the hospital heated, and the nurse and patient fed.

Brookline offers to take care of these patients for fifteen dollars per week, and for five dollars to send its ambulance for them.

The committee unanimously recommends that this offer be accepted.

This offer, however, does not apply to cases of small-pox, which must be cared for by the Town.

The detention hospital, on the Town Farm grounds, is well situated for small-pox patients, but the present condition of the building is not suitable for the care of the sick, from lack of proper heating and bathroom facilities.

It is now heated by two air-tight wood stoves, which must need constant attention in cold weather, and give little ventilation. There is no bathroom whatever.

One corner of the building is an open shed.

It is advised that this be enclosed; that a small hot-air furnace be put into the ground floor space of this and that the space above be made into a bathroom.

The furnace room would be entered from without, so that the one caring for the furnace would not need to enter any other part of the building.

The expense of these improvements would be about one thousand dollars, and it is recommended that this sum be expended in putting the hospital into a more satisfactory condition.

The committe was directed to consider also Article 53 of the warrant, viz., "To see if the Town will vote to connect the detention hospital with the public water system, and appropriate money for the same."

As the detention hospital is one of the Town Farm buildings the committee has considered the advisability of supplying all these buildings with water.

At present the detention hospital has no water supply whatever; all water used has to be brought in pails.

The other buildings are supplied from a cistern and a well, a hand force pump being used to fill the tank in the house.

At times this supply, which is not of very good quality, has given out during a dry summer, and water has had to be brought in watering carts.

It seems right that these buildings should be provided with a supply of water which would be adequate for domestic purposes and fire protection.

A supply of water could perhaps be obtained by digging another well, and the water pumped by a windmill or gasolene engine, but such supply would be scarcely sufficient in case of fire, and a windmill or a gasolene engine requires considerable attention and repairs; therefore, although the first cost would be greater, the most desirable means of supplying water would be to connect all the Town Farm buildings with the public water system, at an estimated cost of thirty-five hundred dollars ($3500), and the committee recommends that this be done.

M. V. PIERCE,
CHARLES S. MINOT,
NATHANIEL H. STONE,
ELLERTON P. WHITNEY,
JESSE B. BAXTER.

Voted, That the report be accepted and the Committee discharged.

ART. 5. *Voted*, To appropriate the sum of $65,500 for the support of Schools the ensuing year.

ART. 6. *Voted*, To appropriate the sum of $2,000 for Transportation of Scholars the ensuing year.

ART. 7. *Voted*, To appropriate the sum of $300 for Medical Inspection of pupils of Public Schools, to be expended under the direction and at the discretion of the School Committee.

ART. 8. *Voted*, That the following amounts be appropriated for Highway expenditures the ensuing year, namely:—

For general expenditures, $30,000. For street watering, $8,000. For removal of ice and snow, $500, and the amount of Street Railway tax of 1904. For sidewalk construction, $2,500, plus any sidewalk betterment taxes received during the year. Said appropriation to be used solely for the construction of new permanent sidewalks, for which the customary sidewalk betterment taxes may be levied.

ART. 9. *Voted*, That Articles 9 and 40 be considered in conjunction.

Voted, To appropriate the sum of $21,700 for the Fire Department the ensuing year, $200 of which is for repairs of apparatus at East Milton.

ART. 10. *Voted*, That Articles 10 and 42 be considered in conjunction.

Voted, To appropriate the sum of $23,765 for the Police Department the ensuing year, and that the subject matter of Article 42 be referred to the Selectmen, to take such action as they deem best.

ART. 11. *Voted,* To appropriate the sum of $24,600 for Miscellaneous Expenses the ensuing year, as follows:—

For general expenses, $3,500; for interest charges, $9,500; for abatement of taxes, $2,500; for contingent fund, $3,500; for Town Hall and lot, $1,850; for printing, $1,650; for insurance, $2,100.

ART. 36. *Voted*, To appropriate the sum of $500 for Water supply in Milton Cemetery.

ART. 37. *Voted*, To indefinitely postpone.

ART. 38. *Voted*, To indefinitely postpone.

ART. 39. *Voted*, To indefinitely postpone.

ART. 40. *Voted*, To indefinitely postpone (see Article 9).

ART. 41. *Voted*, To authorize the locating of Electric lights on Blue Hill Avenue, from Cheever Street to Canton Avenue, and appropriate the sum of $731 therefor.

Art. 42. *Voted,* That the subject matter of this article be referred to the Selectmen to take such action as they deem best.

Art. 43. *Voted,* To appropriate the sum of $10,000 for the extension of the Sewerage system, and that said amount be raised by borrowing: that the Town Treasurer be, and hereby is, authorized and directed to issue by public or private sale, at not less than par value, in such manner as he deems best, the negotiable notes, bonds or scrip of the Town, in the aggregate principal sum of $10,000 in denominations of $1,000 each, or multiples thereof, payable as follows: $1,000 in 1905, and $1,000 in each succeeding year until paid. Said bonds, notes or scrip to be denominated "Milton, 1904 Sewer Loan," Act of 1895, and to bear interest at a rate not exceeding four per cent. per annum. Said vote was unanimously carried, the Moderator asking if any person wished to vote No.

Art. 44. *Voted.* That the Selectmen have authority to arrange for corporate surety, or sureties, upon the official Bonds of the Town Treasurer and Tax Collector, and that the expense of such suretyship be charged to the Miscellaneous expense account.

Art. 45. *Voted,* That a Committee of three be appointed by the Moderator, to examine into and consider the matter of the Betterment Assessments, which during the last ten fiscal years of the Town might lawfully have been made, and those which have been made, and those which have been paid in whole or part: and report, with their recommendations to the Selectmen, and to the next Town Meeting in writing.

Committee appointed: Charles S. Rackemann, J. Murray Howe, John C. Cobb, Jr.

Art. 46. *Voted,* To accept the street known as Charles Street, as laid out by the Selectmen, and that the name of the street be changed to Oak Street.

Art. 47. *Voted,* To accept Dyer Avenue as laid out by the Selectmen.

Art. 48. *Voted,* To accept Belcher Circle as laid out by the Selectmen.

Art. 49. *Voted,* To accept Bates Road as laid out by the Selectmen.

Art. 50. *Voted,* To accept Church Street as laid out by the Selectmen.

Art. 51. *Voted,* To indefinitely postpone.

Art. 52. *Voted,* That Section 70 of Chapter 75, of the Revised Laws (relating to privy vaults) be accepted by the Town.

Art. 53. *Voted,* That the Board of Health be authorized to make and enforce regulations for the public health and safety relative to house drainage and its connection with public sewers, if a public sewer abuts the estate to be drained.

Art. 54. *Voted,* That the street between Canton Avenue and Adams Street, as laid out in 1901, by the Selectmen, and accepted by vote of the Town, March, 1901, be named "Brook Road," and that the central portion of this street between Randolph Avenue and Churchill's Lane be improved to a width of not more than eighteen (18) feet, and thrown open to travel, and that the money required for such improvement be taken from the general Highway appropriation.

On leave, the following Resolution being presented for consideration by Mr. Rogerson it was unanimously voted and accepted as the sense of the voters present.

Resolved, That the citizens of the Town of Milton, desire to express to their townsman, Nathaniel T. Kidder, Esq., their thanks for his liberal gift of $21,000 to the Building Fund of the Milton Public Library, and to further show their appreciation of his generosity, authorize and instruct the Trustees to designate the main floor of the library building, as " Kidder Hall," and the Town Clerk is hereby authorized and instructed to furnish a copy of this vote to Mr. Kidder.

At 4 o'clock and 20 minutes p.m., it was moved by Mr. Charles S. Pierce that the meeting take a recess until the vote for Town Officers be counted, *so voted.*

The foregoing meeting was opened at 7 o'clock A.M., by the Town Clerk, who proceeded to the reading of the warrant.

Upon the conclusion of the reading of the third Article, it was moved that the further reading of the warrant be dispensed with.

Said motion being put for the consideration of the meeting, it was carried by a unanimous vote, and the further reading of the warrant (except the concluding paragraphs), was dispensed with.

At 8 o'clock and 50 minutes P.M., *Voted,* To dissolve the meeting.

A true record. Attest:

HENRY B. MARTIN,
Town Clerk.

At the meeting aforesaid, the whole number of ballots cast was 1,056, thirty-five of which being cast by women voters for School Committee.

WARRANT COMMITTEE.

The following citizens were appointed by the Moderator as a Warrant Committee for the ensuing year, in accordance with Chapter 2 of the Revised By-laws, to wit:

Charles S. Pierce.
Horace E. Ware.

NOVEMBER MEETING.

WARRANT.

Commonwealth of Massachusetts.

NORFOLK, SS. *To either of the Constables of the Town of Milton,* GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Milton, qualified to vote at elections, to meet at the Town Hall in said Milton, on Tuesday, the Eighth Day of November next, it being the Tuesday after the first Monday in said November, at seven o'clock in the forenoon, then and there to bring in their ballots for sixteen Electors of President and Vice-President, Member of Congress from the Tenth Congressional District; Governor, Lieutenant-Governor, Secretary of State, Treasurer and Receiver General, Auditor, Attorney-General all of this Commonwealth, Councillor for the Second District; District Attorney for the Southeastern District, Sheriff, County Commissioner and two Associate Commissioners, all for the County of Norfolk; Senator for the First Norfolk District, and Representative to General Court for the Fourth Norfolk Representative District. All to be voted for on one ballot.

The polls may be closed at four o'clock P.M.

And you are directed to warn said inhabitants qualified, as aforesaid, to meet at the time and place and for the purposes herein mentioned, by posting attested copies of this warrant in each of the post-offices of said Milton at least fourteen days before the day of said meeting, and leaving printed copies hereof at the dwelling houses in said Town at least four days before the day of said meeting.

Hereof fail not, and make due return of this warrant, with your doings hereon, to the Town Clerk, at or before the time of said meeting.

Given under our hands at Milton, this 14th day of October, Nineteen Hundred and Four.

John F. Brown,
Maurice A. Duffy,
Jesse B. Baxter,
Selectmen of Milton.

Commonwealth of Massachusetts.

Norfolk, ss. Milton, November 7, 1904.

Pursuant to the within warrant I have notified the inhabitants of the Town of Milton as therein directed, to meet at the Town Hall in said Milton, upon the date above mentioned, for the purposes therein set forth.

Peleg Bronsdon,
Constable of Milton.

Whole number of ballots cast at the foregoing election eleven hundred and ninety (1190).

Fourth Norfolk Representative District.

We the undersigned, Town Clerks of the towns of Canton and Milton, comprising Representative District Number Four, in the County of Norfolk, hereby certify: —

That at an election duly held in said towns upon the eighth day of November, A.D., 1904, for a candidate to represent said district at the next General Court, the following number of votes were given in for the several persons hereinafter named, to wit: —

For CHARLES S. PIERCE, of Milton, eleven hundred forty-five votes.

For WILLIAM P. REYNOLDS, of Canton, six hundred thirty-two votes.

BLANKS, two hundred thirty-three.

Given under our hands at Canton this eighteenth day of November, A.D., 1904.

WALTER AMES.
HENRY B. MARTIN.
Town Clerks of Canton and Milton.

THE SIXTY-EIGHTH ANNUAL REPORT OF THE BOARD OF SELECTMEN.

The Town Departments, during the past year, have kept their expenses within their appropriations, with few exceptions.

It was found necessary to transfer from the Contingent Fund to the credit of the Street Department, $800 for extraordinary repairs on Granite Avenue Bridge; of the Health Department, $540; of the Wire Department, $200; of the School Department, $150; of the Assessors' Department, $13.96.

There is a fair prospect of another small reduction in the tax rate for 1905. The last outstanding bonds of the Cemetery, and the Brook Road Playground loans will be paid the coming year, and our interest account will be about $1,000 less than last year.

Last year the Town paid $32,000 on account of the principal of its bonded indebtendess, and there is now due $410,000.

This year the Town was obliged to pay to the Commonwealth the sum of $9,125.99 to settle the balance of the tax accounts between the Commonwealth and the Town, and it seems probable that for the future this balance will be against the Town.

The Street, Fire, and Police Departments are in good condition, and are under the same efficient officers as last year.

Adams Street, from the Quincy Line to Edge Hill Road, has been put in thorough repair; Central Avenue bridge and Granite Avenue bridge have been practiaclly rebuilt at an expense of about $1,500, and a short section of Brook Road opened to travel.

Another section of Brook Road ought to be built this year, and Randolph Avenue put in such condition that the Town may get the benefit of the $3,500 standing to its credit on the books of the County Commissioners.

The condition of the Police Station and stable is so bad that the Town will be obliged to build a new station and stable at an early date.

JOHN F. BROWN.
MAURICE A. DUFFY.
JESSE B. BAXTER.
Selectmen of Milton.

POLICE DEPARTMENT.

MILTON, December 31, 1904.

To the Honorable Board of Selectmen:

GENTLEMEN, — I have the honor to submit for your consideration the annual report of the Police Department for the year ending December 31, 1904.

THE FORCE.

Superintendent,— Maurice Pierce.
Deputy Superintendent,— Timothy McDermott.

PATROLMEN.

James Wigley.	George C. Partelow.
George B. Bradlee.	Fred M. Farrington.
Henry A. Paterson	Henry C. Shields.
Lucius E. Damon.	John F. O'Connell.
William J. Stephenson.	Frank H. McDermott.
Charles E. Page.	William S. Fallon.
John H. Higgins.	John J. Haley.
Joseph H. Donovan.	William D. Karney.

Driver of Patrol Wagon,— John E. Shields.
Keeper of Lock-up,— Edwin A. Houghton.

CHANGES.

On March 4, 1904, William D. Karney was appointed a patrolman under Civil Service rules and assigned to a new route on Brush Hill.

ARRESTS FOR THE YEAR 1904.

Total number of arrests	120
Males	118
Females	2
Residents	48
Non-residents	72

Causes of arrest,—

Assault and battery	8
Bastardy	1
Breaking and entering	13
Disorderly conduct on a public conveyance	2
Drunkenness	32
Exceeding speed limit with an automobile	35
Illegal sale of renovated butter	1
Indecent exposure	1
Insane	3
Larceny	10
Malicious mischief	2
Non-support	2
Profanity	1
Stubborn children	1
Taking, detaining and using registered milk jars	2
Threats	2
Tramps	3
Town By-Laws, violation of	1
Total	120

Miscellaneous Work.

Accidents and assistance rendered	12
Buildings found open and secured	33
Cases investigated	105
Defective electric light fixtures reported	15
Defective streets and sidewalks reported	27
Defective water pipes reported	5
Defective wires reported	19
Dogs killed	12
Electric lights reported out	994
Fires extinguished without alarm	3
Lost children found and cared for	12
Rescued from drowning	2

Residences temporarily vacated and special police protection requested	65
Stray animals found	17
Street obstructions removed	10
Water running to waste reported	5
Officers detailed for public occasions	44
Officers detailed by request of citizens	27

STOLEN PROPERTY.

Amount reported stolen	$413.00
Amount recovered	320.50
Amount of property stolen out of town and recovered in Milton	1250.00

CRIME.

The number of arrests made during the year is less than the number the previous year, which, in my opinion, is a creditable showing for the department.

The life and activities of a community are sometimes gauged by the police court record as well as by its manufactures and retail exchanges; certain it is a factor, variable, it is true, but nevertheless a factor in determining the life and character of a place.

To find, therefore, a town with a record for crime below the average is to find something as gratifying as it is unusual. Yet that is the fact as regards Milton today. Strangers in the town have commented on the general good order. However, it is not to be supposed that this is owing to police supervision alone or fear of the law. On the contrary, I believe it to be the result of respect for the law and a desire on the part of the people for good order and municipal respectability.

RECOMMENDATIONS.

I again recommend the building of a suitable Station and Stable. The floors and sells are in a bad condition from dry rot, and cannot be allowed to remain much longer in the condition they are in.

THE FORCE.

I take pleasure in reporting my confidence in the force and extend to the members my kind thanks. The conduct and discipline have been good, and the work performed has been creditable to the department.

CONCLUSION.

In closing this report, I wish to extend to your Honorable Board thanks for the very courteous treatment I have received during the past year, and to many good citizens for information received.

Respectfully,
MAURICE PIERCE,
Superintendent of Police.

ENGINEERS' REPORT.

To the Honorable Board of Selectmen:

Gentlemen,— The Board of Engineers herewith presents its annual report.

The past year has been a quiet one for this department, there having been but few working fires, and none of them involved great loss. It is most unsatisfactory, however, to be obliged to state of these fires that most of them were unquestionably of incendiary origin.

There have been few changes in the department of any kind during the past year, the only change worthy of note is the purchase of three new horses to take the place of horses that had become too old for further service. All buildings, apparatus and other equipment have been kept up to the mark. The boiler of the steam fire-engine has been inspected and pronounced safe to use for a few more years, when it will be necessary to renew it. This boiler is now about seventeen years old, and the fact that it is still in good working order attests the care which it has received.

Hose 2 wagon was given a thorough overhauling, new wheels, new axles, etc., and is now in first-class order, but the lack of chemical tanks on this piece of apparatus is a great handicap, considering the dwelling-house district which it protects. At the fire, occurring in the forenoon of December 11, it was necessary, in order to extinguish it, to use the large hose, causing considerable water damage which would have been wholly avoided had there been chemical tanks on this piece of apparatus.

The number of horses owned by the department is fifteen, the same as a year ago. The condition of the hose is satisfactory and no new purchases need be made this year. The discipline of the department throughout the year has been satisfactory. The District Fire Marshal has investigated five fires. Milton has responded to nineteen calls to Boston, and Boston has responded to eleven calls to Milton.

The necessity for better drainage of the Central Fire Station, Chemical Engine-house and Hose 2 house is most apparent; we, therefore, recommend an appropriation with which to connect these buildings with the sewers. We also recommend an appropriation for two new fire alarm boxes in East Milton, one near the corner of Sheldon and State streets, and the other near the corner of Willard and Pierce streets. These boxes are quite near together, but are separated by the railroad track, and in order to avoid mistakes in giving alarms of fire, both boxes should be put in at the same time and thereby avoid the risk of giving an alarm for a fire on the side of the railroad track away from the alarm box.

For the maintenance and current expenses of the department for the ensuing year we recommend an appropriation of $21,700.

Respectfully submitted,
GEO. F. CHOATE,
C. WILDER HOLMES,
ELLERTON P. WHITNEY,
Board of Engineers.

MILTON, Dec. 31, 1904.

RECORD OF ALARMS OF FIRE FOR THE YEAR ENDING DEC. 31, 1904.

INVENTORY OF PERSONAL PROPERTY OF MILTON FIRE DEPARTMENT.

Dec. 31, 1904.

Steam fire engine	$2,000 00	
4 hose wagons	1,000 00	
1 combination wagon	1,600 00	
1 chemical engine	500 00	
1 truck	1,500 00	
2 chief's and 2 coal wagons	900 00	
5 pungs	900 00	
9,000 ft. hose	2,700 00	
15 horses	3,000 00	
Harness, blankets, etc.	1,400 00	
Miscellaneous equipments and supplies	1,000 00	
Fire alarms	6,000 00	
		$22,500 00
To replace all of the above with new duplicates would cost about	$35,000 00	

REPORT OF THE INSPECTOR OF WIRES.

To the Honorable Board of Selectmen:

Gentlemen,— I herewith present my report for the year ending December 31, 1904.

Interior Wiring.

Sixty-one buildings being wired for electric light and power have been inspected, requiring one hundred and sixty-one visits.

Sixty-two permits have been granted to the Edison Company to supply service.

Overhead Construction.

One hundred and forty-two poles have been set by the several companies the past year. The New England Tel. and Tel. Company have straightened their lines by setting new poles and the removal of defective ones. With few exceptions, these lines and poles are in good condition.

The Edison Electric Light Company have rebuilt lines on the following streets: Adams Street from Granite Avenue to Quincy line, Granite Place, Washington, Pierce, Mechanic, Church, Sheldon and State Streets, Bates Road, Belcher Circle and Grafton Avenue, placing the pole lines on these streets in a satisfactory condition.

There still remains a large number of old poles which should be removed and new poles substituted. A large portion of the overhead wires of the Edison Company are in a very poor condition and should be replaced at once with new wires. During the past year the Edison Company built ducts and placed wires underground on Brook Hill Road from Eliot Street to their new sub-station. Many of the poles along the lines of the Old Colony Street Railway Company are in a very unsafe condition. These poles are occupied jointly by the Street Railway Company and the Edison Electric Company, and as there has been a question between these companies of ownership there has been a very small amount of repairing done during the past year.

The Street Railway Company have built ducts on Bradlee Road from Blue Hill Avenue for a distance of about three hundred feet, removing the overhead feed wires and placing them underground.

For the purchase of materials during the ensuing year I recommend an appropriation of $250.

Respectfully submitted,

GEO. F. CHOATE,
Inspector of Wires.

MILTON, Dec. 31, 1904.

REPORT OF THE BOARD OF HEALTH.

The Board of Health submits the following report for the fiscal year ending December 31, 1904.

Appointments.

H. B. Martin, to sign burial permits; Timothy G. Ryan, inspector of plumbing and examiner of applicants for plumbers' licenses; L. E. Young, deputy inspector of plumbing; Frank L. Gage, undertaker; S. A. Meagher, to carry on the business of rendering oil, tallow, etc.; Peter McIntyre, to slaughter cattle for food; John R. Lawrence, to empty vaults and privies.

Permits were granted to seventeen persons to keep 234 pigs, permits having been granted the previous year to ten persons to keep 270 pigs.

Contagious Diseases.

The number of cases of contagious diseases for the past three years has been as follows:

	1902	1903	1904
Diptheria	44	24	19
Measles	162	7	59
Scarlet Fever	3	37	13
Smallpox	3		
Typhoid Fever	11	12	9
Membranous Croup			1
Tuberculosis			2

The number of contagious diseases in the town has been less, with the exception of measles, than that of the past three years. The Board wishes to thank the people for cooperating with them and following their rules, and would suggest that persons having contagious sickness in their famly be more careful about mingling with the public.

We would request that physicians report cases immediately to us, as it is important that the schools and libraries be notified as soon as possible.

Two contagious cases were sent to the Brookline Hospital, as was provided by the Town at the last Town Meeting, one each of diphtheria and scarlet fever. The Board would request that physicians sending contagious diseases to the hospital notify them at once.

There have been two cases of tuberculosis reported to us this year, and we wish to ask physicians to report all tubercular cases to us in the future.

Three cases of typhoid fever have developed in Mattapan, undoubtedly caused by the drinking water, and the Board is at present investigating the wells. We would strongly recommend that the sewerage be extended through the Mattapan district as soon as possible.

SMALLPOX HOSPITAL.

The improvements on the smallpox hospital have not been completed, and it is not at the present time in the hands of the Board of Health.

CESSPOOLS AND PRIVIES.

The Board has seen fit within the past year to change its system of emptying the cesspools and privies. We have found the carts, which have been employed for this purpose in past years, to be very unsanitary, and after consulting with different parties, who had been in the habit of doing the work, regarding an Odorless Excavating Wagon, deemed it necessary to give the work to one man, who would furnish the proper apparatus at his own expense, and appointed John R. Lawrence October 5, 1904. He makes the following report of cesspools emptied for two months ending December 14, 1904:

Number of cesspools emptied	31
Number of loads from the same	48
Number of vaults	2

Places have been provided by the Board for depositing the contents of the cesspools, and we would ask that work not done satisfactorily be reported to us.

Ice Ponds.

The Board caused the two ponds where ice is cut for domestic purposes to be analyzed by the State Board of Health, who found both the ice in the houses and the water in the ponds to be of excellent qualities. We have forbidden skating on ponds where ice is to be cut.

Water for the Town Farm and Detention House.

We are pleased to note that through our suggestion water has been supplied to the Town Farm and Detention House.

Annual Inspection of Dairies, Piggeries, Henneries, and Dog Kennels.

The Board on its annual visit to the dairies and piggeries in Milton found the majority of piggeries in a satisfactory condition, but are sorry to state that the cow barns were not found in such good condition. We would suggest that producers of milk look after this matter and follow the rules for the care of cows and milk, as found in the rules and regulations of the Board of Health, more carefully. The majority of hen houses and dog kennels were not in good condition.

The report of the State Board of Health for the year 1903 shows the death rate of the town to be 16.73 per thousand, an increase of 2.45 over that of the preceding year. The average death rate for the 92 cities and towns in the state which had a population of 5,000 and over was 16.14 in 1903. The number of deaths in the town during the past year was 110, in 1903 it was 114. According to the census of the town taken by the assessors. the population for 1904 was 6,742; this would make our death rate for 1904, 16.31.

COMPLAINTS.

The causes of complaints made during the year have been as follows:

Overflowing or defective cesspools	6
Manure pile	2
Polluting stream	1
Condition of henneries	2
Accumulation of garbage	10
Accumulation of ashes	7
Defective plumbing	3
Decaying fowl	2
Condition of vaults	2
Condition of well water	3
Rubbish heaps	6
Stagnant water	2
Decaying animal	1
Defective drains	2
Condition of cow stable	2
Condition of henneries	3
Dumping of night soil	4

The Board again asks the coöperation of the citizens in giving written notice of any matters coming to their attention requiring action on the part of the Board of Health.

RULES AND REGULATIONS.

For the past year the Board has been at work, with legal advice, on rules and regulations. This is the first time in eight years that any rules and regulations have been published for the Milton Board of Health. We consider these as nearly up-to-date as can be compiled, and would ask the people to read and comply with them.

REPORT OF THE INSPECTOR OF PLUMBING.

January 2, 1905.

To the Honorable Board of Health:

GENTLEMEN, — I herewith submit my annual report from January 1, 1904, to January 1, 1905. During the year eighty-five applications have been received to perform plumbing, and eighty-five permits have been granted.

The approximate valuation of the work to be performed as specified in these applications is twenty-two thousand three hundred and fifty-five ($22,355.00) dollars.

Five (5) plumbers have renewed their licenses, and six (6) master plumbers have registered at this office.

Respectfully submitted,

TIMOTHY G. RYAN,
Inspector of Plumbing.

Office hours, 7.30 P.M. to 9 P.M., Tuesdays and Thursdays.
Town Hall.

REPORT OF THE INSPECTOR OF BUILDINGS.

MILTON, MASS., January 1, 1905.

To the Honorable Board of Selectmen:

GENTLEMEN, — I herewith submit my annual report for the year ending December 31, 1904, sixty-two (62) applications having been made for alterations, additions, and new buildings, and sixty-two permits issued and granted for the same.

WORK OF THE BUILDING DEPARTMENT BY MONTHLY REPORTS.

Months.	Permits issued for Wooden Buildings.	Permits issued for Stone and Brick Buildings.	Value of Work by Application.
January	1		$450 00
February	0		0 00
March	3	1	4,175 00
April	3		4,251 00
May	9	1	42,400 00
June	3	2	20,350 00
July	7		15,000 00
August	11		50,625 00
September	4	2	7,250 00
October	8	2	12,840 00
November	2		2,550 00
December	3		11,000 00
Totals	54	8	$170,890.00

Thus making the valuation of the work completed and to be completed, one hundred seventy thousand eight hundred ninety (170,890) dollars.

Office hours of the department, 7.30 to 9 P.M., Tuesday and Thursday evenings.

Respectfully submitted,

G. E. BURT, *Inspector.*

REPORT OF SUPERINTENDENT OF STREETS.

To the Honorable Board of Selectmen:

Gentlemen, — I herewith submit the annual report of the Street Department for the year 1904.

The work of this department was carried on in practically the same manner as during the two preceding years.

The usual spring street cleaning was done during the month of April, at the same time small repair work occasioned by frost and spring rains was attended to.

Brush Hill Road was regraded and macadamized from the Blue Hills Parkway to Brook Road.

Harland Street was graded from the Park line along through the low land to the bottom of the hill; this street was entirely worn out and was in very bad condition.

Metropolitan Avenue was graveled from Brush Hill Road to the Hyde Park line.

Oak Street, from Blue Hill Avenue to Brook Road, was regraded and graveled, and sidewalks were constructed on both sides of the street.

Dyer Avenue was graveled near the Parkway and a sidewalk was built on the westerly side for a distance of about eight hundred feet.

Highland Street was resurfaced with gravel in different places for about two thirds of its entire length.

Reed Street was graveled from Randolph Avenue to Highland Street.

Hillside Street was graveled for a short distance along where the brook crosses the street.

Adams Street, from the Quincy line to Edge Hill Road, was entirely regraded and resurfaced with macadam; it was also regraded from Edge Hill Road to the new street over the Metropolitan Sewer. This street was in a very bad condition and required a great amount of work.

Brook Road was resurfaced with macadam on the northerly side, between Ridge Road and the Blue Hills Parkway, for about twelve hundred feet.

Many other streets and sidewalks have been repaired with gravel to more or less extent.

Surface Drains and Catch Basins. — Surface drains were laid in the following streets: Adams Street, from the railroad crossing to the Quincy line; Granite Place, from Adams Street to Brackett Street; Church Street, from the low land to Church Place; Blue Hill Avenue, from Blue Hills Parkway to Brook Road; Thacher Street, from the brook about three hundred feet toward Central Avenue; High Street, from Eliot Street two hundred feet toward Canton Avenue.

Many new catch basins were built and old ones rebuilt and connected with these drains.

All the catch basins throughout the town were cleaned thoroughly and surface drains looked after properly.

As there have been no washouts of any kind, the care and working of the different drains speak for themselves.

Sidewalks. — The only permanent sidewalk laid this year was that on Grafton Avenue, four hundred and eighty-five feet long. On account of the restrictions governing this appropriation, the greater part of the appropriation will revert.

Street Watering. — This work was carried on in the same manner as in the previous year.

Ice and Snow. — The winter season of 1903–1904 was the most severe of any in recent years and was remarkable for its heavy snow storms and extremely cold weather. Through all the storms and cold weather the streets and sidewalks were plowed and shoveled and the sidewalks sanded when icy.

As there were but very few complaints, the work was evidently quite satisfactory.

Recommendations. — I would recommend for the ensuing year an increase in the general appropriation for streets.

I would also recommend that the sidewalk appropriation be left for the Board of Selectmen to spend as they deem proper.

In concluding this report I would tender my sincere thanks to your Honorable Board for your assistance and suggestions during the past season; to the citizens of the town for their very courteous consideration and advice, also to the employees of the street department whose work has been most efficient.

INVENTORY OF STOCK AND TOOLS IN THE HIGHWAY DEPARTMENT DECEMBER 31, 1904.

To be received when work is completed satisfactorily to the County Commissioners.

REPORT OF THE WATER COMMISSIONERS FOR 1904.

To the Citizens of the Town of Milton:

The Water Commissioners respectfully submit the following report of their operations for the year 1904. At the annual meeting in March, Robert F. Herrick was elected to fill the vacancy caused by the expiration of the term of Ellerton P. Whitney. The commission organized with Charles S. Pierce as chairman.

On April 4, 1904, John Graham died suddenly, and the vacancy has not been filled. Mr. Graham was elected as one of the first commissioners after the purchase of the Milton Water Company, to serve until the annual meeting of 1905. He brought to the commission a knowledge of human nature and a familiarity with construction work, which were invaluable to his associates. He studied carefully the needs of the department and of the citizens whom he represented. The town has lost a faithful public servant and we ourselves a wise and true friend.

There has been no change in the personnel of the permanent force during the past year, — D. A. Heffernan continuing as superintendent. We have endeavored to maintain the equipment at a high standard, but have made no changes of importance, except that one horse has been sold and a new one purchased.

In our last report, we mentioned the necessity of relaying the mains in Adams Street, East Milton. This work has now been finished from the Quincy line to a point opposite Edge Hill Road, and has cost $1,668.29. For a portion of the way slight difficulties were encountered and rapid progress was made. For a considerable distance, however, the mains lay in that portion of the street which had been excavated for the State sewer, and not tunneled, and there the work was very expensive. Constant sheathing was necessary to prevent caving of the sides of the trench; boulders had to be removed, and occasionally wire trusses cut out. The mains had settled in places as much as eighteen (18) inches, and were therefore jacked up into their proper positions. Several serious leaks were found and repaired. The mains in Adams Street between Edge Hill Road and Brook Road extension appear to be in fair condition, and will not at present be relaid. The Metropolitan Water and Sewerage Board has agreed to allow to the Town the sum of $600.00 on account of this expense.

During the past year we have been called upon to make some large service connections of sufficient importance to justify comment. The buildings at the Town Farm are now supplied with water and are given fire-protection through a six (6) inch main; the same is true of Col. H. S. Russell's farm, and the new dwellings of Mr. H. K. White and Mrs. G. E. Burgess on Bradlee Road receive similar service, partly through a six (6) inch and partly through a four (4) inch main. This work has all been done without expense to the department, although the pipes to the Town Farm are charged to a special appropriation made therefor.

At the annual meeting in March an appropriation of $5,000 for the extension of mains was made, and this sum, together with other funds of the department, has been expended upon the following work:

516 ft. of 8-inch pipe on	Reedsdale Road, costing	. . . . .	$1,187 78
558 " 6 " "	Bradlee Road, costing	. . . . . .	619 21
401 " 6 " "	Pleasant Street, costing	. . . . . .	452 87
577 " 6 " "	Canton Ave., near Canton line, costing		720 17
1,918 " 8 " "	Randolph Avenue, costing	. . . .	3,228 55
			$6,208 58

A few other small items increase the sum actually expended to about $6,500. We have in stock, however, about

110.8 tons of pipe, as against about 107 tons a year ago, and this increase is charged to construction account.

Of these extensions the first four (4) have been regarded as revenue-producing lines, and a guaranty of income has been required on the basis indicated in our last report. The Randolph Avenue extension is clearly a non-revenue producing line, and will continue such until the Scotts' Woods district has been supplied with water. The commission intends to build a portion of this line each year, if the citizens approve, but recommends that the work be done gradually, out of current funds, rather than in one year out of an extraordinary appropriation.

The receipts of the department from December 31, 1903, to December 31, 1904, excluding service work (for which it has been reimbursed) were:

From water takers	$26,960 76
(an average of $24.03 per taker)	
From street watering	2,190 15
($437.54 being paid by Metropolitan Park Commission)	
From interest on deposits	165 77
From repairs and incidentals	1,026 87
A total revenue of	$30,343 55
To this must be added hydrant service appropriation	9,000 00
	$39,343 55

The receipts from water takers were about $900 greater than the preceding year, due to increased numbers, as the average price paid per taker declined from $24.64 to $24.03. The receipts from street watering declined about $700, due to a reduction in the rate charged. Practically no income was received from contractors, whereas $538.83 was received from that source in 1903. The hydrant service appropriation was reduced by $600 and interest on deposits is less. These facts explain roughly a reduction of about $1,500 in total receipts below those of 1903. If the hydrant appropriation remains the same as last year, our receipts for 1905 should be about $40,000.

The expenses during the past year, excluding construction and service work were	$11,881 80
Metropolitan Water	16,126 35
Interest on 301 bonds	10,535 00
Total	$38,543 15

It will be seen that the cost of water is $1,300 greater than last year and will probably not decrease until 1906, for reasons which will be explained later. The increase in operating expense over last year of $1,573.49 is explained by the fact that more than this sum was expended in relaying the Adams Street main in East Milton. So large an increased cost of water was not expected when our estimates for the year were made, and the balance available for new construction was reduced to a considerable extent. The estimated expenses for the coming year are about $36,000, leaving an estimated balance of $4,000 with which to extend the system.

It is obvious that this sum is not sufficient to permit much new work, as cast-iron pipe of first quality is expensive, and the cost of laying it has increased with the cost of labor and the shortening of the working day. We recommend the further appropriation of $4,000 for extension of mains. Before many years, we shall be obliged to begin on renewals of existing mains, and before that time is reached we think that all sections of the town should be supplied with water.

There are now in use 50 stand-pipes for street-watering purposes, no new ones having been installed in 1904. There are 1,127 revenue producing taps in use, and about 125 taps which have been discontinued. During the year 42 new connections have been made and 10 new hydrants have been set, 4 of the latter being in private grounds. The total number of hydrants in use is 283 and of this number 8 are in private land.

The following table is intended to show the cost to the Town of the plant, aside from the expense of operation and the payments which have been made on account of the Water Loan.

Amount paid to Milton Water Co.	$199,608 35
Bonds of Milton Water Co. paid off	120,546 67
Appropriations for extensions made in 1903	4,000 00
Appropriations for extensions made in 1904	5,000 00
	$329,155 02
Less balance reverting to general treasury March 1, 1904	8,908 09
	$320,246 93

Bonds paid at maturity in 1903	$11,000 00
Bonds paid at maturity in 1904	11,000 00
	$22,000 00

The appropriations for extensions and the funds with which to retire bonds have been raised by general taxation, while the interest and a portion of the cost of extensions have been borne by the water takers.

In our previous reports, we have urged the passage of an Act of the Legislature which would require the consumption of water by the several municipalities of the Metropolitan Water District to be an element in the determination of their assessments. This has now been done by Chapter 426 of the Acts of 1904. This Act, however, will not take effect until January 1, 1906, as the Legislature wished to give municipalities an opportunity to equip themselves with meter systems before the change should become operative. The new law will therefore not affect the cost of water to Milton during the year 1905, but after January 1, 1906, our assessment should be reduced.

Respectfully submitted,

CHARLES S. PIERCE,
ROBERT F. HERRICK,
Water Commissioners.

SUMMARY.

On hand Jan. 1, 1904	$3,238 61	Amount paid for Water	$16,126 35
Appropriation, Jan. 1, 1904	5,000 00	Amount paid for Interest	5,267 50
Receipts	51,723 62	Other payments. . .	37,672 41
Interest	165 77	**Balance, Jan. 1, 1905,** in Blue Hill Bank .	1,061 74
	$60,128 00		$60,128 00

NOTE. — The difference between the cash on hand Jan. 1, 1904, of the Town Treasurer . . .			$12,620 06
and the amount which the preceding account states as on hand			3,238 61
			$9,381 45
is accounted for as follows: — Prior to March 2, 1904, the funds of the Treasurer to an amount of		$34,746 62	
were withdrawn from the Blue Hill National Bank, and deposited at various dates with the Boston Safe Deposit & Trust Co. at interest. Interest		368 03	
amounting to		$35,114 65	
and were used in part to pay the coupon interest of	$10,920 00		
and for water to the Met. W. & S. Board	14,813 20		
		25,733 20	
leaving the balance in the B. S. D. & T. Co. of			$9,381 45

which has since been used, in part, to pay coupon interest, and the balance, $7,113.95, has been deposited in Blue Hill National Bank.

J. PORTER HOLMES, TOWN TREASURER, IN ACCOUNT WITH TOWN OF MILTON WATER DEPARTMENT.

JANUARY 1 TO MARCH 1, 1904.

1904.			
Jan. 1.	Cash on hand	$12,620 06	
	January Receipts	2,973 56	
	February Receipts	865 55	
			$16,459 17
	Credits.		
	By paying 59 orders from Water Com.	2,283 58	
	“ “ 6 mos. int. on Water Loan	5,267 50	
	“ “ Town of Milton	8,908 09	
			$16,459 17

Prior to March 1, 1904, when the Town Treasurer transferred funds to interest-paying banks, they were charged upon the Water Department books. Since that time they have been carried as assets on those books, so that in the future the balance of the Treasurer and that on the Water Department books will agree without further explanation.

THIRTY-FOURTH ANNUAL REPORT OF THE BOARD OF TRUSTEES OF THE MILTON PUBLIC LIBRARY.

The Board of Trustees of the Milton Public Library have the honor to submit their annual report to the Town for the year ending Dec. 31, 1904.

The report of the Librarian to the Trustees which is included herewith contains an accurate and detailed account of the work of the Library for the year. The Trustees urge the citizens to read this report that they may become familiar with the important and arduous work that the Library is doing.

The past year has been, perhaps, the most important in the history of the Library. The successful completion, equipment and opening of the new building is a subject of congratulation to all, and the high grade of service rendered by the Library furnishes good reason for pride.

It seems fitting that a statement be now made of the expenses of building the Library, bringing together and showing in one place what the Town has expended and what has been given by individuals.

First in order is the list of contributors to the purchase of the land, whose names are now first published, a gift of $5,000, as well as professional services charged. There was given the Trustees of the Library a fund in the sums set against the names of the donors, to be used in finishing or equipping the building in the judgment of the trustees. This amounted to $1,575.33. With this fund we were able to do a great deal of furnishing of a permanent nature, — shelving, lockers and such work. We also paid for the two clocks and the mosquito screens out of this.

We have received from the trustees of the estate of Mrs. Francis Cunningham, another fund to be used in our discretion much as the last fund mentioned, amounting to $4,500. With this fund it was decided to extend the parapet across the front of the building, to grade the grounds properly, and seed and plant them. The planting will have to be done another season, for which purpose we have in hand a sufficient balance. Connection was also made with the sewer from this fund.

To sum up, our Treasurer has formulated reports which show the expenditures on the building as follows: The sum spent for the land, a gift; the expenditure of the $50,000 borrowed by the Town on bonds (found in detail in 66th–67th–68th Town Reports); the sum appropriated for furnishings found elsewhere in this Town report; the sum of $21,000, given by Mr. Kidder, and the sum of $34.22 taken from the gifts for miscellaneous purposes. All of these sums amount to $75,034.22 and are accounted for as stated above.

It is not easy, nor does it seem to us expedient, to give the expenditures from the gift fund or the Cunningham fund, until the work begun with these is finished, so that a detailed statement of that part of the work will have to go over for another year.

SUBSCRIBERS TO LAND FOR MILTON PUBLIC LIBRARY 1902.

REPORT OF THE LIBRARIAN.

MILTON, MASS., January 1, 1905.

To the Trustees of the Milton Public Library:

I have the honor to submit my report for the year ending December 31, 1904.

NEW BUILDING.

The most important event of the year has been the completion of the new library building. On May 11th, the following notice was posted in the post offices and stations used by the residents of Milton, also on the town bulletin at the corner of Reedsdale road and Canton Ave.; the same notice was printed in the local paper and a copy was sent to each of the schools.

MILTON PUBLIC LIBRARY.

NOTICE.

"All persons having in their possession books or magazines belonging to the library are hereby requested to return them to the library on or before May 18th.

"This request is made necessary by the moving of the library to the new building.

"Attention is called to the Library Rules and Regulations-Fines; Section VI., 'All books must be returned to the library whenever the Trustees so order, and a fine of one dollar will be incurred for each volume detained after the time limit has been given by special notice by mail.'

"During the process of moving, the Central library and all of its branches will be closed to the public.

BY ORDER OF THE TRUSTEES."

May 7, 1904.

In spite of the publicity of this notice, ten books were not returned at the stated time, necessitating a special letter to the borrower of each volume.

PROCESS OF MOVING.

The moving was done by the Knight Corporation Co. of Boston; as this company had moved the Boston Public Library from its old building on Boylston Street to its new building in Copley Square, we benefited by their experience. Before the actual moving began, a plan of the stacks in the new building was made, and the location of each class of books was assigned. By this method all confusion was avoided. At the end of one week the books were in place in their new quarters. Too much praise cannot be given to the library assistants, including those of the branches, for the cheerfulness with which they worked over time, coming early and staying late in order to superintend the men who were doing the moving.

After all books were in place, an inventory was taken. The result showed only eight books to be missing, of which number four were missing from the children's room. These books were not lost in the moving, but represented the net losses, not regularly reported and paid for, for the last five years, there having been no other inventory taken during the present administration. So small a loss argues strongly in favor of the open shelf system and answers in the affirmative the question so often asked, "Is it safe to allow free access to the shelves?"

Before the formal opening of the library, the members of the library staff were instructed as to the general make-up of the new building, e.g., the names of the architects, builders, cost, material used, etc., so that on the opening day, they should be prepared to answer intelligently questions asked by visitors.

On June 2d announcements of the opening of the library were posted on all of the town bulletin boards and at the various post offices and stations.

OPENING OF THE NEW LIBRARY.

The library was formally opened to the public on June 11th at 4 P.M.

Miss Helen Apthorp, assisted by friends had charge of the decorations. The main desk in Kidder Hall was banked with rhododendrons and other rooms in the building were well supplied with flowers. Music was furnished by the Boston Festival orchestra.

Rev. Roderick Stebbins in the opening address said:

"*Ladies and gentlemen:* It would be more fitting for some one other than myself to welcome you here to-day. The honor and privilege rightly belong to the respected and beloved chairman of the Board of Trustees, but, as greatly to our loss, he is not able to be present this afternoon, it is by his wish that the privilege of welcoming you has been entrusted to me.

"As I have familiarized myself with the history of the library, I have discovered that in its inception and in its development two influences have always been at work, public spirit and private generosity. When the first appropriation of $3,000 was made by the town in 1870, it was coupled with the requirement that a similar sum should be raised by private subscription. This was quickly done, and from that day to this the town and private citizens have worked together in support of the library, the town by generous appropriations and the citizens by substantial gifts. Witness the funds, books, pictures and so forth bearing the honored names of Wolcott, Vose, Kidder, Swift, Forbes, Ware, Churchill and many others.

"Following this worthy precedent, the land upon which this building stands was bought and given to the town for a site for a public library by a few gentlemen, and this noble building was erected by the town and by a citizen whose name this hall in which we stand bears, a name long identified in father and son with public spirit and public service.

"You do not need to have the building described to you. You will soon have an opportunity of seeing it in all its parts. As you have viewed it from the outside you have already discovered that it is beautiful to look upon, a gem worthy the setting of Milton's hills and fields and shaded roads. But you will also discover, as you look about you, that the architects, Messrs, Shepley, Rutan and Coolidge, have not only created a work of art, but that with great practical skill they have given you a building admirably adapted to do efficient work. Beauty and use are here combined in a rare degree.

"You also owe this building to the work of the building committee of the Board of Trustees, and of this committee I can speak, as I have not been a member of it. The gentlemen on this committee have labored indefatigably, giving their time and their knowledge without stint for over two years, and rising above belated criticism with a calmness and courage truly heroic.

"The few words entrusted to me to say would not be complete if reference were not made to the ability and graciousness of the librarian, who has brought the library to its present state of efficiency, and to her staff of assistants, mainly young women of Milton, who have worked for the good of the library with increasing intelligence and enthusiasm.

"And now it only remains for me, in behalf of the Board of Trustees and in the name of the chairman, to turn over to the honorable Board of Selectmen of the town of Milton, the keys of the new library building. To you, Mr. Chairman, I present them, confident that the town of Milton will grow increasingly proud of this noble building and of the work done in it, and that the citizens of future years will say that we of 1904 builded even better than we knew."

Mr. Stebbins then handed the keys of the building to Judge Brown, chairman of the Selectmen, who said:

"*Sir:* It is with great pleasure that in behalf of the town, I now receive from your hands the keys of this beautiful library; and it is with the greater pleasure, because the building is our own, to do with as we like, built by our own money and not by the conditioned charity of a stranger. In the name of the town I thank you, your associates, and especially your building committee, for the conscientious and successful efforts you have all devoted to the construction and furnishing of this building.

"Of the four institutions characteristic of the New England town, the church, the public school, the town meeting and the public library, the influence of the library is perhaps not the least.

"It is commonly conceded that the supreme end of an education is the formation of character. Now character is but the combination of those qualities that distinguish one person from another. And character is the resultant of habits. Habits come from actions, actions from motives, motives from reflections, reflections usually from reading; and to the great majority of us most of our reading comes from the public library.

"One pleasing duty remains for me to do. And now, sir, in this magnificent hall, named by vote of the town, Kidder Hall, in grateful appreciation to you to whose great generosity and untiring efforts the town is principally indebted for this library, I now intrust these keys, with the firm conviction that you, your associates and successors will devote the same disinterested and successful efforts to the maintenance and support of this building that you and your associates have already devoted to its erection."

Mr. Kidder, chairman of the executive committee, accepted the keys for the trustees, in the absence of Mr. Hollingsworth, the chairman of the board. He said in substance that he accepted the charge of the building with pleasure and with the assurance that the trustees would continue to fulfil their duties to the best of their ability and in the same spirit of unanimity which has ruled their every action in regard to the construction of the building and all the duties which have come to them to perform.

After these brief exercises the building was thrown open to the public for inspection. Several hundred people were present. On the following Sunday, June 12th, the library was also open for inspection from 3 until 6 P.M.

The library was opened for the circulation of books on Monday morning, June 13th. To Master Lincoln Pierce belongs the honor of taking out the first two books issued from the new building. The hours of the library are from 9 to 6 daily; Wednesday and Saturday evenings until 9 P.M. and from 12 to 6 Sundays during the winter months.

In addition to its beauty, the new building has proved a splendid working library. The ventilation and heating, two most important features, are perfect, and the arrangement of the stacks affords so much light and space that all who choose to go to the shelves can do so with comfort. Outside of the building the street lamps are not sufficient to properly light the steps leading to the side walk. I would recommend that additional lights be provided without delay before any accident occurs.

REGISTRATION.

Four hundred and fifty-six new card holders have registered during the year. This is not only an increase of 198 over last year, but it is the largest number of new card holders registered since the library was first opened in 1871, in which year there were 778. A part of this increase may be attributed to the doing away with the age limit of twelve years, at which age cards were formerly issued. The registration of children under twelve began November 17; since that date 104 children have registered.

The following comparative statistics of new registrations are interesting:

Place of Registration.	1900	1901	1902	1903	1904
Central	175	139	135	134	282
Blue Hill and Brush Hill		48	27	12	9
East Milton	96	91	46	66	79
Mattapan	162	78	53	37	72
Russell	10	7	7	9	5
Village					9
Total	443	363	268	258	456

Average number of registrations per year from 1895–1899, 124.
Average number of registrations per year from 1900–1904, $357\frac{3}{5}$.

The total number of card holders is now 2,260, showing that one out of every three of the residents of Milton is a card holder.

CIRCULATION.

Although statistics of circulation give but a superficial knowledge of the vital work of a public library, yet such statistics represent that part of the work which is most readily understood by the public. The real work of getting each volume ready for circulation and of making that book known to the public cannot be represented by the mere count of one book circulated. The total circulation of books for this year is less than that of 1903. This decrease is due to two causes; first, the closing of the library for twenty-one working days while moving into the new building; second, the decrease in number of volumes circulated from the Mattapan reading room.

The total circulation for 1904 was 45,646, against 51,073 in 1903, a decrease of 5,427 volumes. Of this total, 19,410 volumes were circulated from the branches, and 4,176 volumes from the schools. Through the courtesy of the Boston Public Library, 12 volumes, which this library could not supply, have been loaned to residents of Milton.

For further statistics of circulation see Appendix I.

Children's Room.

Soon after the doors of the new library were opened on June 11th, the chairs in the children's room were filled with boys and girls, who seemed to know by instinct that one room in the new building had been planned especially for them; from that day, the children have continued to be the proud users of a room, which in addition to fine proportions and harmony of coloring, has for its crowning touch a reproduction of a beautiful Della Robbia medallion, the gift of Mr. Nathaniel T. Kidder. The lovely faces of the mother and child look down in perpetual benediction on the little ones frequenting the room. During the six months in which the children's room has been opened, the average daily attendance has been 26 +, making a total of 4,639 children using the room for that length of time. The circulation has been as follows: fiction 3,289; non-fiction 820; periodicals, 60; total 4,169.

Miss Allen, in charge of the room, has given much personal attention to the children by supervising their reading and by showing them pictures. Miss Allen has also worked with the teachers and to her intelligent coöperation must be attributed the increase in the number of books circulated from the schools.

The boys have shown great interest in the exhibits of photographs in the art room and have visited that room in groups of from fifteen to twenty, whenever such pictures have been on exhibition. The stereoscopic pictures of Egypt, given by the pupils of the public schools have been enjoyed and appreciated by many of the children. On two afternoons during the past month, these pictures have been shown to about sixty children. On the last afternoon, two of the girls brought stereoscopes from home.

SCHOOLS.

The total number of books sent to the schools has been 1,973, from which number 4,176 books have been circulated, an increase of 1,882 over 1903.

SCHOOL CIRCULATION.

	No. of deposits sent.	No. of books sent.	Circulation.
Academy	4	17	60
High	0	0	0
Belcher	7	637	1,572
Consolidated	6	375	560
Glover	6	248	364
Houghton	4	42	80
Sumner	6	164	560
Thacher	5	131	363
Tucker	6	359	617
Wadsworth	0	0	0
Total	44	1,973	4,176

Many of the teachers have given generously of their time to increase the coöperation of the schools with the library. A meeting of the teachers of grades 1 to 9 was held in the children's room on December 15th, at which Mr. Jacoby and eleven teachers were present. It is hoped that such meetings held from time to time will be helpful to the teachers by giving them an opportunity to make known their needs, and by making them more familiar with the resources of the library. The teachers of the Thacher and Consolidated schools report that the doing away with the age limit for card holders has lessened the circulation of books from those schools, because the pupils prefer to take books out on their own cards rather than to take books from the school deposit. If this condition continues to be true, it will lighten the work of the teachers by sending the children direct to the library for their reading matter.

Bulletins and Exhibits.

For the opening day of the library, a collection of photographs of historic and interesting places in Milton was hung in the art room. These photographs were loaned by the Milton Woman's Club; they remained at the library for several weeks and afforded pleasure and information to all who saw them. Other exhibits of photographs, loaned by the Library Art Club, to which this library is a regular subscriber, have been as follows: China; Prang platinettes (General); Passion play; English lakes; Holland, No. 1; German festoons, No. 2; Italian art, No. 1; Italian art, No. 2; Local (Medford, Beverly, Pawtucket, St. Johnsbury, and Westford); Hawaiian islands; Munich.

The members of the Art Committee of the Milton Education Society (Mrs. Joseph Brewer, Miss Alice Tilden, Miss Frances Lee) have sent to the library from time to time bulletins of the Museum of Fine Arts in Boston, notices of art lectures and other items of interest. They also superintended the hanging of the photographs illustrating the history of Italian art, and loaned some additional photographs for that exhibit.

Through the efforts of this same committee, a lecture was given in Assembly Hall, High School, on November 10th, by Mr. Henry Turner Bailey, his subject being "A twentieth century practical education." So many tickets for this lecture were sold by the pupils of the public schools, that they were able to purchase for the children's room of the library, one hundred stereoscopic pictures of Egypt, together with one stereoscope. A considerable sum is also to be spent in the purchase of photographs of Greek and Roman sculpture, Italian Rennaisance, madonnas, cathedrals, etc.

Special bulletins for June 17th and Christmas have been prepared by Miss Allen for the children and a list of books suitable for Christmas gifts to children was posted Christmas week.

Sunday Opening.

Beginning November 20th, with the exception of Christmas day, the library has been opened on Sundays from 12 until 6 P.M. Both the circulating department and the reading rooms have been open during these hours. One assistant and Mr. Forbes, the janitor, have been on duty each Sunday. The attendance and circulation for the last five Sundays are given herewith:

	Attendance.	No. of books circulated.
November 20	136	47
November 27	128	62
December 4	133	40
December 11	95	64
December 18	63*	38
Total	555	251
Average per Sunday	111	50⅕

* Storm.

Although from the first Sunday, more people have used the library than was anticipated, Sunday opening is still experimental and it is too soon to state definitely whether such opening is accommodating a sufficient number of persons, who could not use the library on week days, to make it worth while.

Branches.

The library system has been increased by the reading room in the Village, which was opened July 1, in Room G of Associates' building. In this room, in addition to daily newspapers and periodicals, are shelved about 300 books, which may be borrowed for home use. A weekly delivery from the Central library is made every Tuesday. The use of this room has been so much less than was anticipated, that unless its use should increase decidedly during the next six months, I should recommend its being closed after July 1, 1905.

The East Milton reading room continues to be taxed to its utmost capacity; excellent work is being done there and the increased use of the room is shown by the increase in circulation, which was 10,699 for 1904, an increase of 198 over 1903.

Mattapan reading room is not as yet wholly satisfactory, but it is hoped that under the supervision of Miss Ellen F. Vose, the work of the room will come up to the highest standard of library service. The circulation of books during 1904 was 7,123 less than the number reported in 1903. An extra bulletin board has been put up, which gives added space for posting notices of new books and other items of interest. Miss Vose has interested the young people in nature study. Through the autumn, caterpillars were fed daily for the development of butterflies and moths, so that when mature, their change in color and marking after the different moults could be seen. A few varieties developed in a few weeks and the stages of the chrysalis were shown from its formation until the perfect butterfly or moth emerged. Of the varieties which hibernate, the caterpillars were watched as they buried themselves in the earth (in boxes), enveloped themselves in leaves, or patiently spun their cocoons. They transformed to the chrysalis state out of sight, but will be kept in the reading room until Spring, when their metamorphoses to butterflies and moths are eagerly awaited. A collection of 300 varieties of butterflies and moths, loaned by Miss Vose, is kept at the reading room.

The circulation of books from Russell reading room has increased from 1,807 in 1903 to 1,985 in 1904. The best work done in this reading room is, however, not to be measured by the number of books circulated, since by far the most lasting influence is due to the personal supervision and helpfulness of Miss Jennie W. Kennedy, the assistant in charge.

Regular meetings of the branch assistants have been held each month. At these meetings, the problems of the different reading rooms are discussed and instructions as to new methods, etc. are given.

House-to-House Delivery.

The system of house-to-house delivery continues to be a successful method of library distribution. Nine new registrations have been received from the section covered by the delivery and the class of books circulated continues to be of the best.

The Staff.

Several changes in the staff have occurred during the year. Miss Jennie C. Wright resigned her position on March 16th, on account of ill health. Miss Isabella Harris, who was hired to classify and catalogue the library, finished her work on March 18th. Miss Emma K. Chapman on the same date resigned her position as assistant in charge of Mattapan reading room. She was succeeded by Miss Ellen F. Vose, who was appointed to that position June 6th., April 4th, Mr. Joseph F. Forbes was appointed janitor of the new building. He has proved to be a valuable man for the place, his work having been excellent in every way. Later in April, Miss Caira D. Hawkes and Miss Gertrude L. Goodenough, both graduates of the library school of Simmons college, entered the service on probation. August 22d, Miss Hawkes was appointed to the position of assistant in charge of the Village reading room; August 29th, Miss Goodenough was appointed a regular assistant at the Central library.

Gifts.

The library has been fortunate in receiving many gifts of value. Among those which should be especially noted are the following, arranged alphabetically by givers:

Rev. Louis H. Buckshorn, Concord, N. H. A sermon preached in Milton, November, 1797, at the ordination of the Rev. Joseph McKean.

Mrs. Edward Cunningham. The Borghese gladiator and the Venus de Milo in bronze.

Framingham Public Library. One hundred and two volumes, including The Holy War, by John Bunyan; Life of the Reverend and excellent Jonathan Mitchel, by Cotton Mather, 1697; Nouveau mémoirs sur l'état présent de la Chine, 1697; The posthumous daughter, 1797; Psalms of David, edited by Isaac Watts, 1786.*

Mr. Samuel Gannett. Three medals given by President Jackson to Isaac Sanderson for excellence of paper made by him, together with a letter signed by President Jackson.

Dr. George G. Kennedy. Two marble medallions representing morning and evening, by Harriet Hosmer.

Mr. Nathaniel T. Kidder. Medallion by Della Robbia, placed in the children's room. Over two hundred works of general literature including works of Heine, Goethe and Schiller in German.

Milton Academy. Twenty numbers of the Orange and Blue to complete files.

Miss Mary Morison, Peterboro, N. H. Sixteen pamphlets by Dr. John H. Morison.

Miss Mary Morison and Mr. Robert S. Morison. Ten volumes by Mr. George Morison.

Dr. Matthew V. Pierce. The Rubáiyat of Omar Khayyám, illustrated by Elihu Vedder.

Pupils of the public schools of Milton. One hundred stereoscopic pictures and one stereoscope.

Mr. A. Lawrence Rotch. Annals of the Astronomical Observatory of Harvard College, Blue Hill Meteorological Observatory, 1886–1895 and 1891–1902.

Mr. Henry H. W. Sigourney. Eighty-seven volumes of general literature.

Mr. Arthur H. Tucker. Charter, together with the Acts and laws of His Majesty's Province of the Massachusetts-Bay in New England, 1693–1758. Printed and sold by Samuel Kneeland and Timothy Green, by order of His Excellency the Governour, Council and the House of Representatives. MDCCXLII.

Mr. John A. Tucker. Description of Japan by the Dutch East India Company, London, 1670.

Miss Esther Williams. Japanese vase for the children's room.

The following volumes, belonging to the Town, have for many years been in the house of the Town Clerk. They have now been sent by Mr. Martin to the Library for permanent keeping:

---

* These books formerly belonged to Miss Elizabeth Swift of Milton.

The articles of confederation and perpetual union between the states of New-Hampshire, Massachusetts-Bay, Rhode-Island, and Providence Plantations, Connecticut, New-York, New-Jersey, Pennsylvania, Delaware, Maryland, Virginia, North Carolina, South Carolina, and Georgia. MDCCLXXVII.

Acts and laws of the Commonwealth of Massachusetts, 1744–1748; Acts ordered left out of last impression of temporary laws and printed by themselves. MDCCLXIII; Constitution or frame of government for the Commonwealth of Massachusetts, MMCCLXXXI; Resolves of the General Court of the Commonwealth of Massachusetts, Nov. 7, 1796, Feb. 25, 1797, and January, February and March, 1800; Resolves of the General Assembly of the State of Massachusetts-Bay in New-England, begun and held at Boston, on Wednesday, the twenty-seventh day of May, 1778.

Two valuable paintings have been loaned to the Library; a portrait of General Sherman by Louprier, loaned by Mrs. William Forbes, and a landscape by Bierstadt, loaned by Mrs. Edward A. Dana.

For other gifts and givers see Appendix 4.

MISCELLANEOUS.

On December 12th, a meeting was held in the historical room for the purpose of incorporating the Milton Historical Society. A second meeting was held on December 30th, so that the historical room is already serving the purpose for which it was planned.

Folding chairs have been purchased for this room. The safe has been provided with steel fittings, including trays for duplicate catalogue cards, cupboards, drawers and vertical files.

A boys' club, under the leadership of Mr. W. J. Sholar, met on Wednesday evening, December 28th, in the historical room; subsequent meetings of the club will be held on the second and fourth Wednesdays of each month.

Respectfully submitted,
GERTRUDE E. FORREST,
Librarian.

REPORT OF THE PARK COMMISSIONERS FOR 1904.

To the Citizens of Milton:

Brook Road Playground has seen the chief work of the Commissioners. After rolling the newly graded ball field, the temporary fence was removed and the grounds thrown open for use, a back-stop being built for base ball games, and later, goals for foot ball. We have heard no special comments on the field since it was first used, but then all comments were favorable.

Mr. James S. Russell gave the Board enough oriental plane trees to enable us to plant a row along the front of the entire playground. These are not the same plane trees usually seen in this part of the world, but a species long known in Europe and elsewhere. We take this occasion to thank Mr. Russell for his kindness in giving these trees to the town.

Last spring it became evident that the grading on this playground had in a measure interfered with the natural surface drainage of the land, so that this autumn we put in some land tile, and believe that this difficulty has now been overcome.

There is very little to report on the East Milton playground. The use of the ball field has fallen off since the new one at Brook Road has been open, but we feel confident that as time goes on it will become evident that both grounds are needed.

We have sold a little more material from the pit, but beyond cutting and trimming the grounds, have done no work.

At Waterside Common we spread some loam over the line of the sewer, and although the catch of grass seed was not very good, the general effect is already better.

There are still a good many trees to be removed which were killed by the original work over the sewer. Most of the appropriation for the school grounds has this year been expended, chiefly at the Glover School, where the ground was thoroughly prepared and shrubs planted to conceal the fence in part.

We ask again for $100 for general expenses, and $100 for use on the school lots in conjunction with the School Committee.

Respectfully submitted,
NATHANIEL T. KIDDER,
HORATIO A. LAMB,
CHARLES E. ROGERSON,
Board of Park Commissioners,
Town of Milton.

REPORT OF THE TREE WARDEN.

To the Citizens of Milton:

Owing to the lateness of the spring the season's work began somewhat later than usual. Most of the wire guards on the trees were loosened. The work of trimming was begun on Canton Avenue at Highland Street, and carried to the Canton line. Green Street was also done; then my men came back along Blue Hill Avenue to Bradlee Road and through that to Brush Hill Road, where at the end of the year the work has reached nearly to Mattapan.

The above gives only the main lines of work. A good deal was done in other parts of the Town, more especially in the way of destroying insects. I spent some time hunting tent caterpillars, and also in destroying the autumn web worm, but this latter was so widely distributed, not only in Milton but throughout this portion of the State, that it seemed futile to try to do much towards its suppression. It is not considered very injurious, coming as it does when the foliage has performed its function.

Elm leaf beetles were not very abundant, though I saw some in East Milton and some on Brush Hill Road.

Brown tail moths are reported in Milton but I have not yet found them. Since the leaves have fallen I have not been able to give my personal attention to looking for this pest, but I hope to have a thorough search made during January.

A good deal of spraying for canker worms was done, and this insect seemed to be pretty well confined to Canton Avenue, from the churches to Atherton Street. Most of this spraying was paid for by the owners and abuttors. As a precautionary measure the trees along Adams Street were sprayed rather late in the season, as a check to elm leaf beetles as well as canker worms. This work also was mostly paid for by abuttors. More work for private individuals was done than usual, as always at their own expense.

I ask the Town again for $1500 to continue the work along the same lines as in previous years.

Respectfully submitted,
NATHANIEL T. KIDDER,
Tree Warden.

REPORT OF THE ASSESSORS.

The Assessors of the Town of Milton for the year 1904 beg leave to submit the following report:

The Board organized with George W. Nickerson, Chairman, and William W. Churchill, Secretary.

The assessors recommend an appropriation of $475 for clerk hire and renewing of land plans.

The assessors gave the notice required by law requesting tax payers to bring in true lists of their polls, real and personal property.

The number of polls assessed was 1,888, a gain of 39.

There was a loss of $372,610 personal, and a gain of $149,225 in real estate, a loss of valuation for the year of $223,385.

The Town received in bank and corporation taxes for the year 1903, $74,463.94, a gain over 1902 of $4,706.68.

The assessors would renew their request to the residents of the Town owning stock in National Bank or Massachusetts corporations to have their residence recorded as Milton on the books of such corporations, otherwise the tax on their stock which is paid by the corporations may be lost to the Town.

We found this year 75 claims on stock owned by residents of Milton credited to Boston, 19 claims credited to Hyde Park, which tax, amounting to quite a large sum credited to those places besides 20 claims against the Commonwealth, was caused by the neglect of Trustees in not making returns to the State Commissioners of taxes as required by statute. We are happy to state that on presentation of proof by the assessors all of these claims were allowed and credited to Milton.

We would suggest that when returns are made to corporations on stock purchased by our residents, that their residence as well as their post-office address be given. This is the more important when we remember that the post-office addresses of quite a number of our residents are Mattapan, Hyde Park, and Readville, bearing also in mind that every dollar gained in corporation taxes saves the same amount in direct tax.

GEORGE W. NICKERSON,
JOSIAH BABCOCK,
W. W. CHURCHILL,
Assessors.

REPORT OF INSPECTOR OF CATTLE.

MILTON, MASS., January 2, 1905.

To the Board of Selectmen:

GENTLEMEN: — During the past year I have inspected one hundred nine (109) barns, all of which were in good sanitary condition. Have given a physical examination to eight hundred eighty-six (886) cows, twenty-four (24) bulls and two hundred sixty-six (266) swine, which I found free from any contagious disease and in good physical condition. Besides these I examined four cows, which from a physical examination I suspected of having tuberculosis, I quarantined and reported to Cattle Bureau the same and all were destroyed later per order of Bureau. During the year I have examined and stamped all beef and pork slaughtered in town.

Respectfully submitted,
JAMES SPENCER, *Cattle Inspector.*

TRUSTEES OF CEMETERY.

MILTON, Feb. 6, 1905.

To the Citizens of Milton:

The Trustees of the Cemetery submit the following report for the year ending Dec. 31, 1904.

The Board organized with Mr. Gannett as Chariman and Mr. Kennedy as Secretary and Treasurer.

Soon after the March meeting of 1904 and before the Trustees had made any plans for the summer's work, your Board, as well as the citizens generally, met with a great loss in the death of its Superintendent, Mr. John Graham. Although Mr. Graham had served but one year he had shown great capacity for grasping the needs of the Cemetery and also the wishes of the lot owners. Mr. Graham's year's experience would have made his services the coming year still more valuable.

Your Board believe it made no mistake in appointing Mr. Thomas W. Pond as successor to Mr. Graham. Mr. Pond is thoroughly interested in his work and has shown good judgment in the general care of the Cemetery. During the past year seventy-five interments have been made; twenty-two lots have been taken by citizens; one lot sold to a non-resident; two lots put under perpetual care. Foundations for twelve monuments and sixteen head-stones have been built.

A large amount of other work has been done, such as setting corner posts and steps, myrtling graves, and grading old lots. The culvert under avenue leading to southerly part of the Cemetery has been rebuilt. We ask for the usual appropriation of two thousand ($2,000) dollars.

AMOR L. HOLLINGSWORTH,
WILLIAM H. KENNEDY,
C. MINOT WELD,
J. FRANK POPE,
SAMUEL GANNETT,

Trustees.

WM. H. KENNEDY,
Treasurer.

REPORT OF SEWER COMMISSIONERS.

The Board of Sewer Commissioners begs to report as follows touching the work of the Sewer Department during the year 1904:

1. The high level Metropolitan Sewer having been completed during the year and opened to service, the town sewers laid in the East Milton district during 1903 have been connected with it.

2. During the year the following sewers have been laid:

At East Milton	in Adams St.	140 ft.
" Center	" White St.	1,657 "
" "	" Walnut St.	725 "
" Mattapan	" Lincoln St.	850 "
" "	" Thacher St.	1,775 "
" "	" Blue Hill Ave.	700 "
	Making a total of	5,847 ft.

The cost of this work has been $10,775.93. All of these sections have been connected with the Metropolitan Sewer.

3. The betterments due the town on account of the sewers which have been laid during 1904 amount to $10,127.06. The amount due the town on account of work in 1903 amounts to $12,813.06, making a total on account of betterments due the town for the last two years of $22,940.12.

Respectfully submitted,

FRANCIS R. HART,
CHARLES MITCHELL,
JAMES H. PERKINS,
Sewer Commissioners.

OVERSEERS OF THE POOR.

The Overseers of the Poor of the Town of Milton have the honor to present to the Town their report for the period beginning with their election in March and ending with December 31, 1904.

The transfer of the care of the Town Poor from the Selectmen to an unpaid Board of Overseers was provided for by vote of the Town Meeting held March 2, 1903.

At the Town Meeting held March 7, 1904, the Board was elected as follows:

George Wigglesworth, for one year.
Horace N. Plummer, for two years.
Arthur H. Tucker, for two years.
Levina H. Brackett, for three years.
Parker B. Field, for three years.

The Board organized with Arthur H. Tucker as Chairman and Parker B. Field as Secretary, and selected Joseph H. Duffy (Clerk of the Selectmen) to do the clerical work of the Board, and Mr. and Mrs. Calvin H. Sanford as Superintendent and Matron, respectively, at the Town Farm.

Twenty-seven meetings have been held by the Board during the period covered by this report, and 355 orders have been drawn on Town Treasurer in payment of bills.

It appeared to the members of the Board of first importance that they should become familiar with the condition, needs, and legal status of every person receiving relief from or through the Town, and that this could be best accomplished through the employment of an expert on relief, and on the intricate laws of settlement, who should visit each family, carefully investigate, and report upon existing conditions, placing the responsibility for support where it belonged.

Such an expert is Dr. Henry Shaw, of Revere, — a man of over thirty years' official experience in this field, and the author of a book on the laws of settlement, which is accepted as a standard work of reference throughout the state.

The Board was most fortunate in being able to secure the services of Dr. Shaw, and is deeply indebted to him for the intense interest which he has taken in his work, and for the valuable aid which could only have been given by one of his wide experience and great enthusiasm in charity and pauper work.

In a preliminary report to the Board dated March 28, 1904, Dr. Shaw says:

> "In making comparisons between a given number of cases in different towns, for the purpose of arriving at some definite rule of action in the giving of out-door relief, it is important that the towns selected should be nearly alike in resources and employments. A poor family living in Nahant or Lenox, in which there is no industrial employment and in which rents are high, with no relief organizations, necessarily requires much more aid than in Worcester, with its great variety of industries and resources of charity.
>
> "For the purpose of this paper I have compared Milton principally with the municipality with which it is most nearly connected, for the reason that the conditions in Boston and Milton are much alike, and also that whatever differences exist are wholly in favor of the poor who live in Milton. By that I mean that the chocolate factory, easily accessible by electric cars from all parts of the town, makes employment easy to secure, and the large number of benevolent wealthy people, with liberal contributions to various church charities, imply a condition for relief of special emergencies that places the town favorably, as compared with Boston, as far as private relief agencies are concerned. Add to that the fact that rents are lower and that a little lot of land for a garden is easily procured, and it will not be disputed that it is much easier to get on with a given sum in Milton than in Boston, and to live more healthily. A careful summing up of the conditions of Milton poor enables me to say that there are no very poor people here, except those entirely dependent by reason of age. Setting these aside for a minute and considering only those less than sixty years old, it is true that if the poor of Boston were divided into three classes: (1) comfortably poor, (2) very poor, (3) miserably poor, every one of the Milton cases, by comparison, would conform to the first class. There is no case among

them, saving perhaps one, which does not have and employ resources or neglect to employ powers in a way not prudent or necessary, or befitting a dependent condition. Boston expends annually for its out-door poor about $110,000, which, divided among its 500,000 inhabitants, would give each twenty-two cents. If Milton now has a population of 7,000, it would expend $1,540 annually on the Boston basis. But on the basis of 1903 it expended more than $7,000, and that is five times what Boston expended for the same number of its population, and would require Boston, on that basis, to raise half a million dollars.

"For the purpose of determining the relative position of Milton with other towns, I have prepared a table of twenty-one most extravagant towns in the matter of out-door relief, and from that I learn that there is no city in the state that gives so much out-door relief per head as Milton, and that only two towns in all have given as much, in each and all the last four years, per capita of the population, as has Milton. These two towns are Dalton in Berkshire County, and Hopkinton in Middlesex County.

"I have set this case out on the financial basis, because it is by figures that the truth is more easily seen. As a matter of saving money, however, the case does not especially interest me. But if the course pursued is a wrong to the poor, — sapping the foundations of self-respect, entailing on future generations the continuing badge of pauperism, and demoralizing the worthy self-supporting poor by the spectacle of others no poorer than they living on the earnings themselves can hardly spare and yet clothe their children, — it is a condition appealing to the conscience and heart of every lover of Milton.

"It is worth while to remember what the history of out-door relief in this town re-affirms — that there is no form of pauper aid so likely to run away with its agents as out-door relief; and it is this consideration that has brought about the fact that in the great city of London not one penny of aid is given to the poor, in their homes, from public funds. It is wholly divided thus: Private aid and relief societies for the poor in their own homes, — the almshouse for those who cannot be supported by these. Some modification of this rule under proper conditions seems more humane, and I agree to that. It is easy to decide as to the steps to be taken in the way of reform. Poor persons are no exception to the rule that streams follow the line of least resistance."

In a later report dated May 7, 1904, Dr. Shaw says:

"The completion of the registration of the fifty-two cases of persons aided on account of Milton, which you committed to me about March 1, makes some statement of the facts learned necessary. Five of these cases were persons aided in the Boston City Hospital and no comment seems necessary on them. Six cases visited have not been aided this year. Two others are not Milton charges and the allowances to them are made by agreement with those who reimburse the Town.

"Of the remaining 39 cases, 14 are proper cases for continuance at present rates, though one of them should be self-supporting after 1904, and another in a year or two.

"There are five cases in which a reduction seems proper. Two of the remaining 23 cases have resources sufficient for their support, not now used for that purpose, and two have relatives of sufficient means legally responsible for their support, who now do nothing.

"Two are cases who have been aided on account of Milton for 15 and 12 years respectively, who never were Milton cases. One, which ceased to have a Milton settlement six years ago, has been aided every year since as a settled case, and one that has had no Milton settlement for the last fifty years, but has been supported here the last year is now turned over to relatives. This last case has an acknowledged settlement in another place.

"Still another case believed to belong here, and so aided since 1897, proves to belong elsewhere.

"In thus setting forth the facts that have been established, I wish to disclaim any suggestion of criticism of official blame or negligence. If there is any blame, it is to be distributed among the voters of the town, who have yearly devolved a most important and exacting duty upon the shoulders of officials already overburdened.

"Milton was one of twenty towns which tried to make provisions that were sufficient fifty years ago when everybody worked and there was no dependent class, answer the purpose under entirely new conditions, and it failed, as all must fail who put new wine into old bottles."

The Overseers have endeavored, whenever possible, to find some way by which those needing aid could help themselves, rather than receive money or supplies, as they believe that through such assistance the benefit to the person aided is very much greater, and the evils incident to becoming a public charge are avoided.

The Town Farm and Almshouse have continued under the charge of Mr. and Mrs. Calvin H. Sanford, whose interest in the welfare and happiness of those under their care deserves special mention.

The men's dormitory has been thoroughly cleaned, repainted, and put into good condition on the interior by the inmates, and new furniture has been provided for their sitting room. Some of the rooms in the main building have been repainted by the Superintendent; but aside from these, very few repairs have been made on the buildings, except those incidental to the introduction of water. The buildings need to have a few hundred dollars spent on them in repairs.

Thirty-five hundred ($3,500) dollars were appropriated at the last Town Meeting, "To properly provide the Town Farm buildings with an ample supply of water for both domestic purposes and fire protection," and work was "to be done under the direction of the Overseers of the Poor." Of this sum, $2,434.12 was paid the Water Department for extending the water pipes to the cellars of the dwelling houses, the stable, and the hospital, and providing a hydrant. Of the remaining balance the greater part has been expended as follows:

1. The stable was provided with a faucet and water-trough.
2. At the men's dormitory, a sill cock was put in, and necessary repairs made to fixtures in bathroom.
3. At the main building — one new water-closet on first floor, one new bathroom on second floor; two two-inch pipes with fifty feet of cotton hose attached to each, for fire protection, one in each story, and minor charges and repairs in the water-works necessary for the change in the water supply. The unexpended balance is $169.93.

The Town at the annual meeting last March appropriated the sum of one thousand ($1,000) dollars, "to put the detention hospital in a condition suitable for the care of smallpox patients," the work to be "done under the direction of the Overseers of the Poor."

The improvements that have been made are substantially those contemplated by the committee which recommended to the Town the expenditure of this sum of money, and consist of, — new bathroom completely furnished, new nurse's room, new cellar and furnace, water supply, new range in kitchen, and other small changes. The total cost is $921.71.

EXPENDITURES AT ALMSHOUSE 1904.

	Jan. and Feb. by Selectmen.*	March to Dec. 31st.	Total.
Salary of Superintendent and Matron	$83 34	$416 70	$500 04
Wages of help	94 95	277 68	372 63
Groceries and provisions	212 37	631 90	844 27
Fuel	21 00	148 75	169 75
Furniture and clothing	10 46	147 87	158 33
Medical	171 19	65 14	236 33
Repairs	15 10	58 65	73 75
Hay and grain	40 42	137 89	178 31
Telephone		24 24	24 24
Blacksmith	5 00	27 70	32 70
Burial	50 00	35 00	85 00
Water rates		19 77	19 77
	$703 83	$1,991 29	$2,695 12

* Some of these items cover bills of 1903, and it must not, therefore, be assumed that the items represent strictly the expenses of January and February only.

Average number of inmates Mar. 1 to Dec. 31 = $7\frac{4}{7}$.

Per capita cost per week, $5 47, per year, $284.44.

This high cost is due to the small number of inmates.

EXPENDITURES OUTSIDE OF ALMSHOUSE 1904.

	Jan. and Feb. by Selectmen.*	March to Dec. 31st.	Total.
Fuel	$220 56	$176 91	$397 47

RELIEF OUTSIDE ALMSHOUSE 1904.

GIVEN BY OVERSEERS OF THE POOR BETWEEN MARCH 1 AND DECEMBER 31.

Name.	Age.	Condition.	Kind or Duration.	Amount.
Adams, Charles	63	Single	Regular	$54 00
Bates, Marina	68	Widow with daughter, 25 years	Full support until assumed by Han-Hanson in July	78 25
Byrnes, Helen C.	30	Deserted, with 2 young children	Regular	120 00
Caswell, Harriet	81	Widow	Occasional	10 50
Chase, Leander A.	75	With wife	Regular	131 13
Childs, Elizabeth	30	Living apart from husband	Boston City Hospital	106 00
Cole, Charles B	17	Single	Boston City Hospital 1903	120 00
Connor, Frank	44	Wife and 3 children	No aid since March	2 00
Cook, Sarah	45	Widow with crippled child	Aided once	6 00
Crawford, Jas. H.	65	Widower	Boston City Hospital	46 00
Davis, Eleanor	73	Widow	Full support	160 99
Donovan, Hannah	80	Widow	Full support	155 37
Ewell, Ellen	47	Widow with 3 children	Assumed by Boston in April	30 38
Fallon, Joseph	24	Married	Boston City Hospital 1903	27 00
Flynn, Mary	60	Widow	No aid since June	8 38
Geddes, Alice	31	Deserted with 4 children	State partially reimburses	57 62
Gilrain, Miles	80	With wife	Full support	150 29
Gordon, Ida R.	24	With 3 children, husband insane	Quincy reimburses	83 00
Gray, Wilmot H.	44	Invalid with wife and 5 children	Occasional	19 00
Howes, Lyman F	51	With wife	Occasional	13 88
Hutchinson, H. H.	54	Single, feeble-minded	Boarded	108 00
Jackson, Thos. H.	7	Deserted	Boarded	122 50
Johnson, Joseph	40	With wife and 4 children	State partially reimburses	25 50
Manion, Bridget	70	Widow, 2 adult children	No aid since March	10 00
Melvin, Annie	52	4 children, 13 to 25 years	Regular	157 47
Miller, M. Augusta	66	Single	Full support	60 74
Moorhouse, John S	61	Living apart from wife	Boston City Hospital	49 00
McCue, John A	41	Wife, no children	Boston City Hospital 1902	5 00

Name.	Age.	Condition.	Kind or Duration.	Amount.
McDonald, Isabella	50	Widow and 5 grown children	No aid since March	$ 3 50
McDonald, Jno. L.	21	Feeble-minded	Boarded	143 00
McGue, Ellen	51	Widow with 4 children, 13–20 years	Regular	67 50
McLeod, Bessie	40	Husband sick, 5 children	Boston City Hospital	71 00
McNellis, Margaret	55	Single	Regular	40 00
Neilson, John	55	Blind, wife and 5 children, 13–24 years	No aid since March	30 00
Perry, Eliza	90		Aided once	13 00
Quigley, Mary	42	Widow with 3 children, 8–12 years	Regular	54 76
Riordan, James J.	54	Invalid, with wife	Full support	124 36
Russell, George S.	34	Wife and 2 small children	Boston City Hospital	20 00
Skinner, Edith	33	Husband and 3 children	Aided once	4 50
Tracey, Etta T.	34	Widow with 3 small children	Assu'd by Hyde Park in April.	72 00
Welch, Ellen G.	44	Deserted with 5 children	Boston reimburses	105 00
Welch, Margaret	72	Widow and 3 adult children.	Aided once	2 00
Williams, William	45	Wife and 3 children	Aided once	1 94
Yerrick, Wm. H.	36	Feeble-minded	School for feeble-minded	169 92
				$2,840 48
Relief given by Selectmen during January and February. (The names of eleven not aided after February do not appear.)				1,028 58
Total				$3,869 06

Ten other cases investigated since March last and private help enlisted, or aid refused.

The Overseers hope to be able to so arrange the affairs of the new applicants for aid that many may become self-supporting, or at least not require public aid. This may be accomplished either through the efforts of the members of the Board or by the help of volunteer visitors, whose assistance they may enlist. They believe that those now aided should be steadily encouraged toward freedom from Town help, and above all, that the children should be brought up to become self-supporting.

The Overseers will at all times welcome suggestions from the townspeople in relation to the work of their department.

They recommend for the ensuing year the appropriation of six thousand, eight hundred dollars ($6,800.00), together with the sums received from sale of produce at the Town Farm, and from other cities and towns in reimbursement for aid rendered. This amount is intended to cover all expenditures of the Overseers, including clerical service.

ARTHUR H. TUCKER, *Chairman.*
PARKER B. FIELD, *Secretary.*
LAVINA H. BRACKETT,
HORACE N. PLUMMER,
GEORGE WIGGLESWORTH.

FUNDS HELD BY THE TOWN.

PERPETUAL CARE FUND.

Amount held Dec. 31, 1903	$17,475 00
Receipts	300 00
	$17,775 00

This fund is held by the Town Treasurer, in accordance with Chap. 82, Sects. 15–18, of the Public Statutes, interest at the rate of six per cent. per annum being allowed on it and paid over to the Trustees of the Cemetery.

JASON REED CEMETERY FUND.

Amount held Dec. 31, 1904	$2,626 67

The interest on this at four per cent. per annum is paid over to the Trustees of the Cemetery.

JASON REED PUBLIC PARK FUND.

Amount held Dec. 31, 1903	$3,494 36	
Interest 1904	139 77	
		$3,634 13
Less expenses for year 1904		105 41
		$3,528 72

EXTRACT FROM THE WILL OF ELIZABETH T. L. REED.

"All the rest, residue and remainder of all the moneys remaining in the hands of said Executor or Administrator, I direct shall be divided into three equal parts

. . . .

"The second of said parts shall be paid to and deposited with the Treasurer for the time being of said Town of Milton, the same to be received, held and invested by said town as a fund to be known as the 'Jason Reed Fund,' and the income thereof shall be applied to the preservation, care, improvement or embellishment of the said Milton Cemetery.

"And the third of said parts shall be paid to said Town of Milton, and the same shall be applied by the proper legal authorities to or towards laying out, improvement or ornamentation of a Public Park or Parks in said town, in such manner as said authorities may deem advisable.

"I make the foregoing bequests in favor of First Parish, the Cemetery and the Parks in said Milton, both on account of the deep interest taken by my father, the late Jason Reed, deceased, in the affairs of said town, and of my own profound desire for the welfare of said town and of the citizens thereof."

ANNUAL TOWN REPORT

OF

MILTON

MASS.

FOR THE YEAR ENDING

DECEMBER 31, 1905

COMPILED BY

THE AUDITORS

SETTLED 1640 : INCORPORATED 1662

Stanhope Press
F. H. GILSON COMPANY
BOSTON, U. S. A.

STATEMENT OF THE AUDITORS.

To the Citizens of Milton:

In accordance with the Revised Laws and the By-Laws of the town, we have examined the books and accounts of all officers and committees intrusted with the expenditure of money, and all original bills and vouchers on which moneys have been paid from the treasury for the year ending Dec. 31, 1905, and have found the same correct.

Respectfully submitted,

GEORGE A. FLETCHER }
LEONARD E. LITTLEFIELD } *Auditors.*

MILTON, MASS., *Dec.* 31, 1905.

[1] Term expires May, 1906.

[2] Term expires May, 1907.

[3] Term expires May, 1908.

REVISED BY-LAWS.

TOWN OF MILTON, MARCH 3, 1902.

Adopted by the Town and approved by the Superior Court May 20, 1902.

CHAPTER 1.

General Provisions.

Section 1. These By-Laws, contained in this and the succeeding chapters, being ten chapters in all, may be designated as the Revised By-Laws, adding the number of the chapter and section when necessary.

Sect. 2. So far as the provisions of these By-Laws are the same in effect as those of previously existing By-Laws, they shall be construed as a continuation of such By-Laws, but, subject to said limitations and the provisions of the next section, all By-Laws of the town heretofore in force are hereby repealed; provided that this repeal shall not apply to or affect any By-Law, order, or article heretofore adopted, accepting or adopting the provisions of any statute of the Commonwealth.

Sect. 3. These By-Laws and the repeal of all By-Laws heretofore in force shall not affect any act done, any right accrued, any penalty or liability incurred, or any suit, prosecution, or proceeding, pending at the time when they take effect; nor shall the repeal of any By-Law thereby have the effect of reviving any By-Law theretofore repealed or suspended.

Sect. 4. When in a By-Law anything is prohibited from being done without the license or permission of a certain

officer, officers, or board, such officer, officers, or board, shall have the power to license or permit such thing to be done.

SECT. 5. In all the By-Laws of the town the following words and expressions shall, unless inconsistent with the manifest intent, be severally construed as follows: —

The words *public way* shall include any highway, townway, road, bridge, street, avenue, boulevard, roadway, parkway, lane, sidewalk or square; *the owner or occupant* of a building or land shall include any sole owner or occupant, and any joint tenant and tenant in common of the whole or of any part of a building or lot of land; words purporting to give a joint authority to three or more officers or other persons shall give such authority to a majority of such officers or persons; the word *person* may include corporations; words importing the singular number may apply to the plural number, and words importing the masculine gender may apply to the feminine gender.

SECT. 6. All fines and penalties for the violation of any By-Law shall, when received, inure to the use of the Town, and be paid into the town treasury, unless it be otherwise directed by the laws of the Commonwealth or the By-Laws of the town.

SECT. 7. Whoever violates any of the provisions of the By-Laws of the town, whether included in these By-Laws or any hereafter enacted, whereby any act or thing is enjoined or prohibited, shall, unless other provision is expressly made, forfeit and pay a fine not exceeding twenty dollars for each offence.

SECT. 8. Whoever shall refuse or neglect to obey any order of any town officer or board of town officers, issued under any of the By-Laws of the town, directed to him and properly served upon him, shall, in cases not otherwise provided for, forfeit and pay for such offence a fine not exceeding twenty dollars.

SECT. 9. Prosecutions for the breach of any of the pro-

visions of the By-Laws of the town shall be commenced within six months from such breach.

SECT. 10. Any or all of the By-Laws of the town may be repealed or amended, or other By-Laws may be adopted, at any town meeting, annual or special, an article containing the subject-matter of the proposed change having been inserted in the warrant for such meeting.

CHAPTER 2.

TOWN MEETINGS.

SECTION 1. The warrants for all town meetings shall be directed to the constables of the town, and the meetings shall be notified by posting attested copies of the warrant in each of the post-offices of the town at least fourteen days, and by leaving printed copies thereof at the dwelling-houses in the town at least four days, before the day of such meeting.

SECT. 2. The annual meeting for the election of town officers shall be held upon the first Monday of March, the polls to be open at seven o'clock in the forenoon, and after the election of a Moderator, they shall remain open until two o'clock in the afternoon for the election of such other town officers as are required by law to be elected by ballot, all said officers to be voted for on one ballot. At any time after 2 P.M. a vote may be passed to close the polls in not less than ten minutes.

SECT. 3. After the closing of the polls and the election of other town officers, the remaining articles in the warrant shall be considered.

SECT. 4. All motions shall, if required by the Moderator, be reduced to writing before being submitted to the meeting.

SECT. 5. Upon taking the question, if the decision of the Moderator is doubted, or a division of the house called for, the Moderator shall request the voters to be seated, and shall

appoint tellers; the question shall then be distinctly stated, and those in the affirmative and negative, respectively, shall be requested to rise and stand in their places until they are counted by the tellers, who shall carefully count each side and make a report thereof to the Moderator.

SECT. 6. No vote shall be reconsidered at the same meeting, except upon a motion made within one hour of the adoption of such vote, unless ordered by two-thirds of the voters present and voting thereon.

SECT. 7. When a question is before the meeting, the following motions, viz.: —

to adjourn,
to lay on the table,
for the previous question,
to postpone to a time certain,
to commit (or recommit) or refer,
to amend or substitute,
to indefinitely postpone,

shall have precedence in the order in which they are placed in this section.

In proposed amendments involving amounts or dates, the smallest amount and the shortest time shall be put first.

SECT. 8. After the declaration of the vote for town officers, thirteen legal voters shall be appointed by the Moderator, who, together with the chairman of the selectmen and the chairman of the school committee, shall constitute a committee to be known as the Warrant Committee. The persons so appointed shall continue as members of said committee until the town meeting of the ensuing year.

CHAPTER 3.

THE WARRANT COMMITTEE.

SECTION 1. The Warrant Committee shall, within two weeks after their appointment, meet, at the call of the member

thereof first named, for organization by the choice of a chairman and secretary. And they shall meet thereafter from time to time as they may deem advisable.

SECT. 2. It shall be the duty of the Warrant Committee to inform themselves concerning those affairs and interests of the town, the subject-matter of which is generally included in the warrants for its town meetings; and the officers of the town shall, upon their request, furnish them with facts, figures, and any other information pertaining to their several departments; provided, however, that any such information may be withheld when, in the opinion of the officer or board of officers so requested, the communication thereof might injuriously affect the interests of the town or its citizens.

SECT. 3. The Warrant Committee shall consider the various articles in the warrants for all the town meetings held during the period for which they were appointed, including the various articles in the warrant for the annual town meeting next after their appointment; and they shall report in print before all such town meetings their estimates and recommendations for the action of the town.

CHAPTER 4.

THE TOWN'S FINANCES AND PROPERTY.

SECTION 1. The financial year shall begin with the first day of March.

SECT. 2. The Selectmen shall annually, not less than seven days before the annual meeting, cause to be printed and distributed among the tax-payers of the town, a detailed report of all moneys received into and paid out of the town treasury during the preceding calendar year, with such information and recommendations as they may deem proper, and with detailed estimates of the amounts of money that will be required for the ensuing financial year. With this report

shall be printed the records of all meetings of the town held since the last annual report was printed, the reports of the Auditors, of the Surveyors of Highways, and of the Engineers of the Fire Department, the Collector's account of receipts, payments, and abatements, a list of all taxes assessed, an abstract of the births, marriages, and deaths to be furnished by the Town Clerk, a statement concerning the condition and funds of the public library and the cemetery to be furnished by the trustees respectively, and a statement of all other funds belonging to the town or held for the benefit of its inhabitants; also statements of the liabilities of the town on bonds, notes, certificates of indebtedness, or otherwise, and of the total money paid the Town, the income of which is to be applied to the care of lots in the cemetery. The annual report shall also contain such other matters as may be required by the By-Laws of the town.

SECT. 3. The assessment of taxes shall be completed and the tax list and warrant shall be delivered to the collector on or before the first day of August in each year.

SECT. 4. Poll taxes shall be payable on demand, and all other taxes assessed in each year shall be payable on or before the first day of December in the same year; and on all such taxes as are not paid on or before the said first day of December, interest shall be charged at a rate to be fixed annually by the Town, pursuant to Section 72 of Chapter 12 of the Revised Laws; and the Collector shall use all the means and processes provided by law for the collection of all taxes remaining unpaid after the first day of December in the same year.

SECT. 5. No person being an officer of the town shall in his official capacity make or pass upon, or participate in making or passing upon, any sale, contract or agreement, or the terms or amount of any payment, in which the Town is interested and in which such officer has any personal interest at variance with that of the Town.

Sect. 6. The Selectmen, being duly authorized by vote of the Town under the limitations imposed by statute, may authorize the Treasurer to borrow money temporarily in anticipation of the collection of taxes, or upon loans authorized by vote of the Town, and to give promissory notes therefor in behalf of the Town, the same to be signed by the Treasurer and countersigned by a majority of the Selectmen.

Sect. 7. No money granted for special purposes shall be applied to any other use unless by a vote of the Town, and all unexpended balances of such grants shall be stated in the annual report.

Sect. 8. No order shall be drawn by any officer or committee on the Town Treasurer for any purpose not authorized by a vote of the Town, or by the laws of the Commonwealth, nor shall any such draft be made for any amount which overdraws the appropriation against which it is made, whether general or special; and the Town Treasurer shall keep full accounts in respect to the several separate appropriations and the drafts made against each, and shall not honor any draft which does not state specifically the appropriation against which it is drawn, or which overdraws such appropriation, whether general or special.

Sect. 9. To provide for extraordinary expenditures of departments, should any become necessary in excess of appropriations made, the Town shall annually appropriate a certain sum of money to be known as the Contingent Fund. No direct drafts against this fund shall be made, but transfers from the fund may be made by vote of the Warrant Committee to the account of any other appropriation. A certified copy of such vote shall be sent to the Town Treasurer, and the Treasurer shall transfer accordingly, and honor drafts against the funds so transferred as if originally appropriated.

Sect. 10. No board, committee, or officer of the town shall commit the Town to any expenditure or liability which would, in the ordinary course of business, be chargeable to

the appropriation of which such board, committee or officer, is or has been in charge, after such appropriation has been exhausted, or after the satisfaction of all liabilities against it would exhaust it, until either the Warrant Committee shall have transferred additional sums to such appropriation, or until the Town, at a meeting of the voters, shall have acted in the matter.

SECT. 11. No grant of a sum of money exceeding five hundred dollars shall be made until the subject-matter thereof has been considered and the estimates reported to the Town, either by the Selectmen or other town officers, or by the Warrant Committee or some committee chosen for that purpose in pursuance of a vote of the Town.

SECT. 12. The Selectmen shall have full authority as agents of the Town to institute and prosecute suits in the name of the Town, and to appear and defend suits brought against it, unless it is otherwise specially ordered by a vote of the Town.

SECT. 13. Whenever it shall be necessary to execute any deed conveying land or other instrument required to carry into effect any vote of the Town, the same shall be executed by the Selectmen, or a majority thereof, in behalf of the Town, unless the Town shall otherwise vote in any special case.

SECT. 14. Two Auditors shall be chosen by ballot at the annual meeting, who shall have the power and perform the duties prescribed by statute.

CHAPTER 5.

THE CEMETERY.

SECTION 1. The sole care, superintendence, management, and control of the Cemetery shall be intrusted to a board of five trustees to serve for the period of five years; one of said Board shall retire and a new member be elected at each annual meeting of the Town.

In case of vacancies in the Board of Trustees the remaining members may fill the same, but any member so chosen shall hold office only until the next annual town meeting, when a Trustee shall be elected for the unexpired term.

SECT. 2. Citizens of Milton who are heads of families and have been residents of the town not less than five years shall be entitled to lots in the Cemetery, allowing one lot to a family, subject to the regulations adopted by the Town, upon payment of the charges for putting the lot in order; but by unanimous consent of the Trustees the five years' residence requirement may be waived.

SECT. 3. The Trustees, when in their judgment it shall be deemed advisable, may sell lots at the rate of fifty cents a square foot, but only to those who are in some way connected with Milton people.

SECT. 4. The proprietor of each lot shall cause to be erected, at his own expense, corner-stones, and a step with his name and the number of the lot inscribed on the same, and shall cause his lot to be kept in proper order; and if the proprietor shall omit for thirty days after notice to erect such landmarks and to keep the lot in order, the Trustees shall have authority to have the same done at the expense of said proprietor.

SECT. 5. No lot shall be used for any other purpose than as a place of burial for the dead, and no proprietor shall suffer the remains of any person to be deposited within the bounds of his lot for hire; nor shall any proprietor sell or transfer the whole or any part of his lot without the consent of the Trustees.

SECT. 6. If in the judgment of the Trustees any trees or shrubs in any lot shall become detrimental to the adjacent lots or avenues, or dangerous or inconvenient, it shall be the duty of the Trustees to enter upon said lot and to remove said trees and shrubs, or such parts thereof as are thus detrimental, dangerous or inconvenient.

SECT. 7. There shall be no structure or inscription placed in, upon or around any lot which the Trustees shall deem offensive or improper; and it shall be the duty of the Trustees to remove all offensive or improper objects.

SECT. 8. The Trustees shall have authority to purchase any tomb in the Cemetery offered for sale, paying for the same such sums as, in their judgment, may be fair and reasonable. They shall also have authority to give for any tomb a lot to be constructed on the land occupied by the tomb, or to be selected at some other point in the Cemetery grounds, as they may agree with the proprietor of the tomb. Should there be no living proprietors, or legal representatives of deceased proprietors, the Trustees may take possession of such tomb, carefully remove its contents to a lot prepared for the purpose, and erect over the remains a suitable memorial stone.

SECT. 9. The following regulations shall be posted within the Cemetery: —

1. All persons are prohibited from driving on the borders.

2. No horse shall be left upon the grounds without a keeper, unless fastened to posts provided for the purpose.

3. All persons are prohibited from discharging firearms within the grounds of the Cemetery, except in connection with military memorial services.

4. All persons are prohibited from writing upon or otherwise defacing any sign, monument, fence, or other structure.

5. All persons are prohibited from gathering flowers, or breaking any tree, plant or shrub.

6. Dogs are not allowed within the Cemetery grounds.

CHAPTER 6.

POLICE REGULATIONS.

SECTION 1. No person shall move or assist in moving any building, over any way which the Town is obliged to

keep in repair, without the written permit of the Selectmen being first obtained; nor, having obtained such permit, without complying with the restrictions and provisions thereof.

SECT. 2. Whoever, without a written license from the Selectmen, shall cause or suffer any cart or wagon to remain within the limits of any public way so as in any manner to obstruct travel thereon, or for more than twenty-four hours, shall forfeit and pay a sum not less than one dollar and not more than ten dollars for each offence; and he shall be subject to a like penalty if he neglects to remove the same within the time ordered by such officers, who may revoke such license at any time.

SECT. 3. No person shall place or cause to be placed, upon any public way or sidewalk, any lumber, iron, wood, coal, trunk, bale, box, crate, cask, barrel, package or other thing, and allow the same to remain for more than one hour, or more than ten minutes after being notified by a constable, police officer or the Selectmen.

SECT. 4. Any person who intends to erect, repair or take down any building on land abutting on any way which this Town is obliged to keep in repair, and desires to make use of any portion of said way for the purpose of placing thereon building materials or rubbish, shall give notice thereof to the Selectmen. And thereupon the Selectmen may grant a permit in writing to occupy such a portion of said way to be used for such purpose as in their judgment the necessity of the case demands and the security of the public allows; such permit in no case to be in force longer than ninety days, and to be on such conditions as the Selectmen may require; and especially in every case, upon condition that during the whole of every night, from twilight in the evening until sunrise in the morning, lighted lanterns shall be so placed as effectually to secure all travellers from liability to come in contact with such building materials or rubbish.

SECT. 5. No person shall throw or place, or cause to be

thrown or placed, any ice or snow into or upon any public way, unless the same be broken into small pieces and spread evenly.

SECT. 6. Whoever, without the written permission of the Selectmen, shall place or cause to be placed in or upon any public way, or sidewalk, any ashes, dirt, rubbish or filth of any kind, or any animal or vegetable substance, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 7. Whoever shall suffer any horse or grazing beast, or swine, to run at large in the town, or to feed in any public way either with or without a keeper, and whoever shall drive any such animal upon any sidewalk, or suffer any horse to remain hitched across any sidewalk, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 8. Three or more persons shall not continue to stand or remain in a group, or near to each other, on any sidewalk or in any public place in such a manner as to obstruct a free passage for foot passengers, after having been requested by a constable or police officer to move on. Any person who shall violate the provisions of this section shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 9. No person shall dig up or obstruct any portion of any way which the Town is obliged to keep in repair without the permit, in writing, of the Selectmen, nor, having obtained such permit, shall fail to comply with the conditions thereof; and in addition to any penalty to which he may be subjected under these By-Laws for such failure, he shall reimburse the Town for all expenses and damages which, or for which, the Town may be compelled to pay by reason of such unauthorized use, or any failure to comply with said conditions.

SECT. 10. No person shall ride or drive any beast of

burden, carriage or draught, or shall propel or cause to be propelled any bicycle, tricycle, automobile or any vehicle whatsoever, at a rate of speed exceeding ten miles an hour, in or over any public way.

Sect. 11. No person shall permit any team under his care or control to stand across any public way in such a manner as to obstruct the travel over the same for an unnecessary length of time; no person shall stop with any team in any public way so near to another team as to obstruct public travel; and no person shall stop with any team or carriage upon or across any crossing in any public way.

Sect. 12. No person shall drive or take charge of at the same time in any public way two or more vehicles drawn by horses or other beasts; or shall allow any vehicle belonging to him to be driven in any public way without some competent person in charge thereof.

Sect. 13. Whoever shall coast upon ice or snow on Adams Street, between Churchill's Lane and the line of the City of Boston, or upon any public way on which the Selectmen or Superintendent of Police shall by public notice have forbidden such coasting, and whoever shall drive, wheel or draw any coach, cart, wheelbarrow, handcart, velocipede, bicycle or any carriage of burden or pleasure, except children's carriages, or coast upon any sidewalk in the town, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

Sect. 14. Whoever shall behave in an indecent or disorderly manner, or use profane, indecent, or insulting language in or upon any sidewalk, public way, or other public place, to the annoyance or disturbance of any other person there being or passing in a peaceable manner, shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

Sect. 15. Any person or persons who shall play or perform on any musical instruments, or sing, parade, march, or

congregate in any public way or public place, except in connection with a funeral, without the written permit of the Selectmen, shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

SECT. 16. Whoever shall be or remain on any doorstep, portico, or other projection from any house or building, or upon any wall or fence on or near any public way or public place, after being requested by the occupant of the premises or by any constable or police officer to remove therefrom, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 17. No person shall throw stones, snowballs, sticks, or other missiles, or kick a football or play at any game in which a ball is used, or fly any kites or balloons, in any public way.

SECT. 18. Whoever shall affix, by paste or otherwise, any handbill, placard, notice, or advertisement, or paint, draw, or stamp the same, or any marks or figures, to or upon any signboard of the town, or to or upon any building, fence, wall, tree or structure, without the permission of the owner of such building, fence, wall, tree or structure, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence; and if such handbill, placard, notice, advertisement, mark, or figure be obscene or indecent, the penalty shall not be less than twenty dollars for each offence.

SECT. 19. Whoever shall undertake to enter a particular drain into a common sewer without a permit in writing from the Sewer Commissioners or without complying with the conditions and directions of such permit, shall forfeit and pay a sum not exceeding ten dollars.

SECT. 20. Whoever shall lead or cause to be led into any public way, or running stream, any drain or pipe from any house or other building whereby filthy water or other unclean matter may be emptied into or upon any such public way or

running stream; and whoever shall throw, lead or discharge, or cause to be thrown, led or discharged, into any public way, or running stream, any noxious or poisonous matter or substance, or any matter or substance which shall cause an offensive smell or odor, or which shall be destructive of, or injurious to, animal life, shall forfeit and pay a sum not less than five dollars nor more than twenty dollars.

SECT. 21. The Selectmen may grant licenses to use a certain portion of any public way as a carriage-stand, under such terms and conditions as they may prescribe; and no person shall use any portion of any public way as a carriage-stand for the solicitation of passengers for hire without a license from the Selectmen. But licenses shall not be confined to one person to the exclusion of other applicants, and shall be granted so as to allow competition and promote public convenience.

SECT. 22. No person shall distribute papers, circulars, or advertisements through the town or any portion thereof in such a manner as to make a litter or otherwise cause public annoyance.

SECT. 23. No person shall fire, discharge, explode or set off any gun, fire-arm, torpedo, fire-cracker or fire-works in such manner as to frighten any horse, or to disturb the peace or quiet of any neighborhood.

SECT. 24. No person shall wilfully deface or injure any public playground, planting space, flower bed, tree, shrub or grass border.

SECT. 25. No person shall own or keep a dog which by barking, biting, howling or in any other manner is disturbing the peace or quiet of any neighborhood.

SECT. 26. No hawker or peddler shall within the limits of the town sell any of the goods, wares or merchandise specified in Section 15 of Chapter 65 of the Revised Laws, without obtaining a license so to do from the Selectmen. Such license shall remain in force not later than the thirty-

first day of May following its date; and every applicant shall pay therefor a sum not exceeding one dollar, to be fixed by the Selectmen.

SECT. 27. No itinerant vendor, hawker or peddler, as defined in Chapter 65 of the Revised Laws, shall go through the town peddling, selling, or exposing for sale any goods, wares, merchandise, articles, or things whatsoever, unless he has due license so to do either from the proper authority of the State or from the proper authority of the Town under the provisions of law or of the By-Laws of the town.

CHAPTER 7.

THE CONSTRUCTION AND INSPECTION OF BUILDINGS.

SECTION 1. There shall be in the town a Department for the Inspection of Buildings, which shall be furnished with office room and such supplies for the transaction of business as the Selectmen may provide.

SECT. 2. The officer of said department shall be called the Inspector of Buildings. He shall be appointed by the Selectmen, and shall hold office until his successor is appointed. His compensation shall be regulated by the Selectmen.

SECT. 3. Wherever the word Inspector without further addition occurs in this chapter, it means the Inspector of Buildings.

SECT. 4. The Inspector shall keep a record of all business of the department, and shall submit to the Selectmen such reports of the same as they may require.

SECT. 5. The Inspector may, so far as is necessary for the performance of his duties, enter any building or premises within said town at any reasonable hour.

SECT. 6. The Selectmen may, after a hearing, of which public notice shall be given at least seven days prior thereto, by posting a written notice thereof in each post-office in the

town and on the public bulletin boards in the town, and by publishing the same in a newspaper published in the town, or, if there be no such newspaper, in one published in the city of Boston, pass a vote designating building limits within the town; and upon the acceptance of said vote by the Town at a meeting called as provided by law, said building limits shall be established. Said building limits may comprise the whole or any specified part or parts of the territory of the town.

SECT. 7. Until building limits are established as provided in Section 6, the provisions of this Chapter shall apply to the erection, alteration and removal of buildings and other structures throughout the town. After the establishment of such building limits said provisions, save as otherwise specified therein, shall apply to the erection, alteration and removal of buildings and other structures within such building limits only.

SECT. 8. No work shall be done upon any wall, building or other structure except such repairs as may be necessary for the preservation of the same, nor shall any wall, building, or other structure be erected, raised, moved, enlarged, altered, or torn down, without a permit from the Inspector.

SECT. 9. Applications for such permits shall be in writing upon blanks furnished by the Town, and shall be directed to the Inspector, who shall keep a record of the same.

SECT. 10. In the case of an application for a permit to erect, raise, move or alter a building or other structure where the Inspector is of opinion, because of all the circumstances, that the reasons for the provisions of this chapter do not apply, the Inspector may, with the consent in writing of the Selectmen, issue a special permit waiving all or any of said provisions. But before such permit is granted, three days' notice in writing from the Inspector shall be served upon all persons owning land within two hundred feet of the pro-

posed building or structure, in order that such owners may be heard in opposition to the granting of such permit. The Selectmen shall keep a record of all such permits to which they consent.

SECT. 11. The framing plans and specifications of every building or other structure, and of every alteration in a building or other structure, for which a permit is required, shall be deposited temporarily with the Inspector. A copy of the plans and specifications of public buildings and of every alteration in a public building shall be deposited permanently with him. All plans and specifications deposited under this section shall be dated and signed by the Inspector immediately upon being received by him.

SECT. 12. Every permit issued by the Inspector shall state the purpose for which the building is to be used, and the conditions, if any, under which it is granted. All permits issued shall be recorded in detail, and said records shall be preserved.

SECT. 13. The Inspector shall not give a permit for the erection of any building or other structure until he has inspected the plans and specifications thereof, and ascertained that the building as planned has sufficient strength, proper means of ingress and egress, and that it conforms to the law and the By-Laws of the town, or for the alteration of any building or other structure already erected, until he has examined said building or other structure and the plans and specifications of said alteration, and has satisfied himself that said building as altered will have sufficient strength, proper means of ingress and egress, and will conform to the law and the By-Laws of the town.

SECT. 14. The Inspector shall inspect all work for which a permit has been issued, and shall see that it is being carried on according to law and the By-Laws of the town.

SECT. 15. No permit for the erection of any building to be used as a factory, or in which steam or other motive power is

to be used, or which is to be used for the manufacturing of chemicals, or for the alteration or the moving of any building for any of such uses, shall be granted until after public hearing before the Selectmen; and no building for any of such purposes shall be erected, altered or moved without such permit. Notice of such hearing shall be given, at least seven days prior thereto, by posting a written notice thereof in each post-office in the town, and on the public bulletin boards in the town, and by mailing a copy of the same to the owners of premises within five hundred feet of the proposed location of the building, addressed to their last known residence or place of business, and by publishing the same in a newspaper published in the town, or, if there be no such paper, in one published in the city of Boston.

SECT. 16. No boiler to furnish steam for power shall be set or erected, except on a permit from the Inspector, issued after a hearing as prescribed in the preceding section.

SECT. 17. Permits for the erection, alteration, or moving of any building to be used as a stable in which more than four horses are to be kept shall only be granted after hearing as provided in Section 15. Notice of such hearing shall be sent to the Board of Health of the town, in addition to the notices prescribed in said Section 15.

SECT. 18. The provisions of Sections 15, 16 and 17, shall apply to the whole town irrespective of building limits.

SECT. 19. The Selectmen may, in their discretion, after a hearing as provided in Sections 15, 16 and 17, instruct the Inspector not to issue the permit asked for, and in such case no such permit shall issue.

SECT. 20. In case the owner of any building or other structure, or an applicant for a permit to erect, move or alter a building or other structure, is dissatisfied with any order or decision of the Inspector made in any of the proceedings prescribed in this chapter, the matter shall be referred to the Selectmen, who, within one week from said reference, shall

hear the parties, and, after taking such expert opinion as may seem to them to be necessary, give their decision. In case the decision of the Inspector is affirmed, the expense of any expert opinion taken by the Selectmen shall be paid to the Town by the owner or applicant on demand; otherwise such expense shall be borne by the Town.

SECT. 21. Every portion of every building or other structure in process of construction, alteration, repair or removal, and every neighboring building or other structure or portion thereof affected by such process, or by any excavation, shall be properly supported during such process or excavation.

SECT. 22. All chimneys shall be built of brick or stone, and shall be lined with flue linings starting two feet below all thimble holes and at least two feet below the under side of first-floor timbers, and extending above the roof boarding; or shall have an eight-inch brick or stone wall from the foundation to the roof boarding, and shall be topped at least three feet above the highest point of contact with the roof.

SECT. 23. No nails shall be driven into any chimney at any point; and no woodwork shall be within one inch of any chimney.

SECT. 24. Sills and girders shall be of sufficient size to safely support the superstructure.

SECT. 25. All woodwork, including lath and plaster, within two feet of any heating apparatus or smoke pipe, and all woodwork, including lath and plaster, coming in contact with any pipes from said apparatus, shall be properly protected by a metal or stone shield.

SECT. 26. All partitions in which hot-air pipes run shall be lined with sheet metal, or the pipes shall be wound with asbestos covering.

SECT. 27. Where dwellings of more than two stories are to be occupied by more than two families, there shall be at

least two flights of stairs from the ground floor to the top floor, or one flight from the ground floor to the top floor inside, together with an approved fire escape outside.

SECT. 28. The studding of main or carrying partitions shall be not less than four inches in thickness, and shall have a proper support at bottom with a header not less than three inches in depth unless hard pine is used, then it may be two inches. All openings in main partitions of more than thirty inches shall be trussed over and have double studding at sides. Every partition shall have a header extending the length of the partition, and carrying partitions shall be bridged with stock the full width of studding, and two inches thick at least once in height.

SECT. 29. The studding in outside walls and in partitions shall be not more than sixteen inches on centres unless permission is otherwise granted.

SECT. 30. For buildings other than wooden dwelling-houses the size of floor timbers shall be of sufficient size in the opinion of the Inspector to safely carry the weight intended. In wooden dwelling-houses the floor timbers for a 12 to 14 foot span shall be not less than 2 x 8; for a 14 to 16 foot span, not less than 2 x 9; for a 16 to 18 foot span, not less than 2 x 10; for an 18 to 20 foot span, not less than 2 x 12; in every case the timbers shall be not more than 16 inches apart on centres.

SECT. 31. All headers and trimmers shall be double the thickness, framed together and pinned or hung in stirrup iron and joint bolted.

SECT. 32. All floor joists on the first floor shall be framed in even with the bottom of the sill and stopped off between where they come above the sills, either with joists or brick. Fire stops, the full width of the studding, and not less than three inches thick, shall be cut in on top of the floor joists on each floor above the first floor.

SECT. 33. All floor timbers shall be bridged, in a space

of more than eight feet, with 1 x 3 inches, or 2 x 3 inches, stock, properly nailed at each end.

SECT. 34. The rafters of all buildings shall be of sufficient size, in the opinion of the Inspector, to safely carry the weight that must necessarily be put upon them, and be placed not over twenty inches apart on centres.

SECT. 35. In dwellings arranged for two or more families, side by side, the vertical division walls between the families shall be either of brick not less than eight inches thick and continued without break or interruption from cellar bottom to roof boarding, or of studding not less than four inches in thickness; and the spaces between the studding shall be filled solid, either with brick and mortar, mineral wool, or other incombustible material, approved by the Inspector, and this fire-proof filling shall continue up to the roof boarding.

SECT. 36. All hearths shall be supported by trimmer arches of brick or stone.

SECT. 37. All piers shall be built of brick or iron columns on proper stone or brick footing, and be of such size as to safely carry the weight they are intended to sustain. Brick piers shall be built of hard-burned brick laid in cement mortar.

SECT. 38. All wooden buildings hereafter erected shall have the sills, posts and girts mortised, tenoned and pinned together and supported by suitable studding, and shall be properly braced. End girts shall be placed in all wooden buildings. Sills shall be not less than 6 x 6 inches and shall be properly tied to all girders, and a sufficient number of floor timbers shall be tenoned and pinned to same to keep the building from spreading.

SECT. 39. Posts and girts shall be not less than 4 x 6 inches, other posts not less than 4 x 8 inches, and plates not less than 4 x 4 inches.

SECT. 40. No wooden building shall be built within two feet of the line of an adjoining lot, unless a brick wall at least

eight inches in thickness shall be substituted for the wooden wall next said line.

SECT. 41. Every wooden building or structure hereafter erected shall have a stone or brick foundation resting upon the solid ground or upon concrete, piles, or other durable substructure; said foundation shall be securely and properly built, shall have a sufficient amount of large stone extending through the wall to properly bond and tie it together, and shall be of such thickness as to properly sustain the weight it is intended to support.

SECT. 42. The underpinning above grade, if of brick, shall be not less than ten inches in thickness; if of stone, not less than fourteen inches in thickness, and shall be laid in mortar.

SECT. 43. All foundation walls shall be laid at least three inches below cellar bottom, and not less than three feet six inches below any adjoining surface exposed to frost.

SECT. 44. Every building or structure hereafter built of brick, stone, iron or other hard and incombustible materials shall have foundations resting upon the solid ground, or upon concrete, piles or other durable substructure, and not less than four feet below any adjoining surface exposed to frost.

SECT. 45. Foundation walls for such buildings as are designated in Section 44 shall be built of brick, stone, or other suitable substance, properly bonded and solidly built with one half cement mortar.

SECT. 46. For brick buildings with walls not exceeding thirty-five feet in height, the foundation walls, if built of common stone, shall not be less than thirty inches thick at bottom and twenty inches thick at top, and be built of stone large enough to extend through the wall; if built of block stone in horizontal courses, the walls shall be not less than sixteen inches the entire height, and shall rest on a footing course twelve inches high and twenty-four inches wide.

SECT. 47. For brick buildings exceeding thirty-five feet

in height the foundation walls, if built of common stone, shall be not less than thirty-six inches thick at bottom and twenty-four inches thick at top, and be built of stone large enough to extend through the wall; if built of block stone in horizontal courses, the walls shall be not less than eighteen inches thick the entire height, and rest on a footing course twelve inches high and thirty inches wide.

SECT. 48. Party or partition walls shall be built upon a footing course of stone or brick not less than four inches each way larger than thickness of the wall it is to sustain, and twelve inches high.

SECT. 49. External walls of brick buildings less than fifteen feet in height shall be not less than eight inches thick; over fifteen and less than thirty-five feet in height they shall be not less than twelve inches thick, except when the building is used as a dwelling-house, then the walls of the upper story may be not less than eight inches thick; over thirty-five feet in height the walls shall be not less than sixteen inches thick to the top of second floor, and twelve inches thick the remaining height.

SECT. 50. In every brick wall at least every ninth course shall be a heading or bonding course, except where walls are faced with face brick, in which at least every ninth course shall be bonded with Flemish headers, or by cutting the courses of face brick and putting in diagonal headers behind the same, or by splitting face brick and backing them with a continuous row of headers.

SECT. 51. Vaulted walls shall contain, exclusive of ties the same amount of material as required for solid walls, and shall be securely tied together with headers in every sixth course at least.

SECT. 52. In reckoning the thickness of walls, no allowance for ashlar shall be made unless it is at least eight inches thick, in which case the excess over four inches shall be reckoned as part of the thickness of the wall. Ashlar shall

be at least four inches thick and properly held by metal clamps to the backing, or properly bonded to the same.

Building Grades.

Sect. 53. The Selectmen may, after a hearing, of which public notice shall be given at least seven days prior thereto, by posting written notice thereof in each post-office in the town and on the public bulletin boards in the town, and by publishing the same in a newspaper published in the town, or if there be no such newspaper, in one published in the city of Boston, and by giving personal notice to the owners of and to be effected by delivering to such owners a copy of said notice or by depositing the same in the post-office, postpaid and addressed to them at their last known residence or place of business, pass a vote designating a building grade or building grades for any part or parts of the town; and on the acceptance of such vote by the Town at a meeting called as provided by law, said building grade or building grades shall be established.

Sect. 54. Said building grade or building grades may be at different heights above the level of the sea in different parts of the town, as the nature of the ground may require.

Sect. 55. No cellar floor of any building erected on land for which a building grade has been established, nor any part, except the foundation, of a building on such land which has no cellar, shall be below said grade.

Other Provisions.

Sect. 56. The Inspector in the name of the town may take such measures as the public safety requires, to carry the provisions of this chapter into effect; and any expense incurred in so doing may be recovered by the Town from the owner of the defective property.

Sect. 57. Any person violating any of the provisions of this chapter shall be liable to a fine of not less than $20, nor more than $100, for each offence.

CHAPTER 8.

The Regulation and Inspection of Plumbing.

Section 1. The word Inspector, without further addition, wherever used in this chapter, means the Inspector of Plumbing.

Sect. 2. No person shall carry on the business of plumbing unless he is a plumber and shall have first registered his name and place of business in the office of the Inspector of Buildings; and notice of any change in the place of business of a registered plumber shall be immediately given to said Inspector of Buildings.

Sect. 3. Every plumber before doing any work in a building shall, except in the repair of leaks, file at the office of the Inspector upon blanks furnished for that purpose a notice of the work to be performed; and no such work shall be done in any building without the approval of the Inspector.

Sect. 4. No pipes or other fixtures shall be covered or concealed in any way until the same have been examined and approved by the Inspector. Notice shall be sent to the Inspector when the work is sufficiently advanced for such inspection, and it shall be the duty of such Inspector, within two working days after receiving such notice, to inspect the same; and in case any change therein shall be found necessary, he shall direct in writing the change to be made.

Sect. 5. All plumbing work shall be subjected to the water test before the fixtures are set. After all the fixtures are set the work shall be subjected to the smoke, peppermint or other reliable test under pressure. All such tests shall be made in the presence of the Inspector.

Sect. 6. The sewage and waste piping of every house or building shall each be separately and independently connected with the street sewer, where one is provided, or with a proper cesspool; and where there is no sewer in the street, and it is

necessary to construct a private sewer to connect with one on an adjacent street, such system shall be used as may be approved by the Inspector.

SECT. 7. The soil-pipe of every building shall be of sufficient size to receive, and allow freely to pass, all that enters or should enter the same. All soil-pipes shall be of extra heavy cast-iron pipe; all drain and connecting ventilating pipes within the building shall be of sufficient size, and made of cast-iron with leaded and calked joints, but wrought-iron pipe may be used for vent purposes; said pipes shall be properly secured to walls and ceiling with wrought-iron hangers. The soil-pipe of every building shall be not less than 4 inches, vent pipes not less than 1½ inches, and waste pipes not less than 2 inches, in diameter.

SECT. 8. Every drain-pipe shall be supplied with a suitable trap placed with an accessible clean-out at the point where it leaves the building, and shall have a proper pitch and extend 5 feet outside of the cellar wall; said clean-out may be placed outside of the cellar wall if made accessible. The pipe from this point to the sewer or cesspool shall have tight joints. All drain or ventilation pipes shall extend undiminished in size at least 2 feet above the highest window on roof, and all changes in direction of soil-pipes shall be made by Y branches or bends as the Inspector shall direct.

SECT. 9. All joints in iron drain-pipes, soil or vent pipes shall be made by thoroughly calking the same with molten lead. Joints of lead pipes with iron pipes shall be made by soldering the same into brass ferrules by means of a full-sized wiped joint, and calking the ferrules to pipes which are of cast-iron, or screwing them to pipes which are of wrought-iron.

SECT. 10. Every water-closet, urinal, sink, basin, bath-tub, slop-hopper, and every tray or set of trays shall be furnished with a separate trap, placed as near the fixture as possible, and in no case shall the waste from the bath-tub or

other fixture be connected with a water-closet trap. Traps shall be protected from siphonage or air pressure by special pipes of a size not less than the waste-pipe, placed outside or below the trap; lead pipes shall be used only where they are exposed to the view. Air-pipes for the water-closets shall be not less than two-inch bore. Two or more air-pipes may be connected together or with a soil-pipe, but such connection with a soil-pipe shall be above the upper fixture of the building.

Sect. 11. No drip or overflow pipes from safes under water-closets, urinals or other fixtures, no overflow pipes from tanks or cisterns, no waste-pipes from refrigerators or other receptacles in which food is stored, no rain-water conductors, and no steam exhaust pipes or steam waste-pipes, shall be connected with any soil-pipe. No openings shall be allowed in the soil- or waste-pipe of any building for the purpose of receiving the surface drainage of the cellar. No brick, sheet metal, earthenware or chimney flue shall be used as a sewer ventilator, or to ventilate any trap, drain, soil- or waste-pipe.

Sect. 12. Every water-closet or line of water-closets on the same floor inside of the building proper shall be supplied with water from a tank, and shall have a flushing pipe of not less than 1¼ inches diameter inside.

Sect. 13. Cesspools shall have a top of stone, or arched brick, with iron rim and cover, and may be laid up dry, unless otherwise ordered by the Board of Health.

Sect. 14. Every privy vault shall be at least four feet distant from the line of an adjoining lot, unless by the consent of the owner of such lot; and every vault shall be so constructed as to be conveniently approached, opened and cleaned, and shall be made tight, so that the contents thereof cannot escape therefrom, if, in the opinion of the Inspector, the surroundings require it.

Sect. 15. No water-closet shall be enclosed with any upright woodwork.

SECT. 16. In the case of any dispute or difference in opinion between the Inspector and any person, the same shall be submitted by either party to the local Board of Health, who shall pass upon the same, and whose finding therein, after hearing, shall be final and conclusive upon all parties. No member of said board shall sit in a case in which he is interested, and in case of such disqualification, or of the necessary absence of any member, the two other members shall appoint a substitute. If two or more members are so disqualified or absent, the Inspector shall appoint one substitute, the appellant another, and the two so appointed shall, if necessary, appoint a third.

SECT. 17. The Inspector of Buildings, in the name of the town, may take such measures as the public safety requires, to carry the provisions of this chapter into effect, and any expense incurred in so doing may be recovered by the Town from the owner of the defective property.

SECT. 18. A person violating any of the provisions of this chapter shall be liable to a fine not exceeding $50.

CHAPTER 9.

STREET RAILWAYS.

SECTION 1. The annual report shall contain the following concerning the street railways in the town and the street railway companies owning or operating the same, viz. : —

Copies or full statements of all locations granted to street railways during the preceding calendar year, with all the terms, conditions and modifications thereof, and the terms of any modifications granted during the year of locations previously granted.

A copy of all regulations in force as to the rate of speed, the mode, manner and extent of use of tracks, and the number and routes of cars of any and all such companies made

by the Selectmen under the provisions of Sections 40 and 42 of Chapter 112 of the Revised Laws.

A statement of all taxes paid the Town by street railway companies during the preceding calendar year, which by the terms of Section 47 of Chapter 14 of the Revised Laws are to be applied toward the construction, repair and maintenance of the public ways and removal of snow therefrom within the town.

Sect. 2. Whenever the Selectmen are of opinion that additional accommodations for the travelling public are required upon any street railway in the town, and the company neglects or refuses to furnish the same at their request, it shall be their duty to petition the Board of Railroad Commissioners to order such additional accommodations to be provided under the terms of Section 70 of Chapter 112 of the Revised Laws.

CHAPTER 10.

Town Ways.

Section 1. Every way that shall be laid out for the acceptance of the Town as a town way shall be not less than thirty feet in width.

Sect. 2. Whenever an existing private way, the fee of which is in the abutters, shall be laid out for the acceptance of the Town as a town way, the document relating to such laying out shall be accompanied by a certificate of a competent civil engineer, which shall be filed in the office of the Town Clerk, together with said document, before such way shall be accepted. The said certificate shall state that such private way is well built; and that as constructed it is equal to the average construction of the existing highways of the town.

Sect. 3. Whenever any way shall have been laid out or altered by the Selectmen, and accepted and allowed by the

Town, no entry for that purpose of constructing any part of such laying out or alteration shall be made until all claims for damages by reason thereof shall have been finally adjusted or determined, unless such entry shall be authorized by special vote of the Town.

MILTON TOWN RECORDS FOR THE MUNICIPAL YEAR 1905–1906.

MARCH MEETING.

WARRANT.

Commonwealth of Massachusetts.

NORFOLK, SS. *To either of the Constables of the Town of Milton,* GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Town affairs, to meet at the Town Hall, in said Milton, the sixth day of March next, at 7 o'clock A.M., then and there to act upon the following articles, to wit: —

ARTICLE 1. To choose a moderator to preside at said meeting.

ART. 2. To choose all town officers as are required by law to be chosen by ballot; also on the same ballot to vote "Yes" or "No" in answer to the question, "Shall license be granted for the sale of intoxicating liquors in this Town?" The polls to be opened at 7 o'clock in the forenoon and may be closed as early as 2 o'clock in the afternoon.

ART. 3. To choose all such Town officers as are not required by law to be chosen by ballot.

ART. 4. To hear and act upon the Auditor's report, and reports of other Town officers or committees.

ART. 5. To see what sum of money the Town will appropriate for the support of schools the ensuing year.

ART. 6. To see what sum of money the Town will appropriate for Transportation of scholars the ensuing year.

Art. 7. To see what sum of money the Town will appropriate for the medical inspection of the pupils of the public schools; the same to be expended under the direction and at the discretion of the School Committee.

Art. 8. To see what sum of money the Town will appropriate for the Street Department the ensuing year.

General Expenses.
Construction of Sidewalks.
Street Watering.
Removal of Ice and Snow.

Art. 9. To see what sum of money the Town will appropriate for the Fire Department the ensuing year.

Art. 10. To see what sum of money the Town will appropriate for the Police Department the ensuing year.

Art. 11. To see what sum of money the Town will appropriate for miscellaneous expenses the ensuing year.

General Expenses.
Interest.

Art. 21. To see what sum of money the Town will appropriate for the maintenance of the Sewer Department the ensuing year.

Art. 22. To see what sum of money the Town will appropriate for the collecting of ashes and garbage the ensuing year.

Art. 23. To see what sum of money the Town will appropriate for the use of the Tree Warden, to be expended in the care and planting of shade trees and the destruction of insect pests injurious to trees the ensuing year.

Art. 24. To see what salary (if any) the Town will vote to pay the Tree Warden.

Art. 25. To see what sum of money the Town will appropriate for the general uses of the Board of Assessors the ensuing year.

Art. 26. To see what sum of money the Town will appropriate for the general uses of the Board of Park Commissioners the ensuing year.

Art. 27. To see what sum of money the Town will appropriate to be expended by the Park Commissioners in conjunction with the School Committee in the improvement of the school lots.

Art. 28. To see if the Town will vote to appropriate the sum of two hundred dollars ($200), to be expended by the Huntington Frothingham Wolcott Post 102, G. A. R., on Memorial Day.

Art. 29. To see what action the Town will take in regard to borrowing money.

Art. 30. To see if the Town will authorize the Collector of Taxes to use all means of collecting the taxes which a Town Treasurer, when appointed Collector, may use.

Art. 31. To see if the Town will accept the list of jurors as prepared by the Selectmen.

Art. 32. To see if the Town will vote to repeal Section 2 of Chapter 10 of Revised By-laws, relating to Town Ways.

Art. 33. To see what sum of money the Town will appropriate for the construction of Brook Road, from Canton Avenue to Adams Street.

Art. 34. To see if the Town will erect five electric lights on Otis Street, and appropriate money for the same.

Art. 35. To see if the Town will erect three electric lights on Dyer Avenue, between Houston Avenue and Blue Hills Parkway, and appropriate money for the same.

Art. 36. To see if the Town will erect one electric light at the corner of Brook Hill Road and Eliot Street, and appropriate money for the same.

Art. 37. To see if the Town will erect one electric light on Washington Street, at a point about one hundred and fifty feet north from the junction of Washington and Eaton Streets, and appropriate money for the same.

Art. 38. To see if the Town will vote to locate and maintain an electric street light at or near the intersection of Bunton Place with Brackett Street, and appropriate money for the same.

Art. 39. To see what sum of money the Town will appropriate for the erection of five electric lights on Atherton Street.

Art. 40. To see what sum of money the Town will appropriate to complete Capen Street, from the railroad crossing to the reservation.

Art. 41. To see if the Town will appropriate the sum of one hundred dollars ($100) to reset the flag-pole situated on Adams Street, near Railroad Station, East Milton.

Art. 42. To see if the Town will appropriate the sum of four thousand dollars ($4,000) for the erection of two portable buildings to be used in connection with the Glover School.

Art. 43. To see what sum of money the Town will appropriate for two new fire-alarm boxes, one to be located at the corner of State and Sheldon Streets, and the other to be located near the junction of Pierce and Willard Streets, East Milton.

Art. 44. To see what sum of money the Town will appropriate for a new fire-alarm box at or near the end of Holmes Lane on Canton Avenue.

Art. 45. To see what sum of money the Town will appropriate for the use of the Department of Wires during the ensuing year.

Art. 46. To see what sum of money the Town will appropriate for connecting the Central Fire Station, Chemical Engine House and Hose 2 House with the Town sewers, and also for making the necessary changes in the interior plumbing of these buildings in order that they may conform to the Town By-laws.

Art. 47. To see what sum of money the Town will appropriate for the extension of water-mains.

Art. 48. To see if the Town will accept the provisions of Chapter No. 103 of the Revised Laws, with reference to the supervision of plumbing.

Art. 49. To see if the Town will adopt the plumbing by-laws printed as Revised By-laws, Chapter 8.

Art. 50. To see if the Town will vote to transfer to the control of the Town Park Commissioners the piece of land described as follows: the same containing three and ten onehundredths acres more or less, bounded on the north by Blue Hill Avenue; on the east by land of Wills and Eustis; on the south by Canton Avenue; on the west by land of heirs of Cutting and land of Cabot; being near Dollar Lane and formerly used by the Town as a gravel-pit, and now under the control of the Highway Department acting through the Board of Selectmen; with a view to having this lot of land eventually graded off and made a local playground.

Art. 51. To see if the Town will vote the sum of $150 to grade, sow, and plant trees in the reserved space, or park, located in the centre of Grafton Avenue, between State Street and Edge Hill Road.

Art. 52. To see what action the Town will take with reference to the application of the proceeds of sewer betterment assessments now in the Treasury, or which shall be received at any time from this source for meeting the appropriations, if any, made from time to time for sewer construction, and to paying or providing for the payment of town bonds issued for the sewer construction.

Art. 53. To see if the Town will appropriate the sum of ten thousand dollars ($10,000) for the construction of sewers, and to authorize the Treasurer to borrow the same.

Art. 54. To see if the Town will appropriate the sum of eighteen hundred ($1,800) dollars to purchase a combination chemical and hose wagon to be located in Hose House number two, East Milton.

And you are directed to warn said inhabitants, qualified as aforesaid, to meet at the time and place and for the purpose herein mentioned, by posting attested copies of this warrant in each of the post-offices of said Town, fourteen days at least before said meeting, and leaving printed copies hereof at the dwelling-houses in said Town, at least four days before said meeting.

Hereof fail not, and make due return of this warrant with your doings thereon, to the Town Clerk, at the time and place of said meeting.

Given under our hands at Milton this seventeenth day of February, nineteen hundred and five.

JOHN F. BROWN,
MAURICE A. DUFFY,
JESSE B. BAXTER,
Selectmen of Milton.

Commonwealth of Massachusetts.

NORFOLK, SS. MILTON, March 6, 1905.

Pursuant to the within warrant I have notified the inhabitants of the Town of Milton, as within directed, to meet at the time and place, for the purposes therein mentioned, by posting attested copies of the same in the post-offices of said Town, and by leaving copies at the dwellings of the inhabitants.

PETER MCINTYRE,
Constable of Milton.

At a meeting of the inhabitants of the Town of Milton, held according to the foregoing warrant upon March 6, 1905, the following proceedings were had upon the several articles in said warrant, namely: —

George E. Burt and Arthur H. Tucker, Surveyors of Lumber.

Calvin H. Sanford, Pound Keeper and Field Driver.

Art. 4. *Voted,* That the Auditors' Report be accepted.

To the Honorable Board of Selectmen of the Town of Milton, and to the Inhabitants of the Town of Milton.

The undersigned, who were at the Annual Town Meeting held in March, 1904, appointed a committee to examine into the matter of betterment assessments under provision of Article 45 of the Warrant for said meeting, which reads as follows:

Article 45. To see if the Town will have a committee of three voters to be appointed by the chair to examine into and consider the matter of the betterment assessments which during the last ten fiscal years of the Town might lawfully have been made, and those which have been made and those which have been paid in part or whole—and report, with their recommendations, to the Selectmen and to the next Town Meeting in writing, submit the following report:

We first procured from the Town Clerk a list of all streets and ways laid out, or altered, or widened, by authority of the Town within the past ten years.

We examined the records of the Selectmen for the term of ten years.

We examined the Annual Town Reports for the period of ten years.

For purpose of convenience this report will be divided under two headings, first, "Street Betterments," and second "Sewer Betterments."

STREET BETTERMENTS.

A copy of the list of Street Betterments furnished to us by the Town Clerk is hereto annexed and made a part of this report, called "Appendix A."

This report follows the order of streets named in that list.

1. Granite Avenue. 1895 and 1900.
   Improved and widened.
   No betterments assessed.
   Work ordered by County Commissioners.
2. Capen Street. 1895. Art. 27.
   Betterments estimated, $250.
   No collection recorded.
3. Oak Street. 1895. Art. 28.
   Betterments assessed, $500.
   No collection recorded.
   In 1897, balance due stated to be $454.50.
4. Houston Avenue. 1895. Art. 29.
   Betterment to be assessed, $500.
   No collection recorded.
   In 1897, balance due stated to be $510.
5. Pleasant Street. 1895. Art. 30.
   Betterment to be assessed, $2,500.
   No collection recorded.
6. Edge Hill Road. 1895. Art. 30.
   No betterment assessed.
7. Quarry Street. 1895. Art. 31.
   Estimated betterment, $150.
   No collection recorded.
8. Brook Hill Road. 1895. Art. 26.
   Estimated betterment, $1,250.
   No collection.
   (Paid out an excess).
9. Oak Street, 1895. (Special, Nov. 26). Art. 3.
   No betterment assessed. Alteration.
10. Bradlee Road. 1895. (Special, Nov. 26). Art. 4.
    No betterment assessed. Alteration.
11. Canton Avenue, corner Highland Street. March, 1897. Art 38.
    No betterment assessed.
12. Canton Avenue corner Thacher Street. March, 1897. Art. 38.
    No betterment assessed.
13. Squantum Street. Widened. March, 1897. Art. 39.
    No betterment assessed.

14. Brook Road. Widened. March, 1898. Art. 33.
Eliot Street.
Reedsdale Road.
Quarry Street. No betterment assessed.
Pleasant Street.
Edge Hill Road.
New Street (Bryant Street).
15. Valley Road. March, 1898. Art. 36.
Estimated betterment. $679.50.
No collection.
16. Oak Road. March, 1898. Art. 36.
Estimated betterment, $796.50.
No collection.
17. Rock View Road. March, 1898. Art. 36.
Estimated betterment, $390.
No collection.
18. Maple Street. March, 1898. Art. 36.
Estimated betterment, $381.60.
No collection.
19. Pond Street. March, 1898. Art. 37.
Estimated betterment, $270.
20. Otis Street. March, 1898. Art. 38.
Estimated betterment. $750.
No collection.
21. Cheever Street. 1899, Special, April 20. Art. 9.
No record of betterment.
No collection.
22. Grafton Avenue. March, 1900. Art. 54.
No record of betterment.
No collection.
23. State Street. Extension, 1900. Art. 54.
No record of betterment.
No collection.
24. Blue Hill Terrace. March, 1901. Art. 34.
No record of betterment.
No collection.
25. Lincoln Street. March, 1901. Art. 35.
No record of betterment.
No collection.
26. Capen Street. Extension, March, 1901. Art. 36.
No betterment.
27. Brookside Park. March, 1901. Art. 52.
No betterment.
28. Brook Road (widened). March, 1901. Art. 54.
No betterment.
29. New Road (Canton Avenue to Adams Street), March, 1901. Art. 53
No betterment assessed.

30. Brook Road (relocated). March, 1902. Art. 50.
No betterment.
31. Charles Street (changed to Oak Street). 1904.
Bates Road.
Belcher Circle. Betterment, $1.00 each.
Church Place.
Dyer Avenue. Assessment, $1.00 each.

SEWER ASSESSMENTS.

1895. No record.
1896. No record.
1897. Town Report, p. 136, shows among assets of Town Sewer Assessments, $722.25, but gives no reference or explanation.
1898. Metropolitan sewer plan adopted. No assessments.
1899. Further action on same plan.
For assessments, see Town Report for 1901. Total, $5,382.80.
1900. Further action on same plan.
For assessments, see Town Report for 1901. Total, $2,291.77.
1901. The list of unpaid sewer assessments is the same as in earlier reports.
The list of names and amounts is given but no locations.
Three assessments were made and collected. Total, $129.30.
1902. No sewer assessments levied.
1903. Assessments levied, $1,134.80.
No locations specified.
An old balance of unpaid assessments, $592.00, is again brought forward without comments, explanation, or reference.

SUMMARY OF RESULTS.

Streets.

1895. Betterments assessed, $5,150.
Collections Recorded, *none.*
Balance, $5,150.
1896. None.
1897. None.
1898. Betterments assessed, $3,267.50.
Collections recorded, none.
Balance, $3,267.50.
1899. None.
1900. None.
1901. None.
1902. None.
1903. None.
1904. Betterments assessed, $1.00 each.
Total assessed but never collected, $8,417.50.

Sewers.

1895.	None.		
1896.	None.		
1897.	Assessments		$722 25
1898.	None.		
1899.	Assessments		5,382 80
1900.	Assessments		2,291 77
1901.	Three Assessments	$129 30	
	Collected	129 30	
1902.	None.		
1903.	Assessments		1,134 80
1904.			
	Amount apparently assessed but not collected		$9,531 62

REMARKS.

Your Committee did not feel called upon under the vote given above to consider and determine what amounts of betterments, if any, might have been levied in the cases above presented where no betterments were assessed in fact.

The determination of that question, and of the amounts assessable, would involve very great expenditure of time and labor, including the examination of plans, and possibly of lands also.

They see no reason to doubt, that if the proceedings are regular in all those cases, betterments might lawfully have been assessed, if warranted by the facts.

They see no reason to doubt that the assessments which have been levied are legal.

And assuming that there was a betterment in the other cases they believe that legal assessments might have been levied there also.

Sidewalk improvements have not been put in the foregoing list, but no case is recalled where any betterment has been levied on account of a sidewalk within the period covered.

Whether or not the assessments which are in arrears are at this date liens on the land is a nice question, particularly in view of the provisions of Paragraph 17, of Chapter 50, Revised Laws.

The Committee is not able to say upon whom the responsibility for this loss (if it shall prove to be a loss) really rests.

RECOMMENDATIONS.

The Committee recommends that a scheme be put in operation by which the amounts assessed for any kind of betterment, and for sewers, shall be reported at once to the Assessors of Taxes and from them to the Collector of Taxes, and that some instrument in the nature of a warrant from the Selectmen shall be transmitted in each case. And that the accounts and the assessment books of the Town be so kept that at any and all times it shall be readily ascertainable what betterments and assessments for sewers or other matter have been levied and in what locations and what, if any, have been paid, and what, if any, remain at any given moment unpaid.

The statutory provisions on the subject are plain, and these recommendations are intended to be in accord with them.

See Revised Laws, Chap. 50.

Note. — It should be observed that the procedure and requirements are different in case of towns from the case of the City of Boston, which has special statutory provisions.

Your Committee believes that this subject should be pursued further, and be carefully studied, so that a thoroughly well-prepared scheme may be put in operation.

This will require considerable time and labor, and they therefore recommend that it be done by paid counsel as a matter of professional business, and that such counsel have authority and funds to employ such clerical assistance as may be reasonably necessary.

For these purposes the Committee recommends the appropriation from the contingent fund (or otherwise) of the sum of five hundred (500) dollars.

Respectfully submitted,

Charles S. Rackeman,
J. Murray Howe,
John C. Cobb, Jr.,
Committee.

MILTON, MASS., March 4, 1905.

At the annual meeting, March 6, 1905, Voted, that the foregoing report be accepted, the recommendations adopted and the Committee discharged; and that the report be ordered submitted to the Warrant Committee for consideration with full powers.

Attest, HENRY B. MARTIN,
Town Clerk.

APPENDIX A.

Town of Milton. Highways Laid Out.

Date of Lay-out.

1. 1894. None.
2. 1895. Capen Street, from Eliot Street to railroad.
   Estimated betterments, $250.
3. 1895. Oak Street, from Mattapan Street to Blue Hill Avenue.

31. 1904. Charles Street (name changed to Oak Street).
Bates Road, Belcher Circle, Church Place, and Dyer Avenue laid out. The name of parties from whom land is taken appended, and against each name are the words "Betterments," $1. "Assessments," $1 (whatever that may mean).

Henry B. Martin,
Town Clerk.

Art. 5. *Voted,* That Articles 5 and 42 be considered together.

Voted, To appropriate the sum of $67,600 for the support of schools the ensuing year, and the further sum of $4,000 for the erection of two portable buildings to be used in connection with the Glover school.

Art. 6. *Voted,* To appropriate the sum of $2,000 for transportation of scholars the ensuing year.

Art. 7. *Voted,* To appropriate the sum of $300 for medical inspection of public school pupils, to be expended under the direction and at the discretion of the School Committee.

ART. 8. *Voted,* That the following amount be appropriated for highway expenditures the ensuing year. Namely:

For general expenses, $30,000.

For street watering, $8,000.

For removal of ice and snow, $2,500 (this amount to be paid out of the street railway tax, received by the Town).

For new, permanent sidewalk construction $1,500 plus all sidewalk betterment taxes received during the year, said amount to be used solely for walks for which betterment taxes may be levied.

ART. 9. *Voted,* That Articles 9–46 and 54 be considered together.

Voted, To appropriate the sum of $21,700 for general expenses of the Fire Department the ensuing year; and the further sum of $850 for connecting the central fire station, Chemical Engine House, and Hose 2 House with the town sewer, and making the necessary changes in the plumbing of those buildings to conform to Town By-laws; and that the subject-matter of Article 54 be indefinitely postponed.

ART. 10. *Voted,* To appropriate the sum of $23,765 for the Police Department the ensuing year.

ART. 11. *Voted,* That the following amount be appropriated for miscellaneous expenses the ensuing year. Namely:

For general expenses, $3,500.

For interest, $8,600.

For abatement of taxes, $2,500.

For contingent fund, $3.500.

For Town Hall and lot, $2,100.

For printing, $1,650.

For insurance, $2,250.

ART. 12. *Voted,* To appropriate the sum of $12,000 for street lighting the ensuing year, and that the Selectmen be given authority to contract with the Edison Electric Illuminating Company for lights for the term of five years, for the yearly stipend above stated.

Art. 13. *Voted*, To appropriate the sum of $6,800 plus the proceeds from the Town Farm and reimbursements from other cities and towns for the support of poor the ensuing year.

Art. 14. *Voted*, To appropriate the sum of $8,450 for salaries of Town officers, the ensuing year; said officers to receive the same salary as in 1904 (save and except the Town Treasurer, whose salary is increased to $1,200) the Clerk of the Selectmen to also act in that capacity for the Overseers of the Poor.

Art. 15. *Voted*, To appropriate the sum of $9,000 for hydrant rental the ensuing year.

Art. 16. *Voted*, That the sum of $8,000, all fines received at Library in the year 1905, and the dog tax for 1904, be appropriated for Public Library expenditures the ensuing year.

Art. 17. *Voted*, To appropriate the sum of $2,000 for the improvement of the cemetery the ensuing year.

Art. 18. *Voted*, To appropriate the sum of $1,500 for soldiers' relief the ensuing year.

Art. 19. *Voted*, To appropriate the sum of $1,400 for State aid the ensuing year.

Art. 20. *Voted*, To appropriate the sum of $1,500 for the Health Department the ensuing year; said amount to include expense of inspection for sewer connections.

Art. 21. *Voted*, To appropriate the sum of $750 for the Sewer Department the ensuing year.

Art. 22. *Voted*, To appropriate the sum of $1,500 for collecting ashes and garbage the ensuing year.

Art. 23. *Voted*, To appropriate the sum of $1,500 for use of Tree Warden for care and planting of shade trees and destruction of insect pests the ensuing year.

Art. 24. *Voted,* To pay no salary to the Tree Warden.

Art. 25. *Voted,* To appropriate the sum of $695 for general use of Board of Assessors the ensuing year, to be disbursed as follows:

For plans and clerk hire, $475; for list of Michigan Copper stockholders, $75; for copy of real estate transfers, $45; for telephones, $100.

Art. 26. *Voted,* To appropriate the sum of $100 for general use of the Board of Park Commissioners the ensuing year.

Art. 27. *Voted,* To appropriate the sum of $100, to be expended by the Park Commissioners in conjunction with the School Committee in the improvement of the school lots.

Art. 28. *Voted,* To appropriate the sum of $200 to be expended by H. F. Wolcott Post 102, G. A. R. on Memorial Day.

Art. 29. *Voted,* That the Town Treasurer be authorized, with the sanction and approval of the Selectmen, to borrow such sums of money as may be necessary for Town use in anticipation of the taxes for the year 1905; and that all sums so borrowed be made specifically payable from the taxes of the year 1905.

Art. 30. *Voted,* That the Collector of Taxes be authorized to use all means of collecting the taxes which a Town Treasurer when appointed Collector may use.

Art. 31. *Voted,* That the following list of Jurors, prepared and presented by the Selectmen, be accepted by the Town, viz:

Elmer C. Bassett, William Q. Baxter, Charles H. Bearce, Joseph B. Blanchard, George O. Bowman, George E. Burt, Charles E. Churchill, Robert J. Clark, Allison B. Clum, Edward J. Colgan, Alfred H. Crossman, Lewis B. Currier, Herbert Dabney, Joseph B. Davidson, Edward Diskin, Eugene Dodd, Charles A. Donovan, John Dugan, Tappan Egan, John C. Fairchild, George A. Fletcher, Richard B. Freeman, George B. Gardner, James Gibb, Robert M. Goode, Thomas B. Gordon, Bradford O. Hamilton, Thomas Harlow, George B. Hersey, Arthur A. Hibbard, Frederick H. Hird, Percy Hodges, Charles A. Hoffman, Frances A. Ingersoll, George H. Ingraham, Frank Kemp, William H. Kennedy, Nathaniel T. Kidder, Horatio A. Lamb, M. Timothy Lennon, Patrick F. Mahoney, James P. McKay, Peter McIntyre, John G. McDonald, Harry McHugo, Robert S. Mitchell, Ewen McSwain, Lewis McHardy, William A. Murray, George T. Nickerson, Charles E. Nutter, John A. Palmer, James H. Perkins, Jules J. Plunket, Charles E. Rogerson, Frank A. Rein, Murray Ruggles, Solomon Schindler, John Shea, Henry H. W. Sigourney, Harry M. Thomas, James Tucker, Washington I. Tuckerman, Henry W. Vose, George C. Wachtler, George B. Wendell, Charles S. Whittemore, Charles P. Williams, Fred M. Worch.

Art. 32. *Voted*, That the following citizens be appointed a committee to carefully investigate the By-laws of the Town, regarding town ways, and to report back to the Town at the next annual meeting; and that $100 be appropriated and placed at the disposal of the committee for necessary expenses.

Charles S. Rackemann, Chairman, John F. Brown, William B. Thurber, Charles S. Pierce, Harvey F. Chute.

Art. 33. *Voted*, To indefinitely postpone.

Art. 34. *Voted*, To authorize the location of five electric lights on Otis Street and appropriate the sum of $85.70 therefor.

Art. 35. *Voted*, To authorize the locating of three electric lights on Dyer Avenue between Houston Avenue and Blue Hill Parkway, and appropriate the sum of $51.42 therefor.

Art. 36. *Voted*, To indefinitely postpone.

Art. 37. *Voted,* To authorize the locating of an electric light on Washington Street, at a point about one hundred and fifty feet north from the junction of Washington and Eaton Streets, and appropriate the sum of $17.14 therefor.

Art. 38. *Voted,* To indefinitely postpone.

Art. 39. *Voted,* To authorize the locating of five electric lights on Atherton Street, between Blue Hill Avenue and Brush Hill Road, and appropriate the sum of $85.70 therefor.

Art. 40. *Voted,* To refer the subject-matter of this article to the Selectmen, to take such action as they deem proper, any expense incurred to be taken from the general highway appropriation.

Art. 41. *Voted,* That the sum of $100 be appropriated to reset the flag pole on Adams Street, near East Milton R. R. Station.

Art. 42. *Voted* (see Article 5).

Art. 43. *Voted,* That the sum of $300 be appropriated for the new fire alarm boxes to be located as follows: — One corner of State and Sheldon Streets, and the other at or near the junction of Pierce and Willard Streets, East Milton.

Art. 44. *Voted,* That the sum of $125 be appropriated for a new fire alarm box to be located at the corner of Canton Avenue and Holmes Lane.

Art. 45. *Voted,* To appropriate the sum of $250 for use of the Department of Wires the ensuing year.

Art. 46. *Voted* (see Article 9).

Art. 47. *Voted,* That the sum of $4,000 be appropriated for extension of water-mains.

Art. 48. *Voted,* That Chapter 103, Revised Laws, "with reference to supervision of plumbing," be accepted.

Art. 49. *Voted,* That the Town adopt the plumbing by-laws, printed as Revised By-laws, Chapter 8.

NOTE. These By-laws were previously adopted at the March Meeting, 1902.

ART. 50. *Voted,* To transfer to the control of the Milton Park Commissioners the land formerly used by the Town as a gravel pit (with a view to its use as a play-ground), situated near Dollar Lane; bounded northerly by Blue Hill Avenue, and southerly by Canton Avenue, containing some three and one tenth acres.

ART. 51. *Voted,* That the sum of $100 be appropriated to be expended by the Park Commissioners, to grade, sow, and plant trees in the reserved space of Park located in the center of Grafton Avenue between State Street and Edge Hill Road.

ART. 52. *Voted,* That the Town Treasurer be directed to apply any funds now in the Treasury, or which may be received from time to time from sewer betterment assessments, to provide money appropriated for sewer construction (as the funds may be available) and as they are required by the Sewer Commissioners, or hold such funds for, or apply them to, the payment of any obligation of the Town, issued or to be issued for sewer-construction purposes.

ART. 53. *Voted,* That the sum of $10,000 be, and the same hereby is, appropriated for the construction of sewers, the same to be expended by and under the direction of the Board of Sewer Commissioners, and that the Town Treasurer be, and hereby is, authorized, when so directed by the Selectmen, to borrow $10,000 appropriated at this meeting for the construction of sewers, or such part or parts thereof as said Treasurer shall from time to time state in detail in writing to the Selectmen that he has occasion to issue bonds or notes for. Bonds or notes shall be issued therefor, to be denominated on their face "Milton Sewerage Loan, Act of 1895," signed by the Treasurer, and countersigned by a majority, at least, of the Selectmen and bearing interest payable semi-annually at a rate not exceeding four per centum per annum.

Such bonds or notes shall be payable in such annual proportionate payments as will extinguish the same in ten years from their date.

Art. 54. *Voted* (see Article 9).

On leave: The following Resolutions were presented by Charles S. Rackemann, Esq.

Resolved, That by the death of Col. Henry Sturgis Russell the Town of Milton has lost a citizen and friend of great value and importance.

Colonel Russell came of distinguished ancestry, and had by inheritance affiliations with Milton. When he became a citizen of this Town, he entered into the life of the place as he did into everything else that he undertook, with patience, industry, fidelity, and zeal.

He had a keen business instinct, and from long experience acquired a thorough knowledge of human nature, as well as of public affairs.

Resolved, That the inhabitants of Milton desire to spread upon their records their appreciation of the exalted character and achievements of Colonel Russell and their expression of the sense of the loss occasioned to this community by his death.

The foregoing Resolutions being presented for consideration were unanimously accepted, and adopted by a rising vote.

At 5 o'clock p.m. *Voted,* That the meeting take a recess until the vote for Town Officers be counted.

At 6 o'clock p.m. *Voted,* To dissolve the meeting.

The foregoing meeting was opened at 7 o'clock a.m. by the Town Clerk, who proceeded to the reading of the warrant.

Upon the conclusion of the reading of the Third Article it was moved that the further reading of the warrant be dispensed with.

Said motion being put for the consideration of the meeting it was carried by a unanimous vote, and the further reading of the warrant (except the concluding paragraphs) was dispensed with.

At the meeting aforesaid the whole number of ballots cast was 719, two of which being cast by women voters for School Committee.

Warrant Committee.

The following citizens were appointed by the Moderator of the foregoing meeting as a Warrant Committee for the ensuing year, in accordance with Chapter 2 of the Revised By-laws, to wit: —

James H. Perkins, J. Albert Simpson, William E. C. Eustis, John Shields, George W. Nickerson, Harvey F. Chute, G. S. Webster, Andrew H. Ward, Walter Jackson, Roger Wolcott, Philip M. Reynolds, George E. Burt, and Hiram Tuell.

Notification of Town Officers.

MILTON, March 13, 1905.

As per statute law of this Commonwealth the Town Clerk this day made out this warrant and delivered to Constable Timothy McDermott, requiring him within three days from the date hereof to summon all officers chosen, and not having qualified, to appear before the Town Clerk within seven days from the date of such notice, to qualify for their several offices,—to be sworn where an oath is required, or to signify their refusal of said office. SPECIAL MEETING.

WARRANT.

Commonwealth of Massachusetts.

NORFOLK, SS. *To either of the Constables of the Town of Milton,* GREETING:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the inhabitants of the Town of Milton, qualified to vote in Town affairs, to meet at the Town Hall, in said Milton, on the 21st day of July, current, at eight o'clock in the evening, then and there to act upon the following articles:

ARTICLE 1. To choose a moderator.

ART. 2. To see if the Town will vote to purchase the land, buildings, and other property of the Edison Electric Illuminating Company situated on Central Avenue, and to appropriate money for such purchase and for the purpose of adapting said land and buildings to the needs of the Police Department.

ART. 3. To see if the Town will designate the Tree Warden as its public officer to suppress the gypsy and brown-tail moths, under Chapter 381 of the Acts of 1905.

ART. 4. To see what sum of money the Town will appropriate for the suppression of the gypsy and brown-tail moths.

ART. 5. To see what sum of money the Town will appropriate for the extension of water mains to be expended by the Water Commissioners.

And you are hereby directed to warn said inhabitants, qualified as aforesaid, to meet at the time and place and for the purposes herein mentioned, by posting attested copies of this warrant in each of the post-offices of said Milton at least fourteen days before the day of said meeting, and by leaving printed copies hereof at the dwelling houses in said Town at least four days before the day of said meeting.

Hereof fail not, and make due return of this warrant with your doings hereon, to the Town Clerk, at or before the time and place of said meeting.

Given under our hand at Milton, this 6th day of July, in the year one thousand nine hundred and five.

John F. Brown,
Maurice A. Duffy,
Jesse B. Baxter,
Selectmen of Milton.

Commonwealth of Massachusetts.

Norfolk, ss. Milton, July 20, 1905.

Pursuant to the within warrant I have notified the inhabitants of the Town of Milton, as within directed, to meet at the time and place, and for the purposes therein mentioned, by posting attested copies of the same in the post-offices of said Town, and by leaving copies at the dwellings of the inhabitants.

Peleg Bronsdon,
Constable of Milton.

At a meeting of the inhabitants of the Town of Milton held according to the foregoing warrant upon July 21, 1905, the following proceedings were had upon the several articles in said warrant, namely:

Article 1. John G. S. Churchill, Esq., was chosen moderator.

Art. 2. *Voted,* That the sum of six thousand dollars be appropriated for the purchase of the land, buildings, and other property of the Edison Electric Illuminating Company, situated on Central Avenue.

Art. 3. *Voted,* That the Town designate the Tree Warden as its public officer to suppress the gypsy and brown-tail moths under Chapter 381, Acts of 1905.

Art. 4. *Voted,* To appropriate the sum of one thousand dollars for the suppression of gypsy and brown-tail moths.

Art. 5. *Voted,* To indefinitely postpone.

Voted, That a Committee of three be appointed by the Moderator, said committee to procure plans and specifications for there modeling of the Edison Electric Illuminating Company building on Central Avenue for use as a police station, and report to the Town at the next March meeting.

Committee Appointed.

Granville S. Webster, John F. Perkins,
Horace N. Plummer.

At 9 o'clock and 40 minutes p.m., *Voted,* To dissolve the meeting.

A true record.

Attest,

Henry B. Martin,
Town Clerk.

NOVEMBER MEETING.

WARRANT.

Commonwealth of Massachusetts.

NORFOLK, SS. *To Either of the Constables of the Town of Milton*, GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Milton, qualified to vote at elections to meet at the Town Hall in said Milton, on Tuesday, the Seventh Day of November next, that being the Tuesday after the first Monday in said November, at seven o'clock in the forenoon, then and there to bring in their ballots for Governor, Lieutenant-Governor, Secretary of State, Treasurer and Receiver-General, Auditor, Attorney-General, all of and for the Commonwealth; Councillor for the Second District; Senator for the First Norfolk District; Representative in the General Court for the Fourth Norfolk District; County Commissioner for the County of Norfolk.

The Polls may be closed at 4 o'clock P.M.

And you are directed to warn said inhabitants qualified as aforesaid to meet at the time and place and for the purposes herein mentioned, by posting attested copies of this warrant in each of the post-offices of said Milton at least fourteen days before the day of said meeting, and leaving printed copies hereof at the dwelling-houses in said Town at least four days before the day of said meeting.

Hereof fail not, and make due return of this warrant, with your doings hereon, to the Town Clerk, at or before the time of said meeting.

Given unto our hands at Milton, this thirteenth day of October, Nineteen Hundred and Five.

JOHN F. BROWN,
MAURICE A. DUFFY,
JESSE B. BAXTER,
Selectmen of Milton.

Commonwealth of Massachusetts.

NORFOLK, SS. MILTON, November 7, 1905.

Pursuant to the within warrant I have notified the inhabitants of the Town of Milton, as therein directed, to meet at the Town Hall in said Milton, upon the date above mentioned, for the purpose therein set forth.

PELEG BRONSDON,
Constable of Milton.

At a meeting of the inhabitants of the Town of Milton, held according to a warrant, of which the foregoing is a copy, on November 7, 1905, the following number of votes were given in for the several persons hereinafter named for the respective offices specified below. Namely:

For Governor.

CHARLES W. BARTLETT, of Boston, three hundred and twenty-five votes.

JAMES F. CAREY, of Haverhill, ten votes.

John F. Merrill, of Quincy, five hundred eighty-one votes.

Sumner F. Shaw, of Weymouth, twenty votes.

Blanks, fifty-one.

At 4 o'clock p.m. *Voted,* to close the polls in ten minutes.

All of the above votes were duly sorted, counted, declared and recorded, sealed up in open Town Meeting, and delivered to the Town Clerk.

At the meeting aforesaid, the following appointments were made by the Selectmen as Ballot Clerks and Tellers, namely:

George V. Fabian, Thomas M. Lennon, John Shea, Robert J. Clark, Thomas B. Gordon, Robert W. Gilchrist, Henry H. Barnes, G. Frank Kemp, W. Newton Harlow, William A. Wills, Patrick F. Mahoney, William A. Murray, Edward Splaine, Herbert L. Boutin, Thomas Flannigan, Frank T. Meagher, Martin Bannon, Louis B. Currier, John A. Palmer, George A. Fletcher, Gustave H. Bolles, Walter N. Fish. All of the above-named Ballot Clerks and Tellers being sworn by the presiding officer, Judge Brown.

At 5 o'clock and 20 minutes p.m. dissolved the meeting.

A true record.

Attest,

Henry B. Martin,
Town Clerk.

Whole number of ballots cast at the foregoing election, eight-hundred ninety-two (892).

Recount of Votes.

Commonwealth of Massachusetts.

Norfolk, ss. Milton, November 13, 1905.

At a meeting called and held at the Town Hall in Milton, on the above date, as per order of the Chairman of the Board of Registrars, a recount of votes cast at the election held upon November 7, a.d. 1905, for Lieutenant-Governor of this Commonwealth, having been petitioned for by ten citizens, said recount was held upon the date aforesaid, the result being as follows:

For Lieutenant-Governor.

THOMAS F. BRENNAN, of Salem, three votes.

EBEN S. DRAPER, of Hopedale, four hundred seventy-four votes.

PATRICK MAHONEY, of Boston, twelve votes.

JOHN H. SMITH, of Dalton, four votes.

HENRY M. WHITNEY, of Brookline, three hundred sixty-eight votes.

Blanks, thirty-one.

All of the above votes after being counted were again sealed up and delivered to the Town Clerk.

Attest,

(Signed) FRANCIS ELLIOT CABOT, *Chairman,*
Board of Registrars.

Fourth Norfolk Representative District.

We the undersigned Town Clerks of the towns of Canton and Milton, comprising Representative District Number Four in the County of Norfolk, hereby certify:

That at an election duly held in said towns upon the seventh day of November, A. D., 1905, for a candidate to represent said district at the next General Court, the following number of votes were given in for the several persons hereinafter named, to wit:

For FREDERICK P. HALL, of Milton, eight hundred sixty-one votes.

For EDWIN W. KINSLEY, of Canton, six hundred seventy-nine votes.

Blanks, sixty-three.

Given under our hands at Canton this seventeenth day of November, A.D., 1905.

WALTER AMES,
HENRY B. MARTIN,
Town Clerks of Canton and Milton.

THE SIXTY-NINTH ANNUAL REPORT OF THE BOARD OF SELECTMEN.

At the close of the financial year the balances standing to the credit of the several departments were in the main satisfactory.

It has been found necessary to transfer from the contingent fund $847.55 to the credit of the street-watering account, due to the unusual and protracted draught of the past summer and fall; $600 to the general expense account, due to the unusually large legal expenses, and to the settlement of the George land damage case, growing out of the relocation of Blue Hill Avenue in 1902; abatement of taxes, $562.01; and $9.77 to the portable school account.

The new apportionments of the several Metropolitan assessments increase the amount to be paid by the town on these accounts. This increase, together with the large State tax, has made our tax rate higher than was expected.

Thirty-two thousand, five hundred dollars of our bonded indebtedness fell due the present year and was paid. There now remains due $387,500.

The amount of taxable personal property shows a gratifying increase, and if we can keep near a twelve-dollar tax rate will undoubtably continue to increase.

In accordance with the vote at the Special Town Meeting the property of the Edison Electric Light Company on Central Avenue was purchased, and is now the property of the Town.

It is estimated that it will need $16,000 to remodel and furnish the existing building, to do the grading and install the police signal system. The present police station is unfit for occupancy for any purpose.

Gypsy and brown-tail moths have been found in considerable numbers in different parts of the Town. At the Special Town Meeting $1,000 was appropriated, to be used by the tree warden for their extermination; and for the same purpose the trustees of the Francis Cunningham estate generously contributed the further sum of $4,000, and enough now remains unexpended so that it will be unnecessary to make any application for this purpose the coming year.

The Selectmen again desire to call the attention of every land owner to the circular already sent them, and again request every one to carefully look after his own premises.

All the departments are in good condition and are under the same efficient management as last year.

John F. Brown,
Maurice A. Duffy,
Jesse B. Baxter,
Selectmen of Milton.

LEGISLATIVE ACTS ACCEPTED BY THE TOWN OF MILTON.

Per order of the Chairman of the Board of Selectmen, the Town Clerk has had a search made of the records for all votes passed by the Town, accepting "Acts of the Legislature," from the year 1860 to the year 1906, which are herewith printed as follows:

MARCH 19, 1866. *Voted,* To establish a High School, according to the provisions of Section 2 of Chapter 38 of the General Statutes.

MARCH 2, 1874. *Voted,* To accept the provisions of Chapter 265 of the Acts of 1873, relative to public landing places in the Town of Milton.

MARCH 4, 1878. *Voted,* To accept the provisions of Sections 23 to 32 of Chapter 24 of the General Statutes, relative to the establishment of a board of fire engineers.

MARCH 3, 1879. *Voted,* To accept the provisions of Section 21 of Chapter 38 of the General Statutes, relative to the election of School Committee.

DECEMBER 8, 1879. *Voted,* To accept the provisions of Section 1 of Chapter 234 of the Acts of 1878, relative to truants and neglected children.

MARCH 1, 1880. *Voted,* To accept the provisions of Section 1 of Chapter 234 of the Acts of 1878, relative to truants and neglected children.

MARCH 5, 1883. *Voted,* To accept the provisions of Section 10 of Chapter 48 of the General Statutes, relative to truants and neglected children.

MARCH 7, 1881. *Voted,* To accept the Act of the Legislature Chapter 158 of the Laws of 1871, entitled, "An Act to provide for the Election of Road Commissioners."

March 3, 1890. *Voted,* To accept the first nine sections of Chapter 51 of the Public Statutes, said chapter being entitled, "Of Betterments, and Other Assessments on Account of the Cost of Public Improvements."

February 12, 1891. *Voted,* To accept the Act authorizing towns and cities to lay out public parks within their limits; being Chapter 154 of the Acts of 1882.

March 2, 1891. *Voted,* To accept the provisions of Chapter 386 of the Acts of 1890, relative to the Election of Town Officers.

February 3, 1894. *Voted,* That the town does hereby accept the provisions of Section 268 of Chapter 417 of the Acts of the Legislature of Massachusetts passed in the year 1893, relative to the election of a separate Board of Assessors.

November 28, 1894. *Voted,* That the Town hereby accepts the provisions of Chapter 324 of the Acts of the Legislature of 1894, entitled "An Act relative to the Reservation of Spaces in Public Ways."

March 4, 1895. *Voted,* That the town hereby accepts the provisions of Chapter 309 of the Acts of 1885, entitled, "An Act authorizing cities and towns to license Groves, to be used for Picnics and other lawful amusements.

March 4, 1895. *Voted,* That the town hereby accepts the provisions of Section 272 of Chapter 417, Acts of the Legislature of 1893, relating to the election of Sewer Commissioners in towns.

March 4, 1895. *Voted,* That the Town hereby accepts the provisions of Chapter 462 of the Acts of the Legislature of 1893, entitled "An Act to authorize the establishment of a building line on Public Ways."

March 4, 1895. *Voted,* That the Town hereby accepts the provisions of Chapter 218, of the Acts of the Legislature of 1894, as amended by Chapter 473 of the Acts of the same year, being "An Act relative to the election of Boards of Health in towns."

MARCH 4, 1895. *Voted,* That the Town hereby accepts the provisions of Sections 20 and 21 of Chapter 50 of the Public Statutes, relating to the establishment and grading of sidewalks, by the Selectmen.

JUNE 29, 1895. *Voted,* That the Town accept the provisions of Chapter 304 of the Acts of 1895, entitled "An Act to authorize the Town of Milton to construct one or more systems of Sewerage."

MARCH 1, 1897. *Voted,* That the Town accept Chapter 101 of the Public Statutes, entitled, "Of the suppression of Common Nuisances."

MARCH 1, 1897. *Voted,* That the provisions of Chapter 481 of the Acts of the year 1894, be accepted, entitled "Regulation and Inspection of Buildings."

MARCH 3, 1902. *Voted,* That the Town accept Section 18 of Chapter 122 of the Revised Laws, relative to the appointment of an Inspector of Wires.

MARCH 3, 1902. *Voted,* That the Town accept Chapter 38 of the Revised Laws of Massachusetts, relative to the election of a treasurer of Public Library Trustees.

JULY 14, 1902. *Voted,* To accept Chapter 307 of the Acts of 1902, entitled "An Act to supply the Town of Milton with Water."

AUGUST 16, 1902. *Voted,* To accept Sections 58 to 64, inclusive, of Chapter 48 of the Revised Laws, relative to Jurisdiction of Towns over Highways and County Bridges.

MARCH 2, 1903. *Voted,* To accept Sections 20 and 21, of Chapters 25 of the Revised Laws of Massachusetts, relating to public baths, etc.

MARCH 2, 1903. *Voted,* To accept Section 339 of Chapter 11 of the Revised Laws, and Acts in amendment thereof and in addition thereto, relative to the election of Overseers of the Poor.

March 7, 1904. *Voted,* To accept Section 70 of Chapter 75 of the Revised Laws, relating to privy vaults.

March 6, 1905. *Voted,* To accept Chapter 103 of the Revised Laws, relative to supervision of plumbing.

July 21, 1905. *Voted,* To accept Chapter 381 of the Acts of 1905, relative to the suppression of gypsy and brown-tail moths.

POLICE DEPARTMENT.

To the Honorable Board of Selectmen:

Gentlemen: — I have the honor to submit for your consideration the annual report of the Police Department for the year ending December 31, 1905.

THE FORCE.

Superintendent, — Maurice Pierce.
Deputy Superintendent, — Timothy McDermott.

Patrolmen.

James Wigley.
George B. Bradlee.
Henry A. Paterson.
Lucius E. Damon.
William J. Stephenson.
Charles E. Page.
John H. Higgins.
Joseph H. Donovan.
George C. Partelow.
Fred M. Farrington.
Henry C. Shields.
John F. O'Connell.
Frank H. McDermott.
William S. Fallon.
John J. Haley.
William D. Karney.

Driver of Patrol Wagon, — John E. Shields.
Keeper of Lock-up, — Edwin A. Houghton.

Special Patrolmen.

Emory H. Farrington.
James E. Welsh.

ARRESTS FOR THE YEAR, 1905.

Total number of arrests	166
Males	163
Females	3
Residents	45
Non-residents	121

Causes of Arrests.

Assault and battery	8
Assault with a dangerous weapon	1

Assault with intent to rape	2
Bastardy	1
Bowling on the Lord's day	2
Breaking and entering	5
Disturbing the peace	1
Drunkenness	42
Exceeding the speed limit with an automobile	71
Exceeding the speed limit with a motor cycle	2
Idle and disorderly	1
Illegal sale of liquor	2
Insane	4
Larceny	8
Liquor nuisance	1
Malicious mischief	4
Stubborn children	2
Taking, detaining, and using registered milk cans	1
Town By-laws, violating	3
Tramps	2
Trespass	1
Truancy	2
Total	166

MISCELLANEOUS WORK.

Accidents reported and assistance rendered	10
Buildings found open and secured	23
Cases investigated	92
Dead bodies found	4
Defective electric light fixtures reported	22
Defective streets and sidewalks reported	31
Defective water pipes reported	7
Defective wires reported	17
Dogs killed	10
Fire alarms given	4
Fires extinguished without alarm	7
Gas leaks reported	5
Lost children found and cared for	5
Residences temporarily unoccupied and special protection requested	61
Stray animals found	9
Stray teams put up	3
Street obstructions removed	13
Water running to waste	6
Officers detailed for public occasions	37
Officers detailed by request of citizens	30

STOLEN PROPERTY.

Amount reported stolen	$526 25
Amount recovered	359 25

CRIME.

I believe it is an evidence of good order when the average of crimes committed does not increase in proportion to the increase of population. This is true in this town, and it follows that the work of the Police Department is to be measured as much by the prevalence and maintenance of good order and quiet as by the number of arrests made. It is a good sign when there is nothing doing at the police court. The work of the Department in the maintenance of good order and preservation of property cannot be properly estimated without an appreciation of the great number and variety of causes where its services are employed. Nearly every case of importance before it reaches the court must be investigated. This entails no little amount of labor, anxiety, and patience, and unless a case for the court is made out the public in general are not aware of what has been going on.

This is illustrated by the amount of lost and stolen property recovered, as well as by other instances, such as reports of accidents, defects in highways, and various other reports. Nothing in short seems to be outside the domain of police assistance or surveillance, and their employment in these directions is constantly increasing in amount and effectiveness.

THE FORCE.

It is a great satisfaction to me to report the efficient work of the force; they have cheerfully performed many hours of extra duty, and I thank them collectively and individually for their loyal co-operation.

CONCLUSION.

To Your Honorable Board: I desire to return my most sincere thanks for the kind and considerate treatment accorded me in the discharge of my official duties.

In closing I desire to place on record an expression of thanks to the good citizens who have shown a kindly interest in the Department by trying to procure a new police station.

Respectfully,

MAURICE PIERCE,

Superintendent of Police.

LOCATION OF POLICE SIGNAL BOXES.

12 — Adams Street, corner Churchill's Lane.
13 — Granite Avenue, corner Squantum Street.

ENGINEER'S REPORT.

To the Honorable Board of Selectmen:

Gentlemen, — The Board of Engineers herewith presents its annual report.

During the past year the calls made upon this department have been more numerous than ever before, yet there have been no serious fires and the general fire loss for the year is low. It is satisfactory to note that there have been few buildings fires that can be classed as incendiary, but the number of incendiary fires due to men and boys setting fires to grass and woodlands increases every year.

The personal casualties during the year have been numerous. One citizen was so severely burned by the upsetting of a lamp that he later died from the injuries. A citizen and two firemen were badly burned; a woman was injured by jumping from a window, and a fireman was badly cut by glass at a fire on June 11.

All buildings and equipment of the department have been kept up to a proper standard. The East Milton Hose House has been shingled and painted on the outside. With money provided by a special appropriation the Central Fire Station, Chemical Engine House and East Milton Hose House have been connected with the street sewers, and the plumbing in these buildings has also been given a careful overhauling and put in first-rate order.

Three fire-alarm boxes have been added to the system:

Box 5, Canton Avenue, opposite Elm Street; box 652, State and Sheldon Streets; box 671, Pierce Street, near Pond Street.

One new horse has been purchased to take the place of one horse that was disposed of. There is the same number of horses owned by the department as a year ago.

The discipline of the department has been satisfactory throughout the year.

Milton has responded to thirty calls to Boston, and Boston has responded to seven calls to Milton.

In reply to the question asked by your Honorable Board as to what suggestions we have to make relative to the betterment of the Fire Department during the next few years, we beg to offer the following:

1st. There are eighteen old style fire-alarm boxes upon the streets which should be replaced with boxes of modern type. A few of these should be replaced each year.

2d. We again recommend replacing the hose wagon at East Milton with an up to date combination hose wagon and chemical engine.

3d. We especially desire to call your attention to the hose wagon at the village, kept in the stable of the Water Department. This wagon is at best a makeshift, and no reliance can be placed upon it for fire protection. As Engine 16 and Ladder 6 of the Boston Department respond to Box 43, the village box, the village itself has good fire protection, but there is a large amount of property in the vicinity of the village that does not receive the fire protection to which it is entitled. We recommend that a piece of land be purchased as near as practicable to the junction of Canton Avenue, Randolph Avenue, and Adams Street. On this lot should be built a fire department building, and a combination wagon installed.

4th. When the two combination wagons mentioned above are in commission we would then recommend that a thirty-gallon chemical tank be placed on the present ladder truck at the centre of the town, and that the present chemical engine be put out of commission.

Should these recommendations be adopted we are confident they would greatly increase the efficiency of the department without increasing the cost of annual maintenance.

As to better fire protection for the south section of the Town, this Board is of the opinion that conditions do not warrant the town in maintaining fire apparatus in this section as yet. The fact is, as this section of the Town has such a high elevation, and is to be supplied with water from the low-service system, the water pressure will be so very weak that in case of fire the water supply will be of no value until the arrival of the steam fire engine. While it is probable that this section will at some future date be connected with the high-service system now in the west section, and thereby be given a water pressure sufficient for fire protection, until this is done we think a hose company in this section would be a matter of expense and of no practical utility. Should, however, our recommendations previously made be adopted, it might be advisable to transfer the present chemical engine to the southern section of the town.

For the maintenance and current expenses of the Department we recommend an appropriation of twenty-one thousand seven hundred dollars ($21,700).

Respectfully submitted,

George F. Choate,
C. Wilder Holmes,
Ellerton P. Whitney,
Board of Engineers.

REPORT OF THE INSPECTOR OF WIRES.

To the Honorable Board of Selectmen:

GENTLEMEN, — I herewith submit my report for the year ending December 31, 1905.

Interior Wiring.

Ninety-eight buildings which were wired for electric light and power have been inspected, requiring 211 visits. Sixty-two permits have been granted to the Edison Electric Company to supply service. Considering the importance of interior wiring, and of having the work properly done, all wiring in buildings is thoroughly inspected while the work is in progress, that defects may be noticed and corrected before the work is covered in.

Overhead Construction.

Four hundred and eleven new poles have been set by the several companies in the past year, all of which were used to replace existing lines. The Edison Company have thoroughly rebuilt all of their pole lines, using 325 new poles to replace old ones, placing the pole lines of this company in very satisfactory condition. The New England Telegraph and Telephone Company have rebuilt their line on Highland Street, from Canton Avenue to Randolph Avenue, and new poles have been set on Elliot Street, Central Avenue, White Street, and Reedsdale Road, to replace poles found to be decayed and dangerous. Their lines, as a whole, are in good condition. The Old Colony Street Railway Company have straightened their lines by setting new poles and removal of defective ones. There should be a large number of old poles replaced with new ones, in order that their pole lines may be in a safe condition.

For the purchase of materials during the ensuing year I recommend an appropriation of two hundred and fifty (250) dollars.

Respectfully submitted,

George F. Choate,
Inspector of Wires.

REPORT OF THE BOARD OF HEALTH.

The Board of Health of the Town of Milton has the honor to present to the Town their report for the year ending with December 31, 1905.

The following appointments were made: Henry B. Martin, to be agent for signing burial permits; L. E. Young, to be inspector of plumbing and examiner of applicants for plumber's licenses; B. F. Murray, to be deputy inspector of plumbing; Dr. A. W. Draper, to be agent for the Board of Health, S. A. Meagher was given a permit to carry on the business of rendering oil, tallow, etc. Peter McIntyre, to slaughter cattle and hogs for food. John R. Lawrence, to empty vaults and privies.

The number of cases of contagious diseases for the past three years reported to the Board has been as follows:

	1903	1904	1905
Diphtheria	24	19	28
Measles	7	59	70
Scarlet Fever	37	13	16
Smallpox	0	0	0
Typhoid Fever	12	9	4
Tuberculosis		2	4

The various cowbarns and piggeries of the Town have been from time to time inspected, and recommendations made as to care and cleanliness.

The regulations of the Board in regard to the care of milk were printed separately and in large type, and distributed to all milk producers to be posted in their cowbarns.

In every instance where a cesspool has been found to be inadequate, and the house has been on the line of a sewer, the householder has been required to connect with the sewer.

The condition on Morton Road, Morton Place, and Westside Road, where several new houses have been recently built, is very unsatisfactory. On account of the clay formation of the soil in that locality there is little chance for any leaching from the cesspools, and whenever there is considerable water in the ground, as in the springtime, the cesspools overflow, and the contents have at times appeared in the street. As these roads have not been accepted by the Town, the Sewer Commissioners will not build sewers in them, yet a sewer is the only way to effectively relieve the condition.

The disposal of ashes and rubbish has been a source of complaint, and has been much considered. The rubbish heap on Randolph Avenue is unsightly, and the papers blow about the neighborhood. It has been proposed that this rubbish be burned, but as the City of Boston has prohibited the burning of such material on account of the odor, it does not seem desirable to dispose of it in that way.

Another year the attempt will be made to have the ashes and rubbish collected separately, with a view to avoiding the present difficulty.

Following the lead of the State Board of Health in regard to tuberculosis, the Milton Board has added that disease to the list of contagious diseases to be reported to the Board, and has fumigated every house in which a death from tuberculosis has occurred.

It is advisable that no teacher who has tuberculosis should be employed in the public schools, and that children who have tuberculosis should be excluded from the schools, not only for the good of the other children in the school, but also for their own good, as the school hours are the best ones in the day for such children to be out of doors, and out of door life is all important to them.

There have been 80 deaths in the town during the past year, 43 males, 37 females; this in a population of 7,054 gives a death rate of 11.34 per thousand inhabitants, an unusually low rate for the town.

	1903	1904	1905
Number of deaths in Milton . . .	114	110	80
Rate per thousand	16.14	16.31	11.34

REPORT OF SUPERINTENDENT OF STREETS.

To the Honorable Board of Selectmen:

Gentlemen: — I herewith submit the annual report of the Street Department for the year 1905.

The winter season of 1904 and 1905 was the most severe of any of recent years. The great amount of snow which accumulated from the different storms and which remained on the ground until late, gradually and slowly disappeared, leaving the roads in a very good condition.

As the spring weather was very mild and dry, the customary street-cleaning work was much less than former years.

Centre Street was regraded and resurfaced with macadam, from Dudley's Hill to a point below Mr. Brooks's stable.

Granite Avenue was repaired with crushed stone between Adams Street and Squantum Street.

Canton Avenue was regraded between Blue Hills Parkway and Robbins Street.

Brush Hill Road, between Atherton Street and Bradlee Road, was regraded and resurfaced with macadam. This street was also regraded and resurfaced in a similar manner between Robbins Street and the Ferry estate.

Bradlee Road was resurfaced with gravel between the two hills.

Canton Avenue in front of Mr. Eustis's estate was resurfaced with gravel.

Brook Road, between Central Avenue and Canton Avenue, was rebuilt and resurfaced with gravel. A sidewalk was also built on the northerly side of this street.

Vose's Lane, between Canton Avenue and Brook Road, was regravelled.

Canton Avenue, in front of the public library, was resurfaced with macadam. On the easterly side of this street a gravel sidewalk was built, edge-stone was set, and the gutter was paved with granite blocks. This work was very much needed, and it improved the general appearance of the square.

Randolph Avenue was resurfaced between Russell Street and Adams Street.

Capen Street was regravelled between the railroad tracks and the river.

Much repairing has been done on different streets and sidewalks with gravel and crushed stone.

SURFACE DRAINS AND CATCH BASINS.

A surface drain was laid in Washington Street, from Adams Street to Eaton Street, and the existing catch basins were connected with this drain. A surface drain was also laid in School Street, from the brook to Canton Avenue, and the catch basins at the junction of Canton Avenue and School Street were rebuilt and connected with it. Many other catch basins were rebuilt, and all the basins throughout the town were thoroughly cleaned as in previous years.

SIDEWALKS.

The only permanent sidewalk laid this year was that on Brook Road, between Blue Hill Avenue and Oak Street.

STREET WATERING.

This work was carried on in the same manner as in the previous year.

I would recommend for the ensuing year an increase in the general appropriation for streets, also for street watering and removal of ice and snow.

In concluding this report, I would tender my sincere thanks to your Honorable Board for your assistance and suggestions during the past season; to the citizens of the Town for their very courteous consideration and advice, also to the employees of the Street Department whose work has been most efficient.

INVENTORY OF STOCK AND TOOLS IN THE HIGHWAY DEPARTMENT, DECEMBER 31, 1905.

Stable and sheds	$4,000 00
Stone crusher plant	1,800 00
Steam roller	3,000 00

REPORT OF THE WATER COMMISSIONERS FOR 1905.

To the Citizens of the Town of Milton:

The Water Commissioners respectfully submit the following report of their operations for the year 1905. At the annual meeting in March, Thomas B. Gordon was elected for the term of three years to fill a vacancy, no appointment having been made for the unexpired term of the late John Graham. The year has been an uneventful one for the Department, and few exceptions to the ordinary routine are to be noted.

At the annual meeting in March, an appropriation of $4,000 was made for the extension of mains. To this sum have been added other funds of the Department, the total being expended as follows: —

550 ft of 8-inch pipe on Centre Street, costing 210 ft of 6-inch pipe on Churchill's Lane, costing	$1,029 61
2363 ft of 8-inch pipe on Randolph Ave., to Hillside St. costing	3,712 21
783 ft. of 6-inch pipe on Randolph Ave., south of Hillside St. costing	1,192 95
60 ft. of 2-inch pipe on Eaton Street, costing	48 76
Total	$5,982 63

An extension has been made of the six-inch private service through the property of Mrs. Henry S. Russell and Mr. Howland S. Russell, to give fire protection and a house supply to private dwellings. This work has been paid for at cost by the land owners.

Following the classifications indicated in earlier reports, the lines on Centre Street, Churchill's Lane, Eaton Street, and on Randolph Avenue, south of Hillside Street, have been considered revenue-producing lines and a guaranty of income required. The receipts of the Department from December 31, 1904, to December 31, 1905, excluding service work (for which it has been reimbursed), were:

From water takers	$28,714 45
(An average of $24.62 per taker)	
From street watering (see note)	
From interest on deposits	$131 87
From repairs and incidentals	2,010 43
A total revenue of	$30,856 75
To this must be added hydrant service appropriation	$9,000 00
Appropriation for extension of mains	4,000 00
Making available for the work of the Department a total of	$43,856 75

NOTE. — No receipts are shown for street watering, as this bill was not paid until after January 1, 1906. Therefore, the report for 1906 will indicate unusually large receipts on this account, and the total receipts for 1905 are reduced a corresponding amount.

The receipts from water takers were about $1,800 greater than during the preceding year, the average price paid per taker having increased from $24.03 to $24.62, and the number of takers having increased by 45. The expenses during the past year, excluding construction and service work, were, $12,171.95; Metropolitan Water, $16,580.60; interest on 290 bonds, $10,150. Total, $38,902.55.

NOTE.—The increase in cost of operation is explained partly by bill for liability insurance in 1904, being presented in 1905, and also by the drafting of plans of the work of 1904 being postponed until 1905, as the draftsman was otherwise engaged.

Following the precedent of last year, the following table is intended to show the cost to the town of the plant, and the payments which have been made on account of the water loan.

Amount paid to Milton Water Company	$199,608 35
Bonds of Milton Water Co. paid off	120,546 67
Appropriations for extensions made in 1903	4,000 00
Appropriations for extensions made in 1904	5,000 00
Appropriations for extensions made in 1905	4,000 00
Making a total of	$333,155 02
Less balance reverting to Treasury, March 1, 1904	8,908 09
	$324,246 93

Bonds paid at maturity in 1903	$11,000 00
Bonds paid at maturity in 1904	11,000 00
Bonds paid at maturity in 1905	11,000 00
	$33,000 00

For the last two or three years we have encouraged the hope that our rates might soon be reduced. Chapter 426 of the Acts of 1904 became operative January 1, 1906, and the cost of the Metropolitan Water District will now be apportioned to municipalities, one third upon the basis of valuation, and two thirds upon the basis of consumption. This will result in some reduction of our consumption. This will result in some reduction of our assessment. The commissioners think the water takers should receive the benefit of this saving, and have therefore voted that, commencing April 1, 1906, the charges shall be as follows: —

The minimum charge for buildings having not more than one fixture shall be reduced from $8 to $7.50; for buildings having more than one fixture, from $16 to $15, and that a reduction of 5 per cent from the existing rates shall be made to consumers using more water than is allowed for said minimum rates.

We have been endeavoring gradually to extend the water mains into the Scotts Woods district. The elevations there are such that a satisfactory service cannot be given until that territory is supplied with the high-pressure mains of the Metropolitan Water District. At present this high pressure is provided only for the district south of Robbins Street. It will be necessary to lay mains in Canton Avenue between the residence of Mrs. H. J. Gilbert and Thacher Street, in order to supply Scotts Woods through the existing mains in Highland Street and Randolph Avenue. The cost of this work will be considerable, and unless we delay all other needed extensions we shall be obliged to ask for a larger appropriation for extension of mains than we have heretofore requested. We therefore recommend an appropriation of $7,000, which with funds available from current funds, will, we think, give us $10,000, the maximum amount contemplated under our statutes for new construction in a single year.

Respectfully submitted,

Charles S. Pierce,
Robert F. Herrick,
Thomas B. Gordon,
Water Commissioners.

NOTICE.

Chapter 426 of the Acts of 1904, changing the method of apportionment of the cost of the Metropolitan Water District, took effect on January 1, 1906. This law will reduce the cost of water supplied to Milton by the State. Accordingly, the Water Commissioners have voted that, beginning April 1, 1906, the minimum charge for buildings having not more than one fixture shall be reduced from $8 to $7.50; for buildings having more than one fixture, from $16 to $15, and that a reduction of 5 per cent from the existing rates shall be made to consumers using more water than is allowed for said minimum rates.

Water Commissioners.

WATER DEPARTMENT.

Expenditures.

Dec. 31, 1904, to Jan. 1, 1906.

Salaries and Wages:		
Chargeable to General Expense	$3,021 50	
Chargeable to Maintenance	3,707 08	
Chargeable to Service	5,952 22	
Chargeable to Construction	2,539 82	
Chargeable to Ledger Accounts	328 66	
		$15,549 28

General Expenses.

Rent and Insurance:		
Arthur H. Tucker, rent of office building	$400 00	
W. Newton Harlow, insurance	736 02	
R. L. Pond, excess, 1904, liability policies	211 94

Interest	131 87	Balance, Dec. 30, 1905, Blue Hill Bank	889 02
	$55,012 87		$55,012 87

THIRTY-FIFTH ANNUAL REPORT OF THE BOARD OF TRUSTEES OF THE MILTON PUBLIC LIBRARY.

The Board of Trustees of the Milton Public Library has the honor to submit its annual report to the Town for the year ending December 31, 1905.

The Trustees take great pride in the efficient and important work that the Library has done during the year, as shown in the report of the Librarian which is printed herewith, and to which their report is only a brief introduction. By a careful perusal of the Librarian's report and of the Treasurer's accounts the citizens of the Town will learn, in the best way, what the Library is accomplishing.

There are a few matters, however, to which reference is not made by the Librarian, but which belong more particularly to the Trustees' report. The building has been connected with the sewer, and the work done approved by the Board of Health and by the Inspector of Plumbing.

Upon petition from the Trustees the Board of Selectmen has made repairs to the highway in front of the building, putting in a stone crossing, a new sidewalk with curbing, and paved gutters.

Privileges in the Historical Room have been granted to the Milton Historical Society, and in the Art Room to citizens of Milton for lectures and the exhibition of pictures.

Additional book cases for the Children's Room have been found necessary and have been put in place. A contract has been made for electric light fixtures for the Art Room.

Incorporated with the Treasurer's report will be found a detailed statement concerning the "Cunningham Fund" and the "Gift Fund," to which reference was made in the report of a year ago. The work made possible by these funds is practically finished.

Amor L. Hollingsworth, *Chairman,*
Nathaniel T. Kidder, *Treasurer,*
Roderick Stebbins, *Secretary,*
Orrin A. Andrews,
H. Helm Clayton,
Charles E. Rogerson,
Arthur H. Tucker,
Joseph C. Whitney,
Trustees of the Milton Public Library.

REPORT OF THE LIBRARIAN.

To the Trustees of the Milton Public Library:

I have the honor to submit my report for the year ending December 31, 1905.

Circulation.

The work of the past year has shown that the location of the new building is a fortunate one for residents in many parts of the town. This is particularly true of residents of Mattapan, who heretofore have been unable to get to the main library, but have been confined to the use of a reading room.

Work with the High, Consolidated, and Thacher schools has been facilitated, and a great number of distant homes have been reached through the children attending those schools.

Statistics of attendance kept at the Central library and the reading rooms show that 50,856 persons have used the library during the year. This does not include the number of persons who have used the Village station since July 1, as under the present arrangement no record is kept of the use of that room except in the circulation of books.

The average attendance at the Central library alone has been 1,811 a month, an increase of nearly 200 a month over previous years.

The circulation for 1905 has been 57,349, an increase of 11,703 over 1904, which was 45,646. When one considers that the population of Milton during the last five years has increased from 6,578 to 7,054 (the census just taken), an average increase of only 95$\frac{1}{5}$ per year, while the circulation of books from the library has increased from 42,264 to 57,349, an average increase of 3,017 per year, one realizes that the growth of the library is due only in small part to growth of population. For the first time in the history of the library, statistics of circulation have been kept by classes.*

It will be noted that the percentage of fiction is large as compared with some libraries. This is due to the fact that most libraries allow but one book of fiction at a time, while this library has no such restrictions.

Reading Rooms and Deposit Stations.

The library system has been increased by two deposit stations; one at the barber shop of Mr. Timothy Melley, in the village, and another at the Poor Farm. At each of these stations an exchange of books is made once a month. With the books for the Poor Farm are sent illustrated magazines, which enable the inmates to keep in touch with the outside world. Thanks are due to Mr. and Mrs. Sanford who have made it possible for the library to serve those under their care. The Village reading room was given up July 1, as it was used so little. A deposit station was however opened in the office of Miss Mary M. Krim, who has charge of the station.

The circulation and attendance at both East Milton and Mattapan reading rooms have increased. The totals have been as follows: —

	Circulation.	Attendance.
East Milton	13,311	14,662
Mattapan	8,748	10,274
Russell	1,906	1,083

For further statistics see Appendix 2.

Special mention should be made of the excellent work in the study of nature which Miss Vose is doing at Mattapan;

---

* See Appendix 3.

each season of the year has its appropriate exhibit, and the children watch with eagerness the transformation of caterpillars, tadpoles, etc.

Registration.

The number of card holders is steadily increasing. Four hundred and forty-six new registrations have been made during the year.

Comparative Statistics of New Registrations.

Place of Registration.	1904	1905
Central	282	196
Blue Hill and Brush Hill	9	7
East Milton	79	79
Mattapan	72	121
Russell	5	13
Village	9	30
Total	456	446

The total number of card holders is now 2,487.

New Methods Adopted.

Several radical changes have been made in the methods of the library. In November, 1904, the age limit of twelve years for card holders was abolished, as noted in last year's report. That this was a step in the right direction has been shown by the fact that since that time 240 children under twelve have become card holders. Under the old rules these children were deprived of the use of the library except as they were allowed to use cards belonging to older members of the family.

Following closely upon the abolition of the age limit came the still greater change of doing away with the borrower's card, and allowing each person to take out at one time as many books as he may need, provided but one is a "seven-day" book. If books are needed for special study they are issued for any reasonable length of time. So far as can be detected the privilege of taking an unlimited number of books at one time has not been abused.

The date when a book becomes due is now placed in the back of each book so that there can be no doubt about the time limit.

A Handbook of Information has been issued, giving in detail privileges and resources of the library.

CHILDREN'S ROOM.

As this has been the first complete library year in the new building, it seems wise to print in full Miss Allen's report of the work of the Children's room.

At the annual shelf reading, only three books were missing, which speaks well for the discipline of the room:

Attendance.

The attendance for the year has been 7,913, making a daily average of 24. The largest monthly attendance was 996, in November; the smallest was 296, in August.

Registration.

The registration of new borrowers has been small, compared with that of the first six months after the opening of the library.

Between June 13, and December 31, 1904, 129 children registered, 104 of these children having registered after November 17, when the age limit was removed.

During the present year cards have been issued to 216 children; 136 to children under 12 years of age; 80 to children between 12 and 14.

Circulation.

Both circulation and attendance have varied from month to month, the winter months naturally being largest. Many of the school children living in distant parts of the town either left their cards or transferred them to the branches when school closed, which caused a drop in the circulation.

The circulation for the year has been 6,996.

Bulletins and Exhibits.

Pictures of some sort have been on the bulletin board during the entire year. The following special exhibits have been made: Washington's birthday; Seton-Thompson; "Out-of-doors in March;" May Day; June 17th; July 4th; Vacation bulletin; Thanksgiving; Hallowe'en, and Christmas.

In February Mr. William L. W. Field loaned to the library four cases of mounted butterflies and moths common to New England. These were placed in the Children's room, and were a source of interest and enjoyment to the children during the two months that they remained.

For three weeks preceding Christmas, about 100 new books suitable for Christmas gifts to children were on exhibition. The books were grouped as follows: Easy books for little children; poems and songs; picture books; girls' story books; amusements; books about Christmas, and boys' books.

This exhibit was made public through a notice printed in the Milton Record and by the distribution of circulars. Twenty-five people made practical use of the exhibit.

The stereoscopic pictures of Egypt have been in constant use, and 60 of them were issued to the schools.

Scrap Material.

During September the scrap material which has been collecting from various sources was classified according to the subjects which it represented.

These files have been drawn upon to furnish material for the following subjects: Puritan costume, Indian costume, initial letters, poems about Christmas, Christmas plays, maple sugar, lobsters, celery, lumber.

Reference Work.

The reference work has been increasing each month. The following are representative of the subjects about which information was desired: standard unit of measure in the United States; Turner's Fighting Téméraire; Richard I; Monroe doctrine.

Story Hour.

Two public story hours have been held during the year. On February 15th, Dr. William van Allen, of the Church of the Advent, told stories in the High School hall to 350 pupils from all of the public schools. On November 23d, Miss Alison Pierce, of Brookline, also told stories to about 130 pupils from grades 4, 5, and 6 of the Glover and Thacher schools. On several afternoons the children's librarian has read to groups of 7 or 8 boys and girls.

Schools.

The total number of books sent to the schools has been 1,600, from which number 3,112 books have been circulated.

School Circulation.

	No. of deposits sent.	No. of books sent.	Circulation.
Academy	1	12	72
High	4	53	60
Belcher	8	654	1,380
Consolidated	5	238	277
Glover	5	195	324
Houghton	5	61	97
Sumner	7	199	510
Thacher	0	0	0
Tucker	4	188	392
Wadsworth	0	0	0
Total	39	1,600	3,112

For circulation by classes see Appendix 3.

Sunday Opening.

The library was opened again on Sunday, on November 5. The attendance so far has been rather smaller than last year.

Staff.

There have been two changes in the staff. Miss Caira D. Hawkes, assistant in charge of the Village reading room, left the service July 1, when that room was given up. Miss Gertrude L. Goodenough left December 23; her resignation was accepted with regret.

Gifts.

Gifts which should be especially noted are the following, arranged alphabetically by givers:

Miss Catherine W. Faucon. Twenty-six volumes of miscellaneous literature.

Mrs. Martha W. Faucon. Fifty-two volumes, including French and German literature.

Mr. Roland Hayward. Eighteen photographs of Milton, and four photographs, together with pamphlets showing high and low tides in the Bay of Fundy.

Mrs. Robert F. Herrick. Forty-one volumes, mostly English fiction; 172 periodicals, and 71 sheets of music, opera scores, etc.

Miss Mary H. Hinckley. Photographs of the old Indian trail, also of the Mark Hollingsworth house at Mattapan, the latter framed in wood from the house. Both photographs are at the Mattapan reading room.

Mr. Nathaniel T. Kidder. Six hundred and thirty-one volumes, 144 miscellaneous pamphlets, and 186 periodicals, making a total of 979. Mr. Kidder has also loaned to the library seven paintings and two photographs, which have been hung in the historical room.

Milton woman's club. A check for $6, with which to purchase books on tuberculosis.

Mrs. William H. Forbes and Mr. Edward W. Forbes have loaned to the library a painting by William L. Picknell, called "Nearing Sunset."

The marble medallions, noted in last year's report as the gift of Dr. Kennedy, have, through his generosity, been placed on the walls of the art room. These medallions were reproduced in marble from original designs made by Miss Harriet G. Hosmer, for panels of bronze doors for the home of Earl Brownlow. They represent Luna, the rising moon, and

Hesperus and Phosphorus, the evening and the morning stars, with their symbols of sleep and waking.

The library is indebted to Mr. Charles F. Marden for space in the Milton Record in which to print lists of new books, and other items pertaining to the library.

Miscellaneous.

The Massachusetts library club met at Milton, October 12th; meetings were held in Assembly hall, High school, and luncheon was served in the Town hall. Between 200 and 300 people attended.

Miss Frances Lee gave at the library a series of ten lessons on the "Appreciation of pictures," illustrated by early Tuscan art.

Collections of books have been reserved for study classes or special occasions as follows:

Subject.	Reserved for.
American political history.	Miss Cornelia S. Huntington.
History of art.	Miss Frances Lee.
Reference books for Sunday-school teachers.	Rev. Roderick Stebbins.
William Morris Hunt.	Loan exhibition of Hunt pictures.
History of the chocolate industry in Milton.	For the schools of Milton. (At the request of the Milton Education Society.)
History of the Tileston-Hollingsworth paper industry.	"
History of the civil service reform.	"
History of the woman's suffrage movement.	"
The requisites of good citizenship.	"
Should the state support trade schools	"
Should Milton have vacation schools?	"
Should Milton have a public gymnasium	"
Should the United States hold colonies?	"
The cure for graft.	"
The metropolitan party system of Boston.	"
History and interesting facts concerning the granite industry of Quincy.	"

The Massachusetts state federation of women's clubs loaned for three weeks "The travelling health library" of books on the prevention and cure of tuberculosis.

Through the system of inter-library loan, nine volumes have been borrowed from the Boston public library, one from the Boston athenæum, and three from the Thomas Crane public library of Quincy; one volume has also been loaned to the Medford public library.

One hundred and forty-six photographs of Milton from negatives taken by Mr. F. A. Frizell were on exhibition in the art room from December 4th–December 25th. These photographs attracted unusual attention, the exhibit having been visited by 319 persons.

Other photographs loaned by the Library art club have been hung in the art room at various times.

Mr. Harrison O. Apthorp.

My report would be incomplete without reference to our great loss in the death of Mr. Apthorp, a loss felt not only by the librarian, but by all the members of the staff. During the early struggles, when the library was leaving behind old traditions, and was readjusting itself to modern requirements and possibilities, the sympathy and encouragement of Mr. Apthorp were unfailing; and the library will always be richer for his splendid courage and his devotion to the highest of ideals.

Respectfully submitted,

GERTRUDE E. FORREST,
LIBRARIAN.

REPORT OF THE INSPECTOR OF BUILDINGS.

To the Honorable Board of Selectmen:

Gentlemen, — I herewith submit my annual report for the year ending December 31, 1905, seventy-eight applications having been made for alterations, additions, and new buildings, and seventy-eight permits issued and granted for the same.

WORK OF THE BUILDING DEPARTMENT BY MONTHLY REPORT.

Months.	Permits issued for Wooden Buildings.	Permits issued for Stone and Brick Buildings	Value of Work by Application.
January	2		$1,300 00
February	1		600 00
March	4		11,700 00
April	13		68,575 00
May	3	2	33,675 00
June	13	1	84,000 00
July	6		11,050 00
August	11		27,157 00
September	4	1	52,200 00
October	6		25,800 00
November	4	2	32,700 00
December	3	2	60,000 00
Totals	69	8	408,757 00

Making the valuation of the work completed and to be completed, four hundred and eight thousand, seven hundred and fifty-seven (408,757) dollars.

Office hours of the Department, 7.30 to 9 P.M., Tuesday and Thursday.

Respectfully submitted,

G. E. Burt, *Inspector.*

REPORT OF THE INSPECTOR OF PLUMBING.

To the Honorable Board of Health :

Gentlemen, — I beg leave to submit the following report for the Department of Inspection of Plumbing for the year ending December 31, 1905.

During the year there have been issued one hundred and seventy-one (171) permits to perform plumbing, the valuation of this work as specified being, approximately, thirty-three thousand six hundred and fifty dollars ($33,650).

Three (3) applicants for master plumbers' licenses were examined by the Examining Board and successfully passed, receiving licenses.

One (1) applicant for a journeyman plumber's license was examined by the Board and received a license, having successfully passed.

One (1) plumber renewed his license.

Ten (10) plumbers from other towns and cities registered at this office.

Respectfully submitted,

Lorenzo E. Young,
Inspector of Plumbing.

REPORT OF THE PARK COMMISSIONERS FOR 1905

To the Citizens of Milton :

There has been very little work done in the Park Department the past year. On the playgrounds only the usual work of clearing up, burning the grass in the early spring, and cutting it at midsummer. Some money was put out on the marking of the grounds for games, but nothing on permanent work.

The oriental planes at Brook Road have proved a failure and will be replaced by oaks. A little gravel has been sold at East Milton, but the payment for the largest transaction goes over into 1906.

The appropriation for improvement of school grounds reverts to the town treasury untouched.

In accordance with the vote of the last March meeting the reserved space in Grafton Avenue has been graded and sowed. A row of red maples, a gift, was planted down the centre. The contract for this was let to Mr. Josiah Babcock for the amount of the appropriation.

We expect during 1906 to make a beginning at least on the piece of land between Canton and Blue Hill Avenues, near Dollar Lane. This we shall call Dollar Lane Playground.

We recommend again the appropriation of $100 for the general uses of the department, and of $100 to be expended on the school grounds.

Respectfully submitted,

NATHANIEL T. KIDDER,
HORATIO A. LAMB,
CHARLES E. ROGERSON,
Board of Park Commissioners,
Town of Milton.

REPORT OF THE TREE WARDEN.

To the Citizens of Milton:

The usual work on the street trees was kept up through the winter with very little interruption. When the weather was too severe to work in the trees, my men worked on the ground, as a good deal of weedy growth had to be removed along Brush Hill Road. This street was finished to Mattapan. Then Randolph Avenue from Milton Village to Quarry Street was gone over, Gun Hill Road, Edge Hill Road, Granite Avenue, parts of Squantum Street and of Canton Avenue. The big elms in the village were again carefully trimmed and the trees on Adams Street were hurriedly gone over, as they did not need much done, as far as Mr. Brooks's entrance. Considerable work was done too for private individuals. This I always try to arrange to do as my men pass along the street, and as I have repeatedly stated it is done at the expense of the individual.

The cankerworm, which has been so destructive in Milton for many years was not this year abundant, and I did not have any spraying done for this worm. Undoubtedly the spraying of the past few years has reduced the numbers of cankerworms, and their parasites have got the upper hand. For a related worm I had a little spraying done, and as elm leaf beetles were rather unexpectedly numerous in the eastern sections of town, it was necessary late in the summer to spray a good many trees for these.

Brown-Tail Moths.

During January I sent through the Town and removed all the nests of Brown-Tail Moths which could be found. These were mostly in the orchards. Indeed I did not send into the wilder parcels of land. Those owning woodland should look it over for the nests, as they have by this spread from the orchards where they first began. Apparently there are not so many nests as there were a year ago.

Gypsy Moths.

Early in July the inspectors from the office of the Superintendent for Suppressing the Gypsy and Brown-Tail Moths found these caterpillars in various parts of Milton.

I at once issued the following notice on a cloth poster and had it very generally put up through the Town:

GYPSY AND BROWN-TAIL MOTHS
in [seal] the
Town of Milton.

Gypsy and Brown-Tail Moths are both in Milton. You are urged to put burlap bands on your trees to catch the caterpillars.

Information will be furnished by the Tree Warden or his deputies.

Nathaniel T. Kidder,
July 6, 1905. *Tree Warden.*

I had burlap bands put on every tree on which the caterpillars had been found, and on every tree within a radius of one hundred feet from such centre. My two regular men were taken from the other work and the gang increased by four additional men. These six men visited the burlaps as often as necessary, in some places every day, and killed all caterpillars found sheltering from the sun.

This work seemed to naturally fall under my Department, especially as a third of the appropriation for several years past has been understood to be for fighting insect pests. My duty in this line was confirmed at the special Town meeting held July 21, in the warrant for which appeared the following articles:

ART. 3. To see if the Town will designate the Tree Warden as its public officer to suppress the gypsy and brown-tail moths under Chapter 381, of the Acts of 1905.

ART. 4. To see what sum of money the Town will appropriate for the suppression of the gypsy and brown-tail moths.

It was voted that the Tree Warden be so designated, and it was stated at the meeting that the Trustees of the Mary A. Cunningham estate offered to give $4,000 for the suppression of the moths, if the Town would appropriate $1,000. The sum of $1,000 was voted, and the Trustees have written the Town Treasurer, stating that the sum of $4,000 is at his disposal whenever called for by him.

By the middle of August the caterpillars had turned into pupæ and the hunt for them was stopped for a season, and the regular work on the trees resumed.

Late in October, when the Selectmen sent out a circular in accordance with the provisions of law, I sent out "Bulletin No. 1," issued from the office of the superintendent, for suppressing the gypsy and brown-tail moths, and with it the following letter:

GYPSY AND BROWN-TAIL MOTHS.

To the Citizens of Milton:

Any one who has not seen the destruction caused by the caterpillars of the gypsy and brown-tail moths as it may be seen in the northern suburbs of Boston can never realize what a calamity it is.

Milton has so far escaped any serious damage from these pests, but is now threatened in every direction. There are colonies of both insects scattered throughout the town. Alarming as this sounds, there is yet hope of getting them under control. The experience of other towns shows us many good methods of carrying on the war, and has developed much machinery to help us. These results have been reached after much experimenting, which we are spared.

But only by every one doing his share is good work to be accomplished. Begin right away on some of the obvious precautions. Cut out and burn up such trees, especially fruit trees, as yield no crop and are no longer ornamental. Do not leave old hollow apple trees to rot and fall, they are always breeding-places for caterpillars of one species or another. Many people have their trees surrounded by tarred paper or zinc troughs. Both of these are excellent precautions if kept in order, but many have stayed on so long without ink or oil that they are doing the trees much more harm than good. Look them over, you can tell for yourselves whether they ought to come off. Destroy any caterpillars you find feeding on foliage, do not leave them to become indefinitely numerous.

With this notice you will receive a pamphlet describing the gypsy and brown-tail moth in all stages, and telling you the best method of destroying them. In this is also Chapter 381 of Acts and Resolves of 1905, entitled, "An Act to provide for suppressing the Gypsy and Brown-Tail Moths."

The Act referred to above declares gypsy and brown-tail moths in all stages public nuisances, requires and makes provision for their suppression, and sets forth penalties for failure to comply with its provisions.

The governor has appointed a superintendent of this work, who acts for the commonwealth. Each town appoints its agent who works under the general instructions of this superintendent. Milton has designated its tree warden.

Mayors of cities and selectmen of towns are ordered to send notice to every land owner requiring the destruction of the gypsy and brown-tail moths in all stages within a time specified in the notice. If any land owner fails to comply with the requirements of such notice, then the work is done by the town and the cost assessed upon the said lands.

Such notice by the Selectmen will soon be sent.

These in brief are the provisions of the Act which apply to the individual in Milton. It will be seen that the appropriation of the meeting of the 21st of July does not mean that the town authorities are going to kill the caterpillars for the whole town for nothing, the Act of the Legislature does not give that power.

Your Tree Warden and his Deputies and workmen stand ready to furnish any information they have, and I shall endeavor to keep a force of men in readiness to do this work of destroying insects on private land on short notice and at a reasonable charge.

Every one should make it a point to learn what the gypsy and brown-tail moths look like at all seasons of the year, and should not wait to see whether the law is going to be enforced, but do the work as soon as the proper season comes, as soon as the leaves have fallen.

Remember that the pests have not a strong foothold here yet, and that if we all work together we may keep them under until help comes from the various parasites which the State is introducing, or from the improved methods and devices which are sure to be developed, now that so many minds are working on the subject.

NATHANIEL T. KIDDER,
Tree Warden.

Milton, Mass., October, 1905.

About the same time I displayed in the post-offices, railroad stations, and other public places, a circular from the State Superintendent, telling what work was to be done during the winter.

Having in mind the fact that but few people in Milton knew by sight the nest of either the gypsy or brown-tail moth, and considering that the fund furnished by the Cunningham Trustees put the town on a footing somewhat different from most other towns about us, and further, as the amount of work necessary to be done did not put Milton in the category of towns which can be reimbursed by the State for this year's expenses, I determined to do the work of clearing up the eggs and nests at once. I began the middle of November.

This method of procedure obviated the delay which would be necessary if I waited for the expiration of the time allowed by the Selectmen's notice to property holders. What was perhaps more important, it gave me a chance to show many people what to destroy, as my men have pointed out the nests to citizens as often as they had an opportunity. The work of destruction is still in progress.

I have done everything I could think of to arouse the public to a realization of the dangers, the terrors, of an invasion of these caterpillars. I have had the creatures in all stages on exhibition at the Library and its branches, where they still are to be seen. I have put supplies of creosote in the engine houses and the police station, which may be had for the asking in small quantities by any one who will take a can or bottle to carry it in. All this information and more I have from time to time published in the Milton *Record.*

It will not do to rest at this. To find all the eggs scattered over so large a territory is an impossibility. In my own investigations I have found many a rubbish pile crowned with boxes, old turnstiles, prunings from the orchard, and much other rubbish which should be burned as a precaution, if not in the cause of neatness, to say nothing of old tin cans which could readily be buried. Let me again urge that every one look over his land and destroy such piles, where the work of the enemy often begins and gathers momentum unnoticed until it comes forth to invade the orchards and shrubberies and devastate the rose garden. Nothing is safe from these foes. Do not let any insect go unchecked if you do not know just what it is. Cut down and burn any weedy growth you can dispense with.

I append a brief summary of the work being done in the cities and towns surrounding Milton, furnished me by the State Superintendent. Also a report on the work by the Metropolitan Park Commission in their holdings in and about Milton, from Mr. Woodbury, the Secretary of that Board.

Quincy.

Badly infested by gypsy moth with many brown-tail moths present. The street trees in the gypsy moth district were burlapped and attended last summer, and have now been cleaned of both pests. Work on private estates begins January 1.

Randolph.

Several nests of the gypsy moth were found in widely separated localities. Both town and private work against both insects have been completed.

Canton.

Very few gypsy moth nests were found, and these have been destroyed. There is an occasional brown-tail moth nest here and there which have not as yet been removed.

Dedham.

The gypsy moth is considerably scattered throughout the town, occurring in about a dozen places. Work is now in progress on street trees.

Hyde Park.

Generally infested by the gypsy moth; there are two or three bad colonies of small size. The work of clearing the street trees of both insects is about three fourths done.

Boston.

In the Dorchester district there are a few scattered gypsy moths which have been destroyed by Superintendent William Doogue and his employees. The brown-tail moth is fairly prevalent throughout the southern part of the city, and the nests on street trees will be removed in the near future. The northern part of the city is generally and seriously infested by both insects.

Nests of the gypsy moth have been found this year for the first time in the Blue Hills Reservation and other holdings of the Metropolitan Park Commission in the neighborhood of Milton. The Commission have had men engaged in locating the nests and painting them with creosote as soon as found. Wherever it seems possible that a colony might develop from nests not discovered the ground has been cleared of brush and preparations made for banding the trees in the spring. The locations where the nests have been found are for the most part along the lines of highways and roads.

By these reports it will be seen that all the land surrounding Milton is receiving attention.

Respectfully submitted,

NATHANIEL T. KIDDER,
Tree Warden.

REPORT OF THE ASSESSORS, 1905.

The Assessors of the Town of Milton for the year 1905 beg leave to submit the following report.

The Board organized with George W. Nickerson, Chairman, and William W. Churchill, Secretary.

The Assessors recommend an appropriation of $885 for the following purposes, viz:

For land plans, renewing, and clerk hire	$475 00
List of copper stock shareholders	75 00
Telephone for assessors	100 00
Printing poll tax lists and tax bills	110 00
Advertising and printing posters for returns	30 00
Registry of Deeds for returning transfers	45 00
Miscellaneous	50 00

The Assessors gave the notice required by statute requesting tax payers to bring in true lists of their polls, real and personal property.

The number of polls assessed was 1,893, gain of 5.

There was a gain of $645,840 personal.

There was a gain of $325,897, real estate.

A gain in valuation of $971,737 for the year.

We received in bank and corporation taxes for the year 1904, $64,604.27, a loss from 1903 of $9,859.67, owing in a great measure to the depressed condition of trade in that year.

The Assessors would again renew their request to the residents of the Town owning stocks in Massachusetts banks or corporations, and especially those who are purchasing such stocks, to have their residence given as Milton, whatever may be their post-office address.

We would also renew our requests to trustees of estates to make their returns to the Commonwealth between May 1 and 10 of each year, so that tax may not be lost to Milton.

We found eighty claims due Milton credited to Boston, twenty-seven claims to Hyde Park, and forty-eight claims to the Commonwealth, which were all allowed to Milton on presentation of proof by the Assessors.

We should be glad if we could impress upon the minds of the residents of Milton that a dollar gained in corporation tax lessens the direct tax by the same amount.

George W. Nickerson,
Josiah Babcock,
William W. Churchill,
Assessors of Milton.

REPORT OF INSPECTOR OF CATTLE.

To the Board of Selectmen:

Gentlemen, — On my annual tour of inspection for the year nineteen hundred and five, I visited one hundred and twenty premises. On these same premises, I examined and found in good sanitary condition one hundred and twenty-three barns. Also examined eight hundred and seventy-one cows, twenty-five bulls, and two hundred and fifty-five swine. Upon a physical examination of these animals I found no evidence of tuberculosis or other contagious disease. In addition to these, I examined seven cows which gave evidence of tuberculosis. These I quarantined and reported to the State Board, who examined same, killing five and releasing two.

During the year I made, by request of owners, several examinations in addition to regular inspection. Also inspected meats slaughtered in town for market.

Respectfully submitted,

James Spencer,
Inspector of Cattle and Provisions.

REPORT OF TRUSTEES OF CEMETERY.

To the Citizens of Milton:

The Trustees of the Cemetery submit the following report for the year ending December 31, 1905.

The Board organized with Samuel Gannett as Chairman, and William H. Kennedy as Secretary and Treasurer. Thomas W. Pond was appointed Superintendent. Mr. Pond has served two years and has been very satisfactory to the Trustees, and we believe also to the lot owners of the Cemetery.

During the past year eighty-nine interments have been made, twenty lots have been taken by citizens, thirteen lots put under perpetual care, twenty-nine new lots laid out, twenty foundations for monuments and thirty-nine for headstones and markers have been built. The following avenues have been repaired and resurfaced, Olive, Forest, Elm, Walnut, Unquity, and Nanespasemet. Twelve hundred feet of paved gutter have been laid on Centennial Avenue. The usual amount of routine work, such as myrtling graves, grading old lots, setting corner posts, etc., has been done.

We ask for the same appropriation as last year, two thousand ($2,000) dollars, for the general care of the Cemetery.

At the March meeting of 1904 the sum of five hundred ($500) dollars was appropriated for a water supply in Milton Cemetery. Before the water could be carried into the Cemetery it was necessary to lay several rods of pipe on Centre Street. Owing to the large amount of work which the Milton Water Department had on hand, this work was not done until the spring of 1905; consequently the pipes were not laid in the Cemetery until the early summer of that year.

While this small appropriation carried the water only a short distance, still it supplied the northerly part of the

Cemetery in a very satisfactory manner, and has been of the greatest benefit in keeping the avenues, shrubs, grass, and flowers in good condition.

The Trustees believe it is for the interest of the Cemetery that the supply be extended to the highest point of the southerly part of the grounds. If this extension is made T's will be put in at the intersection of avenues where supplies may be needed in the future, thus leaving a chance to make connections without disturbing the main pipe. It is estimated by the Superintendent of the Milton Water Department that the cost of this extension will be $1,350. An article will be inserted in the warrant for the next Town meeting, asking for an appropriation of $1,000 to do this work, the Trustees believing that the balance above this sum can be paid from their yearly income. It is earnestly hoped the citizens will vote the amount asked for.

AMOR L. HOLLINGSWORTH,
WILLIAM H. KENNEDY,
C. MINOT WELD,
J. FRANK POPE,
SAMUEL GANNETT,
Trustees.

REPORT OF TREASURER OF CEMETERY.

Treasurer.

REPORT OF SEWER COMMISSIONERS.

The Board of Sewer Commissioners begs to report as follows, touching the work of the Sewer Department during the year 1905.

During the year the following sewers have been laid:

In Eliot Street, 550 feet, in Randolph Avenue, 1,273 feet, making a total of 1,823 feet.

The cost of this work has been $4,027.77. The sewer in Eliot Street was connected with the existing sewer in Central Avenue, and the one in Randolph Avenue with the Metropolitan sewer.

The betterments due the town on account of the sewers which have been laid during 1905 amount to $3,580. The Milton Academy, on account of the large area drained, will be assessed on an area twice as large as the ordinary land owner having an equal frontage.

There have been sixty buildings connected with the Town sewer during the year.

Respectfully submitted,

Francis R. Hart,
Charles Mitchell,
James H. Perkins,
Sewer Commissioners.

ANNUAL REPORT OF THE OVERSEERS OF THE POOR, MILTON, MASS.

To the Citizens of Milton:

The Overseers of the Poor of the Town of Milton have the honor to present their report for the year 1905.

At the Town Meeting held March 8, Mr. Wigglesworth having declined to serve longer, Malbon G. Richardson was elected to the Board, to serve for three years. The Board proceeded to organize, with Arthur H. Tucker as Chairman, and Parker B. Field as Secretary. Joseph H. Duffy was continued in charge of the clerical work of the Board, and Mr. and Mrs. Calvin H. Sanford were reappointed as Superintendent and matron, respectively, at the Town Farm.

Dr. Henry Shaw, who had proved himself such a valuable expert adviser to the Board during the past year, continued his services during the spring, and his work demonstrated conclusively that in order to insure thoroughness of work, with consequent saving to the Town, a permanent agent should be found. As his final service to the Town, Dr. Shaw suggested to the Board for this position, Albert Rounseville, of Rochester, Mass., with an experience of many years as Selectman and Overseer of the Poor in his own town, a familiarity with the various State departments, gained through membership in the legislature, and finally with the training of an expert in poor relief, obtained in the service of the State Board of Charity.

It was particularly fortunate that Mr. Rounseville could come without prejudices or affiliations in our town, and he was engaged, first experimentally, and later permanently, to serve as agent.

Mr. Rounseville spends at least one day in each week in

Milton, and gives as much more time in the town as is requisite for efficient service. His visits among the poor have been conducted in a kindly spirit, and his good judgment and advice to the Board have been of great value to them in deciding how much or how little should be given each family, with the aim to foster respect in its members and encourage them toward self-support.

The uninitiated in charity work little realize how much harm may be done the applicant for relief by too liberal or too constant giving, or by aid from too many sources. The aim of the Overseers is to urge the needy to exert himself in self-help to the utmost, and if he then falls short of the mark, to supply the deficiency.

There is a marked difference in the effect upon the applicant between private aid, given judiciously, which he regards as a favor from a friend, and that received from public sources, which he may finally come to look upon and demand as his right. In some cases where help is asked, the Board aims to interest some individual to become the friend of the needy one that this friend, by advice and guidance, and possibly with some little material help, may encourage him to self-support without the necessity of public relief.

With this object in view the Board recently invited to attend one of its meetings, several of the local ministers and a representative of the Social Service Committee of the Milton Woman's Club. The cases of the Town charges were discussed, and as a result, responsibility for one was immediately taken from the Overseers, and others may be so encouraged and helped that the Town can withdraw its support.

The Board wishes to draw attention to the fact that it can only give aid to persons directly applying therefor, and in giving aid it merely supplies the necessities and none of the luxuries of life, as one of its duties is to in no way encourage pauperism, but to help the applicants to help themselves.

Bearing this fact in mind, it is at once apparent that harm may be done by a citizen furnishing aid to a person or family which may at the same time be receiving aid from the Board, of which fact the citizen is not cognizant. While the Board does not wish in any way to discourage personal benevolence, it believes that the best result can be obtained in most cases by a benevolent citizen if he first asks the Board whether or not public aid is being supplied, and the Board will gladly furnish any information in its possession, upon request.

Conditions at the Town Farm have been improved. Interior repairs have been made and it is believed that the comfort and good cheer of this home is now all that can be desired. Early in the year a special committee on dietary visited or communicated with almshouses in neighboring cities and towns and received from them statements of daily bills of fare, and the Board is satisfied that our standard of living is quite as high as that of our neighbors, where conditions are similar.

An economy in the purchase of provisions for the Town Farm during the past year has been effected through open contracts for them in large quantities, the various dealers in town having been invited to bid.

One of the members of the Board has looked especially after the comfort and pleasure of those at the Town Farm, and has arranged with friends to provide entertainments, from time to time, and these have been highly appreciated by the inmates. The Board extends to all these friends most hearty thanks.

Early in the winter the Superintendent of the Town Farm, with assistants, searched carefully the farm and wood lot for traces of gypsy or brown-tail moths, but none were found.

The expenses of the outdoor poor for the year, including those of administration, are some $200 greater than last year, but the table shows that this increase is in medical care furnished, an item over which the Board has little control. Omitting this item, which is $250 in excess of last year, there has been a saving. Medical expenses are likely to be equally heavy in future, owing to the established policy of Boston to charge the Town with the full expense of every person settled in Milton who may fall sick in Boston and go to the City Hospital for treatment. In addition to these expenses this Board has had to pay bills amounting to over four hundred dollars for aid given at hospitals as far back as 1898 and 1899. This item is, of course, considered separately and should not be reckoned an expense of the present year, though paid out of this year's appropriation.

The meetings of the Overseers of the Poor are held at the Town Hall on the first Thursday after the first Wednesday of each month at 7.30 P.M., and applications, complaints, or suggestions will be received at these meetings or at any other time.

The residents of the Town are invited and urged to visit the Town Farm at any time.

The Overseers of the Poor recommend for the ensuing year the appropriation of sixty-five hundred ($6,500) dollars, together with the sums received from sales at the Town Farm, and from all reimbursements for aid rendered. This amount is intended to cover all expenditures of the Board, including salary of the Agent.

ARTHUR H. TUCKER, *Chairman.*
PARKER B. FIELD, *Secretary.*
LAVINA H. BRACKETT.
HORACE N. PLUMMER.

Interest 1904	141 15	
		$3,669 87
Less expenses for year 1904		13 41
		$3,656 46

EXTRACT FROM THE WILL OF ELIZABETH T. L. REED.

"All the rest, residue and remainder of all the moneys remaining in the hands of said Executor or Administrator, I direct shall be divided into three equal parts

. . . .

"The second of said parts shall be paid to and deposited with the Treasurer for the time being of said Town of Milton, the same to be received, held and invested by said town as a fund to be known as the 'Jason Reed Fund,' and the income thereof shall be applied to the preservation, care, improvement or embellishment of the said Milton Cemetery.

"And the third of said parts shall be paid to said Town of Milton, and the same shall be applied by the proper legal authorities to or towards laying out, improvement or ornamentation of a Public Park or Parks in said town, in such manner as said authorities may deem advisable.

"I make the foregoing bequests in favor of First Parish, the Cemetery and the Parks in said Milton, both on account of the deep interest taken by my father, the late Jason Reed, deceased, in the affairs of said town, and of my own profound desire for the welfare of said town and of the citizens thereof."

TOWN STATISTICS.

Registry of Births, Marriages, and Deaths in 1905.
